September 13-21, 2019
Welcome to the 2019 Tri-State Fair and Rodeo that runs from Sept. 13-21.

Friday, Sept. 13, at 4 p.m. will mark the official opening of the Midway and Food Court. On Saturday morning, the annual Fair parade will again make its way down Polk Street, where fairgoers can catch a glimpse of ongoing projects associated with the downtown renovations and the recently opened “Hodgetown,” home to the Amarillo Sod Poodles.

After the parade, head out to the fairgrounds and enjoy the sights and sounds of the 96th edition of the Fair. Don’t forget to check the schedule as there are a wide variety of free shows and entertainment as well as livestock shows and competitions. There are also exhibits featuring animals, arts and crafts, many kinds of food items and more.

Our three-day rodeo begins Thursday evening and is sanctioned by the Professional Rodeo Cowboys Association. It will feature many top rodeo contestants from around the world. Our rodeo was once again voted one of the “Top 5” medium-sized rodeos in the country.

For a schedule of events during our nine-day exposition, go to www.tristatefair.com for complete details. From the fine staff, board members, volunteers and sponsors, we cordially invite you to the Tri-State Fair and Rodeo.

We look forward to seeing you there, because there’s going to be something for everyone.

President, Amarillo Tri-State Exposition

An exhibitor who violates any of the following rules will forfeit all privileges and premiums and be subject to such penalties as the Executive Board may order. RULE 6: ENTRY FEES ARE NON-RETURNABLE AND REFUNDS WILL NOT BE MADE.
RULE 7: In all cases the Management reserves the right to reject entirely or accept conditionally any entry of application and does not guarantee space in exhibit buildings.
RULE 8: Each exhibitor (and exhibitor’s parent or legal guardian – if exhibitor is a minor) must sign a statement acknowledging that he/she understand and will abide by the liability requirements and rules and regulations of the Tri-State Fair & Rodeo. If the exhibitor does not sign this statement (contained on the back of summary card or entry form), his/her application for entry will not be accepted.
RULE 9: Exhibitors that have been erroneously entered may be transferred to their proper class, prior to judging, upon application to the division superintendent. If such classes have been judged, however, they shall not be reopened. Any exhibit falsely entered or disqualified shall be removed from the grounds and all entry fees will be forfeited.

RULE 12: Each exhibitor must provide his/her Social Security number or tax identification number as required by law on all entry forms. If the proper number is not provided, application for entry will not be accepted.
Taxes: Effective Jan. 1, 1984, federal law requires the withholding of 20 percent Federal Income Tax from payments made to vendors for which we do not have a taxpayer identification number. This withholding requirement was included in the Tax Equity and Fiscal Responsibility Act of 1982, and generally applies to payments that are required to be reported on Form 1099 to Internal Revenue Service.
RULE 13: Management reserves the right to remove from the grounds or any sponsored Fair activity, any exhibit, entry, animal, stand or show they deem unsuitable, objectionable, or in rule violation and to return any money already paid for space or stalls. Management will not be required to furnish reasons for such actions; the return of the exhibitor’s money (if any) exonerates the Fair from any claims by the exhibitor, participant or purchaser.

RULE 14: Exhibitors not cooperating with security personnel or Officials of the Fair in all matters of policy, including parking, will have their entries canceled and will be ordered to remove their exhibit from the grounds immediately. You must have a Parking Permit on your windshield to enter Gates 2 or 3. Free parking will be at Gates 1 & 5.

Judges and Judging Procedure:

RULE 19: Judges are requested to be familiar with all rules, regulations and procedures of the Tri-State Fair & Rodeo.

RULE 20: Procedures of selecting judges and of determining judging systems rest solely with the management.

RULE 21: The decision of the judges will be final in all cases, except where mistake, fraud, misrepresentation or collusion is discovered after awards are given. In such cases, the show management or such referee as it may appoint may make the final decision. Such cases may be sent to the Executive Board from whose decision there can be no appeal.

RULE 22: If any exhibitor or his representative interferes with the judges or shows disrespect to them, or the Fair, the management may withhold from the exhibitor any premiums that may have been awarded or take any other steps deemed desirable.

RULE 23: Judges may award a prize of such grade as any exhibit deserves where there are fewer entries in a class than the number of premiums offered.

Premiums:

RULE 24: The Executive Board reserves the right to pay printed premiums in relation to net earnings. Since premiums and all other expenses must be paid from receipts from the operation of the Exposition, this condition is made to put all exhibitors on due and legal notice.

RULE 25: Premiums (in specified departments) may be picked up at times listed in the premium catalog. Premiums not picked up and all others will be forwarded to exhibitors after close of show as they can properly be processed. All premiums not claimed within 90 days upon receipt shall be deemed forfeited to the management of donors. Premiums under $1 will not be mailed.

RULE 26: PRIZE MONEY DISTRIBUTION: This year we will be distributing cash with the ribbon to exhibitors; it is the exhibitor’s sole responsibility. The Tri-State Fair & Rodeo will not be responsible or liable for lost prize money and/or ribbons.

