LET'S RODEO SAN ANTONIO!

**FEBRUARY 11-28, 2021**

[SARODEO.COM](http://SARODEO.COM)

Welcome!

We are celebrating the 72<sup>nd</sup> San Antonio Stock Show & Rodeo and are delighted to have you here as our guests and contestants! The San Antonio Livestock Exposition, Inc. is a volunteer organization emphasizing agriculture and education to develop the youth of Texas. Our 6,000 volunteers and an outstanding staff are the ones who make this show possible.

We have faced a few challenges building up to this year's show, but we continue to have the same level of devotion to our youth. We typically offer a wide assortment of junior livestock shows and educational contests, but we have been forced to adjust the shows and contests offered this year. All of these provide youth an opportunity to showcase their livestock knowledge and skills in a competitive environment.

Scholarship winners will join a special group of scholars. Currently there are 1,500 active S.A.L.E. scholars enrolled in more than 100 colleges and universities throughout Texas. Since the inception of our show, we have provided over \$223 million to the youth of Texas in the form of scholarships, grants, endowments, auctions, calf scramble and show premiums.

My deep appreciation and thanks to the Livestock Committee Chairman, Sarah Franklin; Vice-Chairman, Jason Walker; Ag Mechanics Committee Chairman, Marcus Demel; Ag Mechanics Committee Vice-Chairman, Lawrence Padalecki; Livestock Director, Dr. Brian Faris; Livestock Manager, Joslyn Jones and all the Livestock and Ag Mechanics Volunteers. Your commitment and enthusiasm are what make it all possible.

God Bless,

## SHOW SCHEDULE TERMINOLOGY

**Arrival\*:** The term “Arrival” shall refer to the time at which animal and ag mechanics projects (projects) may arrive at Salado Creek Property. **All Projects must arrive at Salado Creek Property before entering East Gate (Gate E).** Exhibitors will be given further directions on stalling and unloading procedures upon arrival.

\*The Salado Creek Property will be open twenty-four hours a day for exhibitors’ convenience.

**Arrival Deadline:** The term “Arrival Deadline” shall refer to the time at which Projects must have arrived at Salado Creek Property. Projects not having arrived at Salado Creek Property by the Arrival Deadline of the respective show/contest are subject to disqualification.

**Exhibitor Check-In:** The term “Exhibitor Check-In” shall refer to the time allotted for exhibitors to provide necessary information (ex. Original Registration Papers, Disposition Cards, etc.) to Show Management for their respective show/contest. Some shows may require exhibitors to input animal information into an entry kiosk. Exhibitors who fail to complete the check-in requirements for their respective show/contest are subject to disqualification.

**Late Arrival:** The term “Late Arrival” shall refer to rare exceptions to the Arrival Deadline approved exclusively by Show Management. Exhibitors should contact the Livestock Office at (210) 225-0575 prior to the arrival deadline of the respective show to request a Late Arrival. When requesting a Late Arrival, be prepared to provide the following information:

Exhibitor’s Name(s)	Number of Head
Club or Chapter	Truck Information ( <i>make, model, color, license plate</i> )
Project Type	Trailer Information ( <i>type, length, color, license plate</i> )
Breed	Expected time of arrival

**Release:** The term “Release” shall refer to the time at which exhibitors may remove their Projects and tack from the grounds. Projects removed prior to the Release time are subject to disqualification and forfeiture of all premiums and awards. No livestock may exit the grounds between 10 PM and 7 AM.

**San Antonio Stock Show & Rodeo – Salado Creek Property:** The term “Salado Creek Property” or “SCP” shall refer to the area located at 2201 Pace Picante Place; San Antonio, Texas 78219 dedicated to receiving and staging Projects. No animal projects may be unloaded at Salado Creek Property at any time. Each vehicle must have a representative who remains at Salado Creek Property at all times. No open flames or BBQ pits will be allowed at the Salado Creek Property. Personnel at Salado Creek Property may move exhibitor trailers as necessary.

**Tack Vehicles:** The term “Tack Vehicle” shall refer to any vehicle associated with animal projects transporting tack/equipment only. Tack vehicles must obtain a staging credential before entering the East Gate (Gate E). *Show Management reserves the right to determine what constitutes an acceptable tack truck.*

# GENERAL RULES

## Junior Show Entry Deadline: December 1, 2020

The San Antonio Stock Show & Rodeo is committed to the humane treatment of all animals exhibited. Every reasonable precaution is taken to promote the animals' safety and well-being. The production practices in the livestock industry are based on good principles of animal husbandry. No one has a greater economic stake in the welfare of animals than the livestock producers and organizations involved in the promotion of agriculture.

### Civil Authority Evacuation

The San Antonio Stock Show & Rodeo, along with all other large venue and public gathering places and events around the country, has been advised by Federal, State, and Local Authorities that an emergency evacuation of the premises may be ordered by any of those authorities at any time. This decision would be driven by information available to those authorities that (1) may not be available to the San Antonio Stock Show & Rodeo, or classified by the authorities, and therefore the San Antonio Stock Show & Rodeo could not share it with our exhibitors; (2) could arise out of an actual or threatened act of terrorism; (3) or arise from any number of other public safety concerns the authorities have for the safety of the public at our show.

If an evacuation order occurs, you will be asked to leave the premises immediately. Your cooperation is not only required by law but for your own safety and the safety of other members of the public at the show. San Antonio Police Department (SAPD) and San Antonio Stock Show & Rodeo uniformed Police Officers will direct the evacuation. We are further advised that any evacuation will be for persons only and no other property, animals, trailers or anything but your immediate means of transportation will be allowed off the premises. This is for the purpose of achieving the most timely and efficient clearing of the public from the threatened area. Do not attempt to load personal property, merchandise, animals, or anything but yourself and your family and friends into your vehicle and leave the premises immediately.

The evacuation plan calls for certain, designated Law Enforcement personnel, San Antonio Stock Show & Rodeo management, and maintenance personnel to remain on the Show Grounds to secure the premises.

In the unfortunate event this occurs, the San Antonio Stock Show & Rodeo will do everything possible to care for personal property, animals, commercial exhibitors' merchandise, etc. until the authorities remove the evacuation order and you are allowed back onto the Show Grounds. No one will be allowed back on to the Grounds until the authorities issue that order. San Antonio Stock Show & Rodeo Police and SAPD will enforce the order strictly and in accordance with instructions from the authorities.

**Your entry and participation in the 2021 San Antonio Stock Show & Rodeo is conditioned on your understanding and agreement that none of the San Antonio Livestock Exposition, Inc. ("S.A.L.E."); Bexar County, Texas ("County"); Bexar County Community Arenas Board ("CAB"); Community Arena Management ("CAM"); San Antonio Spurs, LLC ("Spurs"), or their respective Directors, Officers or Employees shall have any liability whatsoever for any loss, damage, destruction or personal injury to any exhibitors or patrons or their personal property, merchandise or animals during or after such an event, particularly with respect to an evacuation of the premises in the event of an emergency.**

## Important Definitions:

**Arrival\*:** The term “Arrival” shall refer to the time at which animal and agricultural mechanics projects (projects) may arrive at the Salado Creek Property. All projects must arrive at Salado Creek Property before entering East Gate. Exhibitors will be given further directions on stalling and unloading procedures upon arrival.

**Exhibitor Check-In:** The term “Exhibitor Check-In” shall refer to the time allotted for exhibitors to provide necessary information (ex. Original Registration Papers, Kiosk Cards, etc.) to Show Management for their respective show/contest. Some shows may require exhibitors to input animal information into an entry kiosk. Exhibitors who fail to complete the check-in requirements for their respective show/contest are subject to disqualification.

**Project:** The term “project” shall be defined as any animal, agricultural mechanics project, agricultural science fair project or any entry competing in the San Antonio Stock Show & Rodeo Livestock Show.

**S.A.L.E.:** The term “S.A.L.E.” means San Antonio Livestock Exposition, Inc. and includes all of S.A.L.E.’s officers, directors, volunteers, veterinarians, agents, employees and members, as well as all of its affiliates, subsidiaries, successors and assigns. As used in paragraphs 6a and 6b, “S.A.L.E.” also includes Bexar County, Texas; Bexar County Community Arenas Board; Community Arena Management; San Antonio Spurs, LLC; and their respective officers, directors, managers, volunteers, agents, employees and members. S.A.L.E. is sometimes referred to in these Rules as the San Antonio Stock Show & Rodeo.

**Show Management:** The term “Show Management” shall be defined as any full-time staff member of the San Antonio Stock Show & Rodeo, show/contest Superintendent, or volunteer leader within the Livestock Committee.

**Tack Vehicle:** The term “Tack Vehicle” shall refer to any vehicle associated with animal projects transporting tack/equipment only. Tack vehicles must obtain a staging credential before entering the East Gate (Gate E). *Show Management reserves the right to determine what constitutes an acceptable tack vehicle.*

**AST:** Agricultural Science Teacher (FFA Supervisor)

**CEA:** County Extension Agent (4-H Supervisor)

**Club/Chapter:** County 4-H Club or FFA Chapter

1. **Interpretation and Violation of Rules:** Exhibitors are requested to report any rule violation to Show Management immediately so that appropriate action may be taken. S.A.L.E. reserves the final and absolute right to interpret these rules, and to settle and determine all matters, questions and differences in regard thereto or otherwise arising out of or connected with, or incident to, the San Antonio Stock Show & Rodeo; and to amend or add to these rules as its judgment may determine. Any exhibitor who violates any of the rules will forfeit all privileges and premiums and be subject to such penalty as S.A.L.E. may order.
2. **Special Rules:** Special Rules are published in any department where necessary. If there is a conflict between the Special Rules and the General Rules, Show Management will make a ruling as to such conflict, which shall be binding and final.
3. **Decisions:** The decision of the judges shall be final in all cases, except where mistake, fraud, misrepresentation, or collusion, not discovered at or before the time of award, is proven. Any objections to a judge must be submitted in writing to Show Management prior to the event in question.
4. **Official Protests:** Official Protests must be submitted in writing to the Livestock Office and accompanied by a \$300.00 deposit, which will be forfeited if the protest is not sustained. The protest must state plainly the cause of complaint or appeal, giving good and sufficient reasons therefore, and must be delivered to Show Management immediately upon the occasion for such protest. Any protest not officially filed within 24 hours of the alleged incident will not be considered. These cases are referred to the Executive Director & CEO, who will have full power to act, and from whose decision there can be no appeal. Judging procedures will not be interrupted for protest investigation.

5. **Disqualification:** Should any project, contestant or team awarded a prize be disqualified, the lower placing project, contestant or team will not move into the higher position.

6. **COVID-19 Safety Information, Duty to Self-Monitor and Assumption of the Risk:**

All Exhibitors, their family members and other related persons participating in the livestock events or on-grounds at S.A.L.E.'s facilities shall comply with all health and safety orders, rules and guidelines related to COVID-19 promulgated by the State of Texas, County of Bexar, City of San Antonio, CDC and S.A.L.E. While participating in SALE events "social distancing" must be practiced and face coverings worn in strict compliance with local health regulations and ordinances to reduce the risks of exposure to COVID-19 as well as wash hands frequently, use hand sanitizer or antibacterial wipes, maintain social distancing and submit to non-invasive body temperature measurement. Any person presenting a body temperature above the temperature threshold designated by local health officials, will not be permitted to participate in the events or be on property at the S.A.L.E.'s facilities.

- a. **Safety Information:** Because COVID-19 is extremely contagious and is spread mainly from person-to-person contact, SALE has put in place preventative measures to reduce the spread of COVID-19. However, SALE cannot guarantee that its participants, volunteers, partners or others in attendance will not become infected with COVID-19.

In light of the ongoing spread of COVID-19, individuals who fall within any of the categories below should not engage in SALE events or other face to face fundraising activities. By attending a SALE event, you certify that you do not fall into any of the following categories:

- i. Individuals who currently or within the past fourteen (14) days have experienced any symptoms associated with COVID-19, which include fever, cough and shortness of breath among [others](#);
  - ii. Individuals who believe that they may have been exposed to a confirmed or suspected case of COVID- 19 or have been diagnosed with COVID-19 and are not yet cleared as non-contagious by state or local public health authorities or the health care team responsible for their treatment
- b. **Duty to Self-Monitor:** Participants and volunteers agree to self-monitor for signs and symptoms of COVID-19 (symptoms typically include fever, cough, and shortness of breath) and, contact SALE at (210) 225-5851 if he/she experiences symptoms of COVID-19 within 14 days after participating or volunteering with SALE.
- c. **Assumption of the Risk:** I acknowledge and understand the following:
- i. Participation includes possible exposure to and illness from infectious diseases including but not limited to COVID-19. While particular rules and personal discipline may reduce this risk, the risk of serious illness and death does exist;
  - ii. I knowingly and freely assume all such risks related to illness and infectious diseases, such as COVID- 19, even if arising from the negligence or fault of the Released Parties; and
  - iii. I hereby knowingly assume the risk of injury, harm and loss associated with the Activity, including any injury, harm and loss caused by the negligence, fault or conduct of any kind on the part of the Released Parties.

7. **Liability:**

- a. All exhibits will be under the control and direction of the hosting organization, but S.A.L.E. shall not be responsible or liable for any loss, injury or damage which may occur. The exhibitor will be solely responsible for any consequential or other loss, injury or damage done to, or occasioned by, or arising from, any animal or property exhibited by him/her, and for its description in the Premium List. All owners and persons in charge of property or animals shall care for, guard, protect and preserve the same, as S.A.L.E. does not undertake any obligation to do so and shall not be held responsible for any loss, shrinkage or damage to such property, animals or any owners or exhibitors thereof.

b. **RELEASE AND INDEMNITY:** EACH EXHIBITOR, BY ENTERING OR EXHIBITING A PROJECT AT THE SAN ANTONIO STOCK SHOW & RODEO:

EXHIBITOR HEREBY INDEMNIFIES, RELEASES AND HOLDS HARMLESS, AND AGREES TO DEFEND, S.A.L.E., COUNTY, CAB, CAM AND SPURS, AND EACH OF THEIR RESPECTIVE DIRECTORS, OFFICERS, MANAGERS, PARTNERS (GENERAL AND LIMITED), EMPLOYEES, OWNERS, INVITEES, AGENTS, SUCCESSORS AND ASSIGNS (COLLECTIVELY, THE “RELEASED PARTIES”) FROM AND AGAINST ANY DEMANDS, CAUSES OF ACTION, PROCEEDINGS, FINES, PENALTIES, LOSSES, LIABILITIES, DAMAGES, COSTS, EXPENSES (INCLUDING REASONABLE ATTORNEYS’ FEES) OR CLAIMS FOR INJURIES TO PERSONS, INCLUDING DEATH, OR DAMAGE TO PROPERTY (COLLECTIVELY, “LIABILITIES”) TO WHICH THE RELEASED PARTIES, OR ANY OF THEM, MAY BECOME SUBJECT, WHICH ARISE FROM OR IN CONNECTION WITH, OR IN ANY WAY RELATE TO (I) ANY BREACH BY EXHIBITOR OF ANY OF THE TERMS OF THIS AGREEMENT; (II) ANY ACT OR OMISSION BY EXHIBITOR OR ANY OF ITS AGENTS, EMPLOYEES, INDEPENDENT CONTRACTORS, INVITEES OR GUESTS, INCLUDING ANY NEGLIGENT ACT OR OMISSION OR WILLFUL MISCONDUCT; OR (III) EXHIBITOR’S PARTICIPATION IN, INVOLVEMENT WITH OR ATTENDANCE AT ANY S.A.L.E. EVENT, OR EXHIBITOR’S ENGAGING IN A FARM ANIMAL ACTIVITY AS DEFINED IN SECTION 87.001 OF THE TEXAS CIVIL PRACTICE AND REMEDIES CODE, INCLUDING ALL SUCH LIABILITIES RESULTING FROM THE ALLEGED OR ACTUAL NEGLIGENCE OF S.A.L.E. OR ANY OF THE OTHER RELEASED PARTIES. EXHIBITOR HEREBY ACKNOWLEDGES AND AGREES THAT THE FOREGOING INDEMNITY AND RELEASE PROVISIONS INCLUDE INDEMNIFICATION AND RELEASE BY EXHIBITOR FROM AND AGAINST THE RELEASED PARTIES’ OWN NEGLIGENCE.

8. **Entry Rules**

- a. **Social Security Number (SSN) Requirement:** All exhibitors must have a personal Social Security Number to be eligible to participate in the San Antonio Stock Show & Rodeo. Social Security Numbers must be recorded during the entry process. Intermediate and Junior contestants registering on-site for Judging Contests will not be required to submit a SSN. Any contestant, regardless of age, participating in a Senior Division of a contest will be required to submit their Social Security Number at registration.
- b. **Eligibility:** Competition is open to Junior Show exhibitors (See Junior Show Rules). This is an invitational livestock show; S.A.L.E. reserves the right to extend or withhold an invitation to any exhibitor.
- c. **Junior Show Entry:** Entries are not considered complete unless they have been submitted online and postmarked on or before December 1, 2020. Incomplete entries (entries not submitted online or postmarked by the appropriate date) will be assessed an additional 10% fee.
  - i. Late Entries: For any Junior Show entries submitted online and postmarked from December 2-15, 2020, all standard entry fees will be doubled, if accepted.
  - ii. Late Entries: For any Junior Show entries postmarked or received from December 16, 2020 until the end of exhibitor check-in for the respective show or contest, a late entry fee of \$250 per entry will be assessed, if accepted.
  - iii. Show Management may turn away any late entry without explanation.
- d. **Entry Forms:** Application for entry must be submitted online and Completed Entry Forms printed from the online entry system must be postmarked by the appropriate deadlines. Entry Worksheets, Team Contest Release Form, Entry Certification Signature Form, Group Class Entry Forms, Late Entry Forms and other important documents can be found at <https://www.sarodeo.com/p/about/livestock-show> (Photocopying forms is acceptable, however all signatures must be original).

UPDATED

### ***Premium Passes***

The Premium Pass is an optional pass designed to assist exhibitors who work with others to consolidate their animals into fewer trailers. Purchasers of the Premium Pass will receive access to a more expedited arrival process. Premium Pass includes separate arrival and staging lanes that allow exhibitors to bypass traditional staging lines at the Salado Creek Property. Premium Passes are not substitutes for any other Parking Pass as privileges do not extend beyond the Salado Creek Property. Premium Passes will be available for purchase by AST/CEA via the online entry system (up to the maximum limit) on a first-come, first-serve basis for the following arrivals only:

<b>Eligible Species Arrival</b>	<b>Arrival Date</b>	<b>Minimum hd./trailer</b>	<b>Purchase Price</b>	<b>Maximum Passes Sold</b>
<b>Junior Breeding Gilt/Crossbred Gilt</b>	Wed., Feb. 10	5	\$500	40
<b>Junior Market Goat</b>	Mon., Feb 15	5	\$500	40
<b>Junior Breeding Heifer Group 1</b>	Mon., Feb 15	3	\$500	40
<b>Junior Market Lamb</b>	Wed., Feb 17	5	\$500	40
<b>Junior Breeding Heifer Group 2</b>	Thur., Feb 18	3	\$500	40

<b>Junior Market Barrows Group 1</b>	Sat., Feb 20	5	\$500	40
<b>Junior Market Barrows Group 2</b>	Tues., Feb 23	5	\$500	40

### **Salado Creek Property**

A Premium Pass Set (1 Livestock & 1 Tack) is valid at the Salado Creek Property for one vehicle/trailer hauling livestock and one tack vehicle/trailer. When arriving at the Salado Creek Property, the Premium Pass hangtag/permit must be hanging from the rear-view mirror or displayed on the driver's side dashboard of each respective vehicle. Drivers should follow signage and receive further instruction from volunteers. Expedited arrival services do **not** extend beyond the Salado Creek Property.

### **Minimum Head per Trailer Requirements**

Fundamental to the Premium Pass concept, minimum head-per-trailer requirements will be strictly enforced. Any combination of Junior Breeding Gilts and Crossbred Gilts may be used to meet Breeding Gilt requirement. If different species arrive on one trailer (ex. Junior Market Goats + Junior Breeding Heifers), the trailer must meet the minimum head-per-trailer requirement for at least one specie.(i.e. 5 Breeding Gilts, 5 Market Goats, 5 Market Lambs, 3 Junior Heifers, 5 Market Barrows). No animals will be allowed on the tack trailer. **Those not meeting stated requirements will void the Premium Pass, be assigned to the end of the staging line and not be eligible for a refund.**

### **Stalling**

Exhibitors will be stalled upon arrival. Groups wishing to be near one another must arrive at the Salado Creek Property together. All vehicles in the group must have a Premium Pass. Those without a Premium Pass will be assigned to the end of the traditional staging lanes. The Premium Pass does not grant any additional stalling considerations.

UPDATED

- 10. Parking:** Livestock Exhibitor parking will be in Lots 6 & 7 (Gate G). Overflow parking will be available, if necessary. **NOTE:** There will be NO Livestock Exhibitor Parking permitted in Lot 5.
- 11. Project/Animal Substitution:** Substitutions are to be made only in the Livestock Office or directly to the show Superintendent, unless otherwise announced. Substitutions not officially recorded in this manner are invalid. Substitutions will not be permitted once Check-In is complete. Substitution Forms must be filled out completely including the certification by the AST or CEA on all Junior Entries. If substituting at Check-In time and the AST or CEA will not be present, then the Substitution Form must be completed prior to staging and brought by the exhibitor. Original Registration Certificates will be required to verify ownership. Substitution of owners is not permitted. Substitution Forms are located on the website at <https://www.sarodeo.com/p/about/livestock-show>.

Animal/project substitutions mailed to the Livestock Office and postmarked by January 15, 2021 = No Charge. Substitutions made after January 15, 2021 = \$100.

### **SUBSTITUTIONS MAY ONLY BE MADE WITHIN THE SAME DEPARTMENT (Otherwise it is considered a separate entry; subject to a late entry fee).**

- 12. Refunds:** There will be no refund of fees. In the event of cancellation of a specific contest/show, refunds may be offered in-partial or in-full, and will be determined solely by the San Antonio Stock Show & Rodeo.
- 13. Premiums:** Premium monies will be distributed by the San Antonio Stock Show & Rodeo. In some cases, premium checks may be held until all funds from all sources are received by the San Antonio Stock Show & Rodeo. Auction checks will be issued by the San Antonio Stock Show & Rodeo Junior Livestock Auction and may be mailed separate from premium checks or commission (floor) checks to the 4-H or FFA address. If premium and/or auction checks are reissued for any reason a \$35 fee per check will be subtracted from the premium/auction total.
- 14. Barred Exhibitors:** The San Antonio Stock Show & Rodeo, in cooperation with member shows of the North American Livestock Show and Rodeo Managers Association Rule Infraction Database, reserves the right to refuse entry of any exhibitor who has been barred from any other show on the basis of unethical practices.

15. **Ownership Requirements:** All animals must be entered in the name of the owner as shown on the Original Registration Certificate.
16. **Breeding Animals:** Animals in the breeding classes (with the exception of Crossbred Gilts, Commercial Ewes and Commercial Does) must be recorded or accepted for record in the Herdbook of their Association. Exhibitor must give the following: (a) owner's name; (b) mailing address; (c) social security number; (d) breed; (e) name; (f) registration number; (g) sex; (h) birthdate; (i) sire name; and (j) dam name of the animal. If any of this information is not given, the entry will not be accepted unless otherwise stated in individual Department Rules.
17. **Stalling:** Insofar as possible, shelter will be provided for projects. The Show does not charge a stall fee in barns and does not guarantee stall space to any entry. Stalling will be based on the number of eligible projects arriving at the SCP and not the number of original project entries. Stalls will be assigned upon arrival at the Salado Creek Property Staging Office, with the exception of Pre-Penned Junior Market Goats & Junior Market Lambs. Certain stalling requests in extenuating circumstances may be granted, but no other general stalling requests will be considered. Exhibitors found deliberately attempting to gain more stalls than appropriate will be subject to punishment from Show Management including, but not limited to, disqualification, removal from the Grounds, banning from future competition, etc. No early arrivals are allowed without permission from the Livestock Office.
18. **Erroneous Entry:** Projects that have been erroneously entered may be transferred to the proper class prior to judging, and upon application to the Superintendent, who will determine the matter. If such classes have been judged they shall not be reopened. No project shall be changed from one class to another after the Check-In unless it is ineligible for the class in which it is entered. In some cases, the project may be disqualified.
19. **Sifting/Classifying Committees:** Breed Associations and/or the San Antonio Stock Show & Rodeo may appoint Sifters and Classifiers to inspect projects. Projects may be reassigned or disqualified based on the decisions of Sifters and Classifiers. Decisions of the Sifters and/or Classifiers will be final and protests will not be considered. Interference with Sifters and/or Classifiers will not be tolerated. Exhibitors and others are requested not to question their decisions, and to do so may disqualify the exhibitor concerned.
20. **Judging:** Exhibitors are responsible for knowing the times at which their projects will be judged. Any project not presented promptly will be ruled ineligible and barred from competition. No complaint or protest on the Grounds that the judge overlooked projects will be considered.
21. **Interference:** If any exhibitor, in any way, whether in person or by agent, or servant, interferes with the judges during their adjudication, or shows any disrespect to them or the show, is subject to be penalized. Show Management may demand a proper apology from the exhibitor, may exclude him/her from competition, bar him/her from the Grounds, and may also withhold any prizes that may have been awarded.
22. **Restraint / Unruly Animals:** Exhibitor and patron safety are a top priority. Therefore, Show Management or Livestock Committee Leadership/Ring Stewards may remove any unruly animal from the show and/or the Grounds at any time; there will be no appeal. Cattle must be shown with halter, and be sufficiently gentle to be properly handled by one attendant. If exhibition of a project poses a danger to the exhibitor and/or other parties, Show Management reserves the right to allow a substitute exhibitor or remove the project from competition. In some cases, projects may be instructed to be removed from the Grounds.
23. **Show Equipment:** Livestock shows provide an opportunity for the general public to be exposed to agricultural exhibits. Exhibitors should be mindful of the show equipment being used and the manner in which it is being used. Show Management or Livestock Committee Leadership/Ring Stewards reserve the right to decide what constitutes acceptable show equipment and how the equipment is being used by the exhibitor. Cable halters and pronged chains are prohibited for all species.
24. **Release:** No project may be removed from the Grounds without official written release. All livestock must remain in stalls or pens until their designated release time. There will be no early release of projects unless the Superintendent says otherwise. Anyone attempting to load projects before their release time may have their truck and/or trailer towed away. No livestock may exit the Grounds between 10:00 PM – 7:00 AM. Any violation of release times will cause the forfeiture of all premium and/or auction monies earned and the exhibitor may be

barred from future participation.

- 25. Photographs:** Exhibitors agree to present their project(s) at the request of show officials for official photographs. All photographs taken by the official photographer(s) become the property of the San Antonio Stock Show & Rodeo. Unofficial (i.e. personal) photographs may not be published without written approval of Show Management. Exhibitors wishing to purchase photographs must contact the Official Photographer.

Commercial photography and filming are often conducted at the San Antonio Stock Show & Rodeo. You may be depicted in photographs or video recordings of any San Antonio Stock Show & Rodeo event, and by entering the Grounds and/or competitive events associated with the San Antonio Stock Show & Rodeo, you consent to the use of any depictions in connection with advertising, news reporting, public relations, webcasts or other broadcasts, or any other activities relating to the San Antonio Stock Show & Rodeo, and you further release and waive all claims for compensation and any rights of review and approval, copyright, and right of publicity with respect thereto.

- 26. Project Care:** Exhibitors must remain in charge of their project(s) and care for them for the duration of the show at all times. If needed, the exhibitor may have a competent caretaker (must be an immediate family member of the exhibitor, other 4-H/FFA member, or AST/CEA) care for the project(s). However, the exhibitor is the absolute insurer of and is responsible for the condition of their animal/project(s). Show Management reserves the right to decide what constitutes acceptable treatment of animal projects. Unacceptable treatment of animal projects will not be tolerated and could result in immediate disqualification of the exhibitor along with his or her club/chapter.

- 27. Project/Animal Care/Security:** All owners or persons in charge of property, or livestock, shall care for, guard, protect, and preserve same, as the San Antonio Stock Show & Rodeo does not undertake to do so, and it shall not be held responsible for any loss, shrinkage, or damage to said property or livestock or the owners or exhibitors thereof. All exhibitors are responsible for security of their own animal/project(s) until they depart for their final destination (processing/ranch/etc.). The exhibitor is the absolute insurer of and is responsible for the condition of their animal/project(s). The San Antonio Stock Show & Rodeo is not responsible for the acts of a third party.

