If an event should occur on the Exposition grounds that would require the evacuation or removal of animals being exhibited or shown under the control of the Agriculture Department of Eastern States Exposition, the following guidelines should be implemented to assist in the timely and orderly evacuation of these animals.

1. The Director of Agriculture and Education of the Exposition will notify the Security Department that a situation exists that would require the evacuation of some or all of the animals on the Exposition grounds.
2. Upon notification from the Exposition Director of Agriculture and Education, a Seasonal Police supervisor will be dispatched to the Agriculture Department office located in the Mallary Complex, or other location as directed, to act as a liaison between the Seasonal Police and the Agriculture Department Director.
3. This supervisor, at the direction of the Agriculture Department will establish a central location where the Agriculture Department exhibitors will stand by to be transported or escorted to off grounds parking so vehicles to be used to transport the animals off grounds may be rapidly returned to the Exposition grounds to be loaded out.

The Security Department will provide officers to secure the route to this location and assist in isolating the Coliseum once the animals are moved. Removal of animals from the building will proceed under the Direction of the West Springfield Fire Department.
5. The Security Department shall provide all available vehicles to transport drivers or escort vehicles to retrieve trailers from off ground locations.
6. A Seasonal Police supervisor shall accompany the vehicles to the off grounds location to assist in assembling a convoy of vehicles to be escorted back to the Exposition grounds for loading.
7. Should the disposal of animal remains be necessary the Director of Agriculture will work with R G Webster Enterprises and the MDAR(Massachusetts Department of Agriculture Resources) to assure that this is done in a timely manner.
8. All operations shall continue until directed by the Director of Agriculture to be suspended.
