GINGERBREAD HOMES FOR THE HOLIDAYS

November 22, 23, & 24, 2019

Topeka Performing Arts Center (TPAC)
Hill's Festival Hall

Be part of a holiday tradition!

“Celebrating 23 years of our holiday fundraiser, *Gingerbread Homes for the Holidays*”.

This family festival captures the excitement of the Holiday Season by featuring gingerbread pieces created by local organizations and individuals, benefiting the TPAC Youth Education Programs.

Event Activities Include:

- Holiday Hallway as you enter
- Gingerbread Home Display and Contest
- Local entertainment
- Fun activities—face painting, animal balloons, caricatures, and more
- Holiday Boutique vendors showcase local craft items and homemade baked goods at *Sweet Tooth Lane* (sponsored by TPAC volunteers)
- Build a gingerbread house from graham crackers, candy, and icing at *Graham Cracker Junction*.

Event Hours:

Friday, November 22th

9:00am to 7:00pm

Saturday, November 23th

9:00am to 5:00pm

Sunday, November 24th

11:00am to 4pm

Judging Criteria:

Judging, held on Friday, November 22, 2018, will be based on five entry criteria:

Overall Appearance	Difficulty
Originality & Creativity	Precision
Technique & Skill	

Novice Category Winners:

	Adult	Teen	Children
1st Place	\$100	\$50	\$50
2nd Place	\$50	\$25	\$25

People's Choice Ribbons will be awarded in the Novice Category.

Professional Category Winners:

- 1) **Bakery (Bakers/Pastry Chefs/ Caterers/Restaurants)**
- 2) **Designer (Architects, Engineers, Artists)**

- \$100 for winner of each professional category
- Business exposure within local media outlets
- Name on TPAC electronic marquee
- Recognition on TPAC website/social media
- Creations will be on display during GBHH event

Tickets: *available at the door*

\$4/person, includes items to build your own gingerbread house!

2019

ENTRY CATEGORIES & CONTEST RULES

DIVISIONS:

NOVICE

- Adult—18 and over (individual and group)
- Youth/Teen— 12-17 years (individual and group)
- Children— 11 and under (individual and group)

PROFESSIONAL

- Bakers, Pastry Chefs, Caterers, Restaurants, Architects, Engineers, Artists*

14. Professional/Artists* is defined by anyone who currently or previously has received payment for their baking/pastry skills or is trained in a design profession (architect, engineer, fine art, graphic art, etc.).

**Your generous support of
Gingerbread Homes for the Holidays
benefits the following
TPAC Youth Education Programs:**

Sheffel Theater Clinic

Established in 1995 by a grant awarded by the late Irving & Beth Sheffel, introduces third graders to the magic of theater. Students from our local and area nearby schools learn about acting, costumes, makeup, movement, technical theater and vocal expression through this annual event. Sponsored by Westar Energy, Hill's Pet Nutrition, Security Benefit, and Capitol Federal.

Young Artists Awards

Presented each spring, it recognizes Shawnee County high school juniors who excel in the fine arts. The students' work is judged by experts in the arts and the winners are recognized at a ceremony in their honor. Sponsored by Hill's Pet Nutrition.

Schooltime Theater

Reinforcing studies through the experiential learning that occurs when classic characters and stories come to life during our special performances of live professional theater for Grades K-6. Sponsored by Westar Energy, Capitol Federal, and Hill's Pet Nutrition.

Gingerbread Homes for the Holidays**

GRANDMA'S GINGERBREAD

5 - 5 ½ c. all purpose flour
1 tsp. baking soda
1 tsp. salt
2 tsp. ginger
1 tsp. nutmeg

1 tsp. cloves
1 c. shortening
1 c. sugar
1¼ c. unsulphured molasses
2 eggs beaten

Preheat oven to 375°. Thoroughly mix flour, baking soda, salt, and spices. Melt shortening in a large saucepan. Cool slightly, then add sugar, molasses, and beaten eggs; mix well. Add 4 cups of your dry ingredients and mix well. Turn out on lightly floured surface. Knead in remaining ingredients by hand. Add a little more flour, if necessary, to firm up your dough. Dough can be used right away or stored in the refrigerator, in plastic wrap, for up to one week. (Take it out of the refrigerator 3 hours before you want to work with it.)