RULE 31: Nothing shall be sold or given away or otherwise disposed of by exhibitors which will in any way conflict with, or which is subject matter of, any privilege of concession granted or sold by the Tri-State Fair & Rodeo.

Protests:

RULE 32: All protests must be made prior to entering the ring accompanied by a deposit of $100 in cash, which will be forfeited if the protest is not upheld. Such protest must state the cause for the protest and must be delivered to the Management immediately after the occasion for the protest. Any protest as to the eligibility of an animal must be filed at least 12 hours prior to the time that the animal is to be judged. Only exhibitors in the department, parents, guardians of the exhibitor in the department, AgriLife Extension agents and FFA instructors who have members with exhibits in this department, the superintendent of the department and the Manager of the Amarillo Tri-State Exposition may file a protest. **FOREIGN SUBSTANCE PREVENTION AND RESIDUE AVOIDANCE PROGRAM**

It is the policy of the Tri-State Fair & Rodeo to prevent the usage of illegal, unapproved or unethical drugs; growth stimulates or hormones; or any improper foreign substance in animals entered for exhibit at the Fair. The Fair reserves the right to limit or exclude the benefits of participation by any exhibitor determined by the Fair to be in violation of this policy. Without limiting the generality of the above, the Tri-State Fair & Rodeo sets out the following rules and guidelines for exhibitors:

1. Unapproved foreign substances shall be deemed to include, without limitation, any diuretic, growth stimulants or medication which is not approved by the Food and Drug Administration and/or the U.S. Department of Agriculture for slaughter animals, whether such substance is a commercial product or “homemade.” If any substance has been administered by a licensed veterinarian that might cause problems with the foreign substance prevention policy, a written statement from the veterinarian giving the substance must be submitted to the Tri-State Fair & Rodeo office providing information on the substance given and the reason for administration. This statement must be presented to the division superintendent prior to the showing of any entry.

2. Tri-State Fair & Rodeo reserves the right to test any exhibition animal at its discretion. Testing may be performed by Tri-State Fair & Rodeo officials or its delegates, with or without the knowledge of the entrant. Testing may be performed on both a live animal and any carcass. Further, Tri-State Fair & Rodeo reserves the right to perform a post-mortem examination of any animal which dies at the Tri-State Fair & Rodeo. If a post-mortem examination is ordered by the Fair, the expense of the post-mortem is to be paid by the exhibitor. By entering an animal to show at the Fair, the exhibitor is deemed to have consented to this rule and all testing procedures conducted by Tri-State Fair & Rodeo. The Tri-State Fair & Rodeo will pay for the first test. If protested, then the exhibitor will pay for the second test.

3. The Tri-State Fair & Rodeo testing procedures shall be administered at a “zero tolerance” policy; in other words, test samples must be entirely free of unapproved foreign substances.

4. The Tri-State Fair & Rodeo expects to delegate its sample collection, testing procedures and laboratory analysis procedures to reasonably qualified individuals, veterinarians and technicians. The
conclusions reached by such persons, as to whether an animal has been administered an unapproved foreign substance including, without limitation, diuretics, unapproved growth stimulants or other unapproved medications shall be final. By entering animals in the Tri-State Fair & Rodeo, exhibitors agree that such conclusions are final and waive any recourse against the persons conducting any test or analysis, and waive recourse against the Tri-State Fair & Rodeo or any of its officers or directors. Further, exhibitors agree that any testing procedures provided by the Tri-State Fair & Rodeo or conducted by Tri-State Fair & Rodeo are purely for its own purposes in order to administer the contests in question; and that exhibitors have not purchased or acquired, by virtue of their entry, any testing or analysis services; and exhibitors further agree that if they wish to obtain any test or analysis, they may obtain such additional tests or analysis at their own expense.

5. As a condition of participation in the Tri-State Fair & Rodeo, each animal exhibitor must submit to Fair management a CERTIFICATION STATEMENT that unapproved foreign substances have not been used. These forms must be signed by the exhibitor, the parent/legal guardian of the exhibitor and the AgriLife Extension Agent or the School Agricultural Science Teacher. No animal will be allowed to participate in the Fair until this form has been fully signed and submitted to Fair management.

6. The Tri-State Fair & Rodeo reserves the right to adopt, in its discretion and on a case-by-case basis, if it so desires, appropriate sanctions for any violation of these rules. At minimum, any animal testing positive for an unapproved foreign substance will be disqualified and declared ineligible to receive awards, premium money or sales proceeds. Further, the Fair may declare the exhibitor ineligible for further participation in the current Tri-State Fair & Rodeo in which he or she is entered with other animals and in any or all future Tri-State Fair & Rodeo events. In addition, the Fair may declare the same or greater eligibility for members of the exhibitor’s immediate family. Further, if the Fair has reasonable cause to believe that such violation was sanctioned, approved or aided by a sponsor, the Tri-State Fair & Rodeo may declare the sponsor ineligible for future participation.

