Monday Aug 5-11,  
Summer Fair Office Hours  
Friday, Aug 16, 12-6pm  
Saturday, Aug 17, 10-6pm  
Summer Fair Office

**Special Preparation:** Containers should be standard type canning jar when applicable or of clear glass (**no aluminum cans**) and **must be completely labeled with the name of product, date of preparation, canning method, and length of processing time.** Vegetables and meats should be canned by the pressure cooker method. Jams, Jellies, and Soft Spreads must be prepared using the water bath method. **INVERSION METHOD & PARAFFIN WAX IS NOT ACCEPTED ON ANY FOOD PRESERVATION ENTRY.**

All containers will be opened, and contents will be inspected by the judges. Any product not properly sealed will be disqualified. To avoid food waste, an exhibitor may bring a duplicate entry for display with their judged entry. For entries with duplicates, the judged entry will be stored in refrigeration for pick-up by the exhibitor.

**Handbooks:** Please refer to the Alaska Cooperative Extension Booklet, “*Attractive & Safe Food Preservation Exhibits*“, for exhibit preparation. You may obtain copies by calling 474-1530.

**Labels:** Note the date the product was sealed/prepared, complete name of product, pounds of pressure (if appropriate) and canning method. State amount of alcohol used in alcoholic beverages. **Failure to label entries correctly will result in disqualification.** See diagram for an example of how to label entries properly. All entries must be labeled. If possible, place the label on the jar, rather than the lid. Example of properly labeled jar
