Join the Virginia Auctioneers Association (VAA) at this year's State Champion Auctioneer Contest at the State Fair where Virginia's finest auctioneers will compete for one of the VAA's most coveted titles.

Contestants bring specially selected items to auction from all over the State. The items are as many, varied and creative as the imagination of the contestants and the committee. Past auction items have included items such as:

- Coins
- Art
- Electronics
- Jewelry
- Collectibles
- Tools
- Glassware
- Crafts
- Yetis
- And much, much more.

In the preliminary round, each contestant will auction 3 items they have specially selected to showcase their skill. In the subsequent championship round, the top 6 finalists will auction another set of select items chosen by the committee.

Make plans to attend all day at the Fair, eat bar-b-que at the VA Tech Block and Bridle Club tent and spend the evening with us at the auctioneer contest.

Watch out for special priced State Fair Tickets on the State Fair website, social media and the VA Farm Bureau Member Deals Plus app.