7. If an entry is disqualified under this rule, no changes will be made in the placing of other animals.

8. By entering the Tri-State Fair & Rodeo, the exhibitor agrees that the Tri-State Fair & Rodeo may exchange information about the exhibitor with other shows and, further, may disclose, communicate or publish the results of any tests to officials of other exhibitions, to sponsoring county organizations of schools, to law enforcement officials and the press.

1. **OWNERSHIP:** All animals must be entered in the name of the owners(s) as shown on the Registration Certificate. All parties in a multiple ownership must be on the entry card. Firms and partnerships must be in existence at the time of making entry. Custom fitters must be listed on the entry card in the appropriate space. For ownership of animals entered for competition in the Youth Shows, see special rules.

2. **JOINT OWNERSHIP:** Jointly owned animals must be entered and shown under the multi-ownership (all co-owners) in the individual classes. In the Group classes, jointly owned animals may be entered and exhibited under the name of one of the co-owners provided the individual owns a full or part interest in each of the animals in the group entry.

3. **A YOUTH EXHIBITOR** is defined as a boy or girl regularly enrolled as a 4-H or FFA member and who is in the third grade or 9 years old, but not more than 19 years old, as of September 1, 2019. They **MUST** also be enrolled in public or private elementary or secondary schools or home-schooled and **MUST** have continuously personally fed, fitted and cared for their entry under the direct supervision of an Agriculture Science Teacher or AgriLife Extension County Agent. See individual departments and divisions for any exceptions.

4. **BARRED EXHIBITORS:** The Tri-State Fair & Rodeo, in cooperation with member shows of the North American Livestock Show and Rodeo Manager’s Association and the Database, reserves the right to refuse entry of any exhibitor who has been barred from any other show on the basis of unethical practices.

5. **REGISTRATION AND CERTIFICATE OF VETERINARY REGISTRATION:** Exhibitors must have their original registration and certificates of veterinary inspection available with their exhibits at all times during the show. Any animal that cannot meet the requirements as to pedigree and registration will be barred from competition.

6. **EQUIPMENT:** Any equipment brought in to be used in assigned stalls or spaces must comply with and be used in compliance with federal, state and municipal occupational safety and health regulations. **(FANS: NO REAR FANS WILL BE PERMITTED. SIDE OR FRONT FANS MUST BE MOUNTED AND SECURED.)**

7. **STALLS/PENS/TIE-OUTS:** No entries will be accepted nor pens or stalls reserved unless the correct entry fees accompany the applications. All animals will be pre-stalled. **THE TRI-STATE FAIR & RODEO RESERVES THE RIGHT TO LIMIT ENTRIES BASED ON AVAILABLE SPACE IN A MANNER IT DEEMS APPROPRIATE. (Tie-outs for 2019 will be on sand only. No hay or other bedding material will be allowed in the tie-out area.)**
8. **FEED/BEDDING:** The Tri-State Fair will not sell feed or hay. Exhibitors may bring their own or purchase locally. Please be careful on the amount of hay left at the tie-outs. Shavings must be purchased from the Fair for $11 per bag. **SHAVINGS** only will be used as bedding in all livestock and equine buildings.

9. **CLASSES:** The Exposition reserves the right to cancel or combine any livestock classes listed in the premium list.

10. **GROOMING CHUTES:** Will be allowed in the livestock barn, but need to be 4 ft. from screen walls. No tack allowed to be placed against screen walls.

11. **CODE OF ETHICS:** The showing of unethically fitted livestock or livestock of any ineligible age for exhibition in the class entered is prohibited. The Tri-State Fair & Rodeo expects exhibitors to maintain the highest standards of husbandry and fair competition, and the Fair reserves the right to determine that practices unspecified in this rule may constitute unethical fitting. In addition to Tri-State Fair & Rodeo rules, all exhibitors are subject to the guidelines and consequences of the IAFE (International Association of Fair and Expositions) National Code of Show Ring Ethics, as it may be amended and published from time to time. Without limitation, however, unethical fitting shall include any violation of the Tri-State Fair & Rodeo Foreign Substance Prevention Program.

   Further, unethical fitting shall be deemed to include any physical or physiological attempt to alter the natural confirmation, musculature or weight of an animal by use of injections, operations, “airing” or any ingested material not conducive to the continued health of the animal or marketability of its carcass. Further, unethical fitting shall include any attempt to change the major color pattern of an animal by painting or dyeing to change color, or use of any grooming material such as twine or hair that changes color of an animal. By entering an animal in the Tri-State Fair & Rodeo, every exhibitor is deemed to have consented to inspection of the animal by any veterinarians or other officials to which the Tri-State Fair & Rodeo has delegated the power to inspect animals and is deemed to have agreed to have such animals submitted to any tests as may be designated and requested by Tri-State Fair & Rodeo or any of its delegates. Refusal by an exhibitor to submit an animal to examination or testing shall automatically be grounds for disqualification.