UPDATED

- 28. Unethically Fitted Livestock:** The showing of unethically fitted livestock or livestock of an ineligible age for exhibition in the class entered, and the misrepresentation of breeding or milking status, are prohibited.
- a. Description:** Unethical fitting means any attempt to alter the natural appearance, conformation, musculature or weight of an animal by any unnatural means, as well as changing the normal conformation of any part of the animal's body or using drugs, medications, chemicals, or other substances (including over-the-counter and extra-label substances and uses), or mechanical devices to alter the physical makeup or performance of the animal. Unethical fitting includes but is not limited to the following:
- i. Animals that are in milk due to an unnaturally induced lactation.
  - ii. Balancing the udder by any means other than leaving naturally produced milk in any or all quarters.
  - iii. Treating or massaging any part of the animal's body, internally or externally, with an irritant, counterirritant, or other substance to temporarily improve conformation.
  - iv. Blocking the nerves to prevent limping or switching of the tail.
  - v. Bruising or blemishes negatively impacting food safety or marketability of an animal's carcass.
  - vi. Surgery or other practices performed to change the natural contour or appearance of the animal's body, hide, or hair, or feet (this is to include any materials added to the feet of an animal) except the removal of warts or horns and the permitted clipping and dressing of hair and trimming of hooves.
  - vii. Insertion of foreign material under the skin.
  - viii. Changing the color of hair, spot or area on the animal's body. Any grooming material that allows color to come off from any animal will not be allowed at the show.
  - ix. The act of artificially filling animals internally, which would include stomach pumping, drench tubes, or any other method per os (by esophagus).
  - x. The use of diuretics.
  - xi. Administration of an illegal, unapproved, or performance enhancing drug internally or externally.

- b. Verification:** The exhibitor specifically represents that no animal entered by him/her is unethically fitted, and that the breeding, age, and milking status are correctly stated. All Junior Market and Junior Breeding Animals will be required to have signatures on each entry certification stating that the animal is not unethically fitted. These forms must be signed by all of the following:
- Junior Exhibitor
  - Parent or Guardian
  - Agricultural Science Teacher (AST) or County Extension Agent (CEA)
- c. Medication received prior to the show:** In instances where an animal has been administered a drug that is FDA-approved for its species, the exhibitor must be aware that the time it takes for all drug residue to completely clear the system **is generally longer than the labeled withdrawal time** for most drugs and varies from animal to animal. Adequate time must have passed so that an exhibitor's animal does not test positive for drugs upon arrival. Once the animals arrive on the S.A.L.E. Grounds, they must remain free and clear of all residues of medications, drugs, chemicals and other substances. Those animals that have consumed or been given, even under the care of a licensed veterinarian, any type of performance enhancing medication, drug, chemical or substance, including but not limited to steroids, diuretics, anti-inflammatories, tranquilizers and pain killers within the residual clearance time, **are ineligible for competition. Exhibitors with questions regarding medications or eligibility should consult with the Official San Antonio Stock Show & Rodeo Veterinarian prior to competition.**
- d. Medication during the Show:** The Official Show Veterinarian Office is located at the north end of Animal Adventures/Cattle Barn #2. For the convenience of exhibitors, the San Antonio Stock Show & Rodeo arranges to have veterinarians available; however, they do not donate their services or medications. Fees should be discussed before treatment. Additionally, it is the exhibitor's responsibility to properly communicate to the veterinarians if the animal is eligible for further competition. **All medication and treatment administered during the livestock show must be administered by the Official San Antonio Stock Show & Rodeo Veterinarian** and a written medication record must be filed. Animals receiving performance enhancing drugs (including, but not limited to, steroids, diuretics, anti-inflammatories, tranquilizers and pain killers) in this manner are ineligible for competition. The Official Show Veterinarian is authorized to remove any animal from competition if the health, safety, or welfare of the animal is in question.
- e. Drug:** The term "drug" shall mean any substance the sale, possession, or use of which is regulated by federal, state, or local law or regulation, as well as any substance used by the medical or veterinary professions that affects the circulatory, respiratory, muscular, skeletal or central nervous system of any species of livestock. If drugs are used by the Official Show Veterinarian to treat a recognized disease in market animals, the withdrawal times listed by the drug manufacturer will be strictly followed.
- f. Beta-agonists:** S.A.L.E. will not tolerate the presence of ractopamine hydrochloride (re Optaflexx™; Paylean®) in market entries other than market steers or market barrows, respectively. S.A.L.E. will not tolerate the presence of ractopamine hydrochloride (re Topmax™) in Market Poultry, specifically all turkeys and broilers. S.A.L.E. will not tolerate the presence of zilpaterol hydrochloride (re Zilmax®) in any market species or breeding animal.
- g. Inspection/Testing:**
- Each exhibitor, by entering or exhibiting an animal at the San Antonio Stock Show & Rodeo, agrees that any animal entered by him or her may be subjected to inspection or examination by any veterinarian appointed by S.A.L.E. and that S.A.L.E. may subject any such animal to any tests, sample-takings, or inspections that S.A.L.E. deems necessary or appropriate, including but not limited to testing for drugs or other substances, at any time. S.A.L.E. shall have the right to conduct or have conducted for it all tests, inspections, or analyses it deems appropriate or necessary, including but not limited to ultrasound, D.N.A., blood, tissue, and urine laboratory analysis, on any animal entered in or exhibited at the San Antonio Stock Show & Rodeo. The exhibitor or approved substitute exhibitor (and, for Junior exhibitors, the exhibitor's parent, legal guardian, or AST or CEA) must be present during the collection of an initial urine sample for testing and must witness, seal and sign the sample, thereby establishing that the sample was properly collected and prepared for analysis. Subsequent samples of any sort may be taken by or for S.A.L.E. without the presence of the exhibitor or his or her parent, legal guardian or AST or CEA.

UPDATED

- ii. All decisions, determinations, and conclusions based on any test, inspection, analysis or examination shall be final and conclusive without recourse against S.A.L.E. or any of its officers, directors, volunteers, and employees, or any veterinarian appointed by S.A.L.E.
  - iii. **EACH EXHIBITOR, BY ENTERING AND EXHIBITING AN ANIMAL OR PROJECT IN OR AT THE SAN ANTONIO STOCK SHOW & RODEO, WAIVES AND RELEASES S.A.L.E. FROM ANY AND ALL CLAIMS, SUITS, CAUSES OF ACTION, LIABILITIES, DAMAGES, DEMANDS, COSTS, EXPENSES (INCLUDING ATTORNEYS' FEES), AND OTHER LOSSES OF EVERY SORT BASED ON, ARISING OUT OF, OR RELATING TO THE INSPECTION OR TESTING OF ANY SUCH ANIMAL AND ANY RULING, DECISION, OR ACTION TAKEN AS A RESULT OF OR IN RELIANCE ON THE RESULTS OF ANY TEST OR INSPECTION, WHETHER OR NOT SUCH TESTING OR INSPECTION WAS CONDUCTED IN COMPLIANCE WITH THESE RULES. THE FOREGOING WAIVER AND RELEASE APPLIES TO ANY CAUSES OF ACTION, CLAIMS, AND DEMANDS BASED ON S.A.L.E.'S ACTUAL OR ALLEGED NEGLIGENCE.**
  - iv. All testing conducted at the election of S.A.L.E. will be paid for by the Show. Payment for any other tests (i.e. blood typing, etc.) required in the Junior Livestock Show will be the sole responsibility of the exhibitor and at the discretion of the Official Show Veterinarian.
  - h. **Breeding Animals:** As breeding animals are not entering the food chain, the USDA Wholesome Meat Act does not apply; however, breeding animals will be closely screened for any performance enhancing compounds. This includes, but is not limited to steroids, diuretics, anti-inflammatories, tranquilizers and pain killers.
  - i. **Wholesome Meat Act:** The USDA Wholesome Meat Act applies to all market livestock. Only animals eligible for immediate slaughter may be brought onto the Grounds and exhibited:
    - i. Animals must be in good health and carcasses free of drug or chemical residues.
    - ii. Drug label directions for use and withdrawal periods must be followed.
    - iii. If drug or chemical residues are found in tissue of carcasses, the entire carcass may be condemned.

***The San Antonio Stock Show & Rodeo will in no way be liable or responsible for the condition of carcasses or the sale price of the animal.***
  - j. **Federal Food, Drug and Cosmetic Act:** As required in 21 CFR 589.2000, entry in the Junior Commercial Steer, Junior Market Goat, Junior Market Lamb, and Junior Market Steer Show shall serve as verification by the exhibitor that, to the best of their knowledge, while under their ownership, possession or direct control, the animal(s) were not fed any feed containing ruminant-derived meat or bone meal. Entrants agree to allow packer inspections of feed ingredient records and facilities.
  - k. **Consequences:** In the event that S.A.L.E. determines any animal to be unethically fitted, the Executive Director & CEO is authorized to disqualify the exhibitor and his or her animal and may permanently bar the exhibitor and his or her family from any further participation in the San Antonio Stock Show & Rodeo. Reinstatement of any barred exhibitor may be made only by the Executive Director & CEO. The exhibitor will forfeit all titles, awards, prizes, auction proceeds, premiums and scholarships if the animal or exhibitor is disqualified. Market/Floor money will be forfeited if the animal is condemned at slaughter or deemed unmerchantable. S.A.L.E., in cooperation with member shows of the North American Livestock Show & Rodeo Managers Association, reserves the right to submit the name(s) of any disqualified exhibitor to the organization's Rule Infraction Database.
- 29. Exhibitor Behavior:** The San Antonio Stock Show & Rodeo does not condone and will not permit aggressive behavior towards animals or any other persons. Any exhibitor or anyone assisting an exhibitor is not allowed to aggressively pop, slap, hit, or strike any animal at any time during the show or at any place on the Show Grounds. Any aggressive or unwarranted behavior by an exhibitor or anyone assisting an exhibitor towards another individual will not be tolerated. If such behavior is witnessed, it may result in immediate disqualification of the exhibitor, and/or forfeiture of all fees, premiums, and awards. In certain cases, the exhibitor or associated persons may be banned from the Grounds and/or any future competition. Protests are not permitted.

- 30. Animal Health Requirements:** State Law requires most stock entering the Grounds to be accompanied by proper health papers that shall be presented at the time stock arrives on the Grounds at the Salado Creek Property Staging Area. See Texas Animal Health Commission Rules for detail, there will be no exceptions. All livestock must enter through the East Gate (Gate E) only with the proper credentials from Salado Creek Property Staging Area.
- 31. Diseased Animals:** No animals found to have a disease of any character will be admitted to the Grounds at any time, and Superintendents are instructed and authorized to refuse unloading privileges to any stock found to have an undesirable ailment. This includes market barrows that stress and are unable to walk off of the trailer and to their assigned pen on their own.
- 32. Exhibitor Numbers:** Each entry will be assigned a number. If an exhibitor is assigned a back number, this number must be displayed by the exhibitor when project(s) is being judged.
- 33. Scales:** Exhibitors will not be allowed to bring portable scales on the Grounds. Insofar as possible, scales will be provided by the show in all barns, but are unofficial and provided for exhibitor's convenience only.
- 34. Exhibitor Campgrounds:** Campground space will be extremely limited for most shows. Parents, CEAs, ASTs, adult leaders or their representatives are asked to assist in reducing the number of chairs from their respective county or chapter. Exhibitors must be aware of their surroundings and cognizant of others when making space for their campgrounds. Exhibitors abusing campground areas will be subject to disqualification.
- 35. Objectionable Exhibits:** Show Management reserves the right to remove from the Grounds any exhibit, animal or project that may be falsely entered or deemed unsuitable or objectionable, without assigning a reason therefore. All fees will be forfeited.
- 36. Unauthorized Projects:** Any project(s) brought onto the Grounds which is/are not entered for competition, exhibition or consigned to sales are subject to becoming the property of the San Antonio Stock Show & Rodeo.
- 37. Bedding/Feed:** Bedding will be provided by the show. Dairy exhibitors may use grass hay or straw at their own expense. The use of artificial grass mats and carpets are prohibited as bedding in all barns. Straw/hay bedding is prohibited in beef cattle stalls. Exhibitors may not bring excessive amounts of feed and/or bedding onto the Grounds. Exhibitors will not be allowed to store excessive amounts of tack and feed in the stalling areas, nothing will be allowed on top of the cattle stalls. Insofar as possible, feed, hay, and bedding will be available for sale on the Grounds. Discretion as to what constitutes acceptable bedding is held exclusively by Show Management.
- 38. Stalls, Pens and Alleys:** Stalls, pens, alleys and exhibit spaces must be cleaned before 8:00 AM each day. No automatic waterers will be allowed in any stalls/pens. Pens will not be taken apart or altered in any way. No lights are to be strung on the stalls or pens. Pens cannot be covered with tarps, covers, etc. Refuse matter must be disposed of as follows: Manure and/or bedding into designated dumpsters; trash into trash barrels. Feed, chairs, equipment boxes, etc. are not permitted in the main alleys or in barn aisles. Exhibitors may be granted access to the livestock barns 24 hours per day.
- 39. Tack:** Tack trucks must obtain a staging credential before entering the East Gate (Gate E). Show Management reserves the right to determine what constitutes an acceptable tack truck.
- 40. Fans:** Fans will only be allowed in the Cattle Barn. No fans will be permitted in aisles at any time. Fans behind cattle are not allowed. Fans will be limited to one fan per five head of cattle. *Portacool or similar fans will not be permitted on Grounds.* No fans will be permitted in the Morris Activity Center and Swine Barn at any time, or in the Auction Barn during the Junior Commercial Steer Show.
- 41. Signs:** A sign, of reasonable size, provided by the exhibitor is recommended over each project including exhibitors/owner's name and organization. No sign, which refers in any way to a commercial product, including "For Sale" signs, may be placed over any livestock exhibit, on walls, posts, and doors; such signs will be confiscated. Show Management reserves the right to remove any sign for any reason.
- 42. Electrical Equipment:** All electrical equipment brought onto the Grounds must conform to all applicable safety regulations. Any exhibitor who refuses to cooperate with Show Management in this matter will have their

UPDATED

exhibit/project immediately removed from the Grounds and will forfeit all fees and premiums.

- 43. Generators/Fuels:** Generators and flammable fuels are prohibited on Show Grounds.
- 44. Campers/Trailers:** Pickup trucks with campers may park inside Grounds but cannot be used as living quarters. House and cook trailers are not permitted to enter the Grounds. When trailers are on Salado Creek Property exhibitors may not use slide outs or awnings.
- 45. Pets:** No pets are allowed on Grounds.
- 46. Cooking:** Cooking is not allowed on the Grounds at any time. No cookers, crock-pots, microwaves, coffee pots, warmers, or any other cooking utensils are permitted on the Grounds. No open flames or BBQ pits will be allowed on the Salado Creek Property Staging Lot. Any cooking utensils, including coffee pots, brought onto the Grounds will become property of the San Antonio Stock Show & Rodeo.
- 47. Trailer Parking:** Trailers must be unhooked from vehicle when stored at Salado Creek Property. All trailers must be removed from the Salado Creek Property Lot by 1 PM, Sunday, Feb. 28. San Antonio Stock Show & Rodeo personnel reserve the right to relocate trailers on the property, when necessary, at Salado Creek Property.
- 48. Electronic Communication:** The use of electronic communication devices (i.e.: two-way radios, cell phones, smart watches) by exhibitors during competition, including judging contests, skillathons, livestock shows, etc. is prohibited.

#### **WARNING**

**UNDER TEXAS LAW (CHAPTER 87, CIVIL PRACTICE AND REMEDIES CODE), A LIVESTOCK SHOW SPONSOR IS NOT LIABLE FOR AN INJURY TO OR THE DEATH OF A PARTICIPANT IN A LIVESTOCK SHOW RESULTING FROM THE INHERENT RISKS OF LIVESTOCK SHOW ACTIVITIES.**

# JUNIOR LIVESTOCK SHOW

## JUNIOR SHOW RULES

**Junior Entry Deadline:**  
**December 1, 2020**

1. **Eligibility:** The Junior Show is limited to entries from within the state of Texas. The term "exhibitor" shall mean the bona fide owner of the project. Junior Show exhibitors are subject to the General & Junior Rules as well as the Special Rules. Exhibitors are responsible for knowing and complying with all rules of this show.

Exhibitors must be bona fide members of a Texas County 4-H Club or Texas FFA Chapter. Exhibitors must have continuously, personally, fed and cared for their projects under the direct supervision of an AST or a CEA.

Exhibitors may enter as either a Texas 4-H or FFA member, but not as both in the same Department. Any exhibitor who enters as both in the same Department will have all his/her entries disqualified without refund of fees.

To be eligible, boys or girls must be enrolled in, and attending, public, private or home school elementary or secondary schools in Texas at time of show; be between the ages of 9 and 18 on August 31, 2020, or be between 8 and in the third grade and 18 on August 31, 2020, and be bona fide residents of the State of Texas.

Junior exhibitors and contestants suspended under Texas Education Code 33.081 "No Pass, No Play" are ineligible to participate in any San Antonio Stock Show & Rodeo Junior Livestock Show activity, event or competition. Any project owned/entered by an ineligible exhibitor is ineligible for competition, this includes Agricultural Mechanics entries.

All 4-H and FFA exhibitors are considered to be academically eligible by the San Antonio Stock Show & Rodeo to participate in the Junior Livestock Show at the time entries are received from the AST/CEA. Any AST/CEA who has a member in his/her 4-H or FFA program who becomes ineligible to participate in the Junior Livestock Show according to Texas Education Code must provide written and signed notification to the appropriate Superintendent or to the Livestock Office at least 24 hours prior to the beginning of Check-In/Registration for the respective show/contest. If such notification is not received at least 24 hours prior to the beginning of Check-In/Registration, the San Antonio Stock Show & Rodeo will consider the exhibitor as eligible to participate.

2. **Social Security Number Requirement:** All exhibitors and contestants must have a personal Social Security Number to be eligible to participate in the San Antonio Stock Show & Rodeo. Social Security Numbers must be recorded during the entry process. Intermediate and Junior contestants registering on-site for Judging Contests will not be required to submit a SSN. Any contestant, regardless of age, participating in a Senior Division of a contest will be required to submit their Social Security Number at registration.
3. **Foreign Exchange Students:** Foreign Exchange students are ineligible to compete in the Junior Livestock Show. Such individuals are eligible to participate in the Open Livestock Show.
4. **Non-United States Citizens:** Non-United States Citizens are ineligible to compete in the Junior Livestock Show. Such individuals are eligible to participate in the Open Livestock Show.
5. **Entry:** The San Antonio Stock Show & Rodeo makes available to ASTs and CEAs in charge of 4-H Clubs or FFA programs the opportunity to enter members of their programs in the Junior Livestock Show, subject to these Junior Rules. These rules are only minimum requirements for participation in the Show and are not intended to limit the right of any AST or CEA, or the Texas A&M AgriLife Extension or the Texas Education Agency, to impose additional requirements as they deem necessary. The opportunity to enter 4-H Club and FFA members' projects in the Junior Livestock Show is made available only to ASTs and CEAs supervising these Junior Show projects. In no event are these rules to be construed as making any offer or opportunity available to any 4-H Club or FFA member. In no event shall any AST or CEA be considered to be an agent of the San Antonio Stock Show & Rodeo for any purpose.

Entries in the Junior Show must be made by the AST or CEA under whose supervision the projects were managed and will be returned if sent in by others. The AST or CEA must certify on the Entry Certification Signature Form that the project and the owner(s) are eligible under the rules of this show. It is the responsibility of the AST or CEA to read all rules and check each completed entry form for accuracy before signing the Entry Certification Signature Form. If entries are not correctly submitted they will be returned.

4-H clubs and FFA chapters must submit their entries and payment in separate packages. Junior entries must be on current Completed Junior Entry Forms printed from the online entry system along with one (1) check to cover total fees due (entries and passes). Entries must be made through the 4-H Club/FFA Chapter and submitted online at [www.sarodeo.com](http://www.sarodeo.com). Checks for Junior entries must be drawn on 4-H or FFA accounts, money orders, or cashier's checks. **Personal checks will not be accepted for the Junior Livestock Show.**

6. **Signatures:** All exhibitors must have the required original signatures (Exhibitor, AST/CEA, and Parent or Guardian) on each Entry Certification Signature Form.
7. **Quality Counts:** To be eligible to compete in the Junior Breeding and/or Junior Market Shows, exhibitors will need Quality Counts verification. The Quality Counts verification number must be recorded on the Junior Entry Form when entering the project. Please refer to the website <https://agrilife.org/qualitycounts/> for information on how to become verified.
8. **Ownership:** Exhibitors must own, feed, care for, and exhibit their animals/projects at the beginning of and throughout the entire feeding and fitting period. It is critical for the exhibitor to be actively involved in all phases of the project to maximize the educational experience. The exhibitor may receive assistance from the exhibitor's family, AST, CEA, Local County/Chapter Adult Volunteer, or other 4-H or FFA members. Show Management will rule on all issues regarding ownership.

9. **Ownership/Fitting Periods:** The required ownership and fitting periods are:

Market Animals: Validation will be used to verify ownership date for market animals.

Market Steers	June 30, 2020
Market Lambs	October 31, 2020
Market Goats	October 31, 2020
Market Barrows	November 30, 2020

Breeding Animals: Original Registration Certificates will be used to verify ownership date for breeding animals with the exception of Crossbred Gilts, Commercial Ewes and Commercial Does. Animals must be registered in the Herdbook of their Association in only the name of the Junior owner on or before the required ownership date (see below). Original Registration Certificates must state the name of the Junior owner only. Original Registration Certificates that list any additional names besides the name the entry is under will be disqualified.

Purchase, delivery, possession, transfer, and registration must all take place on or before the required ownership date listed below. Original Registration Certificates must be available at all times.

Breeding Sheep, Boer Breeding Goat: October 1, 2020 (*Must be validated through Breeding Sheep or Breeding Goat Validation on or before October 31, 2020*)

Commercial Ewes, Commercial Does: October 31, 2020 (*Must be validated through Breeding Sheep or Breeding Goat Validation on or before October 31, 2020*)

Angora Breeding Goats, Beef Breeding Heifers, Dairy Heifers: November 1, 2020 (*Beef Breeding Heifers must complete all phases of heifer validation through the Texas 4-H & FFA Breeding Heifer Validation Program on or before November 8, 2020*)

Purebred Gilts, Crossbred Gilts: December 1, 2020 (*Gilts must be validated through Breeding Gilt Validation on or before December 1, 2020. All Registration Papers for Purebred Gilts must be uploaded by December 15, 2020.*)

10. **Partnerships:** Partnership animals are not eligible in the Junior Livestock Show.

11. **Ineligible Animals:** Any animal that has been sold during the feeding period via private treaty or public auction is ineligible to show. If ownership changes or has the possibility of changing through a sale offering (including animal(s) purchased back by the exhibitor), regardless of method or length of time, that chain of animal ownership is considered broken and the animal is ineligible. This specifically excludes animals sold at the local or county level at a Premium Auction, where the animal in question never had the possibility of changing ownership. Any animal that has sold at auction at any major livestock show is not eligible for the Junior Show.
12. **Ineligible Exhibitor:** A Junior exhibitor who has placed a Grand Champion Pen of Commercial Steers, Market Steer, Market Lamb, Market Barrow, Market Goat, Market Turkey Hen, Market Turkey Tom or Market Broiler at any prior San Antonio Stock Show & Rodeo is not eligible to enter the respective show in which that Grand Champion was selected.
13. **Double Entries:** Animals shown in the Junior Show may also be shown in the Open Show if classes are available. See instructions in the Special Rules of each department.
14. **Exhibitor Substitution:** Entries in the Junior Show must be shown by their owner. Exhibitor substitutions may be allowed under the conditions outlined below. In all cases, the Department Superintendent must approve the exhibitor substitution and will do so only if all conditions are met.

Substitute exhibitors may show only one project (except in departments which exhibitor may enter more than one project), in addition to their own project, in each Junior Department. Substitute exhibitors must be entered and exhibiting their own project in the respective department in which they are serving as a substitute. An exhibitor of a past grand champion in a respective junior market animal department is not eligible to serve as a substitute exhibitor within that department.

- a. ***Substitution A - Other School Activity:*** This request must be made on the Official San Antonio Stock Show & Rodeo Exhibitor Substitution Form provided by Show Management. This request must be accompanied by a statement, signed by a School Administrator, on school letterhead stating the specific reason a substitute is requested. The completed Official San Antonio Stock Show & Rodeo Exhibitor Substitution Form and the statement must be submitted to the Department Superintendent prior to the start of the respective Show. Attending school or practice does not constitute as an Other School Activity. Examples of Other School Activities are UIL events, school sports, or similar events.
- b. ***Substitution B - Sickness:*** This request must be made on the Official San Antonio Stock Show & Rodeo Exhibitor Substitution Form provided by Show Management. This request must be accompanied by a statement, signed by a Physician, on his/her letterhead. The completed Official San Antonio Stock Show & Rodeo Exhibitor Substitution Form and the Physician's statement must be submitted to the Department Superintendent prior to the start of the respective Show.
- c. ***Substitution C - More Than One Entry In A Class or the Exhibitor Has Entries In More Than One Department Showing At The Same Time:*** This request must be made on the Official San Antonio Stock Show & Rodeo Exhibitor Substitution Form provided by Show Management. The completed Official San Antonio Stock Show & Rodeo Exhibitor Substitution Form must be submitted to the Department Superintendent prior to the start of the respective Show.

In any of the three situations listed above, or in the case of an emergency, the Department Superintendent may use his/her own discretion as to whether a substitute showman will be allowed. If a positive decision is rendered, the substitute must be from the same school, FFA Chapter, or 4-H Club as the original exhibitor with the following two exceptions:

- i. The original exhibitor is the only exhibitor from that school, FFA Chapter, or 4-H Club entered in that Department.
- ii. All other members from that school, FFA Chapter, or 4-H Club are exhibiting at the same time.

In either case, any junior exhibitor, who is entered and exhibiting in the respective department, meeting the approval of the Department Superintendent may exhibit the animal.

15. **Fitting:** The exhibitor is expected to feed, care for, fit, and exhibit their animal/project while at the San Antonio Stock Show & Rodeo. If needed, the exhibitor may have the assistance of the exhibitor's family, AST, CEA, Local County/Chapter Adult Volunteer or other 4-H or FFA members. Any project fed or cared for by a custom fitter is not eligible. A custom fitter is considered anyone who is not a family member, AST, CEA, Local

County/Chapter Adult Volunteer or another 4-H or FFA member. Violators of this rule may be barred from future participation.

16. **Project Care:** Exhibitors must remain in charge of their project(s) and care for them for the duration of the show at all times. If needed, the exhibitor may have a competent caretaker (must be a family member of the exhibitor, AST/CEA other 4-H/FFA member, or Local County/Chapter Adult Volunteer) care for the project(s). However, the exhibitor is the absolute insurer of and is responsible for the condition of their animal/project(s). Show Management reserves the right to decide what constitutes acceptable treatment of animal projects. Unacceptable treatment of animal projects will not be tolerated and could result in immediate disqualification of the exhibitor along with his/her club/chapter.
17. **Junior Auction Animals:** All placing Market Barrows, Market Broilers, Market Goats, Market Turkey Hens, Market Lambs and Market Steers must be sold through the Junior Livestock Auction. Animals sold in the Junior Livestock Auction must remain under the exhibitor's care and at his/her expense for the duration of the Show, and be displayed under the direction of the Show. The Junior Livestock Auction is limited to placing animals. Decoration of market animals for the Junior Livestock Auction is prohibited; animals must be presented for Auction in their natural show state (i.e. no glitter, paint, balloons, etc. allowed).
18. **Junior Livestock Auction Exhibitors:** Exhibitors with projects eligible for the Junior Livestock Auction need to be aware that auction procedures may dictate that an exhibitor is required to walk a designated project across the auction block in place of their own project, or the exhibitor may be required to walk across the auction block without a project. The exhibitor must present his/her project for the Auction or the project will be sold as a no-place. Exhibitors who are unable to attend the Junior Livestock Auction may request a substitution. This request must be made on the Official San Antonio Stock Show & Rodeo Auction Exhibitor Substitution Form provided by Show Management. Auction Exhibitor Substitutions must be approved by Show Management.
19. **Terminal Shows:** This is a terminal show for Commercial Steers, Market Barrows, Market Goats, Market Lambs, Market Poultry and all placing Market Steers. All Commercial Steers, Barrows, Goats, Lambs, Poultry and placing Market Steers brought onto the grounds must go to market. Non-placing Market Steers may be sold at the market price or they may be released.
20. **Sift, Non-Place, Premium, and Auction Checks:** Owners will be paid by the Commission Company for sifted and non-placing animals based on official turn-in weight. Projects that weigh less than the designated allowance within the specific department may be documented, sold on the re-weigh weight, and the exhibitor will be administered at \$20 office handling fee which will be deducted from their floor check. Checks will be mailed directly from the Commission Company for projects that do not qualify for the Junior Livestock Auction. If applicable, premium monies for class placing will be distributed by the San Antonio Stock Show & Rodeo and mailed to the 4-H or FFA address. Auction sale checks will be issued by the San Antonio Stock Show & Rodeo Junior Livestock Auction and may be mailed separate from premium checks or commission checks (floor) to the 4-H or FFA address.

