SPECIAL RULES

1. The rules of the American Charolais Association, (ACA), and Tulsa State Fair will govern the show.
2. All animals to be eligible for an Open Charolais Breeding Class must be purebred and registered with AICA. Only bona fide (original) certificates of registration will be accepted as evidence of registration and ownership; no copies.
3. An animal is eligible to enter or compete in an open Charolais or Percentage Charolais breeding class if registered in country of origin outside the United States and is eligible for purebred or percentage registry in the AICA Herdbook.
4. All animals to be eligible may be approved by a sifting committee designated by the AICA. Stall space will not be provided for any Charolais or Percentage Charolais cattle that have not been accepted by the sifting committee.
5. Percentage Charolais Heifers must be composed of at least 50% and no more than 15/16 Charolais parentage. Heifers must have a RF or FP certificate of recordation with the American-International Charolais Association.
6. All animals are subject to a medical examination in order to determine age, and each animal will be present in the show ring in its natural conformation without alteration or modification. Use of artificial tail heads not permitted.
7. Any animal not having a legible tattoo or firebrand number is ineligible and will be barred from showing.
8. Bulls from classes 36, 37, 40, 41 and 42 must have a valid, satisfactory semen test certificate in possession.
9. All animals shown in individual classes must be weaned, with the exception of the Cow/Calf class and calves at the side of females calved after September 1, 2017. Calves at side must be purebred and registered with the AICA. In the Cow/Calf class the calf must have the opportunity to nurse. The judge may make the final placing decision based on these criteria. Females calved after September 1, 2017, must show in individual female class appropriate to age. Nurse cows are not permitted.
10. AICA requires that all animals be shown with a halter and suggests that all bulls be shown with a nose lead.
11. All females 20 months and older exhibited at AICA-sanctioned shows must be accompanied by a certificate of pregnancy from a licensed veterinarian or have produced fertile eggs as certified in a written statement by a licensed veterinarian or embryologist or have a calf at side.
12. All exhibits of Charolais or Percentage Charolais breeding cattle shall be governed by the AICA by-laws, article XV, titled exhibition of animals. The inspection of exhibit cattle is specified in article XV, paragraph c, of the association by-laws and non-compliance of exhibit inspection is specified in paragraph d of the same article xv.
