Faced with the Coronavirus pandemic, the Fair Board, Staff and Volunteers are all working to plan a Fair for our community that will be unique and allow us to welcome you with open palms to our facility.

The theme for the 2021 Fair Exposition is “An Earthly A-Fair”. The exposition center will host exhibits to show Fair visitors how small changes in the way we live can make a huge impact on our lives. We will feature interactive and educational exhibits about the protection of our environment and the vital importance of agriculture. Clean air, water conservation and ways to protect our endangered species will all be part of the exposition.

This year’s premium book has lots of information on how you can participate in the many competitions that are annual traditions at the South Florida Fair. It also includes information on new activities and events that are being planned. We welcome you to become a part of a 109-year long tradition by participating in the 2021 South Florida Fair.

Thank you for helping us carry on the tradition of agricultural Fairs in America. We especially appreciate your support of the South Florida Fair.

INTERNATIONAL ASSOCIATION OF FAIRS & EXPOSITIONS (IAFE) NATIONAL CODE OF SHOW RING ETHICS

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers or absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following are list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of, consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event.

If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory, to which it is sent, is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

5. Any surgical procedure or injection of any foreign substance or drug or external application of any substance (irritant, counterirritant or similar substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only, and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expos and any special notices to members.
11. The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

SOUTH FLORIDA FAIR

PALM BEACH COUNTY EXPOSITIONS, INC.

SOUTH FLORIDA FAIR & PALM BEACH COUNTY EXPOSITIONS, INC.

ANIMAL WELFARE POLICY

The purpose of the South Florida Fair's Livestock Committee is to address all issues of animal care including:

- Appropriate care and management of animals while on the South Florida Fairgrounds by exhibitors.
- Educational programs for exhibitors and the general public.
- The philosophy of the South Florida Fair in regards to animal care and management.
- Handling expressions of concern for animal care from the public.

PHILOSOPHY STATEMENT

The South Florida Fair is an animal welfare advocate requiring the humane treatment of animals. Animal welfare advocates continue to expand their knowledge base about animals, their behavior, and their management as science and technology dictate. Animal welfare advocates celebrate the bond between animals and humans.

IN CONTRAST, animal rights activists seek to sever any bond between humans and animals. Most animal rights activists believe animals should only be admired from afar, without human intervention. A large fraction of the movement is also pushing for animals to be given the same rights and status as humans. Animal rights activists fundamentally believe animals should not be utilized to feed, clothe, assist, entertain, or benefit humans.

GENERAL RULES AND REGULATIONS FOR ALL EXHIBITORS

1. All entries and awards in all livestock departments shall be subject to the rules and regulations published in the premium book. Each exhibitor must complete, in its entirety, an entry form, W-9 and submit online to receive premium monies. A paper entry form is not required if you have submitted successfully online.
2. Entries close: December 1 for paper entries. A \$10.00 fee will be collected per exhibitor for paper entries mailed in, paper entries must be **POSTMARKED BY DECEMBER 1**. All fees must be paid at time of submission. **ALL** online submissions will have an extended deadline until **Midnight December 13**. No emailed or faxed entries will be accepted. Any entries received without required entry fees will be returned.
3. Substitutions for up to two (2) animals will be accepted at check-in. **This does NOT apply to Market animals**. These substitutions must be on a paper entry form and show the deleted and substituted animals. If the exhibitor does not have the appropriate paperwork, the substitutions will not be accepted. **ALL STUDENTS ENTERED IN THE SOUTH FLORIDA FAIR YOUTH SHOWS MUST HAVE COMPLETED THE ETHICS TRAINING WORKSHOP OR HAVE A CURRENT ETHICS NUMBER BEFORE JANUARY 1 TO SHOW AN ANIMAL AT THE SOUTH FLORIDA FAIR.**

Youth exhibitors must also be attending school or be enrolled in a certified home school program. Youth exhibitors who have graduated from high school or obtained their high school G.E.D. are not eligible to compete in youth shows (unless breed show rules supersede). **MARKET PROGRAM PARTICIPATION REQUIRES A G.P.A. OF 2.0 OR HIGHER.**
 - a. Protest Procedures: All protests must be in writing and accompanied by a deposit of \$100.00 cash or certified check, which will be forfeited if protest is not sustained. Such a protest must state plainly the cause of the complaint or appeal and must be delivered to Show Committee within twenty-four (24) hours after the occasion for such protest. Protest must be signed by three exhibitors.

- b. Order of hearing or protest: 1. Show Chairman. 2. Action by Show Chairman. 3. Final action by Livestock Committee.

Failure to adhere to each show's specific rules shall also be subject to these penalties. Specified protest procedures must be adhered to by all exhibitors.

7. Disqualifications: Any exhibitor who has been disqualified from competition in any livestock show or has premiums withheld or withdrawn on the grounds of rule violation(s), will not be allowed to compete in other shows. This shall include, but is not limited to, disqualification for fraud, misrepresentation, unethical fitting or deception. Judging procedures will not be interrupted for protest investigation, and depending on the basis of the protest, a decision may be withheld until a thorough investigation is completed. No complaint or appeal that a judge overlooked an animal, will be considered. If any exhibitor, in any way, whether in person or by their representative, interferes with the judge(s), or shows any disrespect to them or to show officials, the existing show may excuse him/her from the ring and exclude him/her from further competition; premiums that may have been awarded may also be withheld. If an animal is disqualified after having won awards or premiums, the animals placing below him may be moved up at the option of the Livestock Committee, to fill the vacated position.
8. Effective August 17, 2000, the Board of Trustees of the South Florida Fair and Palm Beach County Expositions, Inc. voted there would be absolutely no animal sales to the public, with the exception of those amended by the Board, during the annual Fair. By signing this form, I acknowledge that I have voluntarily chosen to enter the South Florida Fair & Palm Beach County Expositions, Inc. (the "Fairgrounds" or "Fair") and participate in any and all activities, events, and to use the Fairgrounds, including all of the building(s), walkways, common areas and amenities. In consideration for the Fairgrounds permitting me to participate in the event and use the Fairgrounds, I hereby acknowledge, release, agree, promise and covenant on behalf of myself, my children, my parents, my heirs, assigns, personal representatives and estate, with the Fairgrounds, each of its lessors, parent companies, subsidiaries, related companies and business concerns, past and present, and each of them, as well as each of its partners, trustees, directors, officers, members, employees, elected and appointed officials, licensees, volunteers, contractors, sponsors, representatives, managers, agents, attorneys, and all other persons or entities acting in any capacity on their behalf, past and present, and each of them (collectively referred to herein as the "Releasees").