#### **Market Animal Disposition**

The San Antonio Stock Show & Rodeo strives to ensure a fair price for market animal projects. Market conditions may dictate the sale of market animals be conducted through local terminal markets (i.e. sale barns, etc.). The San Antonio Stock Show & Rodeo reserves the right to charge the exhibitor freight, yardage and any and all marketing fees applicable to the sale of each animal. Animals should be in accordance with all representations throughout the validation/ownership period. Any animal deemed unmerchantable due to lameness, illness, blindness, etc. will receive no value.

21. **Animal Load-Out:** It is the responsibility of each exhibitor to deliver his/her animal to the designated load out area and that all documentation has been appropriately filed and completed.
22. **Market Animal Eligibility:** To meet Country of Origin labeling requirements, all animals entered or exhibited in a Junior Market Division must be bred, born and raised, in the United States.
23. **Blocking Tables & Trim Chutes:** No Market Lamb or Market Goat Blocking Tables are permitted on grounds. No Steer or Junior Heifer Trim Chutes are permitted on grounds.
24. **Blow Dryers:** No blowers will be permitted during the Junior Market Shows.

- 25. Fire Regulations:** Due to fire code regulations, no equipment, showboxes, trim chutes, chairs, etc. will be allowed in aisles. Blocking of any aisle will be strictly prohibited. Please make necessary provisions, if needed, to store equipment safely in or above pens in the lamb/goat and swine barns.

## ANIMAL HEALTH REQUIREMENTS

San Antonio Livestock Exposition, Inc. (SALE) officials are allowed to impose animal health regulations that are more restrictive than those imposed by the Texas Animal Health Commission (TAHC). Specific TAHC regulations will supersede the SALE requirements if there is a dispute between the two in which S.A.L.E. rules are less restrictive than TAHC regulations. The following summary is a condensed version of the Texas Animal Health Commission regulations. Please contact the Texas Animal Health Commission at 1-800-550-8242 or visit their website, at <http://www.tahc.texas.gov/regs/entry.html>

SALE considers itself an **interstate** (accepting entries of livestock and poultry from within Texas and from other states) show for livestock entries. Due to animals from other states being present on the grounds, regulations concerning **interstate** shows must be followed. Exhibitors with livestock originating outside the State of Texas are encouraged to contact their state Animal Health officials to confirm specific requirements, if any, their state may impose on animals returning from a Texas show.

**Certificate of Veterinary Inspection** (i.e. CVI, Health Certificate, Health Paper) must indicate that the accredited veterinarian found the animals or fowl to be free of symptoms or evidence of communicable disease and that all tests, immunizations or treatments required by the Texas Animal Health Commission were completed. The certificate is required to accompany animals and fowl entering the State of Texas as stated in the following summary of entry requirements. ***This certificate may include certain required blood tests and identification markers. Please be sure that the veterinarian is comfortable with the requirements required of the TAHC. The SALE Show Veterinarian, Dr. Ben Espy, may be contacted at 210-861-4765 should there be any questions.***

**Prior Entry Permits** are required as noted for specific classes of livestock. Permits may be obtained by calling (800) 550-8242 or (512) 719-0777, 24 hours a day, or by writing the Texas Animal Health Commission, 2105 Kramer Lane, P. O. Box 12966, Austin, Texas 78711-2966.

### **CERTIFICATES OF VETERINARY INSPECTION WILL BE CHECKED AT THE SALADO CREEK PROPERTY STAGING AREA.**

Texas Animal Health Requirements are subject to change; the following are requirements posted as of October 1, 2020.

S.A.L.E., along with the Texas Animal Health Commission, is committed to protecting animal health in Texas. Accordingly, S.A.L.E. fosters the animal health requirements set forth by the state of Texas. Due to the nature of regulations set forth by the Texas Animal Health Commission, and unknown requirements after the posting of S.A.L.E.'s Premium List; S.A.L.E. encourages exhibitors to contact their state Animal Health officials to confirm specific requirements as late as January 1, 2021.

## JUNIOR LIVESTOCK SHOW & AG MECHANICS SCHOLARSHIPS

The San Antonio Livestock Exposition, Inc. (S.A.L.E.) will award college scholarships to eligible exhibitors and contestants competing in the Junior Livestock Show & Junior Agricultural Mechanics Show who are U.S. citizens and Texas residents, and currently attending or a graduate of a Texas public, private, or home school. Furthermore, the exhibitor will attend an accredited Texas college or university or an accredited, recognized agricultural or natural resources vocational or technical training school in Texas. Scholarships will be awarded based on the ranking of the contestant in a given show/contest. Judging and/or show procedures may dictate that not all scholarships for each category be given.

Eligible exhibitors and contestants will have an opportunity to compete for scholarships during the 2021 San Antonio Stock Show & Rodeo (the amounts and designations for Livestock and Ag Mechanics are outlined below). Previous scholarship recipients in the Livestock Show, Junior Shoot-Out, Junior Ag Mechanics and/or Horse Show who have received less than \$20,000 in scholarships are eligible to win additional scholarships up to \$20,000 maximum. Exhibitors and contestants who have been awarded \$20,000 in scholarships through the Livestock Show, Horse Show, Junior Shoot-Out and/or Junior Ag Mechanics are not eligible to win additional scholarships through competition at the San Antonio Stock Show & Rodeo.

Within the Livestock Show, scholarships will be awarded only to the exhibitors of the respective Grand Champion, Breed Champion, Division Champion, or High Point Individual (outlined below) provided they are eligible to receive scholarship funds. If the exhibitor is not eligible to receive additional scholarship funds, the scholarship will not be awarded.

The total amount of scholarships offered to Junior Livestock Show (includes Calf Scramble) & Junior Agricultural Mechanics exhibitors in 2021 is ***\$1,173,000***.

The San Antonio Livestock Exposition, Inc. ### SPECIAL RULES

- Entry:** An entry fee made payable to S.A.L.E. is required. Entries must be submitted online and official San Antonio Stock Show & Rodeo entry forms must be completed. **The Junior Breeding Goat Shows are open to does only.**

2. **Ownership/Registration:** Breeding Boer goats **must** be registered with the **American Boer Goat Association (ABGA)** in **only** the name of the Junior owner. Breeding Angora goats must be registered in the Herdbook of their Association in **only** the name of the Junior owner. **Partnership animals are ineligible for the Junior Show.** Original Registration Certificates must be available at all times. Purchase, delivery, possession and registration must all take place on or before:
  - a. **Angora Goats:** November 1, the year preceding the show.
  - b. **Boer Goats:** October 1, the year preceding the show.
3. **Validation:** To be eligible to exhibit in the Junior Breeding Boer Show (Percentage and Fullblood), all goats must be validated in the Texas 4-H and FFA Breeding Goat Validation Program. Each entry must have been recorded on the Texas 4-H and FFA Breeding Goat Master List completed by the County Goat Validation Committee. Failure to comply with the rules and regulations of the Texas 4-H and FFA Breeding Goat Guidelines in any manner will result in immediate disqualification. Goats must be re-validated each year preceding the show. **Angora goats are not required to be state validated.**
4. **Show Check-in Procedures:** Exhibitors must check-in and complete the Junior Breeding Goat Kiosk Card. Upon completion, the exhibitor will be given the remaining sections of the Junior Breeding Goat Kiosk Card to bring with them to the ring during judging. Once an exhibitor leaves the Check-In area, no changes to their entry will be allowed.
5. **Identification:**
  - a. **Angora Goats:** Must have a legible ear identification number, either tag or tattoo, corresponding to the Original Registration Certificate upon arrival on the Grounds.
  - b. **Boer Goats:** Must have an ear tag that corresponds with the individual goat tattoo and the Original Registration Certificate. The flock tattoo must be in the appropriate ear.
6. **Number Shown:** Each owner may show up to two (2) animals in each single class.
7. **Abnormalities:** Goats showing any pronounced defect or abnormality will be barred from showing at the discretion of Show Management.
8. **Goat Age:** Angora and Boer goats will be shown by the age on the Original Registration Certificate. Birth Dates listed on the Original Registration Certificate will be used to determine the appropriate class.
9. **Shearing Guidelines:**
  - a. **Angora Goats:** Must be machine shorn to the skin on or after July 15, the year preceding the show and may not have a staple length greater than 8" on show day.
  - b. **Boer Goats:** Clipping will be left up to the discretion of the exhibitor.
10. **Pens:** The show reserves the right to pen a minimum of three head per pen. Pens will not be taken apart or altered in any way. No lights are to be strung on the pens. Pens cannot be covered with tarps, covers, etc.
11. **Trimming Tables:** Trimming tables will be allowed in the barn and must be placed in locations designated by the Superintendents.
12. **Medication:** Administration of any medication to animals that is not approved by the FDA is a violation of Federal law. Please refer to Rule #28 in the General Rules. In instances where an animal has been administered a drug that is FDA approved for its species, the exhibitor must be aware that the time it takes for all drug residue to completely clear system **is generally longer than the labeled withdrawal time** for most drugs and varies from animal to animal.

- 13. Fitting:** Foreign material including (but not limited to) painting, powdering, oiling, artificial coloring, or adhesives is prohibited. No clippers, which require an electrical current, are allowed to be used once they arrive on grounds. Touch-up clipping with cordless clippers, scissors or hand shears will be allowed. The exhibitor is expected to feed, care for, fit and exhibit their animal/project while at the San Antonio Stock Show & Rodeo. If needed, the exhibitor may have the assistance of the exhibitor's family, AST, CEA, Local County/Chapter Adult Volunteer or other 4-H or FFA members. Any project fed or cared for by a custom fitter is not eligible. A custom fitter is considered anyone who is not a family member, AST, CEA, Local County/Chapter Adult Volunteer or another 4-H or FFA member. Violators of this rule may be barred from future participation.
- 14. General Equipment:** Blocking of aisles with any kind of equipment (showboxes, feed pans, feed, etc.) is strictly prohibited.
- 15. Show Equipment:** Livestock shows provide an opportunity for the general public to be exposed to agricultural exhibits. Exhibitors should be mindful of the show equipment being used and the manner in which it is being used. Show Management or Livestock Committee Leadership/Ring Stewards reserve the right to decide what constitutes acceptable show equipment and how the equipment is being used by the exhibitor. Cable halters and pronged chains are prohibited for all species. Exhibitors will be allowed to use halters or collars in the show ring.
- 16. Animals Outside of Barns:** Goats must remain inside the Cattle Barn #2, Morris Activity Center, Swine Barn or the designated exercise area at all times. Any animal found outside of this area will be subject to disqualification.

3. Dam must be BBU-Certified Purebred or Second Cross.
4. Original Certificate of Breeding is required.
5. Tattoos and/or brands must be legible and match with Certificate of Breeding.
6. All animals must be shown with their hair coats lying downward and flat against their entire body. Hair trimming is permissible and must be done in those few areas such as the neck and portions of the topline of the animal which may not lay flat against the body. Hair may not be trained upwards or forwards and/or pulled upwards or forwards on any part of the animal's body. No animals may have any foreign object(s) attached to it in any manner or have its natural color altered in a manner so as to change the conformation or appearance. An exhibitor who fails to abide by this rule will be dismissed from the arena and/or forfeit premiums, awards and points from the show.

International & Texas Brangus Breeders Associations  
P.O. Box 696020; San Antonio, TX 78269-6020; 210-690-0044

### **SPECIAL RULES**

1. Animals must be registered with the International Brangus Breeders Association (IBBA) to be eligible to compete in an IBBA sponsored show. Animals recorded in the IBBA appendix registry are disqualified. The Original Registration Certificate for each entry must be available for presentation to the superintendent or show manager at the time entries are verified prior to judging.
2. The IBBA, and its representatives, have the authority to require such tests as they deem necessary to verify the accuracy of the classification and pedigree of exhibited Brangus animals. Said authority shall extend to, and cover the enforcement of, all show rules as adopted by the IBBA.
3. Any animal found to have scurs and/or slick spots, or evidence of incisions, surgical or otherwise, in the following areas: head, testicles, sheath, navel or dewlap, will be disqualified from showing. Animals with illegal white (white in front of the navel) or any indication of brindling (a color pattern characterized by red streaks mingled with black) are ineligible for show. Any animal upon check-in, which does not have a legible tattoo or brand corresponding to its registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible tattoo/brand, animals cannot be re-tattooed and rechecked at the show. The brand/tattoo can be corrected and rechecked at the next available show.
4. Each Brangus animal for which an entry application or registration is received may be subjected to a DNA genotyping test in order to verify both accuracy of parentage and DNA/blood type, according to Rules 1 and 2 of the International Brangus Breeders Association (IBBA) Inspection of Exhibits. At selected shows and fairs, blood samples will be taken from all division champions and reserve division champions for the purpose of verifying parentage and DNA/blood type. Staff or representative of IBBA will supervise the collection of blood samples which can be taken at shows, fairs and events where IBBA contributes premium money or where IBBA staff personnel participate. Cost of the DNA/blood typing procedure will be paid for by IBBA. If a recorded parent is excluded (as a parent) as a result of DNA/blood typing, the owner of the animal may request, at his or her own expense, further determination of the actual parent. Failure to determine the sire and dam will result in the animal being listed in the IBBA Registry as a "Parentage Dispute," and the animal will be ineligible for future shows and exhibitions.

Texas Angus Association  
131 E. Exchange Ave. #116; Fort Worth, TX 76164; 817-740-0778

### **SPECIAL RULES**

1. The American Angus Association®; 3201 Frederick Avenue; St. Joseph, Mo., will participate in premiums offered in individual classes for junior Angus heifers, bred and owned heifers, bred and owned bulls, cow/calf pairs and registered Angus steers as included in its standard show classifications, according to the premium schedule based on the number of head shown. The premium assistance provided by the American Angus Association for participation in this show is in addition to the premiums offered by the show itself. The premium assistance should not be used to offset show expense and shall be included in the premium payments distributed by the show to the exhibitors.
2. A minimum of fifteen (15) head must be shown in the junior Angus heifer classes to receive American Angus Association premium participation. The show is not required to have all classes to be eligible for premiums. Separate classes for bred and owned heifers may be held if the size of the show merits a separate class.
3. To be eligible for Association premiums the entries must be recorded in the sole name of the junior exhibitor and the issue date on the registration certificate must conform to the individual show's requirements regarding ownership. The Association's contribution is included in the total premiums listed in each class.
4. Premiums from the Association are paid only to registered Angus cattle and only if the registration number is a part of the show report provided to the Association. Therefore, all cattle should be registered at the time of entry to make certain they receive the Association's portion of premiums. The Association does not pay a percentage on premiums offered in championship classes. An animal may only be counted one time toward the total count for premium participation by the Association.
5. Exhibitors must have the original registration certificate issued by the American Angus Association available for inspection at the show for each animal or another current proof of ownership issued by the American Angus Association pedigree look up. Any animal, upon check-in, which does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks or hot-branded marks) corresponding to the permanent identification mark on the registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be re-identified (tattooed/branded) and rechecked at the show.
6. Any female shown with a calf at side: the calf must be the cow's most recent natural calf, and the calf must be registered by show day and have proof of registration at check in.
7. Only one person at a time shall lead an animal into the show ring.
8. *Exhibitors who participate in shows that accept premium monies contributed by the American Angus Association are subject to the Association Rules as found in the Breeders Reference Guide of the Association. These rules are found in Part 2; Association Rules. The rules relating directly with the exhibition of Angus cattle are Part 2: Association Rules; Rule 800 Series; including Rule 800 - 810. These rules can be found at [www.angus.org](http://www.angus.org).*
9. Altering the conformation and/or appearance of an animal for exhibition is prohibited. This includes the covering of white skin, false tail heads (or use of any false hair), with the exception of false tail switches. The use of graphite,

powders, hemp or other similar substances used externally are also prohibited. Other prohibited products include those used internally such as steroids, illegal or unlicensed pharmaceuticals or artificial filling. Any animal found to be in violation will be barred from showing.

10. At any show for which the American Angus Association appropriates funds toward the payment of premiums, no exhibitors, individuals assisting exhibitors or member owners at such show shall be allowed to use any coloring agents, on any animal exhibited. The Association may adopt and implement various tests designed to monitor this prohibition, including but not limited to a “white towel” or “white glove” test. No aerosol cans or other pressurized containers will be allowed in designated line up areas.
11. All animals exhibited are subject to DNA marker or blood type test to verify accuracy of parentage as covered under the Association Rules and for other testing as required by the individual show.
12. Authorized representatives of the Association have the authority to enforce the rules set forth herein as well as in the Association Rules, including the barring of a registered animal from a livestock show at which it is to be shown, if there are reasonable grounds to believe a violation has occurred.

**SPECIAL RULES**

1. Only registered Red Angus cattle in Category 1A (100%) will be eligible to show. This specifically excludes cattle in Category 1B, Category II and Category III.
2. All animals entered must conform to all show and Association eligibility requirements.
3. Cattle entered in any Red Angus show must be officially registered in one of the following: Red Angus Association Herdbook, in the Herdbook of the Canadian Angus Association or any foreign Angus Association Herdbook recognized by the Red Angus Association of America.
4. Entries in classes at any Red Angus show are accepted with the understanding that each exhibitor agrees to conform to the rules and regulations of the Red Angus Association of America with reference to inspection of entries, such as blood typing, mouthing and such other inspections prescribed by the Red Angus Association of America.
5. All animals must be properly tattooed and will be inspected at the show. Tattoos must be legible and must match the animal ID and Herd Prefix on the registration certificate. If an animal's tattoo(s) is not legible and cannot be read during processing, it will be allowed to participate in the show but DNA will be required at the owner's expense. If the animal's tattoo(s) are legible but are incorrect, the animal will not be allowed to show.
6. Each exhibitor and/or owner of Red Angus cattle entered in any Red Angus show or exhibition is required to ensure that each animal will be exhibited in its natural conformation and structure and without any alterations or modifications, with the exception of acceptable fitting, grooming and treatment of hooves.
7. The addition of any hair or hair-like substances shall be considered an unethical practice and will not be allowed in Red Angus competition.
8. All females 20 months of age or older (on announced date of show) exhibited at a show sponsored by the Red Angus Association of America must be accompanied by a certificate of pregnancy from a licensed veterinarian or have produced fertile eggs as certified in a written statement by a licensed veterinarian or embryologist or have a calf at side. Failure to show documentation will result in the animal being ineligible to show.
9. Any animal entered and accepted after processing verifies that all other requirements have been fulfilled, must show in the same class as entered prior to the entry deadline of the Red Angus Show in question. Calving status does not change the animal's show classification.

## SPECIAL RULES

- Entry:** An entry fee made payable to S.A.L.E. is required. Entries must be submitted online and official San Antonio Stock Show & Rodeo entry forms must be completed.
- Ownership/Validation:** Breeding sheep must be registered in the Herdbook of their Association in **only** the name of the Junior owner on or before Oct. 1, the year preceding the show. Purchase, delivery, possession and registration must all take place on or before Oct. 1, the year preceding the show. Original Registration Certificates must be available at all times. To be eligible to exhibit in the Junior Breeding Sheep Show, all sheep must be validated in the Texas 4-H and FFA Breeding Sheep Validation Program on or before October 31, 2020. Failure to comply with the rules and regulations of the Texas Breeding Sheep Validation Program in any manner will result in immediate disqualification. Partnership animals are ineligible for the Junior Show. **Ewes must be re-validated each year preceding the show.**
- Show Check-In Procedures:** Exhibitors must check-in and complete the Junior Breeding Sheep Kiosk Card. Upon completion, the exhibitor will be given the remaining sections of the Junior Breeding Sheep Kiosk Card to bring with them to the ring during judging. Once an exhibitor leaves the Check-In area, no changes to their entry will be allowed.
- Identification:** Sheep must have a legible ear identification number, either tag or tattoo, corresponding to registration certificate upon arrival on the Grounds.
- Number Shown:** Each owner may show up to two (2) animals in each single class.
- Sheep Age:** Sheep will be shown according to tooth development. There will be no appeal from this determination.
  - Ewe Lamb Class – All ewes must be carrying all milk teeth at the time of Check-In and Show. Lambs which show either or both of their first pair of permanent incisors will **not** be eligible to be shown in the Ewe Lamb Class. Lambs under six months of age will not be eligible.

- b. **2-Tooth Class** – All ewes must show one or both teeth of first pair of permanent incisors. Ewes which show one or both teeth of the first pair of permanent incisors are eligible to show only in the 2-Tooth Class.
  - c. **Aged Class** – All ewes must show more than the first pair of permanent incisors. Ewes which show more than the first pair of permanent incisors are eligible to show only in the Aged Class.
- 7. Shearing Guidelines:**
- a. **Rambouillet:** Fitting of wool and legs will be left up to the discretion of the exhibitor.
  - b. **Hampshire, Suffolk, Southdown:** Must be shorn slick to the skin above the knee and hock joints. Shearing should occur prior to entering the grounds.
  - c. **Dorper/White Dorper:** Must be shorn slick to the skin above the knee and hock joints. Shearing should occur prior to entering the grounds.
- 8. Abnormalities:** Sheep showing any pronounced defect or abnormality will be barred from showing at the discretion of Show Management.
- 9. Pens:** The show reserves the right to pen a minimum of three head per pen. Pens will not be taken apart or altered in any way. No lights are to be strung on the pens. Pens cannot be covered with tarps, covers, etc.
- 10. Blocking/Trim Tables:** Trimming tables will be allowed in the barn and must be placed in locations designated by the Superintendents.
- 11. Medication:** Administration of any medication to animals that is not approved by the FDA is a violation of Federal law. Please refer to Rule #28 in the General Rules. In instances where an animal has been administered a drug that is FDA approved for its species, the exhibitor must be aware that the time it takes for all drug residue to completely clear system **is generally longer than the labeled withdrawal time** for most drugs and varies from animal to animal.
- 12. Fitting:** Foreign material including (but not limited to) painting, powdering, oiling, artificial coloring, or adhesives is prohibited. No clippers, which require an electrical current, are allowed to be used once they arrive on grounds. Touch-up clipping with cordless clippers, scissors, or hand shears will be allowed. The exhibitor is expected to feed, care for, fit, and exhibit their animal/project while at the San Antonio Stock Show & Rodeo. If needed, the exhibitor may have the assistance of the exhibitor's family, AST, CEA, Local County/Chapter Adult Volunteer or other 4-H or FFA members. Any project fed or cared for by a custom fitter is not eligible. A custom fitter is considered anyone who is not a family member, AST, CEA, Local County/Chapter Adult Volunteer or another 4-H or FFA member. Violators of this rule may be barred from future participation.
- 13. General Equipment:** Blocking of aisles with any kind of equipment (showboxes, feed pans, feed, etc.) is strictly prohibited.
- 14. Show Equipment:** Livestock shows provide an opportunity for the general public to be exposed to agricultural exhibits. Exhibitors should be mindful of the show equipment being used and the manner in which it is being used. Show Management or Livestock Committee/Ring Stewards reserve the right to decide what constitutes acceptable show equipment and how the equipment is being used by the exhibitor. Cable halters and pronged chains are prohibited for all species. Exhibitors will be allowed to use halters or collars in the show ring.
- 15. Animals Outside of Barns:** Sheep must remain inside the Cattle Barn #2, Morris Activity Center, Swine Barn, or the designated exercise area at all times. Any animal found outside of this area will be subject to disqualification.
- 16. Heelers/Assistants:** The use of heelers (assistants in the show ring) is prohibited.
- 17. Scholarships:** Refer to the Junior Livestock Show Scholarship section of the 2021 Livestock Premium List.

**18. Premiums:** The following sliding scale of placings and premiums apply.

# Show/Class	Placing

**This show is subject to the San Antonio Stock Show & Rodeo General Rules, the Junior Livestock Show Rules and Special Rules listed in this section.**

## SPECIAL RULES

- Entry:** An entry fee made payable to S.A.L.E. is required. Entries must be submitted online and official San Antonio Stock Show & Rodeo entry forms must be completed. The Junior Commercial Doe Show is intended to be an exhibition for does suited for Market Goat production. Does are not required to be registered. All breed types will show together within age divisions. **Does may not double enter in the Junior Breeding Goat Show and the Junior Commercial Doe Show.**
- Validation:** To be eligible to exhibit in the Junior Commercial Doe Show, all does must be validated in the Texas 4-H and FFA Breeding Goat Validation Program. Each entry must have been recorded on the Texas 4-H and FFA Breeding Goat Master List completed by the County Level State Breeding Goat Validation Committee. Failure to comply with the rules and regulations of the Texas 4-H and FFA Breeding Goat Guidelines in any manner will result in immediate disqualification. **Does must be re-validated each year preceding the show.**
- Show Check-in Procedures:** Exhibitors must Check-In and complete the State Validation Tag Number, Weight, and remaining sections of the Kiosk Card. Upon completion, the exhibitor will be given the Exhibitor copy of the Kiosk Card. Exhibitors will not be allowed to show without the Kiosk Card in hand. Check-In must be completed by NOON the day of Check-In, or be subject to disqualification. Once an exhibitor leaves the Check-In area, no changes to their entry will be allowed.
- Shearing:** Does must be shorn slick to the skin above knee and hock joints before arrival on the grounds.
- Ear Tags:** All ear tags except the TX Validation Tag, Texas Goat Breeders Association (TGBA) tag, and Scrapie tag must be removed before showing. The TX Validation tag number will be used for animal identification. No tag alterations – Any change to size, shape, form or color will void the tag.

6. **Number Shown:** Each owner may show up to two (2) animals in each age division.
7. **Abnormalities:** Does showing any pronounced defect or abnormality will be barred from showing at the discretion of Show Management.
8. **Medication:** Administration of any medication to animals that is not approved by the FDA is a violation of Federal law. Please refer to Rule #28 in the General Rules. In instances where an animal has been administered a drug that is FDA approved for its species, the exhibitor must be aware that the time it takes for all drug residue to completely clear system **is generally longer than the labeled withdrawal time** for most drugs and varies from animal to animal.
9. **Fitting:** Foreign material including (but not limited to) painting, powdering, oiling, artificial coloring, or adhesives is prohibited. No clippers, which require an electrical current, are allowed to be used on Commercial Does once they arrive on grounds. Touch-up clipping with cordless clippers, scissors, or hand shears will be allowed. The exhibitor is expected to feed, care for, fit, and exhibit their animal/project while at the San Antonio Stock Show & Rodeo. If needed, the exhibitor may have the assistance of the exhibitor's family, AST, CEA, Local County/Chapter Adult Volunteer or other 4-H or FFA members. Any project fed or cared for by a custom fitter is not eligible. A custom fitter is considered anyone who is not a family member, AST, CEA, Local County/Chapter Adult Volunteer or another 4-H or FFA member. Violators of this rule may be barred from future participation.
10. **Animals Outside of Barns:** Does must remain inside the Cattle Barn #2, Swine Barn, Morris Activity Center or the designated exercise area. Any animal found outside of these areas will be subject to disqualification.
11. **Goat Age:** Goats will be shown according to tooth development. There will be no appeal from this determination.
  - a. Doe Kid Division – All does must be carrying all milk teeth at the time of Check-In and Show. Does which show either or both of their first pair of permanent incisors will **not** be eligible to show in the Doe Kid Division.
  - b. Yearling Division – All does must show one or both teeth of first pair of permanent incisors. Does which show one or both teeth of the first pair of permanent incisors are eligible to show **only** in the Yearling Division.
  - c. Aged Division – All does must show more than the first pair of permanent incisors. Does which show more than the first pair of permanent incisors are eligible to show **only** in the Aged Division.
12. **Show Weights:** Exhibitors will turn in an official show weight for their goat. All goats must meet the minimum weight requirement of 50 lbs. Weight changes will not be allowed at any time.
13. **Re-Weigh:** Goats will be weighed at the time of judging. Upon re-weigh, goats weighing more than 4 lbs. heavier than the official turn-in weight will be disqualified.
14. **Pens:** The show reserves the right to pen a minimum of three head per pen. Pens will not be taken apart or altered in any way. No lights are to be strung on the pens. Pens cannot be covered with tarps, covers, etc.
15. **Trimming Tables:** Trimming tables will be allowed in the barn and must be placed in locations designated by the Superintendents.
16. **General Equipment:** Blocking of aisles with any kind of equipment (showboxes, feed pans, feed, etc.) is strictly prohibited.
17. **Show Equipment:** Livestock shows provide an opportunity for the general public to be exposed to agricultural exhibits. Exhibitors should be mindful of the show equipment being used and the manner in which it is being used. Show Management or Livestock Committee Leadership/Ring Stewards reserve the right to decide what constitutes acceptable show equipment and how the equipment is being used by the exhibitor. Cable halters and pronged chains are prohibited for all species. Exhibitors will be allowed to use halters or collars in the show ring.
18. **Heelers/Assistants:** The use of heelers (assistants in the show ring) is not permitted.
19. **Scholarships:** Refer to the Junior Livestock Show Scholarship section of the 2021 Livestock Premium List.