   Further, by entering the Tri-State Fair & Rodeo, each exhibitor has agreed the determination of the Tri-State Fair & Rodeo or its delegates as to whether such animal is unethically fitted or over age shall be final. To the extent factual disputes may arise regarding any issue of unethical fitting, the Tri-State Fair & Rodeo and any of its officials may resolve and determine such factual disputes utilizing whatever procedures the Fair may establish from time to time at its complete discretion. Participation in the exhibition of show animals at the Tri-State Fair & Rodeo is a privilege extended to qualified exhibitors, not a right. By entering the Tri-State Fair & Rodeo, the exhibitor agrees that the Tri-State Fair & Rodeo may exchange information about any unethical fitting by an exhibitor with other shows; and further may disclose, communicate or publish such information to officials of other exhibitions, to the International Association of Fairs and Expositions and American Livestock Show and Rodeo Manager’s Association rule infraction databases, to sponsoring county organizations or schools, to law enforcement officials and the press. The Tri-State Fair & Rodeo reserves the right to adopt, at its discretion and on a case-by-case basis if it so desires, appropriate sanctions for violation of these rules. At a minimum, any animal determined to be the subject of unethical fitting will be disqualified and declared ineligible to receive awards, premium money or sales proceeds. Further, the Fair may declare the exhibitor ineligible from further participation in the current Tri-State Fair & Rodeo in which he or she is entered with other animals and any or all future Tri-State Fair & Rodeos. In addition, the Fair may declare the same or greater
ineligibility for members of the exhibitor’s immediate family. Further, if the Fair has reasonable cause to believe that such violation was sanctioned, approved or aided by a sponsor, the Tri-State Fair & Rodeo may declare the sponsor ineligible for future participation. If an entry is disqualified under this rule, no changes will be made in the placing of other animals.

12. **COLOR:** **No change of the natural color pattern of the animal by painting or dyeing will be allowed.** Any grooming material that allows color to come off from any animal will not be allowed at the show.

13. **UNETHICALLY FITTED LIVESTOCK:** Judges shall not award a prize to an unworthy exhibit. It is the intention of the Management that no premium or distinction of any kind shall be given any animal that is not deserving. Unethically fitted animals will be barred from exhibition. Animals that have been given any form of intoxicating beverage, tranquilizer or other drug affecting mood or attitude prior to judging will be disqualified. Any product administered internally or used externally to alter the appearance or conformation of an animal for exhibition is prohibited and will be cause for disqualification. This includes, but is not limited to, stomach pumping. The use of graphite, powders, dyes, hemp, false-tail heads, glued on hair or hair-like substances, or other similar substances externally, and steroids or growth stimulants are prohibited. Judges are also requested to report to the Fair management any animals upon which a surgical operation has been performed to improve their “show” appearance. If after examination by an official veterinarian an animal is found to be in violation of any of the above: (a) it will be barred from further exhibition; (b) no awards will be made; and (c) stall and entry fees will not be refunded. The decision of the official veterinarian will be final. These rules will be strictly adhered to whether there is competition or not.

14. **PHOTOGRAPHS:** Photographs of Grand Champion and Reserve livestock will be taken by the official photographer of the Tri-State Fair & Rodeo.

15. **SUBSTITUTIONS:** A substitute showman in the youth show must be a 4-H or FFA member with an animal entered in that division and from the same chapter or county. ALL 4-H and FFA members are considered to be eligible by the Amarillo Tri-State Exposition to participate in the Tri-State Fair & Rodeo youth shows at the time entries are received from the Agricultural Science Teachers or AgriLife Extension County Agents. Any Teacher or Agent who has a member in his/her 4-H/FFA program who becomes ineligible to participate in the Fair according to House Bill 72 or a TAAS conflict must provide written and signed notification to the Tri-State Fair office at least (24) hours prior to the commencement of any competitive phase of the Fair. This includes, but is not limited to, the following: Livestock Exhibition, Weighing, Sifting and Classifying of Animals, Judging Contest Participants, and Agricultural Mechanics Contest.

16. **LOAD IN/LOAD OUT:** All animals arrive and leave only from Gate 3.

4. Possession, Care and Feeding

The exhibitor is responsible for the general custody, care and feeding of their animal when possible, or to help when it is not possible to care for the animal unassisted. Family members and fellow participants may help with these tasks.
b. All animals in this division must be completely broke to lead for the safety of the exhibitor and others in the show ring. Animals not deemed fit will be removed from the show ring and disqualified from the competition.

5. Fitting of Animal
   a. All animals will be fitted and be presented in a proper condition for a beef show. Exhibitors are encouraged to help in any way that is safe and possible for them to do so, but not endanger either themselves, their animals or others in the process.
   b. Alteration of conformation and structure by prohibited substance or unethical fitting is prohibited. Any violations of this rule will result in immediate disqualification without recourse.
   c. The injection, use, or administration of any drug that is prohibited by Federal, State or Local Law or any drug that is used in a manner prohibited by Federal, State or Local Law will result in immediate disqualification without recourse.
   d. Any physical or physiological attempt to alter the natural musculature or weight by use of injections or ingested material not conducive to the continued health or marketability of beef carcasses or for deception will result in immediate disqualification without recourse.
   e. Every participant in consideration of their entry being accepted by the show, specifically represents that no animal entered is misrepresented in any way except trimming of feet and blocking of hair.

