4-H GENERAL POLICIES

Read carefully the 4-H General Policies of the Sweetwater County Fair. Participants/exhibitors and chaperones will abide by all policies.

1. All Wyoming 4-H members in good standing are eligible to enter exhibits in the 4-H Department's Divisions and Classes. A member must be enrolled in the project in which he/she exhibits and the exhibit must be the result of the 4-H member's project during the current 4-H year.
2. All 4-H contests and activities will be supervised by Extension Educators and support staff, 4-H Leaders, and 4-H Junior Leader Council members.
3. Contestants **MUST** register for all county contests to be eligible for awards and/or premiums.
4. The University of Wyoming Extension (UWE) Staff are responsible for the organization and supervision of the 4-H Department.
5. All 4-H members must be properly chaperoned. 4-H Leaders and parents must be accountable for members at all times and cooperate with the UW Extension Staff and Fair Management.
6. **THE USE OF ALCOHOL, TOBACCO, AND ILLEGAL DRUGS IS PROHIBITED AT ALL 4-H SPONSORED EVENTS OR ACTIVITIES.**
7. **Conduct** – Every 4-H member and 4-H adult volunteer or chaperone signed an agreement outlining behavior expectations. While participating as a 4-H member or volunteer, that Code of Conduct or agreement is in effect.
8. **Medical Emergencies and Health Forms**-- In the case of a medical emergency, seek immediate attention from medical professionals either by calling 911 or via the First Aid Station on the grounds of the county fair. After immediate attention is addressed, please contact your UW County Extension Educator.
9. **Mandatory State Fair Meeting**—All those interested in attending the Wyoming State Fair **MUST** attend the State Fair meeting held Saturday at 9:00 a.m. in the Small Hall. Discussions will include: responsibilities, meal tickets, housing, transportation, etc. All paperwork required for attendance at State Fair must be completed at this time. Livestock members need to check in and let the 4-H staff know whether you will attend the auction and/or State Fair for the auction book. If you fail to check in at this time, the Superintendent will follow up with the next placed individual, if applicable.
10. **Grievances** – (1) Must be submitted in writing and must be accompanied by a \$50.00 check. If the protest is granted, the check will be refunded to the owner. (2) The protest must be submitted to the appropriate superintendent. (3) The protest must be filed in writing at least 12 hours after the grievance arises. (4) The show superintendent, a representative of the County 4-H Office, FFA Advisor and Fair staff will make up the grievance committee to hear the concern.

EXHIBIT INFORMATION

1. The Sweetwater County Fair, UW Extension Staff or FFA Staff will not be responsible for the loss of or damage to any article or animal.
2. It is the responsibility of 4-H and FFA youth for correct entry of their exhibits.
3. **4-H Entries** – All entries must be entered online. **4-H members must register for their classes by 11:59 pm on Sunday, July 19th, 2020. NO EXCEPTIONS !** Youth may make multiple entries. Exhibits should demonstrate different skills learned by the youth.
4. 4-H and FFA youth members that are signed up for fair may add or modify their entry after the entry deadline. There will be an alteration fee applied to added or modified entries that are made after the entry deadline. No fee will be applied to entries that are dropped.
5. Any project entered by two or more youth members shall be entered as a club or group entry, unless the project can be demonstrated (uniquely) by each member.
6. All 4-H members with static (non-live) exhibits will participate in Interview Judging. However, due to the absence of interview judging at the Wyoming State Fair, the accompaniment of a brief explanation with your project may help the judge when assigning a ribbon placing (Skills Summary Questionnaire) should your project be entered at the State Fair.
7. Because 4-H promotes a learning experience associated with project enrollment, entries are evaluated within the context of the division in which they are entered. i.e. Entry in leathercraft is evaluated on leathercraft skills.
8. Posters, pictures, artwork and photography exhibits should come with a method for hanging them on hooks attached to pegboard. If the items cannot be hung, they will be displayed on the floor or table. Display boards or poster boards must be able to stand "on their own" on a table.
9. Any exhibit that puts the safety of others at risk of injury or harm, as deemed by the local 4-H office or FFA staff may not be allowed to be publicly displayed and/or judged.
10. Oversized exhibits will be displayed as space permits.