Helpful Hints: -Most gingerbread houses will require two batches of dough.

-It is easiest to roll the dough out on a lightly floured baking sheet and cut the parts right on the sheet.

-Roll to a thickness of ¼", using ¼" dowels on either side of your rolling pin.

Bake small pieces 6-10 min: Larger pieces 18-25 min.

ROYAL ICING

3 level Tbsp. of meringue powder
4 c. sifted confectioners sugar
5-6 Tbsp. water

Beat all ingredients 7-12 minutes. Be sure to use grease free utensils. Use as soon as possible. Do not make more than 2 hours in advance. Keep covered until ready to use. Color icing with paste color, not liquid color. The longer you beat this icing, the stiffer and fluffier it will become. Meringue powder is available at your cake decorating supply store.

Baking & Assembly Hints

- 1) Humidity is your worst enemy. Try not to work on a rainy day. Don't leave windows open. Air conditioning helps.
- 2) Make house out of poster board or card board for pattern. Cut the windows and doors before you bake, but leave the excess ginger bread openings to hold the lines straight - then as the sheets come out of the oven, re-cut and remove parts.
- 3) If you have trouble with too much flour or small cracks in the surface of your gingerbread as you roll it out, you can wipe it with a clean, damp cloth before it goes in the oven. This will also give finished pieces a nice, semi-glossy appearance!
- 4) Be sure to bake your parts long enough - you don't want soft walls. Edges should be well-browned. Larger pieces should be baked at a lower temperature for longer times. (300 to 320 degrees). Check center for doneness.
- 5) Loosen pieces from sheets immediately upon removing them from the oven, before they become crisp. Note: It helps to roll dough on parchment paper on baking sheet.
- 6) If edges are not perfect, you can file the parts with a clean, metal file. Sandpaper works too, if your house is for show only.
- 7) If gingerbread pieces have softened, place back in oven for up to 10 mins. and re-bake so they are crisp.
- 8) If baking in advance, place cooled pieces in plastic wrap to protect from moisture.
- 9) Assemble walls and let them set before you attach the roof. You can use cans, books, and other kitchen gadgets to prop pieces while drying. (Don't put too many heavy decorations on the roof.)

Fun Ideas and Suggestions

Suggestions

- ◆ Centerpiece-sized houses sell well at the auction.
- ◆ A sturdy, well-decorated base accentuates your house!
- ◆ Example: Gingerbread Barn - Base: Spotted cow fabric was bunched up around base to add character to it's appearance. Adding colorful fabric, ribbon, cording, rick-rack, beads, and greenery to the base is permitted.

Ingredient Ideas:

- ◆ firewood - tootsie rolls, pretzels
- ◆ sled - graham crackers with candy canes
- ◆ fences - pretzels (heart-shaped or straight), tootsie rolls, rock candy, caramels
- ◆ rope - string licorice
- ◆ trees - iced, upside-down sugar cones. For height, add a breadstick underneath cone.
- ◆ fireplace - caramels, red hots pressed on iced gingerbread, rock candy, hot tamales, jelly beans, peanut log candy, licorice
- ◆ shutters - crackers, cookies (split cookie, use un-filled side), fruit stripe gum, sugar wafers
- ◆ sidewalk/patio - necco wafer candy (whole or broken), smarties, taffy, peppermints, starburst, small rock candy, crackers, cookies
- ◆ lamp post - press candy cane into gum drop base - press gum drop on top of candy cane for lamp. (gum drop base holds well in icing on base).
- ◆ shingles - stick gum, thin crackers, cookies (thin layer), M&M's, red hots, chicklet gum, pretzel, shredded wheat

Have Fun!
