- 1. On-line Registration/Entry Deadline is May 15, 2020. Please refer to the JLA rules for all dates, policies and procedures that pertain to online entries and fees.**
2. Market barrow entries will be subject to the General Rules and Regulations and the Jr. Livestock Division Rules, except where they conflict with the rules of this show, in which case, the Show Rules prevail.
3. Exhibitors in this division will have the opportunity to attend an optional educational program relating to their species on both August 2, 2020 and August 30, 2020 at 2 p.m. at the fairgrounds. Specific subject matter will be advertised prior to the meetings.
4. Only barrows are eligible and must be identified by Washington County Fair Association ear tags, and be on feed and ear tagged on June 6, 2020 from 7:00 to 8:30 a.m.
5. Exhibitor may tag in three (3) barrows, or a family may tag three (3) barrows per exhibitor. They do not need to specify which barrow belongs to which exhibitor at tag - in. All barrows must be tagged at the fairgrounds and will remain on trailers for ear tagging. If barrow loses an ear tag, exhibitor must notify the Fair Office within seven days.
6. Each exhibitor can enter only one (1) barrow in the show. The barrow must be specified to an exhibitor before they are weighed in at the show and will not be changed under any circumstances.

7. Barrows must weigh between 230 - 280 lbs., and will be given a 4 lb. margin.
8. Barrows must be in the barn, Tuesday, September 15 by 4:00 pm. Barrows will be weighed from 2:00 p.m. – 4:00 as they arrive. Barrows will be weighed only one time. Over/under weight barrows will be re-weighed immediately. An exhibitor may weigh a 2nd barrow if their first one weighs out light or heavy and if they can have it in the barn by 4:00 pm. Barrows must have ear tags before leaving trailer.
9. At the time of weigh in, if an exhibitor does not agree with the weight of the barrow, they may ask for a re-weigh while the barrow is on the scale. At that time the barrow will be brought back to the scale, and the scale will be zeroed. The barrow will be re-weighed and the new weight will be the official weight entered.
10. The only scale other than the official scale allowed in the barn will be a courtesy scale supplied by the fair. However, this scale is not official and should not be considered as such.
11. Barrows will be shown in one division regardless of breed. Classes will be divided as equitably as possible as determined by the committee prior to judging.
12. No oil, paint, powder or other dressing will be permitted on barrows. Only water will be allowed. Clipping will not be permitted on the fairgrounds.
13. Ribbons will be given for placings 1 to 10 in all market classes.
14. Pens must be kept clean at all times.
15. Non-sale barrows will be released Sunday, September 20 from 7:00 a.m. until 9:00 a.m. by the committee members. Barrows must be signed for before being released.
