

GENERAL RULES

Junior Show Entry Deadline: December 1, 2020

The San Antonio Stock Show & Rodeo is committed to the humane treatment of all animals exhibited. Every reasonable precaution is taken to promote the animals' safety and well-being. The production practices in the livestock industry are based on good principles of animal husbandry. No one has a greater economic stake in the welfare of animals than the livestock producers and organizations involved in the promotion of agriculture.

Civil Authority Evacuation

The San Antonio Stock Show & Rodeo, along with all other large venue and public gathering places and events around the country, has been advised by Federal, State, and Local Authorities that an emergency evacuation of the premises may be ordered by any of those authorities at any time. This decision would be driven by information available to those authorities that (1) may not be available to the San Antonio Stock Show & Rodeo, or classified by the authorities, and therefore the San Antonio Stock Show & Rodeo could not share it with our exhibitors; (2) could arise out of an actual or threatened act of terrorism; (3) or arise from any number of other public safety concerns the authorities have for the safety of the public at our show.

If an evacuation order occurs, you will be asked to leave the premises immediately. Your cooperation is not only required by law but for your own safety and the safety of other members of the public at the show. San Antonio Police Department (SAPD) and San Antonio Stock Show & Rodeo uniformed Police Officers will direct the evacuation. We are further advised that any evacuation will be for persons only and no other property, animals, trailers or anything but your immediate means of transportation will be allowed off the premises. This is for the purpose of achieving the most timely and efficient clearing of the public from the threatened area. Do not attempt to load personal property, merchandise, animals, or anything but yourself and your family and friends into your vehicle and leave the premises immediately.

The evacuation plan calls for certain, designated Law Enforcement personnel, San Antonio Stock Show & Rodeo management, and maintenance personnel to remain on the Show Grounds to secure the premises.

In the unfortunate event this occurs, the San Antonio Stock Show & Rodeo will do everything possible to care for personal property, animals, commercial exhibitors' merchandise, etc. until the authorities remove the evacuation order and you are allowed back onto the Show Grounds. No one will be allowed back on to the Grounds until the authorities issue that order. San Antonio Stock Show & Rodeo Police and SAPD will enforce the order strictly and in accordance with instructions from the authorities.

Your entry and participation in the 2021 San Antonio Stock Show & Rodeo is conditioned on your understanding and agreement that none of the San Antonio Livestock Exposition, Inc. ("S.A.L.E."); Bexar County, Texas ("County"); Bexar County Community Arenas Board ("CAB"); Community Arena Management ("CAM"); San Antonio Spurs, LLC ("Spurs"), or their respective Directors, Officers or Employees shall have any liability whatsoever for any loss, damage, destruction or personal injury to any exhibitors or patrons or their personal property, merchandise or animals during or after such an event, particularly with respect to an evacuation of the premises in the event of an emergency.

Premium Passes

The Premium Pass is an optional pass designed to assist exhibitors who work with others to consolidate their animals into fewer trailers. Purchasers of the Premium Pass will receive access to a more expedited arrival process. Premium Pass includes separate arrival and staging lanes that allow exhibitors to bypass traditional staging lines at the Salado Creek Property. Premium Passes are not substitutes for any other Parking Pass as privileges do not extend beyond the Salado Creek Property. Premium Passes will be available for purchase by AST/CEA via the online entry system (up to the maximum limit) on a first-come, first-serve basis for the following arrivals only:

Eligible Species Arrival	Arrival Date	Minimum hd./trailer	Purchase Price	Maximum Passes Sold
Junior Breeding Gilt/Crossbred Gilt	Wed., Feb. 10	5	\$500	40
Junior Market Goat	Mon., Feb 15	5	\$500	40
Junior Breeding Heifer Group 1	Mon., Feb 15	3	\$500	40
Junior Market Lamb	Wed., Feb 17	5	\$500	40

Junior Market Barrows Group 1	Sat., Feb 20	5	\$500	40
Junior Market Barrows Group 2	Tues., Feb 23	5	\$500	40

Salado Creek Property

A Premium Pass Set (1 Livestock & 1 Tack) is valid at the Salado Creek Property for one vehicle/trailer hauling livestock and one tack vehicle/trailer. When arriving at the Salado Creek Property, the Premium Pass hangtag/permit must be hanging from the rear-view mirror or displayed on the driver's side dashboard of each respective vehicle. Drivers should follow signage and receive further instruction from volunteers. Expedited arrival services do **not** extend beyond the Salado Creek Property.

