4. Rear tractor weights cannot interfere with hooking of sled.

5. Fuel: One fuel only – gas, LP or diesel.

6. All tractors will weigh before they hook for verification of weight only. If you are unsure of the weight, please weigh per regulation 17. You will not have time to adjust your weight at the time of your pull.

All tractors will have a tachometer PTO check with a 10% variance allowed to be checked at the time of final weigh.

All hand throttles and/or foot throttles may be checked for proper operation by judges at their discretion.

7. Removal of items such as hoods and other items which may create a safety hazard will not be allowed.

8. All weights must be bolted or securely fastened to the tractor. Any loss of weights will result in disqualification. Any front-end weight cannot extend more than 24 inches in front of the factory hood of the tractor.
9. No rain caps allowed on exhaust pipes.
10. Fan belts must be connected and running. Air intakes must be through a standard air cleaner.
11. Participants under the age of 18 will require signed consent from parent/guardian.
12. No persons will be allowed in the arena other than tractor operators and contest officials.
13. The pull is ended when:
  - a. Forward motion of tractor stops.
  - b. Driver does not remain seated.
  - c. Tractor or sled does not stay within the pulling strip or tractor hitch breaks.
  - d. Weight or something else falls from tractor.
14. Unsportsmanlike conduct before, during or after tractor pull will mean disqualification, also forfeiture of entry fee plus prize money won.
15. First hitched of each class has the choice of repull. If repulling, you must tell judges before unhooking from sled. Last pull is measured. If sled is not readjusted before the fourth tractor pulls in each class, class will be official.
16. Entry fee is \$20.00