6. Official weight & height
   a. The weight and height recorded at the time of check-in will be the official weight and height of the animal.

7. Check weight & height
   a. The MHBA reserves the right, at its discretion, to check the weight and height of any animal.

8. Showing of animals
   a. Participants in this division are required to show their animals. Participants under the age of 5 will be required to have parental, sibling or other participant accompaniment in the show ring.

10. Showmanship
    a. Any exhibitor who shows unassisted may compete in this class.
    b. Animal must be owned and entered by participant to show in this class.

11. Safety
    a. The purpose for the Pre-Junior steer classes is to offer the opportunity to young cattlemen and women to participate in cow shows despite their lack of age required to show in a Junior Show. In many cases, these young people have spent HOURS at the barn with their parents and siblings working “show calves”. To go to a show and not be allowed to participate can be boring and tiresome for those with less than developed attention spans. Although the rules and regulations have been set, safety is the most important factor in this event. We want these young agriculturalists to enjoy their showing days, from the
beginning on up, so please, make sure the children and animals are prepared to participate. Animals can be unpredictable, but the more time the exhibitor spends with the animal prior to the show, the better you can expect it to cooperate when the surroundings change.

12. Animal Health
   a. Animals entered must be within the guidelines of the Livestock Health Requirements. Make sure your animal has all the required paperwork completed in order to enter and participate in the show.

Brand inspections are required from areas within Brand Inspection Areas. Please check carefully the guidelines for each show, as they are similar but somewhat different.

Showmanship Classes

**RHC WORKING RANCH HORSE CLASS (FENCE CLASS) RULES:**

**Working Ranch Horse** will offer the following classes:

- **Open** – RHC 4-Year-Old Working Ranch Horse
  - **Limited Open** - RHC Limited 4-Year-Old Working Ranch Horse
- **Open** – RHC 5 & 6-Year-Old Working Ranch Horse
  - **Limited Open** – RHC Limited 5 & 6-Year-Old Working Ranch Horse
  - **Cowboy** – RHC 4-Year-Old & Up Cowboy Working Ranch Horse

- **Youth** – RHC 4-Year-Old & Up Working Ranch Horse
  - **Level 1 Youth** – RHC Level 1 – 4-Year-Old & Up Working Ranch Horse

1. Each contestant will perform individually, first in the reining pattern and then releasing one cow into the arena.

2. The class will be judged in two parts: reining followed by cow work. **Rules for each portion are listed below.** At the end of the performance, the scores for the two portions will be added together for the final score. Rules for scoring the reining portion are defined in SHW562 of the *AQHA Official Handbook*.

**SHW562.VRH RANCH REINING.** The ranch reining class measures the ability of the ranch horse to perform basic handling maneuvers with a natural head carriage in a forward-looking manner. The ideal VRH ranch reining horse should have a natural ranch horse appearance from head to tail in each maneuver. Patterns may be chosen from any of the ranch reining patterns or approved by the show management and judge.

**SHW562.1 CREDITS AND PENALTIES.** All runs begin upon entering the pen and any infractions are subject to penalty at that time such as two hands on the reins, using either hand to instill fear or praise, etc.

**SHW 562.2** To rein a horse is not only to guide him but also to control his every movement. The best reined horse should be willingly guided or controlled with little or no apparent resistance and dictated to completely. Any movement on his own must be considered a lack of control. All deviations from the exact written pattern must be considered a lack of or temporary loss of control and therefore a fault that must be marked down according to severity of deviation. The horse/rider team’s overall...
performance should be credited for smoothness, finesse, attitude, quickness and authority of performing various maneuvers while using controlled speed which raises the degree of difficulty and makes the horse/rider team more exciting a pleasing to watch.

**SHW562.3 PENALTIES:**
- One-half (1/2) Penalties: Starting a circle or exiting a roll-back at a trot for up to two (2) strides; delayed change of lead by one stride where the lead change is required by the pattern description; failure to remain a minimum of twenty feet from the wall or fence when approaching a stop and/or roll-back; over-spin or under-spin up to 1/8 turn.
- 1 Point Penalties: Out of lead in the circles, figure eights or around the end of the arena (this penalty is cumulative and will be deducted for each quarter of a circle the horse is out of lead); Over or under spinning 1/8 to 1/4 turn. Slipping rein.
- 2 Point Penalties: Break of gait; freeze up in spins or roll-backs; failure to stop or walk before executing a lope departure on trot-in patterns; failure to be in a lope prior to the first marker on run-in patterns; failure to completely pass the specified marker before initiating a stop position, trotting beyond strides, but less than 1/2 circle or 1/2 length of the arena.
- 5 Point Penalties: Spurring in front of cinch; blatant disobedience; use of either hand to instill fear/praise; use of two hands per maneuver; more than one finger between split reins or any fingers between romal reins per maneuver (except two rein).
- Excess rein may be straightened anytime during the pattern, provided the rider’s free hand remains behind the rein hand. Any attempt to alter tension or length of the reins from the bridle to the rein hand is considered use of two hands and a penalty score of – 5 will be applied.
- Off-Pattern (OP): breaking pattern; inclusion of maneuver (e.g. over or under-spinning, backing more than two (2) strides, etc.); leaving arena before pattern is complete; repeated blatant disobedience; Exhibitors cannot place above others who complete the pattern correctly.
- Disqualification (DQ): Lameness; abuse; illegal equipment; disrespect or misconduct; improper western attire; fall of horse/rider.
- 10 Point: Unnatural ranch horse appearance (Horse's tail is obvious and consistently carried in an unnatural manner in every maneuver).