Minimum Head per Trailer Requirements

Fundamental to the Premium Pass concept, minimum head-per-trailer requirements will be strictly enforced. Any combination of Junior Breeding Gilts and Crossbred Gilts may be used to meet Breeding Gilt requirement. If different species arrive on one trailer (ex. Junior Market Goats + Junior Breeding Heifers), the trailer must meet the minimum head-per-trailer requirement for at least one specie.(i.e. 5 Breeding Gilts, 5 Market Goats, 5 Market Lambs, 3 Junior Heifers, 5 Market Barrows). No animals will be allowed on the tack trailer. **Those not meeting stated requirements will void the Premium Pass, be assigned to the end of the staging line and not be eligible for a refund.**

Stalling

Exhibitors will be stalled upon arrival. Groups wishing to be near one another must arrive at the Salado Creek

Property together. All vehicles in the group must have a Premium Pass. Those without a Premium Pass will be assigned to the end of the traditional staging lanes. The Premium Pass does not grant any additional stalling considerations.

UPDATED

- 10. Parking:** Livestock Exhibitor parking will be in Lots 4 (Gate D), 6 & 7 (Gate G). Overflow parking will be available, if necessary. **NOTE:** There will be NO Livestock Exhibitor Parking permitted in Lot 5.

UPDATED

- 11. Project/Animal Substitution:** Substitutions are to be made only in the Livestock Office or directly to the show Superintendent, unless otherwise announced. Substitutions not officially recorded in this manner are invalid. Substitutions will not be permitted once Check-In is complete. Substitution Forms must be filled out completely including the certification by the AST or CEA on all Junior Entries. If substituting at Check-In time and the AST or CEA will not be present, then the Substitution Form must be completed prior to staging and brought by the exhibitor. Original Registration Certificates will be required to verify ownership. Substitution of owners is not permitted. Substitution Forms are located on the website at <https://www.sarodeo.com/p/about/livestock-show>.

Animal/project substitutions mailed to the Livestock Office and postmarked by March 20, 2021 = No Charge. Substitutions made after March 20, 2021 = \$100.

**SUBSTITUTIONS MAY ONLY BE MADE WITHIN THE SAME DEPARTMENT
(Otherwise it is considered a separate entry; subject to a late entry fee).**

- 12. Refunds:** There will be no refund of fees. In the event of cancellation of a specific contest/show, refunds may be offered in-partial or in-full and will be determined solely by the San Antonio Stock Show & Rodeo.
- 13. Premiums:** Premium monies will be distributed by the San Antonio Stock Show & Rodeo. In some cases, premium checks may be held until all funds from all sources are received by the San Antonio Stock Show & Rodeo. Auction checks will be issued by the San Antonio Stock Show & Rodeo Junior Livestock Auction and may be mailed separate from premium checks or commission (floor) checks to the 4-H or FFA address. If premium and/or auction checks are reissued for any reason a \$35 fee per check will be subtracted from the premium/auction total.
- 14. Barred Exhibitors:** The San Antonio Stock Show & Rodeo, in cooperation with member shows of the North American Livestock Show and Rodeo Managers Association Rule Infraction Database, reserves the right to refuse entry of any exhibitor who has been barred from any other show on the basis of unethical practices.
- 15. Ownership Requirements:** All animals must be entered in the name of the owner as shown on the Original Registration Certificate.
- 16. Breeding Animals:** Animals in the breeding classes (with the exception of Crossbred Gilts, Commercial Ewes and Commercial Does) must be recorded or accepted for record in the Herdbook of their Association. Exhibitor must give the following: (a) owner's name; (b) mailing address; (c) social security number; (d) breed; (e) name; (f) registration number; (g) sex; (h) birthdate; (i) sire name; and (j) dam name of the animal. If any of this information is not given, the entry will not be accepted unless otherwise stated in individual Department Rules.
- 17. Stalling:** Insofar as possible, shelter will be provided for projects. The Show does not charge a stall fee in barns and does not guarantee stall space to any entry. Stalling will be based on the number of eligible projects arriving at the SCP and not the number of original project entries. Stalls will be assigned upon arrival at the Salado Creek Property Staging Office, with the exception of Pre-Penned Junior Market Goats & Junior Market Lambs. Certain stalling requests in extenuating circumstances may be granted, but no other general stalling requests will be considered. Exhibitors found deliberately attempting to gain more stalls than appropriate will be subject to punishment from Show Management including, but not limited to, disqualification, removal from the Grounds, banning from future competition, etc. No early arrivals are allowed without permission from the Livestock Office.
- 18. Erroneous Entry:** Projects that have been erroneously entered may be transferred to the proper class prior to judging, and upon application to the Superintendent, who will determine the matter. If such classes have been judged they shall not be reopened. No project shall be changed from one class to another after the Check-In unless it is ineligible for the class in which it is entered. In some cases, the project may be disqualified.