I UNDERSTAND AND ACKNOWLEDGE that participating in this event and using the Fairgrounds entails known and unanticipated risks which could result in PHYSICAL OR MENTAL INJURY, PARALYSIS, DEATH, ILLNESS OR DISEASE, OR DAMAGE to me, my property, or to third parties. I understand and acknowledge those risks may result in claims against Releasees. However, I am making an informed choice to voluntarily accept such risks in exchange for the opportunity to participate in the event, and I agree that the benefits of the event outweigh the risks, which include but in no way are limited to:

(i) the acts, omissions or negligence in any degree of Releasees, or their agents or employees; (ii) the risks inherent in the event, including but not limited to any physical or mental injuries; (iii) latent or apparent defects or conditions of the Fairgrounds; (iv) improper or inadequate instruction or supervision regarding the event or use of the Fairgrounds; (v) the behavior of co-participants; (vi) accidents or incidents in the Fairgrounds; (vii) criminal acts, terrorism or acts of war declared or undeclared; (viii) exposure or potential exposure to sickness, illness, viruses, harmful bacteria and other infectious diseases; and/or (ix) first aid, emergency treatment or services rendered or failed to be rendered by Releasees, or their contractors, agents or employees.

I UNDERSTAND AND ACKNOWLEDGE that the above list is not complete or exhaustive, and that other risks, known or unknown, identified or unidentified, anticipated or unanticipated may also result in injury, death, illness, disease, or damage to me or to my property. I FURTHER ACKNOWLEDGE that I am in good physical and mental health, and not suffering from any condition, disease or disablement which would or could potentially affect my participation in the event, use of the Fairgrounds, or harm to co-participants.

I EXPRESSLY AND VOLUNTARILY AGREE, COVENANT AND PROMISE TO ACCEPT AND ASSUME ALL RESPONSIBILITIES AND RISK FOR INJURY, DEATH,

ILLNESS OR DISEASE OR DAMAGE to me or to my property arising from participation in the event or use of the Fairgrounds.

I VOLUNTARILY RELEASE AND FOREVER DISCHARGE AND COVENANT NOT TO SUE Releasees and all other persons or entities affiliated therewith, from any and all liability, claims, demands, actions or rights of action, which are related to, arise out of, or are in any way connected with the participation in the event, use of the Fairgrounds including, but specifically not limited to, any and all negligence or fault of Releasees.

I UNDERSTAND THIS IS A RELEASE OF LIABILITY THAT IS VALID FOREVER and will apply to all current and future participation in the event or use of the Fairgrounds authorized hereunder. I understand that this RELEASE OF LIABILITY will prevent me, my child, my heirs or my estate from bringing any action at law, suit in equity, or other judicial proceeding or making any claim for damages, injury or death in the event of damage, injury or death arising from participation in the event or use of the Fairgrounds.

I FURTHER AGREE, PROMISE AND COVENANT TO HOLD HARMLESS AND TO INDEMNIFY Releasees, and all other persons or entities from all defense costs, including attorneys' fees, or any other costs incurred in connection with claims for mental or bodily injury, wrongful death or property damage that may be filed by me, my child, my heirs or my estate. Such indemnity and defense obligation shall further extend to any claim or loss, which alleges that I negligently or intentionally caused any injury, death or damage to co-participants or other third parties in the course of my participation in the event or use of the Fairgrounds.

The Fair reserves the unilateral right to cancel this event for economic reasons, or for the public good, or for events including, but not limited to acts of God, fire, flood, natural disaster, a threat of or a tropical storm, a threat of or a hurricane, inclement weather, war or threat of war, acts or threats of terrorism, civil disorder, unauthorized strikes, governmental regulation or advisory, recognized health threats as determined by the World Health Organization, the Centers for Disease Control, or local government authority or health agencies (including but not limited to the health threats of COVID-19, H1N1, or similar infectious diseases), a pandemic, curtailment of transportation facilities, or other similar occurrence beyond the control of the parties in which case any funds paid by the participant for unused days, less actual expenses necessarily incurred by the Fair in connection with the event so cancelled, will be refunded without penalty. In addition, The Fair reserves the unilateral right to cancel this event in the event of any request by any Federal, State or County agency for use of the Fairgrounds under such circumstances, it being understood and agreed by the participant that its rights hereunder are subordinate and inferior to the right of use by any Federal, State or County agency or department, in which case any funds paid by the participant for unused days, less actual expenses necessarily incurred by the Fair in connection with the event so cancelled, will be refunded without penalty. Should the Fair exercise its rights to cancel this event for any reason, including, but not limited to, those stated above, the participant agrees to forego any and all claims for damages against The Fair and further agrees to waive any and all rights which might arise by reason of the terms of this agreement and the participant shall have no recourse of any kind against the Fair.
