### GENERAL INFORMATION

**ENTERING:** Get a Fair ID number from the Fair Office. Use this number every year. Each animal entry or pen of animals must have a stall card (available in the Fair Office and online). Entry forms may be picked up from the Fair Office ahead of time, or they will be available in the Largen barn on Entry day.

**PURE BREED JUDGING:** Purebred registration papers must be available if required and must include animal identification. Add the name of the breed to the Lot number on the stall card. At least three animals of the same breed for large animals and five animals of the same breed for small animals must be entered to be eligible for a Best of Breed ribbon.

**JUDGING SYSTEM (LIVESTOCK):** Open Class judging in this Division is done using the American System. 4-H and FFA Class are judged on the Danish System. The DANISH system of judging uses an established standard of perfection as the basis for judging. Each exhibit is judging individually in comparison to the standard. The judge then decides whether the exhibit is deserving of a Blue Award (Excellent), Red Award (Good), White Award (Worthy), or no award.

**CARE OF ANIMALS:** Exhibitors are responsible for ensuring their animals always receive proper care including daily food and water available. All animals, pens, equipment, and aisle spaces are always to be kept clean. All exhibitors are required to provide their own feed. The Fair for bedding of all animals will furnish wood shavings. If other bedding is desired, the exhibitor must furnish it. Manure must be deposited in designated areas only. Exhibitors are required to abide by the individual rules set out by each Division for which they have animals entered. If a Division Superintendent needs to call the veterinarian for emergency animal care during the Fair, the owner will be responsible for the charges. The Tanana Valley State Fair Association has no liability for sick or injured animals. **Exhibitors who fail to take proper care of their livestock will forfeit all premiums.**

All charges incurred for veterinary service or necropsy will be the responsibility of the exhibitor.

**BARN DUTY:** Open, 4-H, and FFA exhibitors **must** sign up for two 2-hour Barn duty shifts in each area they are exhibiting in during the week to help keep the barns, aisles, and surrounding areas clean, and to answer questions from the public. If there are not enough exhibitors to fill Barn duty shifts, the Superintendents may make the Barn duty shifts a longer duration. The Superintendents will determine duties.

**LIVESTOCK AREAS:** Specific areas are designed for showing, judging, exercise, transport, feeding, watering, grooming, etc. No animal will be allowed outside the designated areas. The owner or exhibitor must attend to all animals being exercised. Failure to comply with this rule will result in forfeiture of premiums and/or expulsion from the Fairgrounds.

**OVERNIGHTERS:** All youth a parent or guardian must accompany exhibitors under 18 spending the night in the livestock parking area. Livestock exhibitors willing to volunteer as night guards in the Livestock barn should call the Fair Office or the Division Superintendent. **EXHIBIT SECURITY:** The TVSFA management uses every possible precaution to protect the exhibits and property while on exhibition. Due to the conditions beyond our control, the Fair management and/or association members will not be held responsible for personal injuries, accidents, or losses sustained by visitors, exhibitors, or other people on the Fairgrounds. **Any concerns regarding security of your exhibit must be dealt with prior to the Fair. Entering an exhibit into the Fair indicates that the exhibitor accepts the inherent risks in displaying his/her exhibits in a public forum.**

**PARKING:** Vehicle entry for the purpose of caring for or exhibiting animals will be made only through Green Gate (see Fairground map). This area is for Livestock and Equine exhibitors only. Livestock/Equine parking will be as follows: \$3 per day for day parking only (no overnight), \$5 per day for a 20' x 40' space, and \$7 per day for a 20' x 60' space. Passes are available through the General Livestock Superintendent. **No parking passes will be sold through the Fair Office or at the gates.** Superintendents and Show Managers have reserved spaces. Failure to honor these will result in having your vehicle towed. **You must have a parking pass PLUS paid gate admission to be allowed into this area. NO EXCEPTIONS WILL BE MADE, so plan ahead. The wristband issued for Livestock and Equine areas is for identification only and does not replace a parking pass or paid gate admission.**

**Parking passes for Livestock Exhibitors may be purchased from the General Livestock Superintendent on Entry Day when turning in entry forms. Failure to abide by the directions of the Fair staff or Security team will result in a verbal or written warning and potential expulsion from the Fairgrounds. Purchase of a Livestock parking pass implies agreement to these conditions and rules.**

#### **ETHICS POLICY FOR ANIMALS**

Every person with a live animal has a moral obligation to conduct him or herself with the highest standards of honor and dignity toward said animal and all people involved. Those ethics are to be used as guidelines for fair treatment of animals while on the property of the Tanana Valley State Fair Association.

Exhibitors, owners, or responsible persons in possession of animals on the Tanana Valley State Fair Association property shall at all time conduct themselves honestly and display good sportsmanship. TVSFA requires all exhibitors, owners, trainers, or responsible persons to be responsible for the care and management of their animals and to keep them healthy, clean, and safe.

#### **ANIMAL PREGNANCY: NO PREGNANT ANIMALS ALLOWED IN LAST HALF OF PREGNANCY.**

**Any animal that gives birth at the Tanana Valley State Fair will be banned from the fair for one year for first violation. The exhibitor of the animals will forfeit premiums for the year.**

**Second violation of this rule will result in a Five-year ban.**

#### **CODE OF SHOW RING ETHICS**

Adapted from the IAFE Code of Show Ring Ethics

Exhibitors of animals at livestock shows shall always deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open Class exhibitors who compete in structured Class of competition. This code applies to all livestock offered in any event at the Tanana Valley State Fair. All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers, and responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

- 1)** All exhibitors must present, upon request of Fair and livestock show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
- 2)** Owners, exhibitors, fitters, trainers, or responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair officials.
- 3)** Junior exhibitors are expected to care for and groom their animals while at the fair.
- 4)** Animals shall be presented to show events where they will enter the food chain free of vaccine drug residues. The act of entering an animal in the Tanana Valley State Fair is the giving of consent by the owner, exhibitor, fitter, trainer, and/or responsible person for Fair management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state, and local statutes, regulations, and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state, and local statutes, regulations, and rules affect the animal's performance or appearance at the event. If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally, and the cost of the tests will be the responsibility of the owner of the animal. If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock does not indicate the presence of forbidden drugs or medication, the cost of the tests will be the responsibility of the Tanana Valley State Fair Association. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory, to which it is sent, is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.
- 5)** Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
- 6)** The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
- 7)** Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair management, or other fair officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
- 8)** No owner, exhibitor, fitter, trainer, or responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
- 9)** The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether they were instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
- 10)** The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or responsible person to have disciplinary action taken by the Tanana Valley State Fair Association for violation of this Code of Show Ring Ethics and any other rules of competition of the Tanana Valley State Fair without recourse against the Tanana Valley State Fair Association.
- 11)** The act of entering of an animal in the Tanana Valley State Fair is the giving of verification by the owner, exhibitor, fitter, trainer, or responsible person that he or she has read the Code of Show Ring Ethics and

understands the consequences of, and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or local statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.