- 19. Sifting/Classifying Committees:** Breed Associations and/or the San Antonio Stock Show & Rodeo may appoint Sifters and Classifiers to inspect projects. Projects may be reassigned or disqualified based on the decisions of Sifters and Classifiers. Decisions of the Sifters and/or Classifiers will be final and protests will not be considered. Interference with Sifters and/or Classifiers will not be tolerated. Exhibitors and others are requested not to question their decisions, and to do so may disqualify the exhibitor concerned.
- 20. Judging:** Exhibitors are responsible for knowing the times at which their projects will be judged. Any project not presented promptly will be ruled ineligible and barred from competition. No complaint or protest on the Grounds that the judge overlooked projects will be considered.
- 21. Interference:** If any exhibitor, in any way, whether in person or by agent, or servant, interferes with the judges during their adjudication, or shows any disrespect to them or the show, is subject to be penalized. Show Management may demand a proper apology from the exhibitor, may exclude him/her from competition, bar him/her from the Grounds, and may also withhold any prizes that may have been awarded.
- 22. Restraint / Unruly Animals:** Exhibitor and patron safety are a top priority. Therefore, Show Management or Livestock Committee Leadership/Ring Stewards may remove any unruly animal from the show and/or the Grounds at any time; there will be no appeal. Cattle must be shown with halter, and be sufficiently gentle to be properly handled by one attendant. If exhibition of a project poses a danger to the exhibitor and/or other parties, Show Management reserves the right to allow a substitute exhibitor or remove the project from competition. In some cases, projects may be instructed to be removed from the Grounds.
- 23. Show Equipment:** Livestock shows provide an opportunity for the general public to be exposed to agricultural exhibits. Exhibitors should be mindful of the show equipment being used and the manner in which it is being used. Show Management or Livestock Committee Leadership/Ring Stewards reserve the right to decide what constitutes acceptable show equipment and how the equipment is being used by the exhibitor. Cable halters and pronged chains are prohibited for all species.
- 24. Release:** No project may be removed from the Grounds without official written release. All livestock must remain in stalls or pens until their designated release time. There will be no early release of projects unless the Superintendent says otherwise. Anyone attempting to load projects before their release time may have their truck and/or trailer towed away. No livestock may exit the Grounds between 10:00 PM – 7:00 AM. Any violation of release times will cause the forfeiture of all premium and/or auction monies earned and the exhibitor may be barred from future participation.
- 25. Photographs:** Exhibitors agree to present their project(s) at the request of show officials for official photographs. All photographs taken by the official photographer(s) become the property of the San Antonio Stock Show & Rodeo. Unofficial (i.e. personal) photographs may not be published without written approval of Show Management. Exhibitors wishing to purchase photographs must contact the Official Photographer.

Commercial photography and filming are often conducted at the San Antonio Stock Show & Rodeo. You may be depicted in photographs or video recordings of any San Antonio Stock Show & Rodeo event, and by entering the Grounds and/or competitive events associated with the San Antonio Stock Show & Rodeo, you consent to the use of any depictions in connection with advertising, news reporting, public relations, webcasts or other broadcasts, or any other activities relating to the San Antonio Stock Show & Rodeo, and you further release and waive all claims for compensation and any rights of review and approval, copyright, and right of publicity with respect thereto.
- 26. Project Care:** Exhibitors must remain in charge of their project(s) and care for them for the duration of the show at all times. If needed, the exhibitor may have a competent caretaker (must be an immediate family member of the exhibitor, other 4-H/FFA member, or AST/CEA) care for the project(s). However, the exhibitor is the absolute insurer of and is responsible for the condition of their animal/project(s). Show Management reserves the right to decide what constitutes acceptable treatment of animal projects. Unacceptable treatment of animal projects will not be tolerated and could result in immediate disqualification of the exhibitor along with his or her club/chapter.
- 27. Project/Animal Care/Security:** All owners or persons in charge of property, or livestock, shall care for, guard, protect, and preserve same, as the San Antonio Stock Show & Rodeo does not undertake to do so, and it shall not be held responsible for any loss, shrinkage, or damage to said property or livestock or the owners or exhibitors thereof. All exhibitors are responsible for security of their own animal/project(s) until they depart for their final