**20. Premiums:** The following sliding scale of placings and premiums apply.

# Show/Class	Placing

**This show is subject to the San Antonio Stock Show & Rodeo General Rules, the Junior Livestock Show Special Rules and Special Rules listed in this section.**

## SPECIAL RULES

- Entry:** An entry fee made payable to S.A.L.E. is required. Entries must be submitted online and official San Antonio Stock Show & Rodeo entry forms must be completed. The Junior Crossbred Gilt Show is intended to be an exhibition of gilts suited for club pig production. Gilts are not required to be registered. All breed types will show together within weight divisions. **Gilts may not double enter in the Junior Purebred Breeding Gilt Show and the Junior Crossbred Gilt Show.**
- Validation:** To be eligible to exhibit in the Junior Crossbred Gilt Show, all gilts must be validated in the Texas 4-H and FFA Swine Validation Program. Each entry must have been recorded on a 4-H or FFA Swine Validation Form Master List completed by the County Swine Validation Committee. Failure to comply with the rules and regulations of the Texas Validation Program in any manner will result in immediate disqualification.
- Show Check-in Procedures:** Exhibitors must Check-In and complete the State Validation Tag Number, Weight, Sire, Dam's Sire, and remaining sections of the Kiosk Card. Upon completion, the exhibitor will be given the Exhibitor copy of the Kiosk Card. Exhibitors will not be allowed to show without the Kiosk Card in hand. Check-In must be completed by 4 PM the day of Check-In, or be subject to disqualification. Once an exhibitor leaves the Check-In area, no changes to their entry will be allowed.
- Number Shown:** Each owner may enter a maximum of one (1) head in the Junior Crossbred Gilt Show.
- Penning:** Junior Crossbred Gilts will be stalled on a first come-first serve basis upon arrival. FFA Chapters and/or 4-H Clubs wishing to be penned together must arrive together at the SCP Staging Area. Only crossbred gilts entered in the Crossbred Gilt Show may arrive on grounds. Exhibitors are encouraged to bring pen dividers. **Junior Purebred Gilts and Junior Crossbred Gilts may be stalled separately.**

6. **Show Weights:** Weight limits are: minimum 230 lbs. and maximum 340 lbs. inclusive. Exhibitors will turn in the official show weight for their gilts. All gilts with weights turned in below the minimum (230 lbs.) or above the maximum (340 lbs.) will be sifted. Weight changes will not be allowed at any time after Check-In.
7. **Re-Weigh:** All gilts penned for placing consideration will be re-weighed. Upon re-weigh, gilts weighing more than 15 pounds heavier than the official turn-in weight will be disqualified.
8. **Ear Tags:** All ear tags, with the exception of TX Validation Tag and USDA Official Premises Identification Number (PIN) tags, must be removed before showing. The TX Validation Tag number will be used for animal identification. No tag alterations – any change in size, shape, form or color will void the tag.
9. **Ear Notches:** All animals must be properly ear notched for the Texas 4-H and FFA Swine Validation Program. Animals not properly notched in both ears will be subject to disqualification.
10. **Medication:** Administration of any medication to animals that is not approved by the FDA is a violation of Federal law. Please refer to Rule #28 in the General Rules. In instances where an animal has been administered a drug that is FDA approved for its species, the exhibitor must be aware that the time it takes for all drug residue to completely clear system **is generally longer than the labeled withdrawal time** for most drugs and varies from animal to animal.
11. **Fitting:** Foreign material including (but not limited to) painting, powdering, oiling, artificial coloring, or adhesives is prohibited. No clippers which require an electrical current are allowed to be used on Junior Crossbred Gilts once they arrive on the grounds. Cordless clippers are allowed, however, restraining the animal for clipping purposes is prohibited. Failure to comply with this rule will result in disqualification. The exhibitor is expected to feed, care for, fit, and exhibit their animal/project while at the San Antonio Stock Show & Rodeo. If needed, the exhibitor may have the assistance of the exhibitor's family, AST, CEA, Local County/Chapter Adult Volunteer or other 4-H or FFA members. Any project fed or cared for by a custom fitter is not eligible. A custom fitter is considered anyone who is not a family member, AST, CEA, Local County/Chapter Adult Volunteer or another 4-H or FFA member. Violators of this rule may be barred from future participation.
12. **Exhibitor Numbers:** Exhibitors will be assigned a back number. This number must be displayed by the exhibitor when the project is being judged.
13. **Pens:** Pens will not be taken apart or altered in any way. No lights are to be strung on the pens. Pens cannot be covered with tarps, covers, etc.
14. **Signs:** No sign, which refers in any way to a commercial product, including "For Sale" signs, may be placed over any livestock exhibit; such signs will be confiscated.
15. **Scales:** Scales will be provided in areas throughout the barn; such scales are unofficial and are provided for exhibitors' convenience only. Official scales will be used by Superintendents to determine official weights. No other scales will be allowed.
16. **Classes:** Superintendents will break classes after all weights have been turned in. In the event of a large number of gilts with the same weight, the show may break them into multiple classes using another method other than weight. To more effectively break classes, weights may be grouped by a maximum of 4 lb. increments and classes then broken using another method other than weight.
17. **Crossbred Gilt Divisions-** Classes within each division will be broken by weight.
  - Light Weight Division*  
There will be a minimum of 3 classes. Additional classes may be added at the discretion of Show Management.
  - Medium Weight Division*  
There will be a minimum of 3 classes. Additional classes may be added at the discretion of Show Management.
  - Heavy Weight Division*  
There will be a minimum of 3 classes. Additional classes may be added at the discretion of Show Management.
18. **Premiums:** The following premium schedule will apply to all classes.

1 <sup>st</sup>	2 <sup>nd</sup>	3 <sup>rd</sup>
\$55	\$45	\$35

**Junior Crossbred Gilt Sale**

- 19. Sale:** A minimum of 35 and maximum of 50 gilts will be eligible to sell in the Crossbred Gilt Sale, a public auction of crossbred breeding gilts on Friday, February 12, 2021 at 1 PM.
- 20. Selection:** All class winning (1<sup>st</sup> place), Division Champion and Division Reserve Champion gilts in the Crossbred Gilt Show will automatically qualify for the Crossbred Gilt Sale and be required to sell. Remaining sale lots will be selected by the judge. The judge is not required to select an equal number of gilts from each weight class or division. **All gilts selected to the Crossbred Gilt Sale must sell, no exceptions.**
- 21. Sale Order:** Sale order will be determined by Show Management. Gilts qualifying for the sale are required to pen by Lot Assignment in the designated Sale Exhibition area immediately following their respective Sale Preview.
- 22. Animal Care:** Each exhibitor will be responsible for the care of their gilt throughout the duration of the show & sale, including walking the animal through the sale arena.
- 23. Sale Conditions:** The San Antonio Stock Show & Rodeo makes no warranties, either expressed or implied, regarding any animal in the sale. The descriptions and other information regarding individual animals will be supplied by the exhibitor, and the show neither warrant, nor assume any liability for the accuracy or completeness of such information. All gilts will sell **as-is** with no implied guarantee of quality, longevity, structural or breeding soundness.
- 24. Sale Commission:** A 15% commission will be collected on each gilt qualifying for the auction.
- 25. Exhibitor Buybacks:** All gilts selected to the Crossbred Gilt Sale must sell, no exceptions. However, an exhibitor whose gilt is selected for the sale may buy back their gilt using a buyer number registered in the exhibitor's name only. The exhibitor is then responsible for payment of the 15% sales commission before the gilt is eligible to be released. Gilts purchased by anyone other than the exhibitor are to be paid for according to full sale price through the auction before they are eligible to be released.
- 26. Sale Release:** Gilts that have been purchased and paid for in full may leave immediately. Buyers are expected to have completed the payment process no more than 1 hour after the conclusion of the sale. No Junior Crossbred Gilts shall remain in Morris Activity Center pens after 8 pm on Friday, February 12<sup>th</sup>. Exhibitors are to adhere to instructions from Show Management on re-stalling procedures. **Exhibitors will be responsible for making pick-up/delivery arrangements with all buyers prior to leaving the Grounds.**
- 27. Validation:** If ownership changes or has the possibility of changing through a sale offering (including animal(s) purchased back by the exhibitor), regardless of method or length of time, that chain of animal ownership is considered broken (See Junior Show Rules #11). Based on this rule, after a gilt has been selected for the Crossbred Gilt Sale, validation becomes void.

- 6. Fitting & Showmanship:** Owners must be bonafide 4-H and FFA members to be eligible to participate in the Fitting and Showmanship class with an animal entered in his/her name. The following age divisions will apply:  
     Junior   8-13, Age determined as of January 1, 2021.  
     Senior   14-19, Age determined as of January 1, 2021.
- 7. Dress:** Clothing worn into the arena may not bear any insignia or writing other than 4-H or FFA.
- 8. Stalling:** No automatic waterers will be allowed.
- 9. Medication:** Administration of any medication to animals that is not approved by the FDA is a violation of Federal law. Please refer to Rule #28 in the General Rules. In instances where an animal has been administered a drug that is FDA approved for its species, the exhibitor must be aware that the time it takes for all drug residue to completely clear system **is generally longer than the labeled withdrawal time** for most drugs and varies from animal to animal.
- 10. Fitting:** The exhibitor is expected to feed, care for, fit, and exhibit their animal/project while at the San Antonio Stock Show & Rodeo. If needed, the exhibitor may have the assistance of the exhibitor's family, AST, CEA, Local County/Chapter Adult Volunteer or other 4-H or FFA members. Any project fed or cared for by a custom fitter is not eligible. A custom fitter is considered anyone who is not a family member, AST, CEA, Local County/Chapter Adult Volunteer or another 4-H or FFA member. Violators of this rule may be barred from future participation.
- 11. Show Equipment:** Livestock shows provide an opportunity for the general public to be exposed to agricultural exhibits. Exhibitors should be mindful of the show equipment being used and the manner in which it is being used. Show Management or Livestock Committee Leadership/Ring Stewards reserve the right to decide what constitutes acceptable show equipment and how the equipment is being used by the exhibitor. Cable halters and pronged chains are prohibited for all species.
- 12. Breeds:** The show will consist of the following breeds: Holstein, Jersey, and Other Registered Breeds (ORB consists of Ayrshire, Brown Swiss, Guernsey, and Milking Shorthorn).
- 13. Scholarships:** Refer to the Junior Livestock Show Scholarship section of the 2021 Livestock Premium List.
- 14. Classes:**

**(Exhibitors showing different breeds of gilts are not released until their last breed is shown.)**

**This show is subject to the San Antonio Stock Show & Rodeo General Rules, the Junior Livestock Show Special Rules, and Special Rules listed in this section.**

## SPECIAL RULES

- 1. Eligibility:** The Junior Gilt Show is open to gilts only. **Gilts may not double enter in the Junior Gilt Show and the Junior Crossbred Gilt Show.**
- 2. Entry:** Entries must be submitted online and official San Antonio Stock Show & Rodeo entry forms must be completed.
- 3. Number Shown:** Each owner may enter a maximum of two (2) head in the Junior Purebred Gilt Show.
- 4. Ownership/Registration:** Animals must be registered in the Herdbook of their Association in **only** the name of the Junior owner on or before December 1, the year preceding the show. Purchase, delivery, possession, transfer and registration must all take place on or before December 1, the year preceding the show. Original Registration Certificates must be available at all times.
- 5. Validation:** To be eligible to exhibit in the Junior Purebred Gilt Show, all gilts must be validated in the Texas 4-H and FFA Swine Validation Program. Each entry must have been recorded on a 4-H or FFA Swine Validation Form Master List completed by the County Level State Swine Validation Committee. Failure to comply with the rules and regulations of the Texas Swine Validation Program in any manner will result in immediate disqualification. ***All Registration Papers for Purebred Gilts must be uploaded by December 15, 2020.***

6. **Penning:** Junior Purebred Gilts will be stalled on a first come-first serve basis upon arrival. FFA Chapters and/or 4-H Clubs wishing to be penned together must arrive together at the SCP Staging Area. Only purebred gilts entered in the Purebred Gilt Show may arrive on grounds. Exhibitors are encouraged to bring pen dividers. **Junior Purebred Gilts and Junior Crossbred Gilts may be stalled separately.**
7. **Pens:** Pens will not be taken apart or altered in any way. No lights are to be strung on the pens. Pens cannot be covered with tarps, covers, etc.
8. **Show Check-in Procedures:** Exhibitors must check-in and complete the Junior Purebred Gilt Kiosk Card. Upon completion, the exhibitor will be given the remaining sections of the Junior Purebred Gilt Kiosk Card to bring with them to the ring during judging. Once an exhibitor leaves the Check-In area, no changes to their entry will be allowed.
9. **Medication:** Administration of any medication to animals that is not approved by the FDA is a violation of Federal law. Please refer to Rule #28 in the General Rules. In instances where an animal has been administered a drug that is FDA approved for its species, the exhibitor must be aware that the time it takes for all drug residue to completely clear system **is generally longer than the labeled withdrawal time** for most drugs and varies from animal to animal.
10. **Fitting:** Foreign material including (but not limited to) painting, powdering, oiling, artificial coloring, or adhesives is prohibited. No clippers which require an electrical current are allowed to be used on Junior Purebred Gilts once they arrive on the grounds. Cordless clippers are allowed, however, restraining the animal for clipping purposes is prohibited. Failure to comply with this rule will result in disqualification. The exhibitor is expected to feed, care for, fit, and exhibit their animal/project while at the San Antonio Stock Show & Rodeo. If needed, the exhibitor may have the assistance of the exhibitor's family, AST, CEA, Local County/Chapter Adult Volunteer or other 4-H or FFA members. Any project fed or cared for by a custom fitter is not eligible. A custom fitter is considered anyone who is not a family member, AST, CEA, Local County/Chapter Adult Volunteer or another 4-H or FFA member. Violators of this rule may be barred from future participation.
11. **Class Premiums:** The following premium schedule will apply to all classes.

1 <sup>st</sup>	2 <sup>nd</sup>	3 <sup>rd</sup>
\$55	\$45	\$35

12. **Judging:** Insofar as possible, a Top 5 will be selected from each breed. Only 1<sup>st</sup> and 2<sup>nd</sup> place gilts from each class will be eligible for Top 5 awards within each breed. All eligible 1<sup>st</sup> and 2<sup>nd</sup> place gilts must participate in the Breed Champion Drive or be subject to disqualification. Similarly, all Breed Champions and Reserve Breed Champions must participate in the Overall Supreme Champion Purebred Gilt Drive or be subject to disqualification. Only Breed Champions & Reserve Breed Champions will participate in the Overall Supreme Champion Purebred Gilt Drive.

13. **Top 5 Awards:** The following awards will apply to all breeds.

Breed Champion:	\$150 + Buckle + Banner
Breed Reserve Champion:	\$125 + Buckle + Banner
Breed 3 <sup>rd</sup> Overall:	\$100 + Banner
Breed 4 <sup>th</sup> Overall:	\$75 + Banner
Breed 5 <sup>th</sup> Overall:	\$50 + Banner

14. **Age:** All gilts must have been farrowed between **July 1 and September 10, 2020 inclusive.**

- 15. Classes:** Classes within each breed will be broken by age following Check-In. There will be 42 classes of gilts (excluding champion classes). The number of classes per breed will be determined following check-in and based upon the percentage of that breed to the total number of gilts in the show. Each breed will have a minimum of two classes. In the event of a large number of gilts with the same age, the show may break them into multiple classes using another method other than age. To more effectively break classes, age may be grouped by a maximum of 3 days and classes then broken using another method other than age.

(Example from 2020)

BREED	# SHOWN	% TOTAL	# CLASSES	
Berkshire	212	15.01%	6.3	6
Chester White	134	9.49%	3.99	4

# JUNIOR SIMBRAH AND SIMMENTAL SUPERBOWL HEIFER SHOW

Wednesday, February 17

Show:

7 AM

CB

## SPECIAL RULES

- 1. Eligibility:** All exhibitors must meet and abide by all rules in the current San Antonio Stock Show & Rodeo Livestock Premium List, including General Rules, Junior Rules and Special Rules in Department JH. Only exhibitors that are entered in the San Antonio Stock Show & Rodeo Junior Heifer Show through 4-H or FFA and have purchased a heifer directly from a Superbowl Sponsor are eligible to enter the Superbowl. Additionally, only heifers entered in the San Antonio Stock Show & Rodeo Junior Heifer Show are eligible to enter the Superbowl. Each animal entered in the Superbowl shall be subject to DNA testing as deemed necessary at the discretion of the Superbowl Show Coordinators.
- 2. Entry:** Superbowl entry deadline is December 10, 2020. Official Superbowl entry forms are posted at: [www.simmental-simbrahsuperbowl.com](http://www.simmental-simbrahsuperbowl.com) or they can be obtained from Tim Smith; P.O. Box 330; Giddings, TX 78942; (phone: 512-587-7896). Completed Superbowl entry forms and a copy of the registration certificate must be returned to Tim Smith at the address listed above by December 10, 2020. Superbowl entries will NOT be taken by the San Antonio Stock Show & Rodeo Livestock Office.
- 3. Heifer Classes:** Simbrah, Simmental, and Sim-Angus heifer classes will be made once all entries are received.
- 4. Heifer Premium Schedule:**

Grand Champion Simbrah & Simmental Heifers	\$1,500.00
Reserve Grand Champion Simbrah & Simmental Heifers	\$1,000.00

Percentage Simbrah, and Sim-Angus premiums will be decided once all entries are received.

Additional Premiums for Division and Reserve Division Heifer Champions will be awarded depending on the number of Superbowl sponsors and entries. Each class winner will be awarded a belt buckle.

- 5. Showmanship:** Showmanship will be held prior to the Heifer Shows. Showmanship will consist of five or more age divisions. Premiums will be awarded to overall Champion and Reserve Champion Showman based on the number of Superbowl Sponsors. First and second place winners in each division will be awarded belt buckles. Superbowl exhibitors are required to participate in showmanship with one of their own entries or they forfeit all Superbowl premiums.
- 6. Scholarships:** Scholarship awards of \$250.00 will be provided to Superbowl exhibitors via random drawing at the conclusion of the event based on the number of Superbowl sponsors and entries. Superbowl scholarships are not affiliated with S.A.L.E. scholarships.

Beef science orientation & test:	Monday	February 22	4:30 PM	AB
Live evaluation & public speaking:	Tuesday	February 23	7:30 AM	AB

## OBJECTIVE

Highlight the commercial cattle industry and provide 4-H and FFA members a learning experience emphasizing selection, record keeping, feeding, animal health, industry standards, public speaking and technical knowledge.

**This show is subject to the San Antonio Stock Show & Rodeo General Rules, the Junior Livestock Show Rules and Special Rules listed in this section.**

## SPECIAL RULES

- 1. Entry:** An entry fee made payable to S.A.L.E. is required. Entries must be submitted online and official. San Antonio Stock Show & Rodeo entry forms must be completed. Each junior exhibitor may enter a maximum of one pen of two (2) steers. One steer may constitute a pen; however, it will result in an immediate deduction of 20 points. Replacement steers will NOT be accepted.
- 2. Ownership:** Steers of any beef breed are eligible to be entered. Exhibitors in this division must have owned their steers on or before September 15, 2020, and the steers must have been fed and cared for by the exhibitor from the date of acquisition through the Junior Commercial Steer Show. Steers should be designated as "A" and "B" at the time of purchase. This designation should be utilized throughout the feeding period for record keeping purposes and during final judging at the Junior Commercial Steer Show.
- 3. Stalling:** Steers will be pre-stalled according to the order posted in Auction Barn. Stalls must remain clean and neat at all times. Failure to comply will result in point deductions at the Superintendents' discretion.
- 4. Eartags:** All eartags will be removed during weigh-in. Animals will be tagged with an official San Antonio Stock Show & Rodeo eartag at that time.
- 5. Substitute Exhibitors:** Substitute Exhibitors are not allowed.

6. **Mandatory Attendance:** Exhibitors must attend all orientations, seminars and activities related to their project. Failure to comply will result in point deductions (see point breakdown).
7. **Feeding:** Steers are to be fed in a separate feed pen from other livestock when placed on full feed. The beef industry recommends that cattle be on feed 150 days for optimal performance.
8. **Weighing:** Weights will be calculated as follows:
  - a. **Initial Weight:** Steers must be individually weighed between September 6-15, 2020, on a certified livestock scale by a certified weigh master. This weight will be the "initial weight" for the feeding records. The official scale ticket should include: weigh date, individual animal weight, animal identification (i.e.: ear tag, brand), breeder of the animal, buyer of the animal, signature of the certified weigh master. The official scale ticket should be retained and submitted in the online Record Book.
  - b. **Record Weight:** Steers must be officially weighed, individually, on a certified livestock scale by a certified weigh master between February 5-15, 2021, with a three percent (3%) pencil shrink. This weight will be the "record weight" for the feeding records. The official scale ticket should include: weigh date, individual animal weight, animal identification (i.e. ear tag, brand), and signature of the certified weigh master. The official scale ticket should be retained and submitted in the online Record Book.
  - c. **Check-in / Sale Weight:** Steers will be officially weighed, individually, on a certified livestock scale by the San Antonio Stock Show & Rodeo Special Sales Sub-Committee. Steers must be presented for weighing and an ultrasound according to order posted in Auction Barn. Steers not presented at the scales promptly will be disqualified. Each steer must weigh-in between 1,000 and 1,599 lbs. inclusive. Failure to comply will result in point deductions (see point breakdown). There will be NO reweighs. Cattle will be sold on the "check-in/sale weight."
  - d. **Days on Feed:** Days on Feed will be calculated as follows:
    - i. Day 1 = Initial Weigh Date
    - ii. Ending Day = Record Weigh Date
9. **Record Books:** Exhibitors must maintain an Official San Antonio Stock Show & Rodeo Commercial Steer Record Book including feeding, animal health, income and expense records regarding their Commercial Steer project. An Official Commercial Steer Record Book and instructions may be obtained [here](#). The Official Commercial Steer Record Book must be completed and submitted by February 15. All receipts and related records must be attached. Record Books should be complete, neat and accurate. All calculations are to be rounded to the hundredth decimal point from the beginning of the project.
10. **Live Ultrasound Evaluation:** An ultrasound technician will collect data and grade the Junior Commercial Steers based on the USDA standard quality and yield grades for slaughter steers. Steers must be presented for Live Ultrasound Evaluation according to order posted in Auction Barn.
11. **Live Visual Evaluation:** A committee of judges will grade the Junior Commercial Steers based on the USDA quality and yield grades for slaughter steers. Steers must be presented for Live Visual Evaluation according to order posted in Auction Barn.

- 12. Quality and Yield Point Schedule:** The following point schedule will apply to both Live Ultrasound Evaluation and Live Visual Evaluation:

**QUALITY & YIELD POINT SCHEDULE**

<u>Quality Grade</u>	<u>Points</u>	<u>Yield Grade</u>	<u>Points</u>
Prime	7	Yield Grade #1	3
Choice-Average/High	5	Yield Grade #2	2
Choice-Low	4	Yield Grade #3	1
Select	2	Yield Grade #4	0
Standard	1	Yield Grade #5	0

- 13. Public Speaking/Questions:** Each exhibitor must recite a memorized speech lasting a minimum of three (3) minutes and a maximum of 5 minutes regarding their project, what they learned, and how it relates to the industry. There will be a point deduction of 1/4 point per 15 seconds the exhibitor is shorter or longer than the allotted speech limit. Exhibitors will present their speech during the Live Visual Evaluation of their cattle. Each exhibitor will be required to answer verbal questions regarding their project following delivery of their speech.
- 14. Beef Science Test:** Exhibitors will be administered a written Beef Science Test. Only exhibitors may enter the test area. Study Guide links will be available [here](#). The Beef Science Test will be composed of questions derived from this Study Guide and any other sources listed.
- 15. Horns:** Steers must have horns tipped with no more than three inches of horn growth beyond the base of the head.
- 16. Medication:** Please refer to General Rule #28.
- 17. Blow Dryers:** No blow dryers will be allowed.
- 18. Fans:** No fans will be allowed.
- 19. Terminal Show:** This show is terminal; all steers entered in competition will be marketed as determined by Show Management.
- 20. Premiums and Awards:** Exhibitors will be placed according to their cumulative point total. All placing exhibitors are eligible for Premium Awards. The following Premium Schedule will apply:

<b>Grand Champion</b>	<b>Reserve Champion</b>	<b>3rd</b>	<b>4th</b>	<b>5th</b>
\$1,000	\$900	\$850	\$800	\$750
<b>6th</b>	<b>7th</b>	<b>8th</b>	<b>9th</b>	<b>10th</b>
\$700	\$650	\$600	\$550	\$500

- 21. Tie-Breakers:** If exhibitor point totals result in a tie for any specific portion of the contest, final placing will be based off the points awarded to the exhibitors by the judges of the Live Visual Evaluation for their answers to the verbal questions asked at the conclusion of their Speech. A maximum score of twenty points is possible.
- 22. Scholarships:** Refer to the Junior Livestock Show Scholarship section of the 2021 Livestock Premium List.

**23. Scoring:** The Commercial Steer Show will be comprised of Animal, Exhibitor and Record Book components. A maximum score of 130 points is possible (40 Animal, 70 Exhibitor and 20 Record Book). Discount Points will be deducted as stated in the scorecard. The following scorecard will apply:

Auction:	Friday	February 26	3 PM	AB

**This show is subject to the San Antonio Stock Show & Rodeo General Rules, the Junior Livestock Show Rules and Special Rules listed in this section.**

### **SPECIAL RULES**

- 1. Entry:** An entry fee made payable to S.A.L.E. is required. Entries must be submitted online and official San Antonio Stock Show & Rodeo entry forms must be completed. Each owner is limited to a maximum of one (1) barrow. Only barrows may be entered.

