

SHEEP & GOAT SCRAPIE REPLACEMENT FORM

Attention:

-  A separate replacement form must be completed and submitted for each lost scrapie tag.
-  Submit the form on behalf of the exhibitor who will be showing if family nominated.
-  Exhibitors should be instructed to immediately notify their supervising CEA or FFA Instructor when a scrapie tag is lost or damaged.
-  This form **MUST** be sent in for all animals who have replaced scrapie tags. Call the Tulsa State Fair Livestock Office if you have any questions.
-  Scrapie tags should be replaced prior to arrival to the Fair. If a breeding ewe, breeding doe, meat goat or market lamb arrive without a scrapie tag, they will be disqualified.
-  All scrapie tag replacement forms must be submitted prior to Monday, September 28, 2020.
-  DNA samples collected at the fair from retagged animals must match the DNA hair sample submitted at the time of nomination.
