

Wether Dam Validation List

This list of wether dams with assigned TLBA tags is provided for information purposes only, to allow exhibitors and families the ability to check the validation numbers of wether dams and their corresponding Texas Lamb Breeders Tag number when planning to enter the San Angelo Stock Show. TLBA tags are required for entry in the San Angelo Livestock Show. The Texas Sheep and Goat Validation program has not confirmed these numbers with the breeding sheep validation form for accuracy. This information was obtained from the online Texas Livestock Validation site which was populated by the local validation chairman in each county. TLBA tags must have been in the wether dam's ear at local validation and recorded on the breeding sheep and goat validation form and official validation website by validation deadlines. Questions should be directed to your local Ag Science Teacher or County Extension Agent.
