

FFA Market Beef Class 01	Class Placing	VSS ID #	First Name	Last Name	Club/Chapter	Ear Tag	Reason
Reserve Supreme Champion & Champion FFA Market Beef	1	2	Shane	Simonin	Templeton FFA	104	This smoke steer balances up very well form the side. He's bold and practical in his ribshape and I really like his stout bonework. He could be set back in the angle of his shoulder and, more importantly, needs more mass and shape through his hip and stifle.
Reserve Champion FFA Market Beef	2	3	Taylor	Sollecito	Salinas FFA	094	This grey steer's really deep and mellow back to his flank and proportions well form the side. He strikes me as the easy feeding kind. He needs more mass and shape up high and back through his quarter.
	3	18	Wyatt	Stinchfield	Paso Robles FFA	091	This is a big bodied, easy feeding kind of steer who's level through his topline and sound structured. Unfortunately he needs more muscle and shape to compete higher in this class.
	4	4	Troy	Normile	Atascadero FFA	082	This is big framed, heavyweight steer who's level about his topline and bold in his center ribshape. I'd like him to be deeper flanked and have more power throughout.
	5	19	Katy	Simonin	Templeton FFA	103