2. **Validation:** To be eligible to exhibit in the Junior Market Barrow Show, all barrows must be validated in the Texas 4-H and FFA Swine Validation Program. Each entry must have been recorded on a 4-H or FFA Swine Validation Form Master List completed by the County Level State Swine Validation Committee. Failure to comply with the rules and regulations of the Texas Swine Validation Program in any manner will result in immediate disqualification.
3. **Show Check-in Procedures:** Exhibitors must Check-In and complete the State Validation Tag Number, Weight, and Breed Designation of the Barrow Kiosk Card. Upon completion, the exhibitor will be given the remaining sections of the Barrow Kiosk Card. Exhibitors will not be allowed to show without the Barrow Kiosk Card in hand. Check-In must be completed by 2 PM (Group 1) and 3 PM (Group 2) the day of Check-In, or be subject to disqualification. Once an exhibitor leaves the Check-In area, no changes to their entry will be allowed.
4. **Penning:** Junior Market Barrows will be penned on a first come, first served basis upon arrival. FFA Chapters and/or 4-H Clubs wishing to be stalled together must arrive together at the SCP Staging Area.
5. **Show Weights:** Official turn-in weight limits are: minimum 240 lbs. and maximum 290 lbs. inclusive. Exhibitors will turn in the official show weight for their barrow. All barrows with weights turned in below the minimum (240 lbs.) or above the maximum (290 lbs.) will be sifted.
6. **Re-Weigh:** Show Management reserves the right to weigh any barrow after the completion of Check-In. *Upon re-weigh, all barrows weighing less than 235 lbs. will be disqualified.* Upon re-weigh, all barrows weighing more than 10 lbs. heavier than the official turn-in weight will be disqualified.  
 \*Barrows that meet the minimum weight of 235 lbs. but are weighing more than 10 lbs. less than the official turn-in weight will not be disqualified, but will be sold on the re-weigh weight. (i.e. Turn-in Weight = 260 lbs.; Re-weigh weight = 245 lbs.; Barrow will be sold at 245 lbs.)  
**Grand Champion Re-weigh:** Prior to selection of the Grand and Reserve Grand Champion, all Breed Champions and Reserve Breed Champions may be re-weighed. Should a Champion or Reserve weigh-out, he would retain his status as Breed Champion or Reserve Breed Champion but be ineligible to compete for Grand or Reserve Grand Champion.  
**Group #1 Barrows** (Berkshire, Duroc, Dark Crossbred, Hampshire, Poland China, Spot) weighing more than 20 pounds heavier than the official turn-in weight will be disqualified.  
**Group #2 Barrows** (Chester White, Landrace, Yorkshire, Crossbred) weighing more than 15 pounds heavier than the official turn-in weight will be disqualified.
7. **Classification:** Breed must be declared upon Check-In. Breed changes by the exhibitor will not be allowed at any time after. Barrows will be subject to reclassification by a three-member committee during the barrow's class. The decision of the three-member classifying committee will be final. See *Barrow Classification Standards*.
  - Any barrows reclassified in Group #1 will be placed in the Dark Crossbred breed. Any barrows in Group #1 not meeting at least the classification standards for the Dark Crossbred breed will be sifted.
  - Any barrows reclassified in Group #2 will be placed in the Crossbred breed.
  - Crossbred and Dark Crossbred class options may be entered at the time of Check-In.
8. **Ear Tags:** All ear tags, with the exception of TX Validation Tag and USDA Official Premises Identification Number (PIN) tags, must be removed before showing. The TX Validation Tag number will be used for animal identification. No tag alterations – Any change in size, shape, form or color will void the tag.
9. **Ear Notches:** All animals must be properly ear notched for the Texas 4-H and FFA Swine Validation Program. Animals not properly notched in both ears will be subject to disqualification.
10. **Medication:** Administration of any medication to market animals that is not approved by the FDA is a violation of Federal law. Please refer to rule #28 of the General Rules. In instances where an animal has been administered a drug that is FDA approved for its species, the exhibitor must be aware that the time it takes for all drug residue to completely clear system **is generally longer than the labeled withdrawal time** for most drugs and varies from animal to animal.
11. **Fitting:** Foreign material including (but not limited to) painting, powdering, oiling, artificial coloring, or adhesives is prohibited. No clippers, which require an electrical current, are allowed to be used on Market

Barrows once they arrive on the grounds. Cordless clippers are allowed, however, restraining the animal for clipping purposes is prohibited. Failure to comply with this rule will result in disqualification. The exhibitor is expected to feed, care for, fit, and exhibit their animal/project while at the San Antonio Stock Show & Rodeo. If needed, the exhibitor may have the assistance of the exhibitor's family, AST, CEA, Local County/Chapter Adult Volunteer or other 4-H or FFA members. Any project fed or cared for by a custom fitter is not eligible. A custom fitter is considered anyone who is not a family member, AST, CEA, Local County/Chapter Adult Volunteer or another 4-H or FFA member. Violators of this rule may be barred from future participation.

12. **Pens:** Pens will not be taken apart or altered in any way. No lights may be strung on the pens. Pens cannot be covered with tarps, covers, etc.
13. **Scales:** Scales will be provided in areas throughout the barn; such scales are unofficial and are provided for exhibitors' convenience only. Official scales will be used by Superintendents to determine official weights. No other scales will be allowed.
14. **Additional Premiums:**  
**Certified Texas Bred Class Champions:** The Texas Pork Producers Association, Inc. may award premium money to top placing Certified Texas Bred barrows. A Certified Texas Bred Registry certificate from the breeder must be presented at the show to qualify.
15. **Classes:** Superintendents will break classes following completion of Check-In. There will be no pre-set weight breaks. Exhibitors missing their class are ineligible to compete in a different weight division and will be sifted. In the event of a large number of barrows with the same weight and the same breed, the show may break them into multiple classes using another method other than weight. To more effectively break classes, weights may be grouped by a maximum of 4 lb. increments and classes then broken using another method other than weight.
16. **Placing Barrows:** All placing barrows must sell in the Junior Market Barrow Auction.
17. **Scholarships:** Refer to the Junior Livestock Show Scholarship section of the 2021 Livestock Premium List.

## QUALITY PORK CONTEST

### **SPECIAL RULES**

Insofar as possible, a Quality Pork Contest will be conducted. A minimum of 34 barrows, including the Breed Champions, Reserve Breed Champions, Weight Division Winners, and Weight Division Runner-Ups, will be processed for information.

#### **Minimum Standards**

1. Minimum and maximum for hot carcass weight, 165 to 230 pounds, respectively.
2. Carcass muscle score is to be equal to or better than the Intermediate (2.0) pictured in the 2000 "Composition and Quality Assessment Procedures," National Pork Board.
3. Carcass meat quality will be subjectively evaluated for the following using the 2000 "Composition and Quality Assessment Procedures," National Pork Board.
  - a. Loin muscle color score greater than 1 and less than 6
  - b. Loin muscle marbling score greater than 1
  - c. Loin muscle firmness and wetness score greater than 1
  - d. Belly at least slightly thick with a minimum of 0.6 inches of thickness at any point
  - e. Abnormalities (Soft, oily fat; steatosis)

Carcasses failing to meet two or more of the minimum quality standards as outlined will be disqualified.

4. Percentage Fat Free Lean will be predicted by the following equation ("Composition and Quality Assessment Procedures," National Pork Board):

#### **Equation for pounds of fat-free lean (FFL)**

$$\begin{aligned}
 &8.588 - 21.896 \times 10\text{th rib fat depth, inches} \\
 &+ 3.005 \times 10\text{th rib loin muscle area, square inches} \\
 &+ 0.465 \times \text{warm carcass weight, pounds}
 \end{aligned}$$

**To convert to % fat-free lean, divide by warm carcass weight and multiply by 100**

5. Other disqualifications:
  - a. Cryptorchids
  - b. Carcass that requires more than 1% trim due to "old" bruises or infected at injection site, abnormalities, cysts, abscesses, diseased joints, etc.

The carcass judge will select and place the top 10 carcasses on overall carcass merits from among the 15 carcasses with the highest percent fat free lean(FFL). The following awards will be given for 1<sup>st</sup> through 5<sup>th</sup> place.

- Supplies:** Each exhibitor is required to bring two containers (each 16oz. or smaller, example – one pound coffee can) per entry. Exhibitors will be permitted to bring their own poultry feed onto the grounds.
- Fans:** Fans will not be permitted in the Cattle Barn during the Poultry Show.
- Placing Birds:** The top 35 placing Broiler pens will be sold in the Junior Market Broiler and Turkey Hen Auction.

- 9. Medication:** Refer to General Rule #28. The showing of any poultry that has been administered any quantity of diuretic, unapproved growth stimulant or other unapproved medication, or that has NOT been properly withdrawn from approved drugs is prohibited. Unapproved is deemed to mean NOT approved by the Food and Drug Administration (FDA) and/or the U.S. Department of Agriculture (USDA) for slaughter animals. As a condition for participation in the Show, every exhibitor must agree to submit any poultry entered by exhibitor to inspection by a veterinarian appointed by the management, and agrees to have such poultry submitted to any tests as may be designated and requested by the veterinarian. The Show specifically reserves the right to have tissue, blood or urine laboratory analysis made on any poultry entered for competition. The conclusions reached by the veterinarian, as to whether such animal has been administered a diuretic, unapproved growth stimulant or other unapproved drugs, or has not been properly withdrawn from approved drugs shall be final, without recourse against the Show or any of its officers. An exhibitor of poultry producing an analysis with a quantity of diuretic, unapproved growth stimulant or any other unapproved drugs will forfeit all rights and privileges to exhibit livestock including poultry in the future at the Show.
- 10. Beta-agonists:** S.A.L.E. will not tolerate the presence of ractopamine hydrochloride (Topmax™) in Market Poultry, specifically all turkeys and broilers. S.A.L.E. will not tolerate the presence of zilpaterol hydrochloride (Zilmax®) in any market species or breeding animal.
- 11. Junior Broilers:** Broilers will be placed for the Junior Market Broiler and Turkey Hen Auction according to the following schedule:

**JUNIOR MARKET BROILERS PLACINGS**

Show:	Tuesday	February 16	7 AM	SB
Auction:	Thursday	February 25	11 AM	AB

**This show is subject to the San Antonio Stock Show & Rodeo General Rules, the Junior Livestock Show Rules, and Special Rules listed in this section.**

## SPECIAL RULES

- Entry:** An entry fee made payable to S.A.L.E. is required. Entries must be submitted online and official San Antonio Stock Show & Rodeo entry forms must be completed. Each exhibitor may enter a maximum of one (1) wether goat. The show is open to any breed or crossbred.
- Validation:** To be eligible to exhibit in the Junior Market Goat Show, all Goats must be validated in the Texas 4-H and FFA Goat Validation Program. Each entry must have been recorded on a 4-H or FFA Goat Validation Form Master List completed by the County Level State Goat Validation Committee. Failure to comply with the rules and regulations of the Texas Goat Validation Program in any manner will result in immediate disqualification.
- Show Check-In Procedures:** Exhibitors must Check-In and complete the State Validation Tag Number and Weight of the Goat Kiosk Card. Upon completion, the exhibitor will be given the remaining sections of the Goat Kiosk Card. Exhibitors will not be allowed to show without the Goat Kiosk Card in hand. Check-In must be completed by 3 PM the day of Check-In, or be subject to disqualification. Once an exhibitor leaves the Check-In area, no changes to their entry will be allowed.
- Penning:** Junior Market Goats will be penned on a first come, first served basis upon arrival. FFA Chapters and/or 4-H Clubs wishing to be stalled together must arrive together at the SCP Staging Area.
- Show Weights:** Exhibitors will turn in the official show weight for their goat. Official turn-in weigh limits are: minimum 60 lbs. and maximum 120 lbs. inclusive. All goats with weights turned in below the minimum (60 lbs.) or above the maximum (120 lbs.) will be sifted.
- Re-Weigh:** Show Management reserves the right to weigh any goat after the completion of Check-In. All goats weighing less than 55 lbs. or more than 4 lbs. heavier than the official turn-in weight will be disqualified. Goats weighing more than 4 lbs. lighter than the official turn-in weight will not be disqualified (with the exception of those not meeting the 55 lbs. weight) but will be sold on the re-weigh weight.

**Grand Champion Re-weigh:** Prior to selection of the Grand and Reserve Grand Champion, all Division Champions and Reserve Champions may be re-weighed with a 5 lb maximum weigh-back. Should a Champion or Reserve Champion weigh out, he would retain his status as Division Champion or Reserve Champion but be ineligible to compete for Grand or Reserve Grand Champion. Should a Division Champion weigh out, the respective Division Reserve Champion would be eligible for Grand or Reserve Grand Champion consideration.

UPDATED

UPDATED

7. **Ear Tags:** All ear tags except the TX Validation tag and Texas Goat Breeders Association (TGBA) tag must be removed before showing. The TX Validation tag number will be used for animal identification. No tag alterations. Any change in size, shape, form or color will void the tag.
8. **Medication:** Administration of any medication to market animals that is not approved by the FDA is a violation of Federal law. Please refer to Rule #28 in the General Rules. In instances where an animal has been administered a drug that is FDA approved for its species, the exhibitor must be aware that the time it takes for all drug residue to completely clear the system is **generally longer than the labeled withdrawal time** for most drugs and varies from animal to animal.
9. **Fitting:** Foreign material including (but not limited to) painting, powdering, oiling, artificial coloring, or adhesives is prohibited. No clippers, which require an electrical current, are allowed to be used on Market Goats once they arrive on the grounds. Touch-up clipping with cordless clippers, scissors, or hand shears will be allowed. The exhibitor is expected to feed, care for, fit, and exhibit their animal/project while at the San Antonio Stock Show & Rodeo. If needed, the exhibitor may have the assistance of the exhibitor's family, AST, CEA, Local County/Chapter Adult Volunteer or other 4-H or FFA members. Any project fed or cared for by a custom fitter is not eligible. A custom fitter is considered anyone who is not a family member, AST, CEA, Local County/Chapter Adult Volunteer or another 4-H or FFA member. Violators of this rule may be barred from future participation.
10. **Horns:** Exhibitors will be required to have horns tipped blunt on all goats before arrival on the grounds. Removal of horns on grounds is not permitted.
11. **Hair:** Goats must be shorn slick, with no indication of blocking, to the skin above the knee and hock joints to include the head, excluding the tail switch, before arrival on the grounds.
12. **Blocking/Trim Tables:** No Blocking/Trim Tables will be permitted on the grounds.
13. **Blow Dryers:** No blow dryers will be allowed.
14. **Equipment:** Blocking of aisles with any kind of equipment (showboxes, feed pans, etc.) is strictly prohibited. All equipment must be stored safely above pens. No tack pens will be allowed.
15. **Pens:** Pens will not be taken apart or altered in any way. No lights may be strung on the pens. Pens cannot be covered with tarps, covers, etc.
16. **Scales:** Scales will be provided in areas throughout the barn; such scales are unofficial and are provided for exhibitors' convenience only. Official scales will be used by Superintendents to determine official weights. No other scales will be allowed.
17. **Animals Outside of Barns:** Goats must remain inside the Cattle Barn #2, Swine Barn, and Morris Activity Center or the designated exercise area. Any animal found outside of these areas will be subject to disqualification.
18. **Bedding:** Bedding for all pens will be supplied by the San Antonio Stock Show & Rodeo; any additional bedding can be purchased at the official feed store. Exhibitors may bring their own shavings.
19. **Show Equipment:** Livestock shows provide an opportunity for the general public to be exposed to agricultural exhibits. Exhibitors should be mindful of the show equipment being used and the manner in which it is being used. Show Management or Livestock Committee Leadership/Ring Stewards reserve the right to decide what constitutes acceptable show equipment and how the equipment is being used by the exhibitor. Cable halters and pronged chains are prohibited for all species. Exhibitors will be allowed to use halters or collars in the show ring.
20. **Classes:** Superintendents will break classes following the completion of Check-In. There will be no pre-set weight breaks. Exhibitors missing their class are ineligible to compete in a different weight division and will be sifted. Classes may be broken into one or more heats at the discretion of the Superintendents.
21. **Parasites:** No external parasites will be allowed. Any goat with external parasites may be disqualified at the discretion of Show Management.
22. **Selection of Champions:** All Division Champion and Reserve Division Champion goats are required to compete in the Grand Champion Drive. Only one parent, legal guardian, AST or CEA may accompany the exhibitor in the holding ring before the Grand Champion Drive.
23. **Placing Goats:** All placing goats must sell in the Junior Market Goat Auction.
24. **Scholarships:** Refer to the Junior Livestock Show Scholarship section of the 2021 Livestock Premium List.

## QUALITY GOAT CONTEST

### SPECIAL RULES

Insofar as possible, a Quality Goat Contest will be conducted. A minimum of 24 goats, including the first and second place animals in each class, will be processed for information.

### Minimum Standards

1. Minimum and maximum for carcass weight, 35 to 70 pounds.
2. Minimum and maximum adjusted fat thickness at the 12th rib, .05 inches to .25 inches, respectively.
3. Estimated percent boneless closely trimmed retail cuts (%BCTRC) from the leg, loin, rack and shoulder is considered in ranking.
 
$$\begin{aligned} \% \text{ BCTRC} = & 49.936 - (0.0848 \times \text{Warm Carcass Wt., lb.}) \\ & - (4.376 \times \text{Adj. Fat Thickness, in.}) \\ & - (3.530 \times \text{Body Wall Thickness, in.}) \\ & + (2.456 \times \text{Ribeye Area, square in.}) \end{aligned}$$
4. Carcass must be youthful appearing.
5. Carcass shall be free of serious bruises ("old" not recent), free of injection sites on the more valuable carcass parts: leg, loin, rack and shoulder (neck excluded) and free of any evidence of surgical altering of the live goat.

Goats achieving the above standards will be evaluated and placed by the official carcass judge.

## SPECIAL RULES

- 1. Entry:** An entry fee made payable to S.A.L.E. is required. Entries must be submitted online and official San Antonio Stock Show & Rodeo entry forms must be completed. Each exhibitor may enter a maximum of one (1) wether lamb.
- 2. Validation:** To be eligible to exhibit in the Junior Market Lamb Show, all lambs must be validated in the Texas 4-H and FFA Lamb Validation Program. Each entry must have been recorded on a 4-H or FFA Lamb Validation Form Master List completed by the County Level State Lamb Validation Committee. Failure to comply with the rules and regulations of the Texas Lamb Validation Program in any manner will result in immediate disqualification.
- 3. Show Check-in Procedures:** Exhibitors must Check-In and complete the State Validation Tag Number, Weight, and Breed Designation of the Lamb Kiosk Card. Upon completion, the exhibitor will be given the Exhibitor copy of the Lamb Kiosk Card. Exhibitors will not be allowed to show without the Lamb Kiosk Card in hand. Check-In must be completed by 3 PM the day of Check-In, or be subject to disqualification. Once an exhibitor leaves the Check-In area, no changes to their entry will be allowed.
- 4. Penning:** Junior Market Lambs will be penned on a first come, first served basis upon arrival. FFA Chapters and/or 4-H Clubs wishing to be stalled together must arrive together at the SCP Staging Area.
- 5. Show Weights:** Exhibitors will turn in the official show weight for their lamb. Official turn-in weight limits are: minimum 100 lbs. and maximum 175 lbs inclusive for Southdown, Finewool, Finewool Cross, and Medium Wool breeds and minimum 100 lbs. and maximum 140 lbs. inclusive for the Dorper breed. All lambs with weights turned in below the minimum (100 lbs.) or above the maximum (175 lbs. Southdown, Finewool, Finewool Cross, and Medium Wool or 140 lbs. Dorper) will be sifted.

6. **Re-Weigh:** Show Management reserves the right to weigh any lamb after the completion of Check-In. Upon re-weigh, lambs weighing less than 95 lbs. or more than 5 lbs. heavier than the official turn-in weight will be disqualified. Lambs weighing more than 5 lbs. lighter than the official turn-in weight will not be disqualified (with the exception of those not meeting the 95 lbs. weight) but will be sold on the re-weigh weight.
7. **Classification:** Breed must be declared upon Check-In. Breed changes by the exhibitor will not be allowed at any time. Classification will be held during the class. Lambs will be subject to reclassification by a three-member committee during the assigned class. The decision of the three-member classifying committee will be final. See *Lamb Classification Standards*.

All lambs classified out of the Finewool division may return for classification during the Finewool Cross classes. All lambs then classified out of the Finewool Cross division will be placed in the Medium Wool classes according to weight.

All other lambs classified out of the respective breed will be placed in the Medium Wool division and in the appropriate class according to weight.

8. **Ear Tags:** All ear tags except the TX Validation Tag, Texas Lamb Breeders Association (TLBA) tag, and USDA Scrapie Eradication Program identification must be removed before showing. The TX Validation tag number will be used for animal identification. No tag alterations. Any change in size, shape, form or color will void the tag.
9. **Medication:** Administration of any medication to market animals that is not approved by the FDA is a violation of Federal law. Please refer to Rule #28 in the General Rules. In instances where an animal has been administered a drug that is FDA approved for its species, the exhibitor must be aware that the time it takes for all drug residue to completely clear the system **is generally longer than the labeled withdrawal time** for most drugs and varies from animal to animal.

## CLASSIFICATION STANDARDS

### **CLASSIFICATION TERMS:**

**Acceptable:** Characteristics that represent the breed.

**Discriminatory:** Characteristics that are not reason for absolute disqualification but in combination with other discriminatory visual characteristics could lead to removal from a breed division.

**Absolute Disqualifications:** Unfavorable visual characteristics resulting in removal from a breed division.

**Scur:** Horn growth that is not completely attached to the skull.

**Birthmark:** Dark pigmented skin with dark fiber present with the margins of the pigmentation.

### **SOUTHDOWN BREED CHARACTERISTICS**

#### Acceptable Breed Characteristics

- Hair color on muzzle should be mouse-colored, gray to brown and match color on legs and pasterns.
- Nostril pigmentation may be black to purplish-gray.
- Head and muzzle should be broad and proportional to body.
- Head of moderate length and in proportion to body.
- Ears of moderate length, in proportion to body and covered with short hair or wool.
- Black hooves.
- Slight chalk around eyes.
- Slight chalk around muzzle.
- Spots or speckles in the skin only when shorn.

#### Discriminatory Breed Characteristics

- Solid white color or dark chocolate color on muzzle.
- Coarse britch and/or harsh pelt.
- Predominately pink nose with few black spots.
- Long, narrow muzzle.
- Excessive black pigmentation on ears.
- Excessive ear length not in proportion to head.
- No hair or wool on ears.
- Scurs.
- Absence of wool between scur areas.
- Striped hooves.
- Reddish, rust colored hair above hoof to pastern.
- Black fibers in wool outside of birthmark.
- Birthmarks.

#### Absolute Disqualification

- Speckled face, ears or legs.
- Horns.
- White hooves.
- Intentional alteration of hair color or skin pigmentation.
- Total pink pigmentation of nostrils.
- Black lambs.
- Surgical alterations other than re-docking.
- Steep hip or tendency to show callipyge.

### **FINEWOOL BREED CHARACTERISTICS**

#### Acceptable Breed Characteristics

- Rambouillet, Delaine, Debouillet or a cross between these breeds.
- Silky, white face.

- Silky ears, medium to moderate in length.
- Soft pelt.
- Yellow to white hooves (neutral).
- Black pads on hooves and black dew claws.
- Minimal amount of black streaking in the hooves. Less than 1/8 of cumulative hoof surface.
- Nose should be neutral to pink in color.
- May be polled or horned. Horns must be indicative of acceptable Finewool breeds.

#### Discriminatory Breed Characteristics

- Moderate amounts of brown or black spots in the skin and/or wool.
- Moderate freckling or pigmented skin (brown or black) on the ears, eyes, nose and lips.
- Black eyelashes.
- Excessive black streaking in hooves more than 1/8 cumulative of hoof surface.
- Birthmarks.

#### Absolute Disqualifications

- Excessively coarse britch and/or harsh pelt.
- Excessive coarse, chalky, white hair on the face, in the flanks and/or down the front and/or rear legs.
- Excessive brown or black spots in the skin and/or wool.
- Excessive freckling or pigmented skin (brown or black) on the ears, eyes, nose and lips.
- Brown or black spots in hairline above the hooves to the dew claw.
- Solid black hooves.
- Black lambs.
- Surgical alterations other than re-docking.
- Steep hip or tendency to show callipyge gene.
- Head, ear and/or horn shape non-typical to the Finewool breeds (Rambouillet, Delaine, Debouillet, or a cross between these breeds).

### **FINEWOOL CROSS BREED CHARACTERISTICS**

#### Acceptable Breed Characteristics

- Must be a cross with evidence of at least 50% Finewool breeding and the remaining percentage exhibiting predominance of ONLY Hampshire and/or Suffolk breeding.
- Soft pelt which is characteristic of 1/2 blood wool (60's-62's spinning count).
- Face and ears should be soft and silky.
- Spotting and/or brown face and ears.
- Moderate spotting and/or brown legs not extending above the rear flank and fore flank.
- Wool must be present below the hocks on the rear legs; wool below the knees on the front legs is not necessary.
- Reddish, rust colored legs are acceptable.
- White-faced or ring-eyed crosses are acceptable if pelt is acceptable – as long as no discriminatory characteristics are present.
- Birthmarks.
- Scurs and/or horns are acceptable. Horns must be indicative of acceptable Finewool breeds.

#### Discriminatory Breed Characteristics

- Excessive black spotting in the skin above the knees and hocks.
- Moderate black or chocolate brown color on face, ears and legs (including wool).
- Moderately coarse britch and/or harsh pelt.
- Moderately coarse, chalky, white hair on the face, in the flanks and/or down the front and/or rear legs.

#### Absolute Disqualifications

- Excessive black or dark chocolate brown color on face, ears and legs (including wool).
- Excessively coarse britch and/or harsh pelt.
- Excessive coarse, chalky, white hair on the face, in the flanks and/or down the front and/or rear legs.
- Total absence of wool on rear legs.
- Black lambs.
- Evidence of other breeds including, but not limited to Dorset and Southdown breed types (head and ear shape of Dorset and/or Southdown).

- Surgical alterations other than re-docking.
- Steep hip or tendency to show callipyge gene.

## **DORPER BREED CHARACTERISTICS**

### Acceptable breed characteristics

- Must be a Dorper or White Dorper.
- Conformation: long, deep, wide body with well sprung ribs and excellent muscling.
- Color: Dorper – white sheep with black limited to head, neck and forequarters not below the knee or behind the heart girth; White Dorper – white sheep.
- Must have at least 1/3 hair primarily on belly, forearm and britch.
- 100% hair below the knees and hocks.
- 100% hair forward of poll.
- Moderate size ear with no wool covering.
- Head should be strong, bold with a deep jaw.
- Polled or small horns or scurs.
- Spots or speckled pigment in the skin only when shorn.
- Black spots above the hoof line and below the dewclaw.

### Discriminatory breed characteristics

- Tall, leggy, shallow and/or narrow-bodied lambs.
- A limited amount of dark fibered spots on body and underline behind heart girth not to exceed a cumulative total of the size of a softball.
- A white sheep with brown or red colored speckles in the covering, confined to the head and neck.
- Tri-colored sheep
- Excessive wool covering more than 2/3 of body (belly, forearm and britch).
- Wool forward of poll.
- Heavy horns.
- Long, pendulous ears.
- Long, narrow muzzle.

### Absolute disqualifications

- All wool or very little evidence of hair on belly, forearm or britch.
- Wool below the knees or hocks.
- Wool on the ears.
- Excessive amount of dark fibered spots on body and underline behind heart girth exceeding a cumulative total of the size of a softball.
- Solid brown, red, rust colored head.
- Speckling or spots from knee to dewclaw or from hock to dewclaw.
- Strong breed characteristics of breeds other than Dorper or White Dorper.
- Surgical alterations other than re-docking.
- Steep hip or tendency to show callipyge gene.
- Evidence of color alterations.

## **MEDIUM WOOL BREED CHARACTERISTICS**

- This class generally includes the Suffolk and Hampshire breeds, plus all lambs that do not fit into the Finewool, Finewool Cross, Southdown or Dorper breed classes.

## QUALITY LAMB CONTEST

### SPECIAL RULES

Insofar as possible, a Quality Lamb Contest will be conducted. A minimum of 34 wether lambs, including the Breed Champions, Reserve Breed Champions and all remaining first place lambs in each class of each breed, will be processed for information.

#### Minimum Standards

1. Minimum and maximum for carcass weight, 45 to 100 pounds, respectively.
2. Minimum and maximum adjusted fat thickness at the 12th rib, .10 inches to .30 inches, respectively.
3. Maximum USDA Yield Grade, 3.4. The USDA Yield Grade will be determined according to USDA (1994) grading standards.  $\text{USDA Yield Grade} = 0.4 + (10 \times \text{adjusted fat thickness, inches})$
4. Estimated percent boneless closely trimmed retail cuts (%BCTRC) from the leg, loin, rack and shoulder is used in ranking.  

$$\begin{aligned} \% \text{ BCTRC} = & 49.936 - (0.0848 \times \text{Warm Carcass Wt., lb.}) \\ & - (4.376 \times \text{Adj. Fat Thickness, 12th rib, in.}) \\ & - (3.530 \times \text{Body Wall Thickness, in.}) \\ & + (2.456 \times \text{Ribeye Area, square in.}) \end{aligned}$$
5. Carcass must be of "Lamb Maturity."
6. Minimum USDA Quality Grade must be Choice-minus.
7. Carcass shall be free of serious bruises ("old" not recent), free of injection sites on the more valuable carcass parts: leg, loin, rack and shoulder (neck excluded) and free of any evidence of surgical altering of the live wether lamb.