11. 4-H and FFA static exhibits are placed as judged using the ribbon recognition (Blue, Red, White, Pink).
12. **4-H Static (Non-Live) Exhibit Interview Judging will be on Monday, July 27th in the Small Hall and will be separated by divisions and judged at specific times.**

18. In June, 1982, the 1940 agreement between the Wyoming State Department of Vocational Education and the Wyoming Agricultural Extension Service involving 4-H youth was reviewed and amended to read as follows:
"If a boy or girl is enrolled in both 4-H and Vocational Agriculture or Home Economics, work done must be different in each. For example: 4-H members may carry the same type of supervised occupational experience program in vocational agriculture or as a 4-H project, but the exhibit must be different in each. The FFA exhibit must come from a supervised FFA program and the 4-H exhibit must come from a 4-H project."

GENERAL YOUTH LIVESTOCK INFORMATION

1. Drenching as method to source nutrition for an animal is prohibited. Only in the case of a licensed veterinarian prescribing an animal health need to utilize drenching.
2. **All animals brought to the Sweetwater County Fair must be accompanied by a current certificate of veterinary inspection obtained within one (1) week prior to Animal Check-In.**
When a question arises concerning the health of any animal exhibited on the fairgrounds, the Show Superintendent shall consult with the County Fair Veterinarian and recommend an action to the Fair Management. Animal may be dismissed or quarantined, if necessary.
3. Horse exhibits must adhere to current state veterinary procedures.
4. All livestock brought to the Sweetwater County Fair must be accompanied by a current brand inspection and other necessary paperwork.
5. In June, 1982, the 1940 agreement between the Wyoming State Department of Vocational Education and the Wyoming Agricultural Extension Service, involving 4-H and FFA youth, was reviewed and amended to read as follows:

"If a boy or girl is enrolled in both 4-H and Vocational Agriculture or Home Economics, work done must be different in each. For example: 4-H or FFA members may carry the same type of supervised occupational experience program in Vocational Agriculture or as a 4-H project, but the exhibit must be different in each. The FFA exhibit must come from a supervised FFA program and the 4-H exhibit must come from a 4-H project."

6. Ownership

- **Market Beef** – All tagging information was submitted to the Wyoming State Fair Office on February 1, 2020 by the Sweetwater County Extension Office.
- **4-H Dogs - June 1**
- **Sheep, Swine, Poultry, Rabbits, Breeding Beef, Dairy Cattle, Dairy Goats, Meat Goats and 4-H Cats - June 1.**

Market animals not having the proper tags in place will not be eligible to show at the Wyoming State Fair. NO EXCEPTIONS!

7. Unsportsmanlike conduct will not be tolerated, and the offending exhibitor will forfeit premiums and may immediately be dismissed from the fairgrounds.
8. **YOUTH ANIMAL CARE/FITTING POLICY:** Youth exhibitors must accompany, care for and exhibit their own livestock at the Sweetwater County Fair. A Youth member is expected to take care of and groom/fit their own animal at the Sweetwater County Fair. However, in the interest of safety or education, a Youth Member may be assisted by another person that has the intention of educating the youth exhibitor.

The following are **STRICTLY** the **ONLY** acceptable practices:

- a. Youth member must be involved by actively watching and listening to the person assisting them with fitting/clipping their project. Any youth using devices (ex. Cell phone, etc.) that serve as a distractor during this time will be issued one warning to get involved.
- b. Youth member is to be observing the assistor's technique and should then take over and do the rest of that specific technique needed to be done on the animal.
- c. Youth member must be actively assisting with either the fitting or clipping of their project by operating some fitting/clipping device/equipment while the other person is assisting.

If one of the three previous given scenarios is not being practiced than one warning in the form of "Get the Youth Member Involved" will be given.

After this any argument or disregard to the warning will result in the person assisting being directed to leave the barn until the fitting/clipping of that animal is complete.

From the 4-H and FFA perspective fair week is all about increasing the youth's knowledge about their projects and agriculture. With that said, assistance is defined as a learning situation, where a person doing the assisting is teaching another member a technique in fitting or showing.

During official market/breeding class judging, the registered owner of that 4-H/FFA project are required to be the showman exhibiting it. If the owner of the 4-H/FFA project being shown needs assistance during the official class judging, they can then request the aid from **ONLY** a currently enrolled & active youth 4-H/FFA member. This 4-H/FFA youth giving aid can **STRICTLY** do so by either acting as an accompanist to the owner of the livestock project being shown, or if an owner has more than one animal in a class, the 4-H/FFA youth giving aid can show the additional entry(s) in the official class judging.