**SHW563. VRH RANCH COW WORK.** The ideal Ranch horse must also be a cow horse and this class demonstrates and measures the horse’s ability to do cow work. In addition, the ideal ranch cow horse should have a natural ranch horse appearance from head to tail in each maneuver. Holding the saddle horn is permitted. There is a time limit per horse/rider team to perform the work depending on the division and the time begins when the cow is turned into the arena. If the time has not elapsed and the judge is satisfied that all requirements of the class have been met, the judge should blow the whistle for the exhibitor to cease work. The judge may blow a whistle at any time for the exhibitor to cease work for safety reasons. Judges will give credit for what they have seen. Only the judge may award a new cow to a contestant to replace a cow that will not honor a horse. If the judge awards a new cow, the exhibitor has the option to refuse the new cow by continuing to work. If the exhibitor accepts the new cow, the time for working the cow will start over. If the exhibitor intends to accept the new cow, the exhibitor must pull up immediately. When multiple judges are scoring, any one of the judges may terminate the work or signal for a new cow.

**SHW563.1 CONTENT.** Exhibitors in the open, cowboy, amateur and youth divisions are allotted three minutes to complete the work. When there is one-minute left, the announcer will announce, one-minute remaining. At three minutes, the announcer will call for time. There are three parts to the class: boxing, fence work and roping or circling.

- **Part One – Boxing the Cow:** The rider shall ride into the arena, face the cattle entry gate and signal for their cow to be turned into the arena. The cow shall be controlled on the entry end of...
the arena for a sufficient amount of time to demonstrate the horse’s ability to hold the cow. If the
cow does not immediately challenge the horse, the rider shall aggressively move in on the cow to
demonstrate his horse’s ability to drive and block the cow on the entry fence.
- Part Two – Fence Work: After the cow has been controlled on the entry end of the arena, the
rider shall set the cow up and drive it down either side of the arena. The cow should be turned on
the fence at least once in each direction. The first run out for a turn shall be past the half-way
mark of the arena. All turns down the side shall be completed before reaching the end fence.
- Part Three – Roping or Circling: The amateur and youth exhibitor has the option of circling the
cow in the middle of the arena in both directions in lieu of roping. An amateur or youth exhibitor
may circle or rope the cow but cannot combine the two to get credit for this portion of the run.
Open and cowboy exhibitors must rope the cow.

To rope the cow, the exhibitor must be carrying a rope when the run starts. The exhibitor may pull
up after the fence work, take down the rope and proceed to rope and stop the cow. The exhibitor
must then rope the cow and bring it to a stop. In the roping portion of the class, two throws are
permitted, and the horse will be judged on two maneuvers: tracking/rating and stopping the cow. It
is not necessary that the exhibitor catch to receive a score in the roping portion. The catch is legal as
long as the cow looks through the loop and the rope pulls tight on any part of the animal’s body
except the tail. The rope may be tied on or dallied. If the exhibitor does not catch, the horse will be
given credit for rating and tracking and will be assessed a 2-point penalty. For shows conducted in
international countries, the exhibitor has the option of circling the cow each direction instead of
roping or breakaway roping and wearing traditional attire of the country.

To circle the cow, the exhibitor will maneuver the cow smoothly at least 360 degrees in each
direction without interference from the fence. The circle’s size, symmetry, speed and relative
balance from right and left show control. Tightening the circles down with fast head-to-head
speed will be a credit situation. The circles should be completed before the cow is exhausted.

