NEW WEBSITE FOR STATE FAIR PARK

State Fair Park – Home of the Central Washington State Fair and the Yakima Valley SunDome has a new website! Residents and visitors can now access tickets, book events, and find information from one consolidated website.

“Having a relevant, user-friendly website is a critical component of marketing and reaching broad audiences.” said Greg Stewart, General Manager and President at State Fair Park. All three original domains www.fairfun.com, www.yakimasundome.com, and www.statefairpark.org will automatically link to the new website.

State Fair Park worked with Yakima Valley Tourism for assistance on this project.

For more information contact Anne Moneymaker at 509-248-7160.