Lambs achieving the above standards will be evaluated and placed by the official carcass judge.

**This show is subject to the San Antonio Stock Show & Rodeo General Rules, the Junior Livestock Show Rules and Special Rules listed in this section.**

### SPECIAL RULES

1. **Entry:** An entry fee made payable to S.A.L.E. is required. Entries must be submitted online and official San Antonio Stock Show & Rodeo entry forms must be completed. Each exhibitor is limited to a maximum of one (1) steer entry. **The San Antonio Stock Show & Rodeo reserves the right to use any cattle for Livestock Judging Contest(s) and/or organized practices.**
2. **Validation:** To be eligible to exhibit in the Junior Market Steer Show, all steers must be validated in the Texas 4-H and FFA Steer Validation Program. Each entry must have been recorded on a 4-H or FFA Steer Validation Form Master List completed by the County Level State Steer Validation Committee. Failure to comply with the rules and regulations of the Texas Steer Validation Program in any manner will result in immediate disqualification.
3. **Show Check-in Procedures:** Exhibitors must Check-In and complete State Validation Tag Number, Weight, and Breed Designation of the Steer Kiosk Card. Upon completion, the exhibitor will be given the remaining sections of the Steer Kiosk Card. Exhibitors will not be allowed to show without the Steer Kiosk Card in hand. Check-In must be completed by 4 PM the day of Check-In, or be subject to disqualification. Once an exhibitor leaves the Check-In area, no changes to their entry will be allowed.
4. **Stalling:** Junior Market Steers will be stalled on a first come-first serve basis upon arrival. FFA Chapters and/or 4-H Clubs wishing to be stalled together must arrive together at the SCP Staging Area.
5. **Show Weights:** Official turn-in weight limits are: minimum 1000 lbs. and maximum 1500 lbs. inclusive. Exhibitors will turn in the official show weight of their steer. All steers with weights turned in below the minimum (1000 lbs.) or above the maximum (1500 lbs.) will be sifted.
6. **Re-Weigh:** Show Management reserves the right to weigh any steer after the completion of Check-In. Upon, re-weigh, steers weighing less than 950 lbs. or more than 5% heavier than their official turn-in weight will be disqualified. Steers weighing more than 5% lighter than the official turn-in weight will not be disqualified (with the exception of those not meeting the 950 lbs. weight) but will be sold on the re-weigh weight.  
**Grand Champion Re-weigh:** Prior to the selection of the Grand and Reserve Grand Champion, all Breed Champions and Reserve Breed Champions may be re-weighed. Breed Champions or Reserve Breed Champions weighing more than 5% heavier than the official turn-in weight would be ineligible to compete for Grand or Reserve Grand Champion honors. They would retain their status as Breed or Reserve Breed Champion.
7. **Classification:** Breed must be declared upon Check-In. Breed changes by the exhibitor will not be allowed at any time. Steers will be subject to reclassification by a three-member committee at class check-in. The decision of the three-member classifying committee will be final. See *Steer Classification Standards*.

At Check-In, exhibitors will designate which breed to enter (including ABC, Red/Black Cross I or II and Other Cross). On the Kiosk Card, each exhibitor must designate an Alternative Breed Option (Red/Black Cross I or II or Other Cross ONLY) that they wish to be assigned should their steer classify out of the original breed entered. Exhibitors are not allowed to designate any other breed as an Alternative Breed Option other than Red/Black Cross I or II or Other Cross. Should an exhibitor fail to designate an Alternative Breed Option on their Kiosk Card and be classified out of their original breed entered, they will automatically be placed in the Other Cross breed.

- All steers classified out of the Brahman, Brangus, Santa Gertrudis, and Simbrah breed will be required to return for classification during the ABC breed.
- All steers classified out of the ABC breed will be required to return for classification of the Alternative Breed Option designated by the exhibitor on the Disposition Card. If an Alternative Breed Option was not designated, they will automatically be placed in the Other Cross breed.

- All steers classified out of the Angus, Charolais, Hereford, Limousin, Maine-Anjou, Red Angus, Shorthorn, and Simmental will be required to return for classification of the Alternative Breed Option designated by the exhibitor on the Disposition Card. If an Alternative Breed Option was not designated, they will automatically be placed in the Other Cross breed.

All steers classified out of the Red/Black Cross I or II breed will be placed in the Other Cross breed classes according to weight. No classification will occur for the Other Cross breed.

- 8. Ear Tags:** All ear tags except the TX validation tag must be removed before steers enter the classifying area. The TX Validation Tag number will be used for animal identification. No tag alterations – Any change to size, shape, form, or color will void the tag.
- 9. Horns:** Steers must be dehorned, polled or scurred. Scurs/horn growth must not exceed three inches from the base of the head.
- 10. Medication:** Administration of any medication to market animals that is not approved by the FDA is a violation of Federal law. Please refer to Rule #28 in the General Rules. In instances where an animal has been administered a drug that is FDA approved for its species, the exhibitor must be aware that the time it takes for all drug residue to completely clear the **system is generally longer than the labeled withdrawal time** for most drugs and varies from animal to animal.
- 11. Fitting:** Foreign material including (but not limited to) painting, powdering, oiling, artificial coloring, or adhesives is prohibited. Touch-up clipping with cordless clippers or scissors will be allowed. The decision of the Superintendents will be final and cannot be protested. The exhibitor is expected to feed, care for, fit, and exhibit their animal/project while at the San Antonio Stock Show & Rodeo. If needed, the exhibitor may have the assistance of the exhibitor's family, AST, CEA, Local County/Chapter Adult Volunteer or other 4-H or FFA members. Any project fed or cared for by a custom fitter is not eligible. A custom fitter is considered anyone who is not a family member, AST, CEA, Local County/Chapter Adult Volunteer or another 4-H or FFA member. Violators of this rule may be barred from future participation.
- 12. Blow Dryers:** No blow dryers will be allowed.
- 13. Hair:** Steers must be shorn to no more than ¼" on any location of the body, excluding the tail switch (the tail switch being no more than 12 inches above the end of the cartilage of the tail. See figure 2 for visual reference.). Touch up clipping with cordless clippers is allowed. Steers will be checked at time of show for ¼" length; violation of ¼" uniform length over the entire body will result in immediate disqualification. Steers not shorn upon arrival at SCP will be subject to disqualification. The decision of the Superintendents will be final. The decision cannot be protested.
- 14. Fans:** Fans will not be permitted in aisles. No fans are permitted behind the cattle. Only 1 fan per 5 head is permitted. *Portacool or similar fans will not be permitted on Grounds.*
- 15. Scales:** Exhibitors will not be allowed to bring portable scales in the Cattle Barn. Scales will be provided by the show, but are unofficial and provided for exhibitor's convenience only.
- 16. Judging Arena:** Only the exhibitor (or approved substitute) may lead their steer into the staging area (holding area) or judging arena. No other persons will be permitted into those areas.
- 17. Age:** Steers are not required to have both temporary central incisors in place.
- 18. Sift:** Any steer not eligible for the class he is entered in due to weight, hair, soundness, health, etc. will be sifted.
- 19. Unruly Steers:** Show Management may remove any unruly steer from the show. The decision of the Superintendents will be final. The decision cannot be protested.
- 20. Show Equipment:** Livestock shows provide an opportunity for the general public to be exposed to agricultural exhibits. Exhibitors should be mindful of the show equipment being used and the manner in which it is being used. Show Management or Livestock Committee Leadership/Ring Stewards reserve the right to decide what constitutes acceptable show equipment and how the equipment is being used by the exhibitor. Cable halters and pronged chains are prohibited for all species.

- 21. Breed Champion Selections:** After the completion of each class all 1<sup>st</sup> & 2<sup>nd</sup> place steers will be held in a designated holding area until the selection of the Breed Champion and Reserve Breed Champion. There will be no feed or water allowed in this holding area.
- 22. Selection of Grand Champion:** Only one parent, legal guardian, CEA or AST may accompany exhibitor to the Staging Area for the selection of the Grand Champion Drive. All Breed Champion and Reserve Breed Champion steers are required to compete in the Grand Champion Drive.
- 23. Placing Steers:** All placing steers must sell in the Junior Market Steer Auction. Breed Champion and Reserve Breed Champion steers selling through the Auction will report to the designated CB aisle at 9 AM Saturday, February 27, 2021.
- 24. Scholarships:** Refer to the Junior Livestock Show Scholarship section of the 2021 Livestock Premium List.

**STEER CLASSIFICATION STANDARDS FOR GROUP #1****Angus:***Acceptable Breed Characteristics:*

- Must exhibit physical characteristics of a purebred Angus
- Solid Black
- Polled
- Needs to have a tight sheath that is round and perpendicular to the ground
- Angus-type ear set, small to moderate ear size high on the head

*Discriminatory Breed Characteristics:*

- Continental breed type structure (being coarse about his joints, not to be confused with big-boned cattle) and head
- Bumps where horns would be on a horned animal
- Birthmarks or white hair in the switch should be reviewed for the skin color (black skin color is acceptable; white or pink skin is a disqualification)
- Non-Angus type ear set (excessive ear size and set as in Continental breeds)
- Large navels and angular sheaths

*Absolute Disqualifications:*

- White skin resulting in white hair above the underline or in the front of the navel (white on the navel is acceptable)
- White skin resulting in white hair on the leg, foot, or tail
- Horns or Scurs
- Brindle
- Diluter color pattern
- Double muscling
- Dehorning scars

**Hereford:***Ideal Breed Characteristics:*

- Must physically exhibit breed characteristics of a purebred Hereford(Horned or Polled)
- Some white on the back of both ears
- Red body with white face, white underline, and white marked legs
- Traditional feather on crest
- Horned Herefords must show evidence of being dehorned

*Acceptable Breed Characteristics (These characteristics are not necessarily desirable and in combination may be discriminating)*

- Dark red color
- Red neck
- Solid red ear(s)
- Excess white on legs
- Excess white above underline
- Eye pigment
- Black hair in tail or ear of animal
- Freckling on the nose
- White above the switch in tail
- White across the rump above the twist

*Discriminatory Breed Characteristics:*

- Solid white ear(s)
- Questionable ear size and shape
- Straight line white marking on legs or tail above the switch
- White above hocks, on the outside and back side of rear legs
- Excess pigment or color around the eyes
- Red neck in combination with excess white on legs
- Line back
- Coarse joints, head, or ribs

*Absolute Disqualifiers:*

- Solid black nose
- Diluter color pattern
- Streaking of white from the feather off the shoulder
- Brindles
- Double muscle; extreme muscle definition
- Any color pattern other than red or white (birthmarks excluded)

**Maine-Anjou:***Acceptable Breed Characteristics:*

- Solid Red
- Solid Black
- Red and White
- Black and White
- Heavy Skeletal Structure

*Discriminatory Breed Characteristics:*

- None

*Absolute Disqualifications:*

- Brindle
- Roan
- Diluter Color Pattern
- Appears to be more than 50% of any other breed

**Red Angus:***Acceptable Breed Characteristics:*

- Must physically exhibit breed characteristics of a purebred Red Angus
- Solid red (shades may vary)
- Polled
- A blonde, light red or mixed switch
- Cattle may have black hair on the tail, muzzle, face, neck and legs

*Discriminatory Breed Characteristics:*

- Coarse joints (not to be confused with big boned cattle)
- Solid white switch

*Absolute Disqualifications:*

- Horns or scurs breaking through the skin
- White skin resulting in white hair above the underline or in front of the navel (white on navel is acceptable)
- White skin resulting in white hair on the leg
- Black pigmentation of the skin (not to be confused with freckling on the nose or anus)
- Dehorning scars or evidence of dehorning
- Black nose

**Shorthorn:***Acceptable Breed Characteristics:*

- Must physically exhibit breed characteristics of a purebred Shorthorn
- Solid red; solid white with red hair or red pigment on ear, muzzle, anus or tail; or any combination of red and white, with the red and white color pattern bleeding together

*Discriminatory Breed Characteristics:*

- Motley or brockle face
- Orange or light red color
- Black nose pigment
- Coarse head
- Coarse joints

*Absolute Disqualifications:*

- Diluter color pattern such as yellow or yellow roan
- Black, blue roans or grays
- Brindle
- Solid white with no red pigment on the ears, tail, or anus
- Double muscling

**Red/Black Cross:**

- Must have a red or black body cavity. Defined as the area behind the top of the shoulder blade down to the point of the shoulder and above the belly line.
- White in the body cavity is only acceptable in the following instances:
  - o White is a continuation of the feathering
  - o White is at the fore and/or rear flanks similar to Hereford color pattern
  - o White spotting not collectively larger than 9 inches (basketball size) in diameter per side (cannot be all on the same side)
- Skunk tail cattle are permitted provided the white above the rectum does not exceed the amount of white spotting allowed (basketball size)
- Absent of diluter gene
- Brindle color pattern will be allowed provided it does not extend below the mid-rib of the body cavity
- No roan cattle permitted

**STEER CLASSIFICATION STANDARDS FOR GROUP #2****ABC:***Acceptable Breed Characteristics:*

- Any color pattern
- Progression of importance to include *Bos indicus*-influenced head, eye, and ear (of moderate length, slightly pointed, drooping and opening down and forward); showing *Bos indicus* influenced sheath
- Crest or evidence of hump
- With adequate *Bos indicus* head, eye, and ear characteristics; sheath score is of less importance

*Discriminatory Breed Characteristics:*

- *Bos taurus* head, ear, or eye
- Sheath score of 1
- Slick neck (lack of crest or evidence of hump)

*Absolute Disqualifications:*

- A combination of *Bos taurus* head, eye, and ear

**Brahman:***Acceptable Breed Characteristics:*

- Must exhibit physical characteristics of an animal that is at least 50% purebred Brahman
- A prominent hump beginning at the shoulder and going forward but must angle back down to the neck to create a hump- not a crest
- *Bos indicus*-influence head, eye, and ear
- Any color or color pattern
- With adequate *Bos indicus* head, eye, and ear characteristics; sheath score is of less importance

*Discriminatory Breed Characteristics:*

- Sheath score of 1

*Absolute Disqualifications:*

- A crest with an inadequate hump
- Lack of hump or presence of hump
- A combination of a *Bos Taurus* head, eye, and ear

**Brangus:***Acceptable Breed Characteristics:*

- Must physically exhibit breed characteristics of a purebred black Brangus
- Solid black with no white above the underline or in front of the navel
- Polled
- Progression of importance to include *Bos indicus*-influence head, eye, and ear (of moderate length, slightly pointed, drooping and opening down and forward);
- With adequate *Bos indicus* head, eye, and ear characteristics; sheath score is of less importance
- Shows some evidence of a crest

*Discriminatory Breed Characteristics:*

- Scurs or slick spots
- Excessive, pendulous sheath
- Inadequate *Bos indicus-influence* head, eye, and ear characteristics
- Brown dilution over ribs, fore flank, twist, and muzzle
- Sheath score of 1

- Bald, blaze, or streak face
- Typically longer head, larger ears

Discriminatory Breed Characteristics:

- Motley/Brockle face
- Excessive white above the underline

Absolute Disqualifications:

- Brindle or roans
- Smut or gray, white, smoky, silver or any combination of these
- Skunk tail

**Red/Black Cross:**

- Must have a red or black body cavity. Defined as the area behind the top of the shoulder blade down to the point of the shoulder and above the belly line.
- White in the body cavity is only acceptable in the following instances:
  - o White is a continuation of the feathering
  - o White is at the fore and/or rear flanks similar to Hereford color pattern
  - o White spotting not collectively larger than 9 inches (basketball size) in diameter per side (cannot be all on the same side)
- Skunk tail cattle are permitted provided the white above the rectum does not exceed the amount of white spotting allowed (basketball size)
- Absent of diluter gene
- Brindle color pattern will be allowed provided it does not extend below the mid-rib of the body cavity
- No roan cattle permitted

**Other Cross:**

- Steers of any coloration pattern are acceptable

## QUALITY BEEF CONTEST

### **SPECIAL RULES:**

Insofar as possible, a Quality Beef Contest will be conducted. A minimum of 52 steers, including the Breed Champions, Reserve Breed Champions and all remaining first place animals in each class of each breed, will be processed for information.

### **Minimum Standards:**

1. 600 lb. minimum and 1000 lb. maximum for hot carcass weight.
2. Minimum fat thickness, .25 inches.
3. Minimum ribeye area, 11.0 square inches.
4. Maximum USDA Yield Grade, 3.5.
5. Maximum USDA maturity, A100.
6. Minimum USDA marbling requirement, Slight 00 and minimum USDA Quality grade, Select 00.
7. "Dark-Cutters", if severe enough will be disqualified. Severe dark-cutting is defined as that sufficient to result in at least one full-grade reduction in the USDA quality grade.
8. Disqualification will result if carcasses had excessive bruises and evidence of tampering or questionable injection(s).

Steers achieving the above standards will be evaluated and placed by the official carcass judge.

## SHOW SCHEDULE

Arrival:	SCP will be open twenty-four hours a day starting at 3 PM on February 9. All projects must arrive at Salado Creek Property before entering East Gate. (Note: No animals may be unloaded at SCP at any time.)			
Check-in process begins:	Saturday	February 13	6 AM	SCP
Barn unloading begins:	Saturday	February 13	7 AM	CB
Sift:	Saturday	February 13	8 AM – 11 AM	CB
	(Turkeys not through the sift by 11 AM are subject to disqualification)			
Arrival deadline:	Saturday	February 13	10 AM	SCP
	(Turkeys not having arrived at SCP by 10 AM are subject to disqualification)			
Show:	Sunday	February 14	9 AM	CB
	(Turkey Hens)			
Show:	Sunday	February 14	1 PM	CB
	(Turkey Toms)			
Turkey Hen Auction:	Friday	February 26	11 AM	AB

**This show is subject to the San Antonio Stock Show & Rodeo General Rules, the Junior Livestock Show Rules and Special Rules listed in this section.**

## SPECIAL RULES

- Entry:** An entry fee made payable to S.A.L.E. is required. Entries must be submitted online and official San Antonio Stock Show & Rodeo entry forms must be completed. Each owner is limited to a maximum of one turkey hen and one turkey tom entry. Additional birds will become property of the San Antonio Stock Show & Rodeo.
- Turkey Orders:** All turkey poults must have been ordered by September 1, 2020, through Texas A&M University's Poultry Science Department in accordance with "The Rules and Procedures" found on the website at [posc.tamu.edu](http://posc.tamu.edu). For clarification of any part of the Rules and Ordering Procedures, please contact Texas A&M AgriLife Poultry Science Extension Office at 979-845-4319.
- Sift:** A Sifter will be appointed by the Show. Birds must be free of external parasites and disease. Each entry must have the original wing band. Any bird, which has lost its wing band for any reason, will be sifted.
- Wing Bands:** The sifter and judge will disregard any wing damage caused by the required wing band.
- Handlers:** Must meet the eligibility requirements outlined in Rule 1 of the Junior Show Rules. Additionally, handlers must have at least one (1) entry within any department in the current Junior Livestock Show.
- Supplies:** Each exhibitor is required to bring two containers (each 16 oz. or smaller, example – one pound coffee can) per entry. Exhibitors will be permitted to bring their own poultry feed onto the grounds.
- Fans:** Fans will not be permitted in the Cattle Barn during the Poultry Show.
- Placing Birds:** The top 35 placing Turkey Hens will be sold in the Junior Market Broiler and Turkey Hen Auction.

- 9. Medication:** Refer to General Rule #28. The showing of any poultry that has been administered any quantity of diuretic, unapproved growth stimulant or other unapproved medication, or that has NOT been properly withdrawn from approved drugs is prohibited. Unapproved is deemed to mean NOT approved by the Food and Drug Administration (FDA) and/or the U.S. Department of Agriculture (USDA) for slaughter animals. As a condition for participation in the Show, every exhibitor must agree to submit any poultry entered by exhibitor to inspection by a veterinarian appointed by the management, and agrees to have such poultry submitted to any tests as may be designated and requested by the veterinarian. The Show specifically reserves the right to have tissue, blood or urine laboratory analysis made on any poultry entered for competition. The conclusions reached by the veterinarian, as to whether such animal has been administered a diuretic, unapproved growth stimulant or other unapproved drugs, or has not been properly withdrawn from approved drugs shall be final, without recourse against the Show or any of its officers. An exhibitor of poultry producing an analysis with a quantity of diuretic, unapproved growth stimulant or any other unapproved drugs will forfeit all rights and privileges to exhibit livestock including poultry in the future at the Show.
- 10. Beta-agonists:** S.A.L.E. will not tolerate the presence of ractopamine hydrochloride (Topmax™) in Market Poultry, specifically all turkeys and broilers. S.A.L.E. will not tolerate the presence of zilpaterol hydrochloride (Zilmax®) in any market species or breeding animal.
- 11. Junior Turkey Hens:** Turkey Hens will be placed for the Junior Market Broiler and Turkey Hen Auction according to the following schedule:

**JUNIOR MARKET TURKEY HENS PLACINGS**

Placing – 1 <sup>st</sup> through 35 <sup>th</sup>	Ribbon
Champion	Banner, Trophy & Buckle
Reserve Champion	Banner & Trophy

- 12. Junior Turkey Toms:** Turkey Toms will be placed and receive premiums according to the following schedule:

**JUNIOR TURKEY TOM PLACINGS AND PREMIUMS**

<b>Grand</b> \$400	<b>Reserve</b> \$350	<b>3<sup>rd</sup></b> \$250	<b>4<sup>th</sup></b> \$225	<b>5<sup>th</sup></b> \$200
<b>6<sup>th</sup></b> \$190	<b>7<sup>th</sup></b> \$180	<b>8<sup>th</sup></b> \$170	<b>9<sup>th</sup></b> \$160	<b>10<sup>th</sup></b> \$150

### SPECIAL RULES

- Entry Fee:** The entry fee for each project is \$75.00. Entries must be submitted online and all official San Antonio Stock Show & Rodeo entry forms must be completed. **Exhibitor names and social security numbers are required on the entry form.** Because exhibitor cards are computer generated from entry data, it is imperative that Exhibitor Names and Project Descriptions be correct.
  - Exhibitors' names should be spelled correctly with first letter of names capitalized.
  - Information on naming and proper classification of projects can be found in the *Naming, Describing and Classification of Projects (NDC)* document.
  - The Classification Committee has the right to reclassify any project.
- Eligible Entries:** Contestants must meet all San Antonio Stock Show & Rodeo Junior Show Rule Requirements.
- Projects:** Projects must have been constructed by FFA or 4-H members either as a part of their agricultural mechanics instruction in agricultural science or as part of their supervised work experience program. **Projects must be designed and constructed under the direct supervision and guidance of the AST/CEA. Project dimensions – length, width and height to the nearest foot are to be provided when entering. This information will help define the project. Gates and Panels will require only length and height. Trailer length should include tongue.**
- Individual/Group Entries:** Projects may be individually or group constructed. Entries must be made in the name of the FFA Chapter or 4-H Club. Entries must include only the name(s) and social security number(s) of those who participated in the planning and construction of the project. Group entries are comprised of two (2) or a maximum of six (6) students.

5. **Number of Entries:** No exhibitor may be involved in the construction of more than 3 projects, whether group or individual. This does not limit the number of projects a chapter or club may enter.
6. **Exhibit Space:** Insofar as possible projects will be displayed by class. Placement of the projects will be at the discretion of show officials. Some projects will be displayed outside.
7. **Judging Procedures:** Only exhibitors of the project may be present at time of judging.
8. **Project Sales:** Junior Ag Mechanics Projects cannot be sold or advertised as for sale during the Junior Ag Mechanics Show.
9. **Construction Date:** A project may be exhibited only one time at the San Antonio Stock Show & Rodeo and must have been completed within one calendar year of the exhibition date.
10. **Project Substitutions:** Same as Project/Animal Substitution outlined in General Rule #10.
11. **Exhibitor Substitutions:** Substitution may be made under one of the conditions outlined in Junior Rule #14.
12. **Adding/Removing Exhibitor(s) from a Group Entry:** Group projects cannot be comprised of more than six (6) exhibitors. AST or CEA may add/remove an exhibitor from a project by submitting an *Add/Remove Exhibitor Form* to the Livestock Office by mail or email to [livestock@sarodeo.com](mailto:livestock@sarodeo.com) or completing the form during Check-In at the Salado Creek Property. Exhibitor additions may be submitted by January 15, 2021, for no charge. Additions submitted from January 16 until the end of Check-In will be subject to an additional entry fee (\$75). Exhibitors may be removed from a project by submitting an *Add/Remove Exhibitor Form* by the end of Check-In for no charge.
13. **Types of Projects:** Only those projects that fit into the stated classes will be accepted. Final project classification will be at the discretion of Classification Committee. Leather goods, spurs, knives, canoes, teepees, boats and glass top tables/benches are not approved projects. Projects made largely of wood will require at least 25% of a skill other than carpentry to be used in construction. The addition of metal ornaments or bands attached to wood project will not be considered a part of the 25%. Please read the *Naming, Describing and Classification of Projects (NDC)* for additional description of classification and approved projects. The list of unacceptable projects above is not complete. We allow only projects that require the skills and knowledges identified in the Agricultural Mechanics Curriculum – TEKS 130.2 (14) that fit into classes referenced in the NDC document.
14. **Vehicles:** Trucks, tractors, trailers or other vehicles that are not entered to be exhibited are allowed in the exhibit area as part of the display with permission of Superintendents only.
15. **Project Completeness:** All projects must be complete including finish. Any item necessary for use of the project must be a part of the project (example: hinges and latches on gates and panels). Documentation is considered part of the project. *Refer to Special Rule 18 - Documentation & Research* found below.
16. **Project Presentation:** Criteria to be considered for Showmanship:
  - a. **Neatness of project** – Clean and free of dust and debris.
  - b. **Neatness of surroundings** – Includes floor under and around the project.
  - c. **Documentation** – Presented in a manner that judges and the public can view. Awards, exhibitor cards, ribbons, or other materials from other or previous project shows should not be included in the documentation or display.
  - d. **Signs** – All projects are to be identified with the official exhibitor card. Other signs, banners, etc. are subject to approval by Superintendent. "For Sale" signs are not permitted.
  - e. **Exhibitor Card** – It is recommended that the exhibitor card be placed in a clear plastic sleeve and affixed neatly to the front center of the project. Exhibitor Cards must be on projects when they arrive at show grounds.
  - f. **Logos** – Do not use company logos on projects unless provided a limited use agreement.
  - g. **Inappropriate Silhouettes** – Inappropriate silhouettes or cutouts should not be used on projects.
  - h. **Safety** – All safety procedures must be adhered to when displaying projects. Oxygen and fuel cylinders, acetylene or propane are not allowed.
  - i. **Clutter** – Exhibitors should confine paraphernalia, chairs, show boxes, cleaning supplies, brooms, and wiping rags to their assigned display area.
  - j. **Painting/Scratches** – Paint is not allowed in the display area. Judges will be instructed to make allowances for scratches or damage due to transportation.

**17. Exhibitor Presentation:** Criteria to be considered for Showmanship:

- a. **Attire** – Exhibitors should be dressed appropriately and be with their project when it is judged.
- b. **Sportsmanship** – Exhibitors should be courteous and helpful to those viewing their project, including those exhibiting next to them. Exhibitors should not interfere with or shield those who are exhibiting next to them.
- c. **Knowledge** – Exhibitors should be available to answer questions when their project is being judged. Knowledge of the project will be evaluated at this time. Knowledge is part of Presentation on Judging Criteria. Exhibitors should be well informed of the project they are representing.
- d. **Exhibit Aids** – Exhibitors should provide any equipment that may be necessary to judge their project (flashlights, mat or creeper for judging projects where judge needs to get under project such as trailers). Exhibitors may be requested to hold measuring tape and assist the judge in taking measurements of project.
- e. **Naming Project** – Proper project name and classification will be reflected on the Exhibitor Card. See *Naming, Describing & Classification of Projects (NDC)*.

