EXHIBIT JUDGING SYSTEMS

AMERICAN	The American System of judging is based on all entries in a lot being judged against each other, and awards one first, one second and one third placing etc.
DANISH	The Danish System of judging is based upon established standards of quality for each type of product. In this system, each exhibit is judged according to how well it meets that standard rather than how it compares with other exhibits.

SWEEPSTAKES INFORMATION

SWEEPSTAKES	Senior exhibitors who enter multiple items in Still Exhibit departments are automatically entered into the Department Sweepstakes for cash awards. Entries receive points for placing (1 st – 3 rd) and Best of Show awards. The top three exhibitors with the most points in each Department are awarded Sweepstakes cash awards.
