## 2019 BIG E AGRICULTURE OFFERS FARM ANIMALS & FAMILY FUN

The Mallery Complex is the hub of the Fair’s agricultural shows, demonstrations, contests and educational displays. Make your way to Farm-A-Rama in the center of the fairgrounds for an up-close and personal agricultural experience. Check the daily agriculture schedule to find out when you can see cows, sheep, goats, pigs, llamas, alpacas and more.

**Farm-A-Rama** – Experience the Farm to Family Table Experience, a hands-on interactive exhibit that includes the “Fill My Plate” interactive dinner table. Be a farmer for a day, harvest eggs, veggies, and milk a cow. Visit the chick hatchery, mother sow, her piglets, and the Hallamore Clydesdales for a chance to learn more about what takes place on the farm.

**Agricultural Demonstrations** – Get a glimpse into life on the farm with cows, sheep, goats, llamas and other livestock throughout the Fair. Watch livestock competitions and see a variety of agricultural demonstrations like sheep shearing by professional farmers and modern cow milking in the Milking Parlor.

**Eastern States Farmers Market & Wine Barn** – The Eastern States Farmers Market is a showcase for agricultural and farm-to-table products. It encompasses The Fiber Nook, with a variety of spinning and weaving demonstrations, the Farmers Market Demo Kitchen, with daily presentations from farms and restaurants, as well as 4-H competitions. Look for this year’s sculpture celebrating Chocolate Milk Day and the 100th anniversaries of the Massachusetts Building and Agri-Mark/Cabot Creamery Cooperative.

**Got Milk? – Enjoy traditional “Jetshakes.”** Supporting a cause never tasted this good! Stop by the 4-H Milk Booth located under the Mallery Rotunda to indulge in a glass of cold milk or an old-fashioned chocolate, vanilla or strawberry “Jetshake.” If you’re feeling like having a light, healthy snack, the 4-H Apple Booth in Farm-A-Rama will hit the spot!
