

March 10, 2021

This year, due to the Sacramento Livestock Grading & Husbandry Expo being temporarily relocated, **levee parking will be suspended and for this year only, preferred parking will take its place.** Preferred parking applications can be processed through email, as well as paper and mail.

A preferred parking pass will give one (specific) vehicle, access to parking in the backstretch area, near the barns. The parking pass is **not** transferable to another vehicle. Beginning Thursday, May 27th, through the end of the auction on Monday, May 31st, **there will be no access to the backstretch area without a preferred pass** -- This includes early morning and late day pickups or drop-offs (exhibitor, feed, tack...). There are no assigned spaces. Parking will be on a first come, first choice basis every day, all day.

Preferred parking prices for ALL applications, **PAID FOR by May 2nd**, at 5:00 p.m., are \$100.00. Any parking fees received after May 2nd, regardless of when the application was received, will increase to \$125.00.

If applying via email; hit "reply", scroll to the bottom of the email and fill out/edit the application. Payment can be made by phone, mail, in person, or by completing the required fields for your credit card information on your renewal form. Email replies, with incomplete vehicle information - such as license plate number or make or model - will not be processed.

If paying by check please print only the application part of the email (page 2 only), fill out any missing information and send it in with your payment.

If you have any questions, regarding preferred parking, call the fair office. Please make sure everything is correct with your parking request, there are no refunds for preferred parking. The Sacramento County Fair reserves the right to change, cancel, or reject any application whether it is a new or renewal application. In order to be considered for a preferred spot, all balances with the fair must be paid in full.

Sincerely,

Pamela Fyock
CEO, Sacramento County Fair
