

## 2020-21 Walker County Fair

### Work Hour Requirements

Each exhibitor of the Walker County Fair must have 4 work hours in order to show their project(s).

Due to safety concerns arising from the pandemic, we will not be hosting the traditional Jamboree or Halloween Carnival.

However, in order to receive 1 work hour credit, the exhibitor may attend their project tag-in. In order to receive credit, the exhibitor must attend the project tag-in in person. Review our website for rules and forms prior to tag-in.

There will also be 3 workdays scheduled in the spring. Dates will be coming soon. The workdays will be 3 hours in duration. Exhibitors must attend and participate in order to receive credit. Also, committees may offer specific workdays to prepare their show area.

We appreciate everyone's flexibility and support of our exhibitors during these unprecedented times. Thank you in advance for coming together to support the youth of Walker County!