9. During official Showmanship class judging, exhibitors are required to show their own registered project. This must be done without **ANY** outside assistance (ex. Must be done without aid from an active youth 4-H/FFA member or adult accompanist).
10. All adults except those qualified to be in the show ring, must remain outside the show ring while the show is underway.
11. Each Youth member having livestock for show is required to keep their display area clean and have the stalls orderly at all times. Failure to do so may result in forfeiture of premiums and/or awards. Herdsmanship is an important feature of the Youth Shows at the Sweetwater County Fair. Stall cards are to be completed and on display for the duration of the fair.
12. Youth members will keep their livestock well-groomed at all times during the fair. Cattle should be tied securely and gates of sheep and hog pens kept closed.
13. Grievances: (1) Must be submitted in writing and must be accompanied by a \$50.00 check. If the protest is granted, the check will be refunded to the owner. (2) The protest must be submitted to the appropriate superintendent. (3) The protest must be filed in writing at least 12 hours before the show begins or within 12 hours after the end of the show. (4) The show committee, superintendent, 4-H Educator and/or FFA Advisor will make up the grievance committee to hear the concern.
14. **THERE WILL BE NO UNLEASHED DOGS ALLOWED IN THE LIVESTOCK BARN.**
15. All livestock fans must be mounted at least five (5) feet high, on stationary mounts. No fans in pedestrian walkways. Fans or equipment in use by exhibitors that is deemed by Fair Management to be obstructing safety, needed pen space or barn operations will be requested to be removed. Safety guidelines must prevail.
16. All Youth Show animals must be housed in the designated Youth Livestock Barns, unless given special written permission by the Youth Livestock Superintendent.

17. Youth Livestock Shows will be placed according to their merit-1st, 2nd, 3rd placings. In larger classes, more placings may be made according to the size of the class.

18. **Youth Dress Code**--4-H members in the horse show, market animal and showmanship and livestock classes are encouraged to wear a collared shirt and pants, with the exceptions of horse specified events. Remember: your appearance tells the judge how much pride you take in your project. For safety reasons, large animal entrants of all classes (beef, sheep, swine, and goat) will be required to wear leather hard soled shoes (no soft soled footwear such as tennis shoes). Dog entrants may substitute the dark pants for a functionally appropriate dark skirt.

FFA youth are encouraged to follow the Official FFA Dress (see official FFA Manual).

19. Livestock loading will begin at 8:00 a.m. on Sunday morning.
20. The Sweetwater County Fair Grievance Committee reserves the right to interpret these rules and regulations and arbitrarily to settle and determine all matters, questions and differences in regard thereto arising out and not covered by them.
21. Swine, lambs and beef considered underweight shall be placed in Feeder Classes.
22. **THE DECISION OF THE JUDGE TO "NO SALE" ANY ANIMAL BECAUSE IT DOES NOT MEET THE CRITERIA OF ACCEPTABLE MARKET STANDARDS, WILL BE UPHOLD BY THE SWEETWATER COUNTY YOUTH LIVESTOCK AUCTION.**
23. **All livestock must be on the Sweetwater County Fairgrounds by their weigh-in time on Wednesday and will not be released until Sunday at 8:00 a.m.**

Weigh-in schedule will be:

SHEEP & GOATS	Wednesday from 9:00-10:00 am
BEEF	Wednesday from 10:00-11:00 am
SWINE	Wednesday from 12:00-5:00 pm

All animals housed at the Sweetwater County Events Complex for county Fair must be fed by 7:00 a.m. and again at 7:00 p.m. **Beef will remain in stalls and will not tie-in**

THE FOLLOWING INFORMATION REPRESENTS THE WYOMING STATE FAIR POLICIES AND PROCEDURES RELATING TO THE JUNIOR LIVESTOCK SHOWS. SWEETWATER COUNTY FAIR FOLLOWS THE WYOMING STATE FAIR POLICIES & PROCEDURES.