**Note:** At least one chapter/club exhibitor should be available to answer questions from the public or show officials, including showmanship and documentation judges at all times.

**18. Documentation & Research:** Documentation is considered a research portfolio and should not be constructed as a scrapbook. Documents should be easy to read and arranged neatly in a tabbed notebook with table of contents and numbered pages. Additional explanation for Documentation is found in *Documentation Check Sheet*. Documentation for Tractor Restoration is explained below, Rule 27C.

Documentation & Research Package must include the following components: (*Documentation & Research Package Template* is available on website).

- a. **Working Drawing:** Must include an original (exhibitor-drawn) multi-view orthographic projection drawn to a given scale with proper lettering and dimensioning. Scale must be identified on the drawing. Dimensioning shown on drawing should be specific and complete enough for it to be apparent that drawing was used to plan and construct project. Judges will spot check dimensions on projects to see if they comply with drawings. Drawing may be pencil or CAD (Computer Aided Design). Pictorials, isometric, oblique or perspective may be included. Examples of proper drawing including scaling can be found in Presentations Project PDF and *Documentation & Research Package Template* found [here](#).
- b. **Bill of Materials (BOM):** Must include a list or a description of material, including columns 1) Date, 2) Description, 3) Size, 4) Quantity, 5) Unit, 6) Cost per item, 7) Extended or Total Costs. Other information such as, OC (Opportunity Cost) to identify items that were donated but have value, PE (Professional Expenses) to identify work done by others, sum of all (Total Costs) cost including OC and PE should be shown in BOM. Vendors name and/or Purchase Order Number, etc. may be included. Invoices or Sales Receipts are recommended to be included with the BOM. BOM may be developed using computer spread sheet program. Examples of BOM can be found in the *Documentation & Research Package Template*.
- c. **Photographs:** Show work in progress and should illustrate proper safety procedures including clothing, eye and face shields, etc. Photographs should be sequenced in the order of constructing the project. Exhibitor(s) should be in pictures. CEA/AST should be in some of the pictures. Pictures must be of good quality with labels identifying activity and exhibitor(s) in the picture. No more than 40 pictures may be included, with the exception of Tractor Restoration, or Reconditioning Classes. Two, but no more than four pictures per page is recommended. Additional photographs may be displayed in a separate notebook for public viewing, or may be displayed using computer display if electricity is available. Videos may also show construction, but computer displays and videos do not substitute for the photos required in the documentation notebook.
- d. **Research - Papers to be included:**
  - i. All projects attaching to tractors and/or PTO must include latest appropriate ASABE Standards - Special Rule 21. Instructions for addressing the ASABE standards are found on website.
  - ii. All Projects pulled on public highways must include relevant DOT codes including Federal Lighting Table, - Special Rule 20. Federal Lighting Equipment Location Requirements can be downloaded from the website.
  - iii. Product Information (PI) bulletins and/or Safety Data Sheets (SDS) or (MSDS) must be germane to the project and should include paints and chemical supplies, etc. Manufacturer's specifications or PIs for trailer and equipment components such as axles, springs, wheels, jacks, break-aways, and hydraulic cylinders should be included.

**Projects having no documentation are not complete and will be disqualified.****19. Project Safety:**

- a. **Display:** Appropriate and safe display stands must be provided for gates, panels, and other projects requiring support. Sharp edges and points; such as found on roofs of self-feeders, bale movers, etc.; must be padded and/or protected where necessary to prevent possible injury to spectators and exhibitors.
- b. **General Safety:** Flammable and/or combustible liquids shall not be stored or sprayed in buildings, or on the show grounds. This shall include, but not limited to enamel paints, thinners, reducers, or gasoline. No cylinders (oxygen, acetylene, or propane) are allowed. Electric extension cords must not cross aisles used as exit ways.
- c. **Projects with Engines:** No more than 25% of the fuel tank capacity is allowed in any fuel tank. The fuel tank cap must be in place. All batteries, except tractors must be disconnected. See Tractor Safety below.

**20. Transportation Statutes:** All trailers and other equipment that will be operated and/or transported on public roads must be equipped with safety equipment specified in Title 7, Vehicles and Traffic Transportation Code of the Texas Statutes. No Agriculture Exemptions except farm tags are allowed. See the website for *JAM Trailer Rules and Codes*. All trailers and tongue equipment pulled on highways will be pre-inspected at the Salado Creek Property.

- a. Trailer wiring, lights and brakes will be tested. Colors of conductors in the wiring harness should meet industry standards. See *Trailer Construction Guide*. Trailer must be grounded to vehicle with grounding wire in harness. (Trailer grounding only through hitch is not acceptable.)
- b. All trailers must have a Vehicle Identification Number (VIN) or Serial Number (SN) placed on tongue. SN or VIN will not be used to check registration. All trailers that are pulled to the show must have a license plate. May use Farm Tag.
- c. All tongue equipment that are pulled on a public highway – for example: trailers, squeeze chutes, hydraulic log splitters, mowers, tillage tools, sprayers, etc. will be DOT inspected at Salado Creek Property for approved (1)safety chains, (2)tongue jacks, (3)lights and reflectors.
- d. All trailers rated 4500 pounds GWR or greater must have approved brakes, safety chains and break-away equipment. This includes bumper pull as well as gooseneck trailers. See *Trailer Check Sheets and Construction Guide*.
- e. All trailers must be equipped with lift jacks for hitching and unhitching including goosenecks and tongue.
- f. Tie down attachments (D Rings) (minimum of 4) are recommended on all utility trailers.
- g. Fender Wheel Clearance – Judges will abide by specifications provided in PI documents. General specifications are: (a) Four inch fender clearance above tire is required with exceptions of (b) torsion axle 3 inches and (c) single axle trailers 3 inches. Fenders must be wider than tire tread so edge of fender does not cut tire.
- h. Any trailer that is over wide (102 inches) must have a signed overwide permit. Permit to include dates week prior to and week after show. Trailer widths will be measured at the widest point on the trailer. Review *Trailer Statutes* document and the *Trailer Construction Guide* for major codes and rules. It is the exhibitors' responsibility to have reviewed and understand all TxDOT and Federal Codes.

Any trailer that is over width without permit will be discounted 10 points.

**21. ASABE Standards:** All three-point hitch and/or PTO operated equipment must meet the latest ASABE (The Society for Engineering in Agricultural, Food, and Biological Systems) standards. Both standards have been revised in the past six years. Must have the ASABE approved code and monthly password to access and print documents from the ASABE Technical Library. Codes are available through December. Standards should be downloaded in time for use in planning and construction of project. Instructions to access ASABE Standards along with monthly codes as well as other important links to helpful information can be found on the website. If you have question or need additional help please email Lon R. Shell at [tractor@lonshell.com](mailto:tractor@lonshell.com) or Patrick Real at [realfarm@swbell.net](mailto:realfarm@swbell.net).

- 1. **Power take-off equipment** must meet ASABE standard, *Agriculture Tractors - Rear -mounted power take-off types 1, 2, 3 and 4 – Part 1: General specifications, safety requirements, dimensions for master shield and clearance zone*. This Standard was revised Feb 2015. When searching the ASABE to find and download a PDF file - enter Document number AD500 or name of title standard.
- 2. **3 Point linkage must meet ASABE standard**, *Agricultural wheeled tractors - Rear Mounted three point linkage- Categories 1N, 1, 2N, 2, 3N, 3, 4N, and 4*. To find and download the PDF enter AD730 for document number or name of title of standard. This document was revised March 2015.

3. Copies of the most recent ASABE standards must be included in Research Section of documentation for those projects that apply.
22. **Loss or Damage:** Every precaution will be taken to protect projects, however, neither the San Antonio Stock Show & Rodeo nor the show officials will be responsible for any loss or damage to projects including tractors and unloading and loading them.
23. **Projects Needing Offloading Assistance:** Projects that must be hoisted from the top-side are to be fitted with lifting eyes at balance points that will accommodate one inch shackles. Trailers that are transporting both tractors and other projects should be organized so the tractor can be off loaded prior to other projects. Projects that Show Officials conclude cannot be safely off-loaded with equipment available may be shown on the trailer at an alternate site. Rules for offloading and loading tractors are provided below in Tractor Show Special Rules #25.
24. **Project Show Judging Criteria – *excluding Tractors***

Note: Ribbon Categories are used in both Project Show and Tractor Show.

Showmanship Award – Criteria is identified on Showmanship Score Card on website. Criteria is similar for both Project and Tractor Shows.

**TRACTOR SHOW****25. Tractor Restoration and Reconditioning Classes**

- a. Tractor Exhibitor Cards should be on tractors when they are unloaded Friday morning at show grounds.
- b. No yard tractors or riding lawnmowers.
- c. Tractor Serial Number must be included with the Description on Entry Form and Exhibitor Card.
- d. Fuel tanks must not be more than 25% full.
- e. Fuel Shut Off valves, under fuel tanks, must be functional and fuel valves closed when exhibiting.
- f. A fully approved ABC fire extinguisher with a minimum of 5 lb. capacity must be placed next to tractor.
- g. All lugged tractors must be equipped with road bands. Road bands can be shop built.
- h. All Crawlers must be equipped with rubber lugs or exhibitor must provide rubber belts/mats. Belts may be conveyor or baler belts.
- i. Tractors may be started and driven only at the request of show officials.
- j. Unloading and Loading will be under direction of show officials.
- k. Tractor Documentation & Research package must be turned in at unloading Friday. No changes to package will be allowed after they are submitted. Documentation will be returned to tractors Saturday. Exhibitor must insert worksheets in notebook Saturday after notebooks are returned. Judges have completed and presented worksheets to exhibitor when inspecting tractors Friday. Worksheets may not be altered.
- l. Exhibitors must provide for each tractor, tools including flash light necessary to check fluid levels. Also, cloth or paper wipes and step ladder for large tractors for judges to check fuel and fluid levels. Tire pressure will also be checked.
- m. Display area: Table or bench size should not exceed 3 ft. by 6 ft. (Should not be so large it blocks access to tractor and other tractors. If tool box is used it should be sized to fit under the table. Tool Box may serve as the table.
- n. Electrical outlets are not guaranteed.
- o. Caution Tape is not necessary. Do not use tape to prevent access to tractor. Signs may be used to request public to keep off tractor.
- p. Drip pans with absorbent are required at night only.
- q. Additional instructions and safety issues are addressed below.

<b>d.</b> Safety	10
<b>e.</b> Aesthetics	10
<b>f.</b> Diagnosis	15
Total	100
Complexity Factor (CF) Bonus Pts	15

**a. Mechanical****i.** All tractor classes

- As part of the mechanical evaluations exhibitors will be asked to start and drive tractor, demonstrating all gears along with systems, hydraulics, lights, brakes, PTO, etc. Driving and some mechanical evaluation will be conducted outside after off-loading on Friday. Most of the safety criteria will also be evaluated at this time. Exhibitors may be asked to move tractors back outside Saturday for additional evaluation.
- Refer to *Driving, Mechanical & Knowledge Reference Sheet 1*– on the website for more specific information.
- NOTE: Sandblasting is discouraged except on large castings such as weights, wheels and rims and components that have no moving parts. Engine blocks and heads, transmissions, clutch housings, differential and axle housing should not be sandblasted. Also sandblasting can warp or distort sheet metal parts and will impact aesthetics. Sand remaining from sandblasting can result in major damage to tractor. Evidence of sand will result in deducting points in Mechanical.

**ii.** Restoration Classes 1401, 1402, & 1501

- To include the mechanical restoration of all systems including Engine, Transmission and Final Drive.
- Including components – fuel (carburetor or diesel pump), cooling, ignition, exhaust, clutch, brakes, steering, starting, lighting, charging, hydraulics, 3 point and PTO. Some tractors may not have all of these.

**iii.** Reconditioning Class 1502

- Will include only those systems or components that need major repairing or reconditioning. (Those systems that were repaired or maintained should be identified in the Table of Contents see below.) Exchanging parts, for example removing a diesel pump and taking to town to put on pump stand is not considered a major repair. It should be identified under Engine in reports but must entail proof of diagnosis in determining pump malfunction to be awarded diagnostic points. Mechanical is worth 30 points in class 1502. Diagnostics is an important part of analyzing the mechanical components. Diagnostic points are awarded in its own Category.

- Will include maintenance items. This may be an extensive list such as maintenance required for warranty. Examples of maintenance could include – cooling, fluids, hoses, belts clutch adjustments, air conditioning and tappet adjustments. Some maintenance items may require checking codes on tractor display which may require a special computer to help diagnose error codes. These will require the cooperation of the dealer. Diagnostic skills performed in the performance of major mechanical and maintenance will be awarded points in the Diagnosis criteria, see below.

**b. Knowledge & Presentation:** (All tractor classes)

- Knowledge points have been increased. Knowledge is a very important criterion in meeting the JAM educational objectives.
- Judges will ask technical questions to determine the exhibitor(s) knowledge of and involvement in restoration/reconditioning. Judges may present components for exhibitors to identify, describe and discuss.
- Presentation includes showmanship (see showmanship score card) and encompasses the following: meeting public, making eye contact, introducing self, being confident, articulate, exhibiting enthusiasm and excitement when describing tractor. Display area including area around and under the tractor and additional display items such as Owners Manuals, video equipment including computer display and worn or broken parts replaced in restoration or reconditioning.

**c. Documentation and Research:** (All Tractor Classes)

- Documentation is a research portfolio and should not be considered a scrapbook. Documentation must be typed (recommend word processor and spreadsheet using computer)
- Many Exhibitors use Documentation to exhibit their knowledge and understanding of Tractors and the skills necessary to Restore and Recondition them. In the photo sections, most exhibitors expand on what they are doing using two or three paragraphs in their descriptions of each system (photo section) – transmission, engine, clutch, etc.
- Tractor Judges rely on the Documentation Section in addition to questioning to ascertain the knowledge and understanding exhibitors have of the different systems and components and the procedures they used. Many of the knowledge points are determined when judges are inspecting the documents and asking questions over materials they are evaluating.
- See *Tractor Restoration Documentation Template (PDF)* on the website. This template was prepared in 2016 and requires slight modifications for up to date documentation specifications.
- Also *Documentation, Knowledge & Presentation Reference Sheet 2* on the website has more specific information. This document also needs modified slightly. See revision for Class 1502 Reconditioning class below. All judges critique sheets are on the website.
- All documentation should be arranged in a three ring binder, using sequenced labeled dividers with a corresponding table of contents. *Suggested Table of Contents shown below will differ slightly between Restoration and Reconditioning classes.*
- Tractor documentation will be submitted at unloading. Documentation may not be altered after it is submitted.

Table of Contents - Documentation for all Classes should include Table of Contents similar to one shown below with page numbers – Refer to Template on website

I.	Tractor History – Previous Owners – where obtained, etc. (Max 1 page) Could include Picture of tractor as you found it.
II.	Restoration or Reconditioning – Mechanics Summary Report including Complexity Factors – CF (Max 1 page) Could include Picture of Completed Tractor.
III.	Expense Reports – show in spreadsheet format. Similar to BOM in project show. <b>a. Parts – Costs of all parts and supplies</b> – invoices included with dates. Show Total Expense including Sub Totals of OC and PE <b>b. Opportunity Cost – OC</b> (identified in Expense Report with OC next to dollar value) These are items which were given/donated to you – identify their value in dollars, same as if you purchased them. Show sub-total for all OC. <b>c. Professional Expenses – PE</b> (Identified in Expense Report with PE notation) These are expenses incurred from taking part to professional technicians. For example, taking a diesel pump to a Diesel Shop so they can put it on pump stand – diagnose and repair it. You are encouraged to be present when the technician is evaluating and/or repairing part so you can learn from this. Have picture taken of you with Professional mechanic to be included in your photos. Professional should be identified in pictures. PE expenses should be presented in a report by itself with Title: <i>Professional Expenses</i> . Should have a sub-total for this category.
IV.	Photos – (order of presentation - disassembly – evaluation – repair) All Photos should have a title or description along with identifying names of exhibitors performing the task in the picture. Teacher (AST) or CVEA and others helping you should be in a few of the pictures and identified. Most pictures should be technical in nature – using precision tools – micrometers, torque wrenches, small hole and telescoping gauges, adjusting tappets or clutch, timing engine, diagnosing hydraulic system with pressure gauges, etc. Most exhibitors use two or three paragraphs to explain what they are doing in the pictures in different sections. See example <i>Template</i> . <b>a.</b> No more than 120 pictures with 2 pictures per page. Cover sheets not required on picture pages. <b>b.</b> Photos of high quality – could be on photo paper – excellent contrast and brightness. Judges will also evaluate safety issues in the pictures – gloves, face shields, spray painting, etc. <b>c.</b> Photos shown by sections. Sequence may be different from that depicted below. (Recondition Class will only have pictures in sections – components they diagnosed and repaired.) <b>i.</b> Engine <b>ii.</b> Clutch <b>iii.</b> Transmission <b>iv.</b> Final Drive Train – Transmission & Final Drive could be combined in a Power Train Section <b>v.</b> Ancillary & External components could include steering, operator comfort, controls, fuel, air filter, turbo, electrical, cooling hydraulics, brakes, etc. <b>vi.</b> Sheet Metal and finishing – Reconditioning class should include Aesthetic items here also. For example, was a cab kit installed? <b>vii.</b> Rims and Tires <b>viii.</b> Eye Appeal item – Decals, Trim, other – Appearance Section could include: vi, vii and viii
V.	General Specifications – Examples, Tractor Fluid Capacity chart, Tractor Horsepower, Hitch Category, Torque chart for fasteners, Valve Tappet adjustments, tractor operator controls, safety items and symbols.

VI.	<p><u>Recondition Class only</u> – <i>Equipment Check-in Sheet</i> and <i>Service Preliminary Sheet</i>. These sheets are forms tractor dealers use when tractor or machine brought to them by farmers for repair. It is suggested that you use the local dealers' forms/sheets.</p> <p>a. <i>Equipment Check-In sheet</i>. Customers helps the dealer fill this form out when customer brings in equipment or tractor to be repaired. It includes all the information regarding customer, such as name, address, phone, email etc. It also identifies the machine(s) and or tractor(s) brought in. An important part of this form is asking the farmer to identify or describe the problem (issue) – why machine was brought in.</p> <p>b. <i>Service Preliminary Form</i>. Technician fills out this form after he has inspected the machine and list all items that are needed to repair or fix problem. Form is presented to customer for him to sign authorizing necessary parts and repairs prior to repair.</p>
VII.	<p>Research SDS and/or PI. ASABE standards including PTO and Hitch Category. See Special rule 21. All relevant Judges Check &amp; Reference sheets. Letters, correspondence with those who advised or helped you with tractor. Owner's Manual and Parts manuals along with IT manuals are usually too large to show here. They may be books themselves but you could reference those displayed. You may also want to identify those items or parts that you have on display.</p>

- d. **Safety:** Safety is measured in a number of ways. See *Aesthetics, Authenticity & Safety Reference 3* on website. All equipment that was original to the tractor should be in place (includes all shields and decals) Tractors must be in a safe operating condition and the following safety procedures must be followed.
- i. Judges will inspect photos to see if tractor was repaired in a safe environment including painting facilities, exhibitors wearing safety glasses and or face shields, gloves, proper and safe clothing. Proper use of hoist and lifting devices, combustible materials stored properly, etc.
  - ii. Safe procedures must be followed in unloading and loading the tractor. Specific rules and regulations related to the driving, unloading and loading the tractor are posted on the website. These will be strictly adhered to and safety points deducted for infractions.
  - iii. Basic rules for driving, unloading and loading tractors.
    - 1) Tractors are unloaded and loaded only under the direction of show officials. No tractor will be offloaded without supervision of show official.
    - 2) Tractor driver must have experience in driving and loading tractor on trailer hauling it to show. This driver must have the approval of the AST or CVEA. Leader certifies that driver meets these criteria. Diver unloading and loading the tractor may or may not be the exhibitor but safety point deductions will be attributed to that tractor based on the procedures used in offloading and loading.
    - 3) Tire pressure and tire coating will be inspected along with controls, including brakes, throttle and clutch prior to offloading. Tires should not have more than recommended tire pressure.
    - 4) All ramps must be fastened to trailer and designed with proper surface to provide traction. This is especially important in wet weather. Trailer must be equipped with middle ramp if hauling tricycle tractor.
    - 5) It is the responsibility of the driver to make sure that at least 10 ft. of area around the trailer is clear. Only approved personal may be in this area.
    - 6) Truck driver must off load any projects that on the back of the trailer hauling the tractor at the barn where directed. Fork Lifts and other machinery will not come into the tractor unloading area.
- e. **Aesthetics:** Overall appearance of tractor including workmanship and finish. Aesthetics will be evaluated for all tractor classes. Items to be considered include but are not limited to the following.
- i. Metal preparation prior to painting or waxing.
  - ii. Painting a tractor in the Reconditioning class would be done if it increases its value more than the costs of painting. Exhibitor may want to ask a machinery auctioneer to appraise the tractor unpainted and if painted assuming all mechanical repairs are made. Detailing tractor is required even if tractor is not painted.
  - iii. Reconditioned tractors that are not painted must have been pressure washed including engine compartment. Those that are not painted may be waxed.
  - iv. Painting and finish in Restored Tractors. Clear coating is not recommended. Paint color should be original. See *Aesthetics, Authenticity & Safety Reference 3* on the website.

- v. Detail and completeness of components – cabs, steering wheels, seats, controls and gages, wiring harness, hoses and belts, etc.
- f. **Authenticity:** (Restoration Tractor classes only) Must be as original as possible. See *Aesthetics, Authenticity & Safety Reference 3* on the website. Items included: Authenticity is not considered in the Repair and Reconditioning Class 1502.
  - i. Paint color, fasteners, and other components such as magnetos, carburetors, exhaust systems
  - ii. Mechanical systems – fuel, electrical, engine, transmission, final drive, PTO and 3 Point hitch, cooling, etc.
  - iii. Original Serial plates in place and unaltered serial numbers.

Note: Authenticity – does not prevent updating or improving the efficiency and performance of a tractor for field work using manufactures upgrades. This applies especially for the later model tractors. Examples would be replacing the refrigerant R12 and equipment with 134A. Other examples include improved mechanical parts such a hardened valve seats, improved cylinders, rings, pistons, seals, and bearings. Alternators and other external parts should not replace generators, etc., on older tractors shown as antiques. Six volt systems should not be converted to twelve volt.

**Diagnosis:** (Recondition Tractor Class) Diagnosis should be documented in the explanations in Documentation & Research book especially when explaining the systems – component analyzed with the Photos. Dealer Forms identified in Documentation above require diagnosis. In later model tractors error codes are generated in the display or computer on tractor to help mechanic determine the problem. Exhibitor may have the dealer's mechanic to help him with this diagnosis in that school may not have the necessary equipment. Student should be involved in the process and should explain and document it in his documentation package. It is hoped that this will help develop a connection with the dealer and maybe eventually turn into an internship or employment. Teacher/leader should go with the student to ask the dealers cooperation. It may be that the dealer can help the students by providing them one of the tractors that has been brought to him for repair. The dealer performs a lot of the required warranty maintenance items on the later model tractor in addition to repair. Some of these maintenance items are technical and will require knowledge and skills to perform the required maintenance. Repair and extensive Maintenance will meet the Mechanical requirements to justify entering a tractor in the Recondition Class because in many of these diagnostic analysis will require reading and interpreting technical manuals.

- g. **Complexity Factor:** Up to 15 points may be added to reward exhibitor(s) for difficulty or sophistication of work conducted on tractor. Examples could be on tractors that have AC units and Cabs, sophisticated transmissions, hydraulic, electrical systems. Work and research shown rebuilding or repairing original parts beyond the normal repair instead of purchasing new ones. Welding cast iron parts where preheating and post heating was necessary, building up a shaft and turning down on lath or hard surfacing or building up teeth on a gear are all examples. Evaluating tractor on a PTO dynamometer could be considered as a Complexity Factor and is also a diagnostic function.

## 28. Additional Resources

Exhibitors and leaders are encouraged to get on the website and using a monthly code to access the ASABE technical library in order to download the Tractor and PTO standards. Although these standards apply to the later model tractors, they are relevant to early model tractors and machinery, for example hitch categories and PTO sizes and number of splines. Standards identify specifications that make different machines compatible with the tractor including early model tractors. It is important for the exhibitor to learn how to search technical libraries such as ASABE print them out and interpret them. Service men working with the later model more sophisticated tractors and machines must rely on technical documents to diagnose and repair them. We also provide on the JAM website many additional technical materials to help in our educational objective. Many of these have been identified in other Sections regarding tractors.

**This show is subject to the San Antonio Stock Show & Rodeo General Rules, the Junior Livestock Show Rules and Special Rules listed in this section.**

### SPECIAL RULES

- Entry Fee:** The entry fee for each project is \$100.00. Entries must be submitted online and all official San Antonio Stock Show & Rodeo entry forms must be completed.
- Eligible Entries:** The San Antonio Stock Show & Rodeo makes available to CEAs and ASTs in charge of 4-H Clubs or FFA programs the opportunity to enter members of their programs in the Ag Mechanics Marketplace, subject to these rules. The Ag Mechanics Marketplace Competition is also an invitational contest to high schools within Bexar County. Entries in the Ag Mechanics Marketplace Competition must be submitted in the name of the county 4-H club, FFA chapter or Bexar County high school by the respective CEA or AST or CTE teacher. Contestants must be bona fide members of a Texas 4-H Club, Texas FFA Chapter or a student of a Bexar County high school. They must be enrolled in and attending public, private or home school elementary or secondary schools in Texas at the time of the event.
- Number of Entries:** Each club/chapter/Bexar County high school may enter a maximum of one (1) project.
- Projects:** Projects must have been constructed by FFA or 4-H members or students either as a part of their agricultural mechanics instruction in agricultural science, part of their supervised work experience program, or as part of CTE curriculum in a Bexar County high school. **Projects must be designed and constructed under the direct supervision and guidance of the CEA/AST/CTE teacher.** Projects made largely of wood will require at least 25% of a skill other than carpentry to be used in construction. The addition of metal ornaments or bands attached to wood project will not be considered a part of the 25%.
- Construction Date:** A project may be exhibited only one time at the San Antonio Stock Show & Rodeo and must have been completed within one calendar year of the exhibition date.
- Teams:** The club/chapter/school members who design and construct the project may be different individuals than who represents the club/chapter/school in the Ag Mechanics Marketplace Competition. Other than the construction of the project, all team members must compete in all phases of the contest (Written Exam, Sales Presentation). Teams are comprised of two (2) or a maximum of four (4) students.

7. **Market Value:** All projects are required to sell (project ownership is transferred to the buyer) if the market value is met by a buyer through the sealed bid process or the Live Auction. The market value set by each team for a respective project **may not be greater than \$3,000**. If the market value is not met in the sealed bid process or the Live Auction, the project will be retained by the club/chapter/school and will follow appropriate check-out procedures. **It is important to determine a reasonable market value.** No matter what type of product sold, the price charged to customers or clients will have a direct effect on the success of the business. Though pricing strategies can be complex, the basic rules of pricing are straightforward:
  - All prices must cover costs and profits.
  - Assure price for product reflects the dynamics of cost, market demand, response to the competition, and profit objectives.
  - Prices must be established to assure sales.
8. **Auction:** Twenty (20) teams will be selected to offer their project to sell in the Live Auction on Sunday afternoon. Auction proceeds will be paid directly to the club/chapter/school.
9. **Exhibit Space:** Projects will be displayed at the discretion of show officials. Display space under shelter is not guaranteed.
10. **Vehicles:** Trucks, tractors, trailers or other vehicles that are not entered to be exhibited are allowed in the exhibit area as part of the display with permission of the Superintendent only.
11. **Loss or Damage:** Every precaution will be taken to protect projects, however, neither the San Antonio Stock Show & Rodeo nor the show officials will be responsible for any loss or damage to projects.

