

Farm Equipment Operators Entry

County Verification Form

Exhibitor information and entry must be submitted online by September 6. This form is required to be uploaded with your online entry. A legal release must be signed and uploaded online with entry or mailed with a copy of your online receipt. For counties who hold the contest after September 6, you must email bherndon@tulsastatefair.com before September 6 to request submission of late entry. Click "Enable Editing" at the top to type in the fields below. Complete the required information then save document to your computer.

- ✓ Save this completed document to your computer.
- ✓ Follow the steps below to upload this document with your online entry:
 - After you checkout your online entry cart, you will be directed to upload files. Compare the WEN# on the online receipt to the WEN# on the upload website to make sure you are uploading the correct files for each exhibitor.
 - 2. In the first box click "choose file" click on your saved document then click "open" and "upload" to upload the county verification form.
 - 3. The next box, upload the legal release, "choose file" select the legal release and then click "open" and "upload".
 - If you cannot sign and PDF and the legal release then you can mail in the legal release with a copy of the online receipt by September 10.
 - 4. Click "Done" and then "Done" to confirm. We will not receive the files unless you complete this final step.
