

2020 Photography Exhibit – Department M

SENIOR DIVISION

Don Aittama, Department Superintendent

Rules and Regulations

The Photography Department will accept entries on Saturday, August 15, from 9 a.m. until 1 p.m.

* Pre-Registration of your entries will be available through the Rockingham County Fair Website. The link will be posted from July 1 through midnight on Wednesday, August 12. This will save considerable time for both you and the Photography Department staff during the intake process and everyone is encouraged to use it.

Entries are to be reclaimed on Sunday, August 23, from 2 p.m. to 4 p.m. A claim ticket must be presented. Any exhibitors removing their entries prior to this time will be prohibited from future participation in this event.

The department reserves the right to refuse to accept or display a photograph that is deemed to be inappropriate in content for viewing by a general audience.

Care will be taken in handling and displaying your photos, however, the Photography Department and the Fair Association assumes no liability for damaged or stolen entries.

Senior Division Entrant Eligibility

The senior division is open to all amateur photographers over 19 years of age that reside in the City of Harrisonburg or the County of Rockingham. January 1, 2019, will be used to determine the contestant's age.

For the purpose of this event, an amateur is defined as an exhibitor who has not advertised their services, or received money from the sale of photographs in the past year with the exception of winnings from a photography contest.

Photo Eligibility

Previous entries exhibited at the Rockingham County Fair are not eligible.

Photos must be the work of the exhibitor

Only one photo per class may be entered. The same subject may not be used more than once in any class.

Entries may be in color or black & white and commercial processing is acceptable. *Except for the Artistic category below, digital enhancements are limited to cropping and basic corrections for exposure, color and contrast.*

Cropping to custom sizes is encouraged such as 5" x 10" or 12" x 6" to enhance the composition of the image.

Photo Requirements

SIZE: Minimum photo size is 5" in any direction and the maximum photo size 12" in any direction.

PRESENTATION: Only one image per entry

BACKING: All photos shall be either mounted on foam board or matted.

Mounting photographs on a foam board with permanent adhesive is the most secure way to display your photographs. It is recommended that you make the foam board ½" longer at the top of your picture to allow for space to attach hanging clips. If this space is not provided the clips will have to be placed directly on your print and will leave a mark on your print.

Matted photos will also be accepted. The preferred color of the mat is black or white. All matted prints must be secured to the back of the mat. Wide tape or permanent adhesive is recommended for securing the prints between the mat and backing. **DO NOT USE FOAM TAPE TO TAPE THE PICTURE TO THE BACK OF THE MAT.**

The entrants name and class description must be on the back of each entry. In addition, entries in the following classes must also include the following information:

1. Rural Rockingham & Rocktown: location taken
2. Abstract: identify the subject matter
3. Artistic: identify the process or technique used

HANGING:

All photos must be ready for hanging. Binder clips and pegboard hooks will be provided.

Determining Class Eligibility

1. Class eligibility will be determined by the main subject matter of each photo.
2. The same photo or similar photo cannot be entered in multiple classes.