## CONTEST FORMAT

### Contest Overview

<b>Project Workmanship/Quality</b>	<b>50%</b>
<b>Objective Test (Ag Sales)</b>	<b>15%</b>
<b>Team Sales Presentation</b>	<b>25%</b>
<b>Product Summary/Marketing Materials</b>	<b>10%</b>

## **PROJECT – 50%**

1. **Projects:** Projects should be marketable to a wide variety of customers including general rodeo patrons. Projects that are specialized for a limited number of uses may be challenging to market to the clientele base. Teams are encouraged to be innovative, but maintain the marketability of the project.
2. **Project Divisions:** The following types of projects may be exhibited in the respective Project Divisions:
  - a. **Livestock and Farm Equipment:**  
Includes items such as hay handling equipment (ex. hay spears, single/double bale hay trailers, bale pickup equipment, etc.), squeeze chutes, restraining equipment and crowding or working pens, and universal fit truck and ag equipment accessories (i.e.: tool box, storage, ATV rack, receiver hitch carrier, hitch & towing accessories, quick attach skid steer attachments). Some degree of metal fabrication is required. It is encouraged that items have the ability to be utilized on a wide variety of operations regardless of size or type. No all wood projects.
  - b. **Trailers:**  
Includes items such as utility bumper pull trailers (must be 16 ft. and under) and towable (wheels with lug bolts) cooking equipment (i.e.: BBQ pits, smokers and grills). Small trailers for hauling basic equipment such as lawnmowers, and material are encouraged. No all wood projects.
  - c. **Wildlife:**  
Includes items such as equipment used in managing wildlife and exotic game (i.e.: equipment used in the management, raising and caring for animals such as deer, turkeys, quail, fish, etc.). Items meeting the basic uses of a hunter or fisherman are encouraged. No all wood projects.
  - d. **Home Recreation and Conveniences:**  
Includes items such as non-towable (small) cooking devices (i.e.: BBQ pits, grills, fire pits, and fish fryers. Pits made from metal drums not allowed) and outdoor yard and garden equipment (i.e.: outdoor tables [cannot be all wood], swings, planters, green houses, potting sheds and other buildings. Projects made of wood must include, in addition to carpentry, significant metal or other technical skill such as plumbing, masonry and/or electrical. All projects must be designed for outdoors – no all wood projects or indoor furniture allowed).
3. **Project Quality and Classification:** Show management reserves the right to remove any project from participating if the quality, safety, or design of the project does not meet the standards set for this competition. A general evaluation of each project will be conducted prior to the start of competition. Projects which fail to be evaluated prior to the start of competition will be subject to disqualification. Show management reserves the right to classify a project into the appropriate Project Division at their discretion.
4. **Project Completeness:** All projects must be complete including finish. Any item necessary for use of the project must be a part of the project (example: hinges and latches on gates and panels).  
  
**Note:** At least one team member is highly encouraged to be available to answer questions from the public or show officials including judges at all times. As well, teams are highly encouraged to have proper materials to market their project to any patrons or show officials at all times.
5. **Project Safety:**
  - a. **Display:** Appropriate and safe display stands must be provided for gates, panels, and other projects requiring support. Sharp edges and points must be padded and/or protected where necessary to prevent possible injury to spectators and exhibitors.
  - b. **General Safety:** Flammable and/or combustible liquids shall not be stored or sprayed in buildings, or on the show grounds. This shall include, but not limited to enamel paints, thinners, reducers, or gasoline. All compressed gas cylinders must be properly secured. Protective caps installed. NO regulators or hoses are to be installed. Electric extension cords must not cross aisles used as exit ways.
  - c. **Projects with Engines:** No more than two gallons of fuel in any fuel tank is allowed. The fuel tank cap must be in place. All batteries must be disconnected.

- 6. Transportation Statutes:** All trailers and other equipment that will be operated and/or transported on public roads must be equipped with safety equipment specified in Title 7, Vehicles and Traffic Transportation Code of the Texas Statutes. Such projects should be outfitted with VIN number to allow the exchange of ownership to the respective buyer. No Agriculture Exemptions except farm tags are allowed. See <https://www.sarodeo.com/p/about/livestock-show> for JAM Trailer Rules and Codes. All trailers and tongue equipment pulled on highways will be pre-inspected at the Salado Creek Staging Area.
- Trailer wiring, lights and brakes will be tested. Colors of conductors in the wiring harness should meet industry standards. See *Trailer Construction Guide* at <https://www.sarodeo.com/p/about/livestock-show>. Trailer must be grounded to vehicle with grounding wire in harness. (Trailer grounding only through hitch is not acceptable.)
  - All trailers that are pulled to the show must have a license plate and be ready to exchange ownership to the respective buyer. May use Farm Tag.
  - All tongue equipment that is pulled on a public highway (i.e.: trailers, etc. will be inspected at Salado Creek Staging Area for approved safety chains, lights and reflectors).
  - All trailers rated 4500 pounds GWR or greater must have approved brakes, safety chains and brake-away equipment. See *Trailer Check Sheets and Construction Guide*.
  - All trailers must be equipped with lift jacks for hitching and unhitching including goosenecks and tongue.
  - Four inch fender clearance above tire of 4 inches is required with exceptions for single axle trailers.
  - Any trailer that is over wide (102 inches) must have a signed permit. Permit to include dates week prior to and week after show. Trailer widths will be measured at the widest point on the trailer. Review *Trailer Statutes* document and the *Trailer Construction Guide* at <https://www.sarodeo.com/p/about/livestock-show> for major codes and rules. It is the exhibitors' responsibility to have reviewed and understand all TxDOT and Federal Codes.
- 7. ASABE Standards:** All three-point hitch and/or PTO operated equipment must meet the latest ASABE (The Society for Engineering in Agricultural, Food, and Biological Systems) standards. Both standards have been revised in the past three years. Must have the ASABE approved code and monthly password to access and print documents from the ASABE Technical Library. Instructions to access ASABE Standards along with monthly codes can be found at <https://www.sarodeo.com/p/about/livestock-show>. **Power take-off equipment** must meet ASABE standard, *Rear-mounted power take-off types 1, 2 and 3 – Narrow-track tractors, dimensions formaster shield and clearance zone*. This Standard was revised in 2011. When searching the ASABE to find and download a PDF file – enter in Document number 500.
- 8. Projects Needing Offloading Assistance:** Projects that must be hoisted from the top-side are to be fitted with lifting eyes at balance points that will accommodate one inch shackles. Projects that show officials conclude cannot be safely off-loaded with equipment available may be not be allowed to participate.

**9. Project Judging Criteria (50% of overall total):**

<u>Criteria</u>	<u>Points</u>
Workmanship	100
Innovation	25
Marketability	25

**OBJECTIVE TEST – 15%**

- The **Objective Test** is designed to evaluate an individual participant's knowledge of the basic sales skills. A 45-question, multiple-choice test, developed exclusively from the references. Each question is worth one (1) point. Each participant will have 45 minutes to complete the test. The average score of the team members taking the test will be utilized as the score for the final ranking.

### **TEAM SALES PRESENTATION – 25%**

1. The Product Summary and Marketing Materials will be used in the team sales presentation to “sell” the project entered by each team to a panel of judges.
2. The judges will act as a real customer which may include not buying the project. Participants will have to establish rapport with the judge and ask probing questions to ensure they meet the judges’ needs.
3. The judges will utilize the Product Summary to prepare for the presentation conversation.
4. Teams may only use the following items during the team sales presentation: the team, the project, Product Summary and Marketing Flyer. No slide shows, electronic presentations, videos, computer demonstrations, etc. may be used during the team sales presentation, these items may be part of the display in the Marketplace, but cannot be used, and will not be considered, during the team sales presentation.
5. Teams will have seven (7) minutes to interact with the judge. All members of the team must be present and all must participate.
6. Teams should present themselves with a professional appearance.
7. Teamwork and involvement of team members will be judged during this event.
8. Teams should plan to accomplish the following tasks during the sales presentation:
  - a. Introduce themselves to the customer in the opening of the presentation.
  - b. Introduce the product to the customer.
  - c. Point out the features of the product.
  - d. Explain how the product would benefit the customer. Ask for the customers’ reaction to the product.
  - e. The customer will object to some element of the sales presentation. Teams should try to overcome the objection (price, size, color, etc.) with a positive solution to the customers’ objections.
  - f. The customers will also give the teams a chance to close the sale during the presentation. Ask for the business and be prepared to finalize the order.
9. Teams should include the following in their presentation:

<b>Indicator</b>	<b>Skills</b>
First Impression	Team identifies themselves with a good first impression, creates customer attention.
Sales Approach	Team asks questions and utilizes information from answers in an attempt to build a personal rapport. Teams asks questions to learn about the customers’ interests.
Needs and Wants	Team confirmed and discovered customer needs and wants.
Demonstration	Team applied features and benefits of their product to the customers’ needs/wants to their product features.
Trial Close	Team uses appropriate sales technique to confirm customer interest and/or identify buying signals.

Objections	Teams listens and clarifies customers' objections. Team applies and discusses the features/benefits of the product to address the customers' objections.
Close or Advance Sale	Team closes or attempts to close the sale.
Active Listening	Team actively listens to comments and answers from the customer throughout the presentation.
Teamwork	How well did each team member participate/communicate in the presentation?
Knowledge	What level of knowledge did the team have of the product they were selling?
Principles	Did the team present using sound sales principles?
Professionalism	Was the presentation delivered professionally?
<b>Total Score</b>	<b>75 Points</b>

### **PRODUCT SUMMARY/MARKETING MATERIALS – 10%**

1. **Product Summary (15 pts):** Each team will develop a product summary to be submitted via email to [livestock@sarodeo.com](mailto:livestock@sarodeo.com) by February 1, 2021. The email should be titled Ag Mechanics Marketplace-Club/Chapter/School Name. The team will receive a confirmation email upon receipt. The product summary should include: If the project summary is not submitted by February 1, 2021, the team will receive no points for this section. An example of the Product Summary will be posted at <https://www.sarodeo.com/p/about/livestock-show>.
  - a. Club/Chapter/School Name
  - b. Product to be sold
  - c. Statement of marketing situation
    - i. Who is the customer?
    - ii. Why would the customer want the product?
    - iii. Who are the major competitors selling a similar product?
  - d. Features of the product
  - e. Benefits of the product for the customer
  - f. Market Value (This will also be used as the minimum bid for the respective project)
    - i. All projects are required to sell (project ownership is transferred to the buyer) if the market value is met by a buyer through the sealed bid process or the Live Auction. The market value set by each team for a respective project **may not be greater than \$3,000**. If the market value is not met in the sealed bid process or the Live Auction, the project will be retained by the club/chapter/school and will follow appropriate check-out procedures. **It is important to determine a reasonable market value. A bill of materials and comparative pricing may be helpful in justifying a reasonable market value.** No matter what type of product sold, the price charged to customers or clients will have a direct effect on the success of the business. Though pricing strategies can be complex, the basic rules of pricing are straightforward:
      1. All prices must cover costs and profits.
      2. Assure price for product reflects the dynamics of cost, market demand, response to the competition, and profit objectives.
      3. Prices must be established to assure sales.
  - g. Product Specifications (Weight, size dimensions, electrical specifications, weight ratings, maintenance requirements, etc.)
  - h. As a supplement to the Product Summary the team should include at least three and up to five photographs or representative images (computerized renderings are acceptable) of the completed product, these photos should be high quality (3200 x 2400 resolution) and will be used for promotion of the project. The photos should be

2. **Marketing Flyer (15 pts):** Each team will develop an 8.5" by 11" one or two-sided flyer promoting and detailing the product. Flyer should be designed to be utilized as an advertisement for and an overview of the product to be shared with customers. An example of the Marketing Flyer will be posted at <https://www.sarodeo.com/p/about/livestock-show>.

**The Marketing Flyer will be turned in at upon arrival at check-in and teams should supply judges (up to 5) with a copy during the Sales Presentation.**

## **AUCTION**

1. The top 5 high scoring projects in each Project Division (Livestock and Farm Equipment, Trailers, Wildlife, Home Recreation and Conveniences) will be eligible for the Live Auction.
2. Show Management reserves the right to include additional high scoring projects in the auction at the discretion of the judges.
3. If a division has less than 5 eligible projects to sale, Show Management reserves the right to include additional high scoring projects from a different division in the auction at the discretion of the judges.
4. All qualified projects will participate in the sealed bidding process (Silent Auction). If project is not selected for the Live Auction, the highest bidder through the Silent Auction is the winning bid. If the project is selected for the Live Auction, be advised that the Silent Auction highest bid may not be the winning bid as bids will reopen during the Live Auction.
5. Silent Auction bids for projects eligible for the Live Auction will close at 6:00 PM on Saturday, February 27, 2021.
6. All other Silent Auction Bids will close 30 minutes following the completion of the Live Auction on Sunday, February 28, 2021.

Contest Finals	February 20	9 AM	SALE Headquarters

**This show is subject to the San Antonio Stock Show & Rodeo General Rules, Junior Rules and Special Rules listed in this section.**

1. **Entry:** An entry fee made payable to S.A.L.E. is required. Entries must be submitted online and official San Antonio Stock Show & Rodeo entry forms must be completed.
2. **Eligibility:** Contestants must meet all Junior Show Rule Requirements.
3. **Age Groups:** The contest will be divided into two age groups. *Age as of August 31, 2020.*
  - a. Junior – Ages 8-13
  - b. Senior – Ages 14-18
4. **Contest Format:** The event will be held in the following contest format:
  - a. Properly entered videos will be evaluated and scored by a panel of 2-3 judges through the submittable platform. Comments will be available to each contestant through submittable following the contest.
  - b. **Juniors:** Speeches in the Junior Division must fit within one of the designated categories (see below), and **will not be judged by category** (i.e.: Animal Science). If there are more than 20 entries, show management reserves the right to randomly divide into sub-divisions. Selected contestants will compete in a finals held through a web video system for awards.
  - c. **Seniors:** Speeches in the Senior Division must fit within one of the designated categories (see below), and **will be judged by category** (i.e.: Animal Science). If there are more than 20 entries per category, show management reserves the right to randomly divide into sub-divisions. Selected finalists will compete in the contest finals which will be held in person. Top placing contestants within each category will **not** compete for an Overall Senior Age winner.
5. **Documentation:** ALL completed documentation (see below) must be completed using the submittable platform by January 10, 2021. A link will be emailed to all contestants. Contestants who fail to submit the required documentation by this deadline are subject to a penalty against their Total Score or disqualification.
  - a. Uploaded video of speech
    1. The uploaded video should be a recording of the contestant presenting their speech. The video must be of the contestant only. Film at the highest resolution possible and ensure audio quality. Do not add additional graphics, transitions or other effects. The video must be recorded in one continuous video. Edited videos will be disqualified. Accepted file formats will be mp4, mov, avi, mpg, 3gp, webm, wmv, mkv, m4v. Video must be uploaded using the submittable platform. A direct link will be provided on sarodeo.com and emailed to all registered contestants. Contestants and/or CEA/ASTs will need to create a free account. Only one upload per contestant is permitted. Additional attachments will not be accepted. Manuscripts will not be accepted.

2. **Tips/Recommendations for videos:**
  - Record in a landscape/horizontal format.
  - The video may be recorded from waist up or head to toe.
  - The video should be recorded using a neutral background with contestant only.
  - Check audio quality and video resolution before submitting. If audio/video is of poor quality, judges reserve the ability to award zero points for any and all categories in the rubric.
- b. **Abstract and Literature Cited Submission Page:** A summary of the speech in 200 – 300 words. Minimum of 5 references and must be listed as Literature Cited using APA format.
- c. If a contestant chooses to not follow the documentation guidelines outlined, point deductions will be taken at the discretion of the Judges.
6. **Dress Attire:** Business attire or official 4-H/FFA attire is recommended.
7. **Notification of Advancement:** The list of contestants who will compete in the finals on contest day will be posted at sarodeo.com on February 1.
8. **Time:** Junior & Senior Age Group: Each speech shall be a minimum of six minutes in length and a maximum of eight minutes. Time point deductions will apply as follows:
  - a. Under six minutes - one point per ten seconds
  - b. Over eight minutes - one point per ten seconds
9. **Question/Answer Period:** *For Finals contestants only:* A three-minute question/answer period will follow each speech. At the end of three minutes, all questioning will end.
10. **Props:** The use of props of any kind is prohibited. Violation will result in disqualification.
11. **Speech Categories:** Each contestant may enter their speech in only one category (see below). Speech category must be declared on the Statement of Originality form. There are subject matters which may be appropriate in more than one category; final determination of all speeches will be at the discretion of Show Management and/or Judges.

## CALF SCRAMBLE

**This show is subject to the San Antonio Stock Show & Rodeo General Rules, the Junior Livestock Show Rules and Special Rules listed in this section.**

1. Contestants must have reached their 12th, but not their 18th birthday on January 1, 2021 and not be enrolled beyond their Junior year in high school. FFA and 4-H members must reside in the State of Texas and be active members of an FFA Chapter or 4-H Club.
2. All contestants must have a personal Social Security Number to be eligible to participate in the San Antonio Stock Show & Rodeo. Social Security Numbers must be recorded on any and all entry forms.
3. No contestant will be permitted to enter more than one scramble performance per year. Contestants may apply through 4-H or FFA, but not both.
4. Contestants may be awarded a maximum of one (1) San Antonio Stock Show & Rodeo Calf Scramble Purchase Certificate during his or her FFA or 4-H career.
5. There will be 14 performances during the 2021 San Antonio Stock Show & Rodeo. Twenty-four contestants and 12 calves will be selected for each performance. Contestants and calves will be placed in the arena as determined by S.A.L.E. officials.
6. There will be one Finals Performance on Friday, February 26, 2021. Twenty contestants and 10 calves will be selected, and placed in the arena as determined by S.A.L.E. officials.
7. The San Antonio Stock Show & Rodeo will not be responsible for any accidents which may occur to any contestant before, during, or after the Calf Scramble.
8. Calf Scramble applicants should be aware of the time and financial commitment involved in raising a livestock project.

## CONTESTANT SELECTION

1. Contestants must be approved by their AST or CEA.
2. The **Online Calf Scramble Application, Release and Indemnification Agreement, and Medical Questionnaire** will only be accepted from Agricultural Science Teachers (FFA) or County Extension Agents (4-H) postmarked by November 15, 2020. Contestants will be notified of their acceptance through their AST or CEA. All appropriate credentials to enter the S.A.L.E. grounds, rodeo ticket purchase information, maps and any other correspondence will be sent directly to the AST/CEA.
3. **Selection:**
  - a. Entries will be submitted online at <https://www.sarodeo.com/p/about/livestock-show> by the AST/CEA. There is no limit on the number of applicants entered per club/chapter.
  - b. The AST/CEA can declare up to six (6) First Draw applicants. First Draw applicants will be given preference over other applicants when determining scrambler positions.
  - c. All applicants will rank the performances in the order in which they are available to participate.
  - d. Scrambler positions will be assigned based on the availability of First Draw applicants. Any additional openings for scrambler or alternate positions will then be filled by other applicants based on their availability for that performance.

4. **Substitutions:** If a contestant is unable to scramble for any reason, an alternate will be assigned by the Calf Scramble Office.
5. **Medical:** Contestants requiring medical attention 30 days prior to scramble date **MUST** provide a doctor's release at check-in. Contestants will not be allowed to scramble if these requirements are not met.
6. Incomplete forms will **NOT** be returned. If incomplete forms are sent to the Calf Scramble Office, the contestant will be replaced by an alternate.
7. The Interscholastic League State Executive Committee, in cooperation with the State Board of Vocational Education, has formulated a plan to permit Calf Scrambles and still protect the contestant's amateur standing. This is accomplished by placing the matter under the supervision of the Agricultural Science Department of the participating school and the AST. Contestants are prohibited from receiving anything of cash value for winning the athletic portion of the program.
8. **Calf Scramble Application:** Participant's application must be submitted online. The application, Medical Questionnaire, Release and Indemnification must be postmarked on or before November 15, 2020.
9. **Entry Forms:** Application for entry must be made online. Medical Questionnaire, Release and Indemnification are available at [www.sarodeo.com](http://www.sarodeo.com). (Photocopying forms is acceptable, however all signatures must be original). Calf Scramble entries must also be submitted through the online entry process. Incomplete or faxed applications will not be accepted.
10. **Mailing Instructions:** Please mail all completed forms listed below to the Livestock Department. Include ALL **original** signatures and social security numbers.
  - ☐ Online Calf Scramble Application
  - ☐ Release and Indemnification Agreement
  - ☐ Medical Questionnaire

## ARENA RULES

1. Contestants will carry a halter with an attached lead rope supplied by SALE into the arena. Neither the halter nor the rope may be used as a lariat – contestants may not use the halter or lead rope to catch the calf. The animal must be caught by hand. Then, the halter must be placed on the animal as instructed in the Calf Scramble Orientation.
2. Contestants must wear appropriate clothing (jeans, SALE supplied t-shirt). No oversized/baggy jeans, overalls, dresses, skirts, flip flops, halter tops, etc., will be allowed. Appropriate athletic shoes are highly recommended for footwear. Shoes with steel cleats are not allowed. While boots are allowed, they are discouraged because they are difficult to run in. Each contestant will be issued a numbered T-Shirt to wear in the arena.
3. Contestants may not work as a “team” – they may not provide assistance to other contestants, and they may not receive assistance from contestants or judges. Each contestant catching a calf is required to lead the calf across the finish line without assistance. After placing the halter on the calf, the contestants will not be permitted to fasten the lead rope to them in any manner.
4. If a contestant has hold of a calf by any means, to include by the tail, ear, hoof, etc., that contestant will be given an appropriate amount of time to halter the animal. Other contestants are instructed to find another calf. If said calf breaks away, it is available to be caught again (unless it has been properly scored). If two or more contestants catch a calf at the same time, the contestant closest to the head will be given an appropriate amount of time to halter the animal.
5. If a calf is caught by the tail, the contestant will be allowed an appropriate amount of time to place the halter on the calf. If the contestant fails to halter the calf in an appropriate amount of time, he/she must release the calf. The judges will make the determination and provide instruction to the contestant.
6. Poor sportsmanship will automatically disqualify the contestant. Undue roughness will not be tolerated, whether towards other participants or to the calves. Contestants may not slap, punch, kick or otherwise strike or treat the calves in any manner that would be construed as abusive. If a haltered calf lays down, contestants may not drag or strike the calf as previously described. In this case, direction will be given to the contestant in the arena as to how to proceed.
7. Scoring: Two official scorers will be positioned at the front edge of the scoring box, approximately 12 feet apart, and will face the bucking chutes. The scoring line will be the imaginary line established between the two scorers. A contestant and calf will be scored and recorded by the scorers when:
  - a. the calf is properly haltered as instructed during the orientation;
  - b. the head of the calf crosses the plane of the imaginary line between the two scorers; and
  - c. both scorers agree the head of the calf has crossed the line.Contestants must enter the scoring box through the front, between the two scorers. If they enter the scoring box from the rear, side or behind the scorers, they will not be scored.
8. There will be no fewer than 8 judges appointed per performance.

## CALF SCRAMBLE FINALS

1. Contestants for the finals will be the first place contestants from the prior 14 performance nights.
2. Alternates for the finals will be the second place contestants from the prior 14 performance nights.
3. There will be 24 contestants for the Finals Performance. The first place contestants from the prior 14 performance nights will be the first 14 contestants. The final 10 spots will be randomly selected at roll call on Finals night from alternates. Any open spots from cancellations of first place contestants will be filled by randomly selected alternates.
4. Contestants that compete in the finals performance will receive an additional tiered premium, based on the position you finish in the finals.

Premiums for finals will be as listed:

<u>Placing</u>	<u>Amount</u>
1 <sup>st</sup> :	\$1,800
2 <sup>nd</sup> :	\$1,600
3 <sup>rd</sup> :	\$1,400
4 <sup>th</sup> :	\$1,200
5 <sup>th</sup> :	\$1,000
6 <sup>th</sup> :	\$800
7 <sup>th</sup> – 10 <sup>th</sup> :	\$600
11 <sup>th</sup> – 24 <sup>th</sup> :	\$500

5. Contestants winning the premiums must complete all aspects of the Calf Scramble program prior to receiving the premiums. Contestants who fail to fulfill all or part of the obligations as listed in Winner Purchase Certificate Rules will result in the revocation of all rights to the Purchase Certificate and premiums as well as possible repayment of all or part of the value of the Purchase Certificate to S.A.L.E.
6. Contestants that complete the Calf Scramble program will receive their premiums by March 31, 2022.

## 2021 WINNER PURCHASE CERTIFICATE RULES

1. The 2021 S.A.L.E. Purchase Certificate total value is \$1,200.00. This Purchase Certificate may be used to purchase animals in only one of the following Junior Breeding Departments: Junior Breeding Heifers, Junior Dairy, Junior Breeding Sheep, Junior Breeding Goats, or Junior Purebred Gilt. Exhibitors may not purchase a Crossbred Gilt, Commercial Ewe or Commercial Doe with the certificate.
2. Animals purchased must be approved by the Contestant's AST or CEA. Exhibitors are required to enter and show all animals purchased with this certificate at the 2022 San Antonio Stock & Rodeo in the respective Junior Breeding Show as the Exhibitor's 4-H or FFA project(s).
3. Purchase, delivery, possession, and registration transfer into Contestant's name (Dual ownerships or partnerships are not allowed in the Junior show) must all take place before the required date as listed below:
 

Breeding Sheep and Boer Breeding Goats:	October 1, 2021
Breeding Beef, Dairy, and Angora Goats:	November 1, 2021
Breeding Gilt:	December 1, 2021
4. Contestants may NOT purchase animals from themselves, immediate family members, family ranches or partnerships or their AST or CEA. This is to include animals which were previously owned or bred by Contestant, immediate family members, family ranches or partnership or their AST or CEA.
5. If animal(s) is/are purchased for less than the S.A.L.E. Purchase Certificate amount, a check will be issued to the seller for the actual cost of the animal(s). Under any circumstance, checks will NOT be issued to the Contestant, 4-H Club, FFA Chapter, AST or CEA or Contestant's parents.
6. Contestants may combine the S.A.L.E. Purchase Certificate with Calf Scramble Purchase Certificates from other major shows. If combining certificates, those shows (ex. Fort Worth, Houston) should be designated on the S.A.L.E. Purchase Certificate. The original registration papers must be sent to the show that is earliest in the calendar year. The earliest show will make copies of the original registration papers and then forward the original registration papers to the later shows. The original registration papers will be held by the last show until the contestant's Calf Scramble requirements are met.
7. Contestants are required to:
  - a. Submit a copy of the Thank You letter sent to the donor to the S.A.L.E. Calf Scramble Office postmarked on or before April 15, 2021.
    - i. Purchase Certificate will not be mailed until a copy of the Thank You letter is received in the Calf Scramble Office.
    - ii. Purchase Certificate will be mailed out by April 15, 2021, if the thank you letter has been received.
  - b. Submit the Original S.A.L.E. Purchase Certificate and Original Registration Papers to the Calf Scramble Office at your earliest convenience, but no later than December 15, 2021. Once the completed Purchase Certificate has been submitted, a stamped copy of the registration paper(s) and a letter of confirmation will be mailed to the contestant. If this information is not received within three weeks of submission, please contact the Calf Scramble Office. The stamped copy of the registration paper should be accepted at prospect and/or major shows throughout the year.
  - c. Submit appropriate show entry materials through the AST or CEA by December 1, 2021.
  - d. The Official Calf Scramble Reports, found at [sassr.zsuite.org](http://sassr.zsuite.org), must be submitted on the website by the 20th of each month (June - January) and is required by each recipient.

- e. Reports will be submitted as a Final Report Book no later than January 20, 2022. The final report book will be submitted on [sassr.zsuite.org](http://sassr.zsuite.org).
- f. All animals purchased with a S.A.L.E. Purchase Certificate must be entered and shown at the 2022 San Antonio Stock Show & Rodeo as the contestant's 4-H or FFA project(s) in the respective Junior Breeding Show. If any previous Calf Scramble requirements have not been met, then the animal may become ineligible to show at the 2022 San Antonio Stock Show & Rodeo.
- g. If all Calf Scramble program requirements have been fulfilled, the original registration papers will be mailed to the contestant by April 15, 2022.
- h. Please refer to the website, [www.sarodeo.com](http://www.sarodeo.com), for important news and updates throughout the year.
- i. Please direct all correspondence to:

**San Antonio Stock Show & Rodeo  
Livestock Office - Calf Scramble  
P.O. Box 200230  
San Antonio, Texas 78220**

- 8. Contestants who fail to fulfill all or part of the obligations as listed will result in the revocation of all rights to the Purchase Certificate and possible repayment of all or part of the value of the Purchase Certificate to S.A.L.E.
- 9. In addition to the rules and regulations listed, contestants are required to follow the guidelines as listed in the 2022 Livestock Premium List.
