NO Sunday pick-up

**Please note that we are not responsible for crops & vegetables that are delivered on Wednesday and have deteriorated past their prime by judging time on Thursday. Judges will be instructed to rate entries based on their condition at the time of judging and will not be told which items were delivered Wednesday & which were delivered on Thursday.

Please review all information in the Competition Guide before entering items in the competition. **Delivery instructions and maps will be provided on line and by emails to those who share an email address.**

Enter on-line at www.statefairva.org. Mail-in entries may be sent to State Fair of Virginia, Horticulture, 13191 Dawn Blvd., Doswell, VA 23047. Faxed entries will not be accepted. Tags will be picked up at delivery of products.

Guidelines:

1. All State Fair General Rules and Crops and Vegetables Department Rules apply. By making an entry, you agree to read and abide by these rules.
2. An email will be sent to all exhibitors who provide an email address reminding them of instructions for delivery. Tags will be held until delivery of items.
3. Each entry shall be composed of specimens of only one variety or strain except where indicated. All vegetable and fruit specimens should be mature. All fruit and vegetables should be in their natural state. No waxing or altering the product in any way will be allowed. Do name the plant variety on the “description” part of the entry form.
4. All produce must be grown by an individual competitor (no groups or teams) during the current calendar year, unless otherwise specified.
5. A competitor shall be permitted to make only one entry in each class, but may enter in as many individual classes as desired.
6. The Fair assumes no responsibility in case of loss or damage to exhibits.
7. No plants may be removed until release time and must be checked out with Superintendent. Tag stubs (claim checks) must be presented before entries are released.
8. Prize-winning exhibits removed by the competitor prior to the official release time will forfeit monetary awards.
9. It is the competitor’s responsibility to pick up or dispose of entries. After the last scheduled pick-up time, all remaining products will be considered abandoned and the Fair will in no way be responsible for them.

10. Perishable products may be removed from display by the Superintendent after judging if the product reaches a state of decomposition.
11. Subject to space limitations, only first, second or third place winners may be displayed.
10. Competitors must be age 5 to 18 as of September 1. All State Fair General Rules and the Crops and Plants Department Rules apply. By making an entry, you agree to read and abide by these rules.
11. Plants must be grown by the individual competitor and have been in their possession and established in its container for at least three months. Please include variety name, if known, under "description."
12. Only plants entered in the correct class will be judged. You are responsible for correctly identifying the class for each plant entered.
13. Containers used as hanging baskets MUST have sturdy hangers. Plant and container must NOT weight more than 40 lbs.
14. Plants identified as diseased, infested or in broken containers will not be judged or displayed.
15. Plants will be watered by State Fair staff during the Fair; otherwise, the State Fair assumes no responsibility for exhibited plants or plants not displayed.

All entries are subject to spraying with fire retardant, as required by the Fire Marshall.

Judging Criteria

| | |
|---|-----|
| Cultural Perfection | 60 |
| Plants should have vigorous, healthy appearance and form including foliage, flowers and/or fruit, which is characteristic of a well-grown plant. There should be no indication of pests or disease and have a good shade of color typical to the variety. | |
| Grooming: | 20 |
| The entry should be clean and well groomed. No dried flowers, pollen, dirt, careless labeling, spray residue, spots, etc. Be aware of over grooming. Too much trimming may be penalized. A good rule of thumb is "taking nothing away... adding nothing" other than general grooming. | |
| Distinction | 10 |
| when compared to other entries of its class the entry has one or more observable superior quality that sets it apart as a specimen. | |
| Container | 10 |
| There should be good balance between the sizes of plants and the container. The container should be full enough to prevent the appearance of legginess or overcrowding. Plants should be well established in their container. | |
| Total | 100 |
