

All Star Stunt Dogs Challenge

America's favorite stunt dogs are back in action at the Rogers County Fair! This must see show will entertain people of all ages. From back flips, handstands, big air stunts, to amazing tricks; these "All-Star Stunt Dogs" are thrilling the nation! You may even recognize the stars from the Tonight Show, the Ellen Show, Queen Latifah Show, Animal Planet, National Geographic, the Rose Parade, or from commercials.

What makes these stunt dogs so special? Besides their talent for the flipping, jumping, and racing, all of these amazing pooches have been adopted out of pounds and shelters from across the country and turned into stars. Their mission is to promote the importance of pet adoption, spay & neutering, and encourage people to be responsible pet owners.

From large breed to small, you'll be mesmerized as these dogs compete in challenges, like triathlon racing and high-jumping. They will even leap into the air to catch flying discs and perform amazing tricks; like jumping rope, walking backwards, and doing paw-stands.

The louder you cheer the more air the dogs get! So come join the "Dog-Gone Fun", happening everyday at the fair.

The All Star Stunt Dogs will perform three times a day on Thursday, Friday and Saturday!