IAFE NATIONAL CODE OF SHOW RING ETHICS

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE National Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

- 1) All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age or any facts relating thereto is prohibited.
- 2) Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
- 3) 4-H exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
- 4) Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer, and/or

absolutely responsible person for show management to obtain any specimens of urine, saliva, blood or other substances from the animal to be used in testing. Animals not entered in an event which culminates in the animals entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event.

If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

- 5) Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, conformation, or appearance, except the external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
- 6) The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
- 7) Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, co-operation and respect and no person shall direct abusive or threatening conduct toward them.
- 8) No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
- 9) The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
- 10) The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.
- 11) The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

2020 WSF ANIMAL CARE STATEMENT:

Wyoming State Fair has developed an Animal Care Committee with representatives from: Wyoming State Fair, Wyoming Department of Agriculture; and Wyoming Livestock Board. The committee is charged with determining proper care is given to all species of livestock while they are on the Wyoming State Fairgrounds as well

as upholding high standards of animal husbandry and ethical practices of exhibiting animals (as addressed in Wyoming Statute 11-30-114).

The Animal Care Committee shall be comprised of the Wyoming State Fair Director or their designee; the Director of the Wyoming Department of Agriculture or their designee; the Wyoming State Veterinarian or their designee; and the Superintendent for each species specific division of the Wyoming State Fair. The division Superintendent will be a non-voting member in cases where they (as an individual) bring matters of concern or violation before the committee.

The Animal Care committee shall be convened for matters of concern raised by Wyoming State Fair Officials (Superintendents; Staff; or Judges) or individual members of the Animal Care Committee. The Animal Care Committee may determine the need to contact Wyoming Livestock Board Law Enforcement Division personnel regarding potential violations of statute. Wyoming Livestock Board Enforcement Division personnel may be present on the Fair Grounds at any time to identify or to investigate alleged violations of statute.

Every exhibitor, in consideration of their entry being accepted by the Wyoming State Fair, agrees to submit any animal so entered to inspection by the Animal Care Committee. The exhibitor agrees that protests to conclusions and decisions reached by the Animal Care Committee shall be subject to the Wyoming State Fair protest process, and that further testing may be done to confirm the initial conclusion(s) and decision(s) of the Animal Care Committee. A unanimous decision by the Animal Care Committee is necessary for disqualification. 2020 WSF TAIL DOCK POLICY

Sheep presented for exhibit at Wyoming State Fair shall have no evidence of rectal prolapse, nor evidence of surgical tail removal. Following visual examination by the Animal Care Committee, evidence of either of these conditions is cause for immediate disqualification without recourse. Sheep presented for exhibit at Wyoming State Fair that are visually examined by the Animal Care Committee and determined to lack visible tail length may be evaluated by palpation for the presence of tail vertebrae. If no tail vertebrae are found it is cause for immediate disqualification without recourse. Disqualified sheep shall be released and removed from the exhibit area. Determinations and decisions of disqualification by the Animal Care Committee are final and subject to confirmatory testing as Specified in the Animal Care Statement section of this premium book.

In years previous, increased frequency of surgical removal of sheep tails and instances of extreme tail docking of sheep led the Wyoming Board of Agriculture to take decisive action by implementing a Tail Dock Rule at the Wyoming State Fair which required the presence of three full coccygeal vertebrae on sheep exhibited at the Wyoming State Fair.

At this time, the Wyoming Board of Agriculture feels significant progress has been made by members of the show sheep industry in addressing the concerns of surgical tail removal and extreme tail docking of sheep, and therefore chose to adopt this rule.

If at any time the Wyoming Board of Agriculture determines that members of the show sheep industry are reverting to the practice of extreme tail docking or the surgical removal of tails of sheep, the Board of Agriculture will direct the Wyoming State Fair to re-instate the rule requiring the presence of three full coccygeal vertebrae on sheep.

Wyoming State Fair and the Wyoming Department of Agriculture encourage exhibitors to practice the highest standards in animal agriculture. Therefore, all sheep shown at the Wyoming State Fair should be docked in a manner that does not compromise the animal's health and wellbeing.

