All horses require a negative coggins dated within twelve (12) months and a health certificate (out-of-state) or vet certificate of exam (in-state) dated within thirty (30) days. All equines entering a Massachusetts fairgrounds must have:

- a. A valid health certificate and current coggins signed by an accredited veterinarian certifying that the animals are clinically free of infectious or contagious disease and exposure from such disease. Documents of health certification for out-of-state animals must be written on relevant state or federal health forms only. In-state animals may be accompanied by a certificate of examination on a veterinarian's letterhead stationery which clearly identifies the contact information for the veterinarian signing the certification. Certificates written on plain paper are not acceptable. These certificates must be available upon request to fair inspectors. The Health Certificate is void after thirty (30) days. These documents will be acceptable for the entire fair season. Evidence of infectious, contagious or parasitic disease or failure to produce the necessary documents for health certification, vaccination or testing will result in the animal's rejection for entry. **THE INSPECTOR'S DECISION IS FINAL.**
- b. All equines must be free of visual evidence of the following diseases and conditions: mange, ringworm, soring, strangles, and open or draining wounds.
- c. All equines originating from within and outside of the Commonwealth must have a negative USDA-approved EIA test (i.e., Coggins test or ELISA test) dated within twelve months of entry. A detailed description of the horse must appear on the test form, and must match the description that appears on the health certificate.
- d. While not required, it is strongly recommended that all equines be vaccinated for rabies, tetanus and EEE within one year of the fair.
- g. All health papers will be examined and must be in order.
- h. All horses with a cough or diarrhea will be examined by show veterinarian in order to remain on show grounds.
- i. A quarantine area will be set up for all horses that should be in it.
- j. The show veterinarian will document all horses examined and the reason that they were examined and without specific names publish it on an ESE website.
- k. The show veterinarian will document all potentially sick horses and provide that information to Massachusetts Department of Animal Health.

MOTORIZED VEHICLES:

Scooters, golf carts or other motorized vehicles will not be allowed to operate on the fairgrounds from 8:00 a.m. through closing of the Fair at 10:00 p.m. Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind including, but not limited to, golf carts, motorcycles, scooters or farm utility vehicles on the competition grounds. Violations of this rule will be cause for sanctions against the parent(s), guardian(s), and/or trainer(s) who are responsible for the child committing the offense. Penalties may include exclusion of the child, parent(s), guardian(s), and/or trainer(s) from the competition grounds for the remainder of the competition and charges being filed against any of the above individuals. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

DOGS:

Due to the **No Pet Policy** on the fairgrounds, dogs of horse show exhibitors **are restricted to the stabling area of the Horse Show complex. Dogs are not allowed in the Coliseum, entertainment staging areas or out along the parade route.** Dogs must be restrained by a leash and will not be permitted to be tied to a barn aisle. Exhibitors will be expected to clean up after their dogs, especially in the areas adjacent to campers and food service facilities. This rule will be strictly enforced with a fine of \$200 imposed to anyone in violation. Dogs are subject to Massachusetts Animal Health Regulations.

“Hall of Fame Award”

Eastern States Exposition has been in existence since 1916 and is committed to excellence in providing year-round opportunities for the development and promotion of agriculture, education, industry and family entertainment, while preserving our New England heritage. Eastern States Exposition has now created a platform to recognize those who have demonstrated excellence in their discipline, significant achievement in the competition world, longevity, as well as having made outstanding contributions to the sport and equestrian community. Those few individuals or equines whose achievements and contributions to the sport have set them apart will be considered for induction to The Eastern States Exposition Hall of Fame. Each year three “nominations” for the Hall of Fame will be considered. The inductee will then be chosen by “The People’s Choice” via voting throughout the equestrian community. Individuals and equines can be considered for nomination posthumously.