SHW563.2 CREDITS AND PENALTIES. All runs begin upon entering the pen; any infractions
(such as two hands on the reins, using either hand to instill fear or praise, etc.) are subject to penalty at
that time. During “Boxing”, credit will be given for the horse’s expression and its ‘cow sense’ (i.e.,
making moves with little rider assistance); holding, controlling and turning the cow; the amount of
work actually done; and the degree of difficulty of the work. Credit will be given during “Fence Work”
for making the first run past the center of the arena; making turns right on the cow; and controlling a
difficult cow. If “Roping,” credit will be given for rating and following cow to allow rider the optimal
roping position; stopping hard; and staying in the ground during the hold. Credits for each element of
roping range from -1 1/2 to +1 1/2 points. If “Circling,” credit will be given when the horse works
willingly; acknowledges the cow; and gets close enough to the cow to control the circles. Credits for
Circling range from -1 1/2 to +1 1/2 points for each direction. Penalties will be assessed as follows:
- 1 Point Penalties: Loss of working advantage; Using the corner or the end of the arena to turn the
cow when going down the fence; changing sides of arena to turn cow; for each length horse runs past
cow; working out of position; slipping rein; failure to drive cow past middle marker on first turn; two-
loop catch in amateur and youth classes.
- 2 Point Penalties: Going around the corner of the arena before turning cow; when working an
animal in the open field (at least 20’ from the side of arena) and the animal gets within 3 feet from the
end fence before being turned; failure to catch if roping in amateur and youth classes.
- **3 Point Penalties**: Exhausting or overworking the cow before circling or roping; hanging up on the fence (refusing to turn); knocking down the cow without having a working advantage; two-loop catch when roping in open/cowboy class.

- **5 Point Penalties**: Failure to turn the cow both directions on the fence; spurring in front of cinch; Blatant disobedience; use of either hand to instill fear/praise; use of two hands (except in snaffle bit or hackamore) per maneuver; more than one finger between split reins or any fingers between romal reins (except two rein) per maneuver; failure to catch when roping, in open/cowboy class.

- **10 Point**: Unnatural ranch horse appearance (Horse’s tail is obvious and consistently carried in an unnatural manner in every maneuver).

- **Off-Pattern (OP)**: Turning tail; failure to attempt any part of the class; leaving arena before run is complete; repeated blatant disobedience; schooling after entering the arena prior to calling for cow; schooling horse between cows, if new cow is awarded, or complete loss of rope in open/cowboy class, cannot place above others who complete pattern correctly.

- **Disqualification (DQ)**: lameness, abuse, illegal equipment, disrespect or misconduct, improper western attire; fall of horse/rode

If the open or cowboy rider runs out of time to rope, there will be no credit for the stop/hold maneuver and a 2-point penalty for failure to catch. Riders may still earn credit for tracking/rating/control/position and speed/degree of difficulty.

**RHC LIMITED WORKING RANCH HORSE (BOX-DRIVE-BOX-DRIVE) CLASS RULES:**

- **Limited Working Ranch Horse** *(Box-Drive-Box-Drive; amateur and youth only)* will offer the following classes:
  - **Amateur** – RHC Limited 4-Year-Old & Up Working Ranch Horse
  - **Level 1 Amateur** – RHC Level 1 Limited 4-Year-Old & Up Working Ranch Horse
  - **Youth** – RHC Limited 4-Year-Old & Up Working Ranch Horse
  - **Level 1 Youth** – RHC Level 1 – Limited 4-Year-Old & Up Working Ranch Horse

Each contestant will perform individually, first in the reining pattern and then releasing one cow into the arena.

**SHW564. LIMITED RANCH COW WORK AMATEUR/YOUTH**

**SHW564.1 Content.** Exhibitors in the limited ranch cow work cannot compete in both the ranch cow work and limited cow work class, at the same show with the same horse. Limited ranch cow work exhibitors are allotted one minute and thirty seconds to complete the work. When there is 30 seconds left, the announcer will announce, 30 seconds remaining. At one minute and thirty seconds, the announcer will call for time. Exhibitors are not required to use all of the allotted time, but must ride until the judge whistles the end of the run or time expires, whichever occurs first. There are four parts to the work: boxing the cow; setting up the cow and driving it down the fence to the opposite end of the arena; and boxing it at the opposite end of the arena, and then driving the cow past the middle marker again. There is no expectation that the exhibitor will make a ‘fence turn’, rather the drive down the fence demonstrates correct position and control around the corner.

- Part One – Boxing the Cow – The rider shall ride into the arena, face the cattle entry gate, and signal for their cow to be turned into the arena. The cow shall be controlled on the entry end of the arena for a sufficient amount of time to demonstrate the horse’s ability to “hold” the cow. If the cow does not immediately challenge the horse, the rider shall aggressively move in on the cow to demonstrate his horse’s ability to drive and block the cow on the entry fence.
• Part Two - Set Up Cow and Drive Down Fence to Opposite End of Arena – After the cow has been controlled on the entry end of the arena, the rider shall set the cow up for driving down the side of the arena. When coming out of corner, the horse shall be close enough to cow to demonstrate control with cow against the fence. This distance and control should be maintained for approximately 1/2 to 3/4 the length of arena. Rider will then stop and release the cow and move horse toward center of arena to set the cow up for boxing.
• Part Three – Boxing the Cow at Opposite End of Arena – The exhibitor will again control or “hold” the cow for the remainder of time at end of the arena to demonstrate the horse’s ability to “hold” the cow.
• Part Four – Drive the Cow back down the fence past the middle marker and continue until the judge blows the whistle to show completion.