- 3) All animals brought to the Sweetwater County Fair must be accompanied by a current certificate of veterinary inspection.
- 4) When a question arises concerning the health of any animal exhibited on the fairgrounds, the Show Superintendent shall consult with the 4-H Educator or FFA Advisor and County Fair Veterinarian and recommend an action to the Fair Management. - 8) **YOUTH ANIMAL CARE/FITTING POLICY:** Youth exhibitors must accompany, care for and exhibit their own livestock at the Sweetwater County Fair. A 4-H or FFA member is expected to take care of and groom/fit their own animal. However, in the interest of safety and education, a Youth Member may be assisted by another person that has the intention of educating the youth exhibitor

The following are **STRICTLY** the **ONLY** acceptable practices.

- a. Youth member must be involved by actively watching and listening to the person assisting them with fitting/clipping their project. Any youth using devices (ex. Cell Phone, etc.) that serve as a distractor during this time will be issued one warning to get involved.
- b. Youth member is to be observing the assistor's technique and should then take over and do the rest of that specific technique needed to be done on the animal.
- c. Youth member must be actively assisting with either the fitting or clipping of their project by operating some fitting/clipping device/equipment while the other person is assisting.

If one of the three previous given scenarios is not being practiced than one warning in the form "Get the Youth Member Involved" will be given. After this any argument or disregard to the warning will result in the person assisting being directed to leave the barn until the fitting/clipping of that animal is complete.

From the 4-H and FFA perspective, Fair week is all about increasing the youth's knowledge about their projects and agriculture. With that said, assistance is defined as a learning situation, where a person doing the assisting is teaching another member a technique in fitting or showing.

- 9) During official market/breeding class judging, the registered owner of that 4-H/FFA project are required to be the showman exhibiting it. If the owner of the 4-H/FFA project being shown need assistance during the official class judging, they can request aid from ONLY a currently enrolled & active youth 4-H/FFA member. This 4-H/FFA youth giving aid can STRICTLY do so by either acting as an accompanist to the owner of the livestock project being shown, or if an owner has more than one animal in a class, the 4-H/FFA youth giving aid can show the animal entry(s) in the official class judging.
- 10) During official Showmanship class judging, exhibitors are required to show their registered project. This must be done WITHOUT any outside assistance (ex. Must be done without aid from an active youth 4-H/FFA member or adult accompanist).
- 11) Each 4-H or FFA member having livestock for show is required to keep their display area clean and have the stalls orderly at all times. Failure to do so may result in forfeiture of premiums and/or awards. Herdsmanship is an important feature of the Youth Livestock Show. Stall cards are to be completed and on display for the duration of the fair.
- 12) **Unsportsmanlike conduct will not be tolerated and offending exhibitors may forfeit awards and premiums; be dismissed immediately from the fairgrounds and/or lose future eligibility from the Sweetwater County Fair.**
- 13) The Sweetwater County 4-H and FFA exhibitors in the Youth Livestock Show are encouraged to wear a collared shirt and pants. Leather hard-soled shoes are required. (see page 9, #19) or the **FFA Official Dress** (see official FFA manual).
- 14) The Sweetwater County Fair Management, Superintendent, 4-H Educators and FFA Advisors reserve the right to cooperatively interpret all rules and arbitrarily settle all differences and questions not adequately addressed in this guide.
- 15) **NATIONAL CODE OF SHOW RING ETHICS**
Refer to page 5-6.

The Wyoming State Fair reserves the right to limit or exclude the benefits of participation by any exhibitor determined by the State Fair to be in violation of this policy.
8. The attempted surgical or non-surgical alteration of conformation of an animal is prohibited, except for dehorning. Cattle are to be shown in their natural conformation.

YOUTH RABBIT SHOW – DIVISION 1611

PREMIUMS: SEE PAGE 35

Due to RHDV2 the rabbit show will be held virtually this year.

Please submit a Showmanship video presentation and pictures to Marty Henry mgiffor2@uwyo.edu. If the video is too large to email, save it to a flash drive and bring it with you to the show.

Rabbit exhibitors will meet with the judge on Monday, July 27th at 6:00pm, please arrive 30 minutes early so we have time to get the iPad set-up for the exhibitor.

When entering for the fair put 0000 for tag number.