destination (processing/ranch/etc.). The exhibitor is the absolute insurer of and is responsible for the condition of their animal/project(s). The San Antonio Stock Show & Rodeo is not responsible for the acts of a third party.

UPDATED

- 28. Unethically Fitted Livestock:** The showing of unethically fitted livestock or livestock of an ineligible age for exhibition in the class entered, and the misrepresentation of breeding or milking status, are prohibited.
- a. Description:** Unethical fitting means any attempt to alter the natural appearance, conformation, musculature or weight of an animal by any unnatural means, as well as changing the normal conformation of any part of the animal's body or using drugs, medications, chemicals, or other substances (including over-the-counter and extra-label substances and uses), or mechanical devices to alter the physical makeup or performance of the animal. Unethical fitting includes but is not limited to the following:
- i. Animals that are in milk due to an unnaturally induced lactation.
 - ii. Balancing the udder by any means other than leaving naturally produced milk in any or all quarters.
 - iii. Treating or massaging any part of the animal's body, internally or externally, with an irritant, counterirritant, or other substance to temporarily improve conformation.
 - iv. Blocking the nerves to prevent limping or switching of the tail.
 - v. Bruising or blemishes negatively impacting food safety or marketability of an animal's carcass.
 - vi. Surgery or other practices performed to change the natural contour or appearance of the animal's body, hide, or hair, or feet (this is to include any materials added to the feet of an animal) except the removal of warts or horns and the permitted clipping and dressing of hair and trimming of hooves.
 - vii. Insertion of foreign material under the skin.
 - viii. Changing the color of hair, spot or area on the animal's body. Any grooming material that allows color to come off from any animal will not be allowed at the show.
 - ix. The act of artificially filling animals internally, which would include stomach pumping, drench tubes, or any other method per os (by esophagus).
 - x. The use of diuretics.
 - xi. Administration of an illegal, unapproved, or performance enhancing drug internally or externally.
- b. Verification:** The exhibitor specifically represents that no animal entered by him/her is unethically fitted, and that the breeding, age, and milking status are correctly stated. All Junior Market and Junior Breeding Animals will be required to have signatures on each entry certification stating that the animal is not unethically fitted. These forms must be signed by all of the following:
- i. Junior Exhibitor
 - ii. Parent or Guardian
 - iii. Agricultural Science Teacher (AST) or County Extension Agent (CEA)
- c. Medication received prior to the show:** In instances where an animal has been administered a drug that is FDA-approved for its species, the exhibitor must be aware that the time it takes for all drug residue to completely clear the system **is generally longer than the labeled withdrawal time** for most drugs and varies from animal to animal. Adequate time must have passed so that an exhibitor's animal does not test positive for drugs upon arrival. Once the animals arrive on the S.A.L.E. Grounds, they must remain free and clear of all residues of medications, drugs, chemicals and other substances. Those animals that have consumed or been given, even under the care of a licensed veterinarian, any type of performance enhancing medication, drug, chemical or substance, including but not limited to steroids, diuretics, anti-inflammatories, tranquilizers and pain killers within the residual clearance time, **are ineligible for competition. Exhibitors with questions regarding medications or eligibility should consult with the Official San Antonio Stock Show & Rodeo Veterinarian prior to competition.**
- d. Medication during the Show:** The Official Show Veterinarian Office is located at the north end of Animal Adventures/Cattle Barn #2. For the convenience of exhibitors, the San Antonio Stock Show & Rodeo arranges to have veterinarians available; however, they do not donate their services or medications. Fees should be discussed before treatment. Additionally, it is the exhibitor's responsibility to properly

communicate to the veterinarians if the animal is eligible for further competition. **All medication and treatment administered during the livestock show must be administered by the Official San Antonio Stock Show & Rodeo Veterinarian** and a written medication record must be filed. Animals receiving performance enhancing drugs (including, but not limited to, steroids, diuretics, anti-inflammatories, tranquilizers and pain killers) in this manner are ineligible for competition. The Official Show Veterinarian is authorized to remove any animal from competition if the health, safety, or welfare of the animal is in question.