SHW564.2 Credits and Penalties. All runs begin upon entering the pen; any infractions (such as two hands on the reins, using either hand to instill fear or praise, etc.) are subject to penalty at that time. During “Boxing,” credit will be given for the horse’s expression and its ‘cow sense’ (i.e., making moves with little rider assistance); holding, controlling and turning the cow; the amount of work actually done; and the degree of difficulty of the work. Credit will be given during “Set Up Cow and Drive Down Fence” for rating the cow; blocking the cow with pressure toward the end of the arena; driving the cow with control down the side of the arena; and controlling a difficult cow. Penalties will be assessed as follows:

-1 Point Penalties: Loss of working advantage; working out of position; slipping rein; in limited cow work, failure to drive cow past the middle marker on second drive before time expired.
-3 Point Penalties: Knocking down the cow without having a working advantage; losing a cow while boxing.
-5 Point Penalties: Spurring in front of cinch; blatant disobedience; use of either hand to instill fear/praise; use of two hands (except in snaffle bit or hackamore) per maneuver; more than one finger between split reins or any fingers between romal reins (except two rein) per maneuver.
-10 Point: Unnatural ranch horse appearance (Horse’s tail is obvious and consistently carried in an unnatural manner in every maneuver).
-Off-Pattern (OP): Turning tail; failure to attempt any part of the class; leaving arena before run is complete; repeated blatant disobedience; schooling after entering the arena prior to calling for cow; schooling horse between cows (if new cow is awarded); cannot place above others who complete pattern correctly.
-Disqualification (DQ): lameness, abuse, illegal equipment, disrespect or misconduct, improper western attire, fall of horse/rider.

RANCH RIDING CLASS RULES:
• Ranch Riding will offer the following classes with descriptions to follow:
• Open – RHC 3-Year-Old & Up Ranch Riding
• Amateur – RHC 3-Year-Old & Up Ranch Riding
• Youth – RHC 3-Year-Old & Up Ranch Riding

SHW560. RANCH RIDING. The purpose of the ranch riding class is to measure the ability of the horse to be a pleasure to ride while being used as a means of conveyance from performing one ranch task to another. The horse should reflect the versatility, attitude and movement of a working ranch horse riding outside the confines of an arena. The horse should be well-trained, relaxed, quiet, soft and
cadenced at all gaits. The ideal ranch horse will travel with forward movement and demonstrate an obvious lengthening of stride at extended gaits. The horse can be ridden with light contact or on a relatively loose rein without requiring undue restraint, but not shown on a full drape of reins. The overall manners and responsiveness of the ranch riding horse to make timely transitions in a smooth and correct manner, as well as the quality of the movement are of primary considerations. The ideal VRH ranch riding horse should have a natural ranch horse appearance from head to tail in each maneuver.

SHW560.1 No horse may cross-enter western pleasure and ranch riding at the same show regardless of the division. Show management may run AQHA ranch riding and full versatility ranch horse ranch riding concurrently if held within a versatility ranch horse show. If held concurrently, AQHA ranch riding rules (SHW416-419.7) will apply.

SHW560.2 Horses shall be shown individually, and the class may be conducted inside or outside of an arena. The pattern may be started either to the right or left direction. Show management has the option to set markers to designate gait changes. If the class is held inside an arena, the course shall be set up to make approximately one pass of the arena in each direction. The optional ranch riding pattern may be used, or another pattern may be used as long as all elements of the class are fulfilled as follows:

- Horses will be shown individually at three gaits; walk, trot and lope in each direction of the arena.
- Horses will also be asked to reverse, stop and back.
- The judge must ask for an extended trot and extended lope at least one direction of the ring.

SHW560.3 CREDITS AND PENALTIES. Part of the evaluation of this class is on smoothness of transitions. A horse may be collected from the extended trot as the horse moves into the lope. The transition from the extended lope down to the trot is a transition to the seated trot not the extended trot. Therefore, an extra cue to achieve this gait is expected. Horses that complete this total transition within three strides calmly and obediently should be rewarded. Horses that attempt to stop or do stop prior to trotting will be penalized. Judges expect to see horses that have been trained to respond to cues. To see these cues applied discretely and the horse responding correctly could be a credit-earning situation. Penalties will be assessed as follows:

- **1 Point:** Over-bridled, out of frame, too slow, gapping mouth, break of gait at walk or trot for two (2) strides or less.
- **3 Point:** Wrong lead or out of lead, draped reins, break of gait at lope, break of gait at walk or trot for more than two (2) strides.
- **5 Point:** Spurring in front of cinch, blatant disobedience, use of either hand to instill fear/praise, use of two hands per maneuver, 1st or 2nd cumulative refusal, more than one finger between split reins or any fingers between reins (except two rein) per maneuver. Cannot place above others who complete pattern correctly.
- **10 Point:** Unnatural ranch horse appearance (Horse’s tail is obvious and consistently carried in an unnatural manner in every maneuver).

**OP** Off-Pattern: Breaking pattern, leaving working area before pattern is complete, repeated disobedience. Cannot place above others who complete pattern correctly.
**Disqualification (DQ):** Lameness, abuse, illegal equipment, disrespect or misconduct, improper western attire or fall of horse/rider.
