

YOUTH LIVESTOCK SHOW ETHICS AND ANIMAL CARE WORKSHOP

The Florida State Fair, along with many other Fairs throughout the State of Florida, believes that every youth exhibitor should receive proper training and information for raising and showing a youth animal project.

It is important that the exhibitors understand:

- The purpose of youth livestock projects
- The importance of ethics in youth livestock projects
- Proper animal handling and management
- The difference between animal welfare and animals rights
- Be prepared to be an ambassador for animal agriculture

The Youth Livestock Show Ethics and Animal Care Workshop is designed to certify students to meet the mandatory certification requirements that will be in effect for the 2021 Florida State Fair. Certifications are valid for three (3) Fair seasons, not 3 calendar years.

For any questions, please contact Lynann Hudson, Director of Agribusiness at the Florida State Fair, at Lynann.Hudson@FloridaStateFair.com or 813-627-4341.
