

It is with a heavy heart and with the safety of our community in mind that the 2020 Silver Dollar Fair has been cancelled. The decision was made by the Fair Board Tuesday, April 14th in accordance with guidelines set forth by the Center for Disease Control and prevention for mass gatherings and State of California recommendations.

For our Market Animal exhibitors, Bid Cal is currently exploring options for an off-site online auction. Additional information will be provided as soon as possible. Thank you in advance for your patience. We wish you good health in the days to come.

We look forward to May 27 – 31, 2021 when we can come together to celebrate once again.
