

2020 Santa Barbara County Fair Junior Livestock Virtual Auction

The following documents need to be uploaded by June 10th, 2020 to each exhibitor with a market entry:

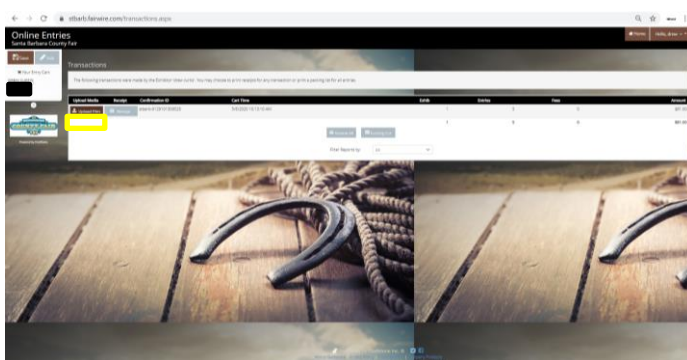

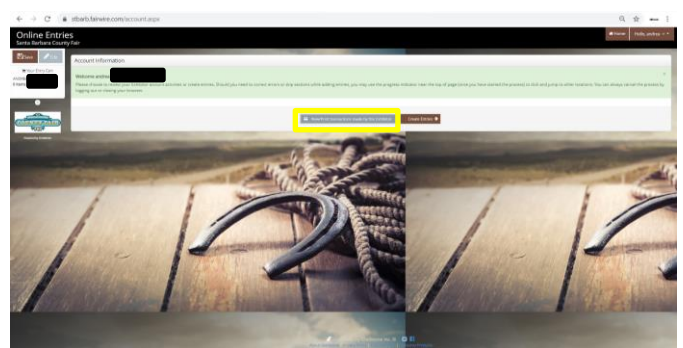

1. Photo in uniform {mandatory} – jpeg format
2. additional photos of animal {optional, but will help increase sales} – jpeg format
3. Video – Showcasing and describing you and your animal {optional, but will help increase sales}
4. Bio – {optional, but will help increase sales} – PDF format
5. Intent to sell {mandatory} – PDF format
6. Code of practice/ethics - *this is an updated version that will need to be signed in lieu of previous versions that may have been turned in already.* {mandatory}– PDF format
7. Livestock Declaration/Drug Form{mandatory}– PDF format
 {All three mandatory PDF forms need to be uploaded together as one upload}.

If documents are not uploaded the exhibitor will not be able to sell. The weekend of June 19-21st we will sell Pigs, Sheep, Goats, Steers and Replacement Heifers (auction style).

To upload the required documents, you need to log back in to the online entry system with the user name and password you created.

Once you confirm the exhibitor information is correct it will take you to the next page (shown on the right). Click on the gray button “View/Print transactions made by this exhibitor”.

You will be directed to the screen to the left where you will see the brown “Upload Files” button under the ‘Upload Media’ header. You will be then directed to the livestock docs website where you will upload your documents.

Please follow the instructions above.