- e. Drug:** The term "drug" shall mean any substance the sale, possession, or use of which is regulated by federal, state, or local law or regulation, as well as any substance used by the medical or veterinary professions that affects the circulatory, respiratory, muscular, skeletal or central nervous system of any species of livestock. If drugs are used by the Official Show Veterinarian to treat a recognized disease in market animals, the withdrawal times listed by the drug manufacturer will be strictly followed.

Any project owned/entered by an ineligible exhibitor is ineligible for competition, this includes Agricultural Mechanics entries.

All 4-H and FFA exhibitors are considered to be academically eligible by the San Antonio Stock Show & Rodeo to participate in the Junior Livestock Show at the time entries are received from the AST/CEA. Any AST/CEA who has a member in his/her 4-H or FFA program who becomes ineligible to participate in the Junior Livestock Show according to Texas Education Code must provide written and signed notification to the appropriate Superintendent or to the Livestock Office at least 24 hours prior to the beginning of Check-In/Registration for the respective show/contest. If such notification is not received at least 24 hours prior to the beginning of Check-In/Registration, the San Antonio Stock Show & Rodeo will consider the exhibitor as eligible to participate.

- 2. Social Security Number Requirement:** All exhibitors and contestants must have a personal Social Security Number to be eligible to participate in the San Antonio Stock Show & Rodeo. Social Security Numbers must be recorded during the entry process. Intermediate and Junior contestants registering on-site for Judging Contests will not be required to submit a SSN. - 5. Entry:** The San Antonio Stock Show & Rodeo makes available to ASTs and CEAs in charge of 4-H Clubs or FFA programs the opportunity to enter members of their programs in the Junior Livestock Show, subject to these Junior Rules. These rules are only minimum requirements for participation in the Show and are not intended to limit the right of any AST or CEA, or the Texas A&M AgriLife Extension or the Texas Education Agency, to impose additional requirements as they deem necessary. The opportunity to enter 4-H Club and FFA members' projects in the Junior Livestock Show is made available only to ASTs and CEAs supervising these Junior Show projects. In no event are these rules to be construed as making any offer or opportunity available to any 4-H Club or FFA member. In no event shall any AST or CEA be considered to be an agent of the San Antonio Stock Show & Rodeo for any purpose.

Entries in the Junior Show must be made by the AST or CEA under whose supervision the projects were managed and will be returned if sent in by others. The AST or CEA must certify on the Entry Certification Signature Form that the project and the owner(s) are eligible under the rules of this show. It is the responsibility of the AST or CEA to read all rules and check each completed entry form for accuracy before signing the Entry Certification Signature Form. If entries are not correctly submitted they will be returned.

4-H clubs and FFA chapters must submit their entries and payment in separate packages. Junior entries must be on current Completed Junior Entry Forms printed from the online entry system along with one (1) check to cover total fees due (entries and passes). Entries must be made through the 4-H Club/FFA Chapter and submitted online at www.sarodeo.com. Please refer to the website <https://agriflife.org/qualitycounts/> for information on how to become verified.
8. **Ownership:** Exhibitors must own, feed, care for, and exhibit their animals/projects at the beginning of and throughout the entire feeding and fitting period. It is critical for the exhibitor to be actively involved in all phases of the project to maximize the educational experience. The exhibitor may receive assistance from the exhibitor's family, AST, CEA, Local County/Chapter Adult Volunteer, or other 4-H or FFA members. Show Management will rule on all issues regarding ownership.

10. **Partnerships:** Partnership animals are not eligible in the Junior Livestock Show.