1. Due to the rapid development of diseases in rabbits, health certificates must be issued within 48 hours of the show. Veterinarians may be available at the show to conduct health examinations. Any rabbit showing symptoms of disease shall not be allowed on grounds or shall be removed from the show area immediately.
2. Rabbits do not necessarily need to be pedigreed or registered or meet ARBA standards; however, exhibitors are encouraged to breed and show high quality individual rabbits.
3. No more than two rabbits may be shown in each class by the same exhibitor. Due to small numbers, varieties in many breeds will be shown together. When any one variety averages at least three entries per class, it will be shown separately.
4. If an animal is shown in a fur class, it must also have been shown in its respective Breed Class. Animals disqualified for reasons other than health may still show in the fur class. Fryer fur animals should be shown out of a meat pen only.
5. All rabbits must be tattooed before coming to fair. Rabbits should be tattooed in their left ear. A tattoo kit is available for check out from the 4-H office. Exhibitors are asked to have all rabbits tattooed in the left ear in order to participate at the State Fair Junior Rabbit Show.

- ELIGIBILITY OF FLEECES:** Each fleece entered must have been grown by a Wyoming 4-H member and be from sheep recognized as part of current project work and have been shorn in 2018 or 2020. 2018 fleeces shown at a 2018 Fair are not eligible for the 2020 Sweetwater County Fair. Each fleece must represent not more than 12 month's growth, except that in the case of yearling fleeces, where 16 months' growth will be allowed.
- FLEECE QUALITY:** Any fleece entered in competition shall be discriminated against if:
 - tied with other than paper twine

 - showing excessive dung locks or tags
 - discolored by excessive moisture
 - cotted
 - showing a weak staple or break in fiber
 - containing any excess burrs or other vegetable matter. Fleeces showing black fibers will be disqualified.
- PREPARATION OF FLEECES:**
 - Spread out the fleece on a clean table or floor, skin side down, taking care not to pull or open fleece as it is handled. The fleece will look like a pelt or hide. At this stage, before rolling or tying, remove all heavy tags, stained wool, and obvious foreign matter. Rolling the fleece takes four easy steps:
 - Begin at one side and loosely fold 8 to 10 inches of the edge toward the center of the fleece.
 - Do the same on the other side, but fold toward the center two times-until the twice folded portion lies on top of the first fold.
 - Fold in the head wool.
 - Roll the entire fleece from the breech toward the shoulder and long side wool. Fleece is now ready to be tied. Using paper fleece twine, wrap it in two directions and tie as you would a package. There should be no loose ends hanging from the fleece. It should be loose enough to make judging easy, yet compact enough to prevent it from falling apart when handled.

OBEDIENCE

1. A 4-H member may compete in only one obedience class per dog with a total maximum of two dogs. Their first dog is referred to as the "A" dog. The other dog is referred to as their "B" dog for class entries. An exhibitor competes in an "A" class with their first dog and in a "B" class with their second dog.
2. The first-year class beginner novice class is for members who are in their first year of the dog project, not the first year with a new dog. It is designed as a training class for members who do not feel competent to start in the On Leash class. **Members may compete in the first year beginner's novice class only once.**
3. A 4-H exhibitor with a dog shown previously in obedience classes by another 4-H handler or a dog that has a title from another organization or has three qualifying scores from the designated annual county 4-H show, must show the dog by these guidelines:
 - a. Junior and Intermediate age exhibitors may move back or down one level.
 - b. Senior age exhibitors must show the dog at the highest level the dog has achieved.
4. A dog receiving a qualifying score of 170 points at the designated annual county 4-H show may advance the following year to the next higher class but must advance after receiving 3 qualifying scores. Once the higher level of obedience is selected for the dog, the member may not drop back/down to the lower level with the same dog.
5. **High in Trial** will be calculated on the basis of the raw qualifying score plus five additional points with each increase in level of difficulty.
6. Score Sheets: The Wyoming 4-H dog score sheets were designed for the benefit of 4-H members. They are intended as guides for judges. Judges use their discretion in deciding the seriousness of errors.
7. All dogs must enter/leave show ring and compete with a leash.
8. **Bait and/or toys are not allowed in obedience competition.**
9. Dogs soiling or urinating in the ring will be disqualified and receive no score.

- Classes 20 and 21 are for cross-bred dogs—parents of different breeds—and will be judged according to the predominant breed characteristics and/or soundness, gait, condition and grooming.

- Youth, with a dog shown in previous years by another 4-H member, or a dog that has a standard agility title from another organization, or has received three qualifying scores from the designated annual county 4-H show, must show the dog under these guidelines:
