The Spirit of volunteerism is what makes this Elks Lodge one of the most successful of all Elkdom. At this time we would like you to take the time and look over some of the committees that are offered in the Elks Recreation, Inc. Office. There is no obligation to participate; however we have found that those who participate have more pride and enjoy their lodge more.

I am interested in volunteering for the following committees.

Please check your preferences and return to the Elks Recreation, Inc. Office.
