**Sacramento, Calif. (5/2/18)** — Get ready for a jungle adventure with A Walk on the Wild Side exhibit at the Sacramento County Fair! This Memorial Day weekend, the Cal Expo Fairgrounds will be filled with the sights and sounds of the jungle as A Walk on the Wild Side brings exotic species of wild animals up close and personal.

This immersive experience allows fairgoers to enter through a rain forest and be transported to destinations all over the world. From reptiles to jungle cats, A Walk on the Wild Side showcases the amazing diversity of animal life and inspires an interest in preserving the lives of these fascinating creatures.

A Walk on the Wild Side is an organization dedicated to helping all species of wild animals who, for various reasons, find themselves without a place to live. They are the most diverse exotic non-profit animal refuge of its kind in the State of Oregon and in addition to housing unwanted exotic species, they take pride in educating the public about responsible animal ownership. Their ambassador animals each have their own story to tell and lessons to teach.

“The Walk on the Wild Side exhibit is an experience like no other. Families will have a chance to interact with and learn from exotic animals that they might not otherwise have a chance to see,” states Pamela Fyock, CEO of the Sacramento County Fair. “A Walk on the Wild Side is a wonderful organization and we are proud to partner with them again this year, as the mission of the Fair is to not only provide wholesome family-friendly fun to kids of all ages, but also provide our guests with unforgettable learning opportunities.”

## Ramos Bros. Circus Comes Back to Town for the Sacramento County Fair

**Sacramento, Calif., (5/6/19)** – For the third year in a row, the 2019 Sacramento County Fair will feature the one and only Ramos Bros. Circus. Fair attendees will have the opportunity to experience the ‘Big Top’ with three live shows each day. The two-hour performance is sure to keep everyone on the edge of their seats with wire acts, contortionists, motorcycle dare devils, jugglers, and best of all, aerial acrobatics! The Ramos Bros. Circus is a blend of traditional and contemporary circus, bringing amazement and laughter to all who attend. Featuring 12 performers and a super-cute group of beautiful and talented poodles that are known to steal the show, the Ramos Bros. Circus delivers non-stop family fun to everyone under the Big Top.

“We are thrilled to be returning to the Sacramento County Fair again this year. We hope that kids of all ages come out to enjoy the magic under the Big Top,” says Oliver Ramos, owner of the Ramos Bros. Circus.

The Ramos family gained worldwide recognition with their trapeze act, which included three catchers; a unique concept as classic trapeze acts only featured one catcher. Their act brought an entirely new and dazzling aesthetic to the performance.

Pamela Fyock, CEO of the Sacramento County Fair, is ready to bring back the magic

and wonderment of the Ramos Bros. Circus for fair going families. Fyock remarks, “Our partnership with the Ramos Bros. Circus continues to be a huge success! We are thrilled for them to return with jugglers, trapeze artists, horses, dare-devils—you name it! This is two-hours of non-stop, wholesome, family fun. It’s truly an incomparable experience to watch these performances under the Big Top Circus tents. Not to mention, it’s free with admission!”

Show times will be at 11:30 a.m., 2:30 p.m., and 5:30 p.m. each day of the fair. Attendance is FREE with fair admission. Tickets for the Fair and Grandstand events will be available for purchase online at [www.sacfair.com](http://www.sacfair.com) or at the Sacramento County Fair office. This petting zoo is truly unique because there are no barriers inside the enclosure. Once inside, the guests are free to pet, feed, and play with numerous animals. The farm contains 55 beautiful, friendly hand-raised animals including: Nubian and Alpine Goats, Boar Goats, miniature Pygmy Goats, llamas, Fallow Deer, Bennett Wallabies, Vietnamese Potbellied Pigs, Bantam Chickens, miniature Sicilian Donkeys, and miniature Call Ducks

Pamela Fyock, CEO of Sacramento County Fair says, “The Great American Petting Zoo provides the highest quality, professional animal attractions for our fairgoers. The kids not only have fun, but they learn important lessons caring for and appreciating all animals—and the adults have fun, too! It’s safe, clean and is always a Fair favorite. Children under 12 are always free, so we hope to see lots of families enjoying the Zoo during the Fair.”

The Great American Petting Zoo strives to be industry leaders in the health and welfare of animals, educating the public and keeping the American agricultural experience alive. This is one experience that cannot be missed! It will be open all day, every day for the duration of the Fair.
