After school activities I am involved in are the National Honors Society and College Possible.

Hobbies and special interests: In my spare time, I enjoy listening to music, playing my violin, singing, painting, reading, watching shows, and cooking meals for my family.

What is your favorite place to visit in Portland and why?

My absolute favorite place to visit in Portland is Powell's Books. The first time I entered the store felt magical, and no words could express the happiness that pulsed through me during that visit where I was surrounded by thousands of books.

What are you most proud of during your high school career?

I am most proud of how much I have grown as a person. I started high school as a quiet, reserved girl that rarely stepped out of her comfort zone. Now I have become someone who is brave enough to run for Rose Festival Princess at my school.

What is your favorite Rose Festival event and why?

My favorite Rose Festival event is the Grand Floral Parade because the floats have always been stunning. I love flowers, so this event holds a special place in my heart.
