Nicole “Nikki” Fried
Florida Commissioner of
Agriculture and Consumer Services

Welcome to the St. Lucie County Fair!

Each year approximately 5 million people attend one of the numerous fairs around our state. As Florida’s Commissioner of Agriculture, I am enthusiastic about the positive impact fairs and livestock shows have on the agricultural industry.

Events like the St Lucie County Fair are an excellent platform for showcasing the finest “Fresh from Florida” products as well as the industry’s latest technological advancements and innovations.

The Florida Department of Agriculture and Consumer Services created and maintains the “Fresh from Florida” program, which assists small and large producers alike by promoting the wide variety of highest quality products that are grown and harvested in Florida. I hope we can also count on your support of this program – just look for the items with the “Fresh from Florida” label.

While you are visiting the St. Lucie County Fair today, I hope you will take the opportunity to enjoy the outstanding food, entertainment, contests and youth exhibits. Most importantly, I hope your day at the fair will allow you to experience Florida’s agricultural roots and its impact on our great state Enjoy!

Sincerely
NICOLE “NIKKI” FRIED
