Rules:

- All mowers will be checked in by a tech; not associated with any derby drivers. If the tech guy is unavailable, mowers will be checked in by a group of drivers together.
- All drivers and pit members must have a pit pass. Pits are hot zones and waiver must be signed.
- No alcohol consumption allowed by any drivers before the event.
- No arguing with any officials; if this happens you may be asked to leave without refund.
- Mowers will be allowed two 2- minute restarts and will have the option to roll them in to each other.
- Mowers must not leave the boundaries of event unless using restart.
- If driver gets off mower at any time during event you will be charged a restart.
- Mower will be allowed 30 seconds of still time; once 30 seconds are up you will be charged a restart.
- Driver may have one pit crew member to assist during the event.
- No work may be done to mower while on the track. If this rule is not followed, your time will start while on the track and you will be forced to move it off the track. If you do not obey officials, you will be disqualified.

- Your restart time will begin when you exit the boundaries.
- No flipping other mowers.
- No changing tires during the event.
- Once reentering the track, drivers must stop at boundary line and then can continue back on to the track.
