Photographs

- Photographs must be printed on photo paper (gloss or matte), unless exhibiting in Alternative Process.

- Print size(s) can be any size as long they can be matted to fit to the 11 inches x 14 inches mat. Odd size prints may need the mat window professionally cut to size.

- Prints can also be attached to a board with a hinge mount; the method we recommend involve taping the print into place with folded hinges. Double stick tape can also be used to adhere the print to the backing board.
