

ESE Equestrian Hall of Fame 2019

The Eastern States Exposition Equestrian Hall of Fame was established in 2014 to recognize individuals and equines who have demonstrated excellence in their discipline, made significant achievements in the competition world and have made outstanding contributions to the sport and equestrian community.

Those few individuals or equines whose achievements and contributions to the sport have set them apart will be considered for induction to the Eastern States Exposition Hall of Fame. Each year three “nominations” for the Hall of Fame will be considered. The inductee will then be chosen by “The People’s Choice” via voting throughout the equestrian community. Individuals and equines can be considered for nomination posthumously.

Nominations can be completed online or download the form at www.thebige/horsehalloffame.
