Please sell every other row first and then fill them in as more tickets are sold so that sections that sell less tickets still look more full.

**CORRAL PASS HEADER-** If you think we should do the Corral Party again, I would like to include a free Corral Pass with all tickets purchased through November 30. Then, beginning December 1 I would like to offer the Corral Pass as a \$10 add-on ticket. But first, let me know if you think we should do it.

**SPECIAL HOLDS-Some of these holds will be released the weekend of the show.**

---

- **Competitor Holds**

Please hold 45 tickets for riders and their families. We're looking for a section just behind the chutes that is near a stairwell or elevator.

- **Sponsor Holds**

Please hold 10 best available tickets in P1.

Please hold best available 50 tickets in P2.

Please hold 300 tickets in P4.

- **Announcer Holds**

We'll need an area for our announcer, secretary, sound guy and a couple of other people to sit in a location that is as close to the chutes as possible. Where was this last year? We'll want to use the same area again this year.

- **Sightline Holds**

How high is it at the start of the first row? If it's on the floor, then we'll need to hold some additional seats for sightlines.

I will release unused holds the week of the show, if not sooner.
