Overview of the Application Process

This packet was designed to establish guidelines to apply universally to all events and activities requesting support from the Belton CVB or Hotel Occupancy Tax (HOT). There are stringent requirements in the Tax Code regulating the use of HOT funds. A copy of the applicable sections of the Tax Code has been included in this packet for your review.

The City of Belton CVB reviews the applications and makes recommendations to the City Manager/Director of Finance on the portion of the tourism budget allocated to special event support. Funding for event support is available from the Hotel Occupancy Tax collected by our lodging properties.

The event must take place within Belton's city limits.

The sponsoring organization must be tax-exempt. It is preferred that the sponsoring organization have 501(c)3 tax-exempt status, but it is not required.

Rules Governing Your Application:

1. The applicant must present reasonable evidence that the expenditure or event will increase overnight stays in Belton that are consistent with the level of HOT revenues requested.
Example: the event is multi-day, 400 of the participants will travel more than 100 miles and 125 participants will stay in Belton lodging.
2. For any applicant applying for HOT funds to advertise an event, the City Manager/Director of Finance recommends these funds focus on targeting visitors outside a 100-mile radius of Belton.
3. The applicant must ensure that **all** Belton hotels, motels and B&Bs and their current contact number, email and/or website are listed on any information you provide to registrant, vendor/event attendees, including event websites. Also, all Belton hoteliers must be made aware of the event, have access to mailing lists, and have sufficient time to participate in the bidding process for both primary bookings and overflow.

It is extremely important that applications be filled out completely and accurately.

4. If the request is for cooperative advertising support, the City of Belton CVB must approve the final advertising copy for appropriate representation of the City of Belton and local lodging one (1) week before the ad or publication's print deadline.
5. After the application process is complete, the contact name on the application or a designated representative will be expected to meet with the CVB Manager (or make other arrangements) to present a follow-up report on items such as visitor attendance data from event surveys and number of visitor overnight stays due to the event/ expenditure. (See separate HOT Reimbursement Follow-up Report Form.) Any future consideration of funding from the

CVB is dependent on the organization providing a report to the City Manager/Director of Finance on the use and outcomes from prior funding by CVB.

The Reimbursement Process:

After the application has been approved by the City Manager/Director of Finance, the application expenditure items that were approved to be used for HOT revenues need to be paid for in full. Proof of payment of each item should then be submitted to the City of Belton CVB before a single reimbursement check will be issued. *Note: Timing of reimbursement is subject to actual monthly revenue generated by hotels, motels and B&Bs, so it may not be immediate.*

Post Event Analysis:

The Post Event Analysis must include all of the items outlined in the application, including samples of advertisements produced with the use of HOT funds. ***If the Post Event Analysis and the final accounting of room nights are not received by the due date, the Belton CVB reserves the right to reject any future application by the organization.***

It is the responsibility of the event to monitor the number of out-of-town guests who stay in Belton lodging properties. We strongly recommend working with the hotels to ensure proper credit and tracking. Some suggestions for tracking out-of-town guests would be to use a zip code tracking system or a survey distributed to attendees. ***Please note that stated room nights generated will be subject to an audit by the Belton CVB.***

Please note that room nights generated in Temple and other surrounding areas do not fulfill the requirements of the state law and will not be credited to your event.

If you need assistance in completing the application or have further questions, please do not hesitate to contact Judy Garrett, Convention & Tourism Manager at 254-933-5849 or via e-mail at jgarrett@beltontexas.gov.