11. **Ineligible Animals:** Any animal that has been sold during the feeding period via private treaty or public auction is ineligible to show. If ownership changes or has the possibility of changing through a sale offering (including animal(s) purchased back by the exhibitor), regardless of method or length of time, that chain of animal ownership is considered broken and the animal is ineligible. This specifically excludes animals sold at the local or county level at a Premium Auction, where the animal in question never had the possibility of changing ownership. Any animal that has sold at auction at any major livestock show is not eligible for the Junior Show.
12. **Ineligible Exhibitor:** A Junior exhibitor who has placed a Grand Champion Pen of Commercial Steers, Market Steer, Market Lamb, Market Barrow, Market Goat, Market Turkey Hen, Market Turkey Tom or Market Broiler at any prior San Antonio Stock Show & Rodeo is not eligible to enter the respective show in which that Grand Champion was selected.
13. **Double Entries:** Animals shown in the Junior Show may also be shown in the Open Show if classes are available. See instructions in the Special Rules of each department.
14. **Exhibitor Substitution:** Entries in the Junior Show must be shown by their owner. Exhibitor substitutions may be allowed under the conditions outlined below. In all cases, the Department Superintendent must approve the exhibitor substitution and will do so only if all conditions are met.

Substitute exhibitors may show only one project (except in departments which exhibitor may enter more than one project), in addition to their own project, in each Junior Department. Substitute exhibitors must be entered and exhibiting their own project in the respective department in which they are serving as a substitute. An exhibitor of a past grand champion in a respective junior market animal department is not eligible to serve as a substitute exhibitor within that department.

- a. **Substitution A - Other School Activity:** This request must be made on the Official San Antonio Stock Show & Rodeo Exhibitor Substitution Form provided by Show Management. This request must be accompanied by a statement, signed by a School Administrator, on school letterhead stating the specific reason a substitute is requested. The completed Official San Antonio Stock Show & Rodeo Exhibitor Substitution Form and the statement must be submitted to the Department Superintendent prior to the start of the respective Show. Attending school or practice does not constitute as an Other School Activity. Examples of Other School Activities are UIL events, school sports, or similar events.
- b. **Substitution B - Sickness:** This request must be made on the Official San Antonio Stock Show & Rodeo Exhibitor Substitution Form provided by Show Management. This request must be accompanied by a statement, signed by a Physician, on his/her letterhead. The completed Official San Antonio Stock Show & Rodeo Exhibitor Substitution Form and the Physician's statement must be submitted to the Department Superintendent prior to the start of the respective Show.
- c. **Substitution C - More Than One Entry In A Class or the Exhibitor Has Entries In More Than One Department Showing At The Same Time:** This request must be made on the Official San Antonio Stock Show & Rodeo Exhibitor Substitution Form provided by Show Management. The completed Official San Antonio Stock Show & Rodeo Exhibitor Substitution Form must be submitted to the Department Superintendent prior to the start of the respective Show.

In any of the three situations listed above, or in the case of an emergency, the Department Superintendent may use his/her own discretion as to whether a substitute showman will be allowed. If a positive decision is rendered, the substitute must be from the same school, FFA Chapter, or 4-H Club as the original exhibitor with the following two exceptions:

- i. The original exhibitor is the only exhibitor from that school, FFA Chapter, or 4-H Club entered in that Department.
- ii. All other members from that school, FFA Chapter, or 4-H Club are exhibiting at the same time.

In either case, any junior exhibitor, who is entered and exhibiting in the respective department, meeting the approval of the Department Superintendent may exhibit the animal.

15. **Fitting:** The exhibitor is expected to feed, care for, fit, and exhibit their animal/project while at the San Antonio Stock Show & Rodeo. If needed, the exhibitor may have the assistance of the exhibitor's family, AST, CEA, Local County/Chapter Adult Volunteer or other 4-H or FFA members. Any project fed or cared for by a custom fitter is not eligible. A custom fitter is considered anyone who is not a family member, AST, CEA, Local

County/Chapter Adult Volunteer or another 4-H or FFA member. Violators of this rule may be barred from future participation.

