

Independent Vendor Positions

Many of our vendors and concessionaires hire locally when they arrive for the Big E in late August and early September. The positions listed below are not positions within or hired by the Eastern States Exposition, rather we support our vendors and concessionaires by assisting them with gathering applications for qualified candidates.

If you are interested in any of the following positions, please go to <http://tinyurl.com/BigEemployment> and fill out the application, indicating the position(s) you're interested in. You must click "YES" to the question, "Would you like to have this forwarded to our independent vendors for consideration? (Applies to Big E positions only.)" or we will not be able to share your application with vendors and concessionaires.

Anticipated positions:

- Cashiers
- Sales associates
- Food service
- Custodial
- General labor – set-up

Please be advised you may not be contacted by a vendor or concessionaire until after Labor Day regarding your application. If you are also applying for a position directly with ESE (the Big E) your application will be reviewed over the summer.
