

Alaska Solar Tour

A Project of Local Community Coordinators

2018 Fairbanks Solar Tour

10 years under the Midnight Sun

Please join us in celebrating peace, community and the warmth of the sun, on this, the 10 year anniversary of the Alaska Solar Tour. This year 12 communities around the state have held, or are planning for their own events and this is where we shine. In addition, to the traditional tour we have added:

The “Faces of Solar” art exhibit

Virtual reality tours

Keynote speaker: Mike Craft, Delta Wind Farm

SPECIAL ATTRACTION: Guided tour of GVEA Solar Farm

September 22, 2018

10am Kick off Kiwanis Bldg. 12-4 self-guided tour