16. **Project Care:** Exhibitors must remain in charge of their project(s) and care for them for the duration of the show at all times. If needed, the exhibitor may have a competent caretaker (must be a family member of the exhibitor, AST/CEA other 4-H/FFA member, or Local County/Chapter Adult Volunteer) care for the project(s). However, the exhibitor is the absolute insurer of and is responsible for the condition of their animal/project(s). Show Management reserves the right to decide what constitutes acceptable treatment of animal projects. Unacceptable treatment of animal projects will not be tolerated and could result in immediate disqualification of the exhibitor along with his/her club/chapter.
17. **Junior Auction Animals:** All placing Market Barrows, Market Broilers, Market Goats, Market Turkey Hens, Market Lambs and Market Steers must be sold through the Junior Livestock Auction. Animals sold in the Junior Livestock Auction must remain under the exhibitor's care and at his/her expense for the duration of the Show, and be displayed under the direction of the Show. The Junior Livestock Auction is limited to placing animals. Decoration of market animals for the Junior Livestock Auction is prohibited; animals must be presented for Auction in their natural show state (i.e. no glitter, paint, balloons, etc. allowed).
18. **Junior Livestock Auction Exhibitors:** Exhibitors with projects eligible for the Junior Livestock Auction need to be aware that auction procedures may dictate that an exhibitor is required to walk a designated project across the auction block in place of their own project, or the exhibitor may be required to walk across the auction block without a project. The exhibitor must present his/her project for the Auction or the project will be sold as a no-place. Exhibitors who are unable to attend the Junior Livestock Auction may request a substitution. This request must be made on the Official San Antonio Stock Show & Rodeo Auction Exhibitor Substitution Form provided by Show Management. Auction Exhibitor Substitutions must be approved by Show Management.
19. **Terminal Shows:** This is a terminal show for Commercial Steers, Market Barrows, Market Goats, Market Lambs, Market Poultry and all placing Market Steers. All Commercial Steers, Barrows, Goats, Lambs, Poultry and placing Market Steers brought onto the grounds must go to market. Non-placing Market Steers may be sold at the market price or they may be released.
20. **Sift, Non-Place, Premium, and Auction Checks:** Owners will be paid by the Commission Company for sifted and non-placing animals based on official turn-in weight. Projects that weigh less than the designated allowance within the specific department may be documented, sold on the re-weigh weight, and the exhibitor will be administered at \$20 office handling fee which will be deducted from their floor check. Checks will be mailed directly from the Commission Company for projects that do not qualify for the Junior Livestock Auction. If applicable, premium monies for class placing will be distributed by the San Antonio Stock Show & Rodeo and mailed to the 4-H or FFA address. Auction sale checks will be issued by the San Antonio Stock Show & Rodeo Junior Livestock Auction and may be mailed separate from premium checks or commission checks (floor) to the 4-H or FFA address.

Market Animal Disposition

The San Antonio Stock Show & Rodeo strives to ensure a fair price for market animal projects. Market conditions may dictate the sale of market animals be conducted through local terminal markets (i.e. sale barns, etc.). The San Antonio Stock Show & Rodeo reserves the right to charge the exhibitor freight, yardage and any and all marketing fees applicable to the sale of each animal. Animals should be in accordance with all representations throughout the validation/ownership period. Any animal deemed unmerchantable due to lameness, illness, blindness, etc. will receive no value.

21. **Animal Load-Out:** It is the responsibility of each exhibitor to deliver his/her animal to the designated load out area and that all documentation has been appropriately filed and completed.

ANIMAL HEALTH REQUIREMENTS

San Antonio Livestock Exposition, Inc. (SALE) officials are allowed to impose animal health regulations that are more restrictive than those imposed by the Texas Animal Health Commission (TAHC). Specific TAHC regulations will supersede the SALE requirements if there is a dispute between the two in which S.A.L.E. rules are less restrictive than TAHC regulations. The following summary is a condensed version of the Texas Animal Health Commission regulations. Please contact the Texas Animal Health Commission at 1-800-550-8242 or visit their website, at <http://www.tahc.texas.gov/regs/entry.html>

SALE considers itself an **interstate** (accepting entries of livestock and poultry from within Texas and from other states) show for livestock entries. Due to animals from other states being present on the grounds, regulations concerning **interstate** shows must be followed. Exhibitors with livestock originating outside the State of Texas are encouraged to contact their state Animal Health officials to confirm specific requirements, if any, their state may impose on animals returning from a Texas show.

Certificate of Veterinary Inspection (i.e. CVI, Health Certificate, Health Paper) must indicate that the accredited veterinarian found the animals or fowl to be free of symptoms or evidence of communicable disease and that all tests, immunizations or treatments required by the Texas Animal Health Commission were completed. The certificate is required to accompany animals and fowl entering the State of Texas as stated in the following summary of entry requirements. ***This certificate may include certain required blood tests and identification markers. Please be sure that the veterinarian is comfortable with the requirements required of the TAHC. The SALE Show Veterinarian, Dr. Ben Espy, may be contacted at 210-861-4765 should there be any questions.***

Prior Entry Permits are required as noted for specific classes of livestock. Permits may be obtained by calling (800) 550-8242 or (512) 719-0777, 24 hours a day, or by writing the Texas Animal Health Commission, 2105 Kramer Lane, P. O. Box 12966, Austin, Texas 78711-2966.

CERTIFICATES OF VETERINARY INSPECTION WILL BE CHECKED AT THE SALADO CREEK PROPERTY STAGING AREA.

S.A.L.E., along with the Texas Animal Health Commission, is committed to protecting animal health in Texas. Accordingly, S.A.L.E. fosters the animal health requirements set forth by the state of Texas. Due to the nature of regulations set forth by the Texas Animal Health Commission, and unknown requirements after the posting of S.A.L.E.'s Premium List; S.A.L.E. encourages exhibitors to contact their state Animal Health officials to confirm specific requirements as late as January 1, 2021.

SPECIAL RULES

1. The American Angus Association®; 3201 Frederick Avenue; St. Joseph, Mo., will participate in premiums offered in individual classes for junior Angus heifers, bred and owned heifers, bred and owned bulls, cow/calf pairs and registered Angus steers as included in its standard show classifications, according to the premium schedule based on the number of head shown. The premium assistance provided by the American Angus Association for participation in this show is in addition to the premiums offered by the show itself. The premium assistance should not be used to offset show expense and shall be included in the premium payments distributed by the show to the exhibitors.
2. A minimum of fifteen (15) head must be shown in the junior Angus heifer classes to receive American Angus Association premium participation. The show is not required to have all classes to be eligible for premiums. Separate classes for bred and owned heifers may be held if the size of the show merits a separate class.
3. To be eligible for Association premiums the entries must be recorded in the sole name of the junior exhibitor and the issue date on the registration certificate must conform to the individual show's requirements regarding ownership. The Association's contribution is included in the total premiums listed in each class.
4. Premiums from the Association are paid only to registered Angus cattle and only if the registration number is a part of the show report provided to the Association. Therefore, all cattle should be registered at the time of entry to make certain they receive the Association's portion of premiums. The Association does not pay a percentage on premiums offered in championship classes. An animal may only be counted one time toward the total count for premium participation by the Association.
5. Exhibitors must have the original registration certificate issued by the American Angus Association available for inspection at the show for each animal or another current proof of ownership issued by the American Angus Association pedigree look up. Any animal, upon check-in, which does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks or hot-branded marks) corresponding to the permanent identification mark on the registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be re-identified (tattooed/branded) and rechecked at the show.
6. Any female shown with a calf at side: the calf must be the cow's most recent natural calf, and the calf must be registered by show day and have proof of registration at check in.
7. Only one person at a time shall lead an animal into the show ring.
8. *Exhibitors who participate in shows that accept premium monies contributed by the American Angus Association are subject to the Association Rules as found in the Breeders Reference Guide of the Association. These rules are found in Part 2; Association Rules. The rules relating directly with the exhibition of Angus cattle are Part 2: Association Rules; Rule 800 Series; including Rule 800 - 810. These rules can be found at www.angus.org.*
9. Altering the conformation and/or appearance of an animal for exhibition is prohibited. This includes the covering of white skin, false tail heads (or use of any false hair), with the exception of false tail switches. The use of graphite,

powders, hemp or other similar substances used externally are also prohibited. Other prohibited products include those used internally such as steroids, illegal or unlicensed pharmaceuticals or artificial filling. Any animal found to be in violation will be barred from showing.

10. At any show for which the American Angus Association appropriates funds toward the payment of premiums, no exhibitors, individuals assisting exhibitors or member owners at such show shall be allowed to use any coloring agents, on any animal exhibited. The Association may adopt and implement various tests designed to monitor this prohibition, including but not limited to a “white towel” or “white glove” test. No aerosol cans or other pressurized containers will be allowed in designated line up areas.
11. All animals exhibited are subject to DNA marker or blood type test to verify accuracy of parentage as covered under the Association Rules and for other testing as required by the individual show.
12. Authorized representatives of the Association have the authority to enforce the rules set forth herein as well as in the Association Rules, including the barring of a registered animal from a livestock show at which it is to be shown, if there are reasonable grounds to believe a violation has occurred.
