

Washington County Fair Association
2020 Junior Livestock Division Entry Certification Form as Revised

As valid consideration for entry into and participation in the Washington County Fair, the undersigned Exhibitor and his/her Parent or Legal Guardian, enter into this RELEASE OF LIABILITY & INDEMNITY, AND DRUG CERTIFICATION AGREEMENT.

The undersigned certify that each has read, understands and will abide by all rules and regulations of the Washington County Fair Association (WCFA). Furthermore, the undersigned certify that all entries will be FREE OF ALL DRUG AND CHEMICAL RESIDUES upon arrival to Washington County Fairgrounds and will remain free of all drug and chemical residues while on show grounds. We, the undersigned, understand that the time it takes for drugs and chemicals to be entirely excreted from the body through the urine of animals is generally longer than the labeled FDA and USDA withdrawal times for most approved drugs and chemicals.

Veterinarians/Medication: If an animal requires emergency treatment while on Show grounds, only the Official WCFA Veterinarian will be allowed to administer any drug, chemical or feed additive and a written medication record must be filed. All treatment cost are the responsibility of the exhibitor. Animals receiving performance enhancing drugs (e.g. steroids, diuretics, anti-inflammatories, tranquilizers and painkillers, etc.) in this manner are ineligible for competition. Each year the Washington County Fair Association solicits the services of a licensed veterinarian to serve in the capacity as the "Official Fair Veterinarian". The need for a substitute veterinarian may arise from time to time due to the unavailability of, or conflicts that may arise with the Official Fair Veterinarian. Any actions or decisions of the Official Fair Veterinarian or any substitute veterinarian recommended by the Official Fair Veterinarian will be considered to be the veterinarians' professional judgment for the best interest of the animals' health and well-being. An Exhibitor may choose a licensed veterinarian other than the Official Show Veterinarian, but the Official Show Veterinarian MUST be notified in advance and he/she MUST be present during treatment.

The Official WCFA Veterinarian, reserves the right to treat any animal if, in the opinion of the Official WCFA Veterinarian, it is in the best interest of the animal's health and well-being to be treated. If an animal is treated by the official fair veterinarian while at the Show and the medication administered exceeds 15 days withdrawal time, the animal(s) will be disqualified and not allow to be shown. Should a placing animal(s) receive treatment requiring a 15 day or less withdrawal period, the WCFA will feed the animal for the duration of the withdrawal period with a charge to the exhibitor for the feed. The undersigned hereby release the Show from any damages which might arise out of such feeding.

The Exhibitor agrees to submit any animal, breeding and/or market entered by him/her to inspection by any veterinarian or testing agency appointed by the WCFA and agrees to have such animal submitted to such tests as maybe requested at any time. WCFA reserves the right to have ultrasound, D.N.A., blood, Tissue and/or urine laboratory analysis made on any animal entered for competition. The Exhibitor, including his/her Parent or Legal Guardian, must be present during the collection for testing. The conclusions reached by the testing agency and analyses shall be final and conclusive without recourse against WCFA or any officer, director, employee, independent contractor or agent thereof, including without limitation, any veterinarian or testing agency appointed by the WCFA. WCFA maintains a ZERO TOLERANCE policy, therefore exhibitor waives any right of action or formal protest which he might have for any action taken under these rules.

As breeding animals (Colts & Heifers) are not entering the food chain, the USDA Wholesome Meat Act does not apply; however, breeding animals will be closely screened for any performance enhancing compounds. This includes, but is not limited to steroids, diuretics, anti-inflammatories, tranquilizers and painkillers.

In the event any animal is declared by the testing agency to be in violation of the use of drugs, chemicals or feed additives as described above, the animal shall be disqualified and the exhibitor will forfeit all awards, prizes, auction proceeds and/or premium money and/or add on money as well as recognition associated with placing including but not limited to WCFA website for the positive tested animal. The exhibitor of an animal declared to be in violation of the use of drugs, chemicals or feed additives as described above will not be eligible to enter any WCF Jr Livestock Show for a period of two years following the initial infraction. In the case of a second violation of the use of drugs, chemicals or feed additives the exhibitor will be banned from entering in any WCF Jr. Livestock Show for the duration of their Jr. Show career.

RELEASE FROM LIABILITY: The undersigned hereby RELEASE, ACQUIT AND FOREVER DISCHARGE AND AGREE TO DEFEND, INDEMNIFY AND HOLD HARMLESS WCFA, its present and former directors, officers, employees, agents, representatives and veterinarians and the respective heirs, administrators, executors, successors and assigns and any other person, firm or corporation (collectively, the "WCFA Parties" or individually, an "WCFA Party") from any and all claims, causes of action, suits and/or demands for personal injury, death or property damage, accrued or to accrue in the future, known or unknown, (collectively, "Claims") relating to or arising out of any negligent, grossly negligent and/or intentional or unintentional acts on the part of the undersigned in connection with entry into and participation in the Washington County Fair. Without limiting the foregoing, the undersigned agree that the WCFA Parties shall not be liable to them, their family, heirs, administrators, executors or assigns for Claims arising from or related to the undersigned Exhibitor's entry into and participation in the Washington County Fair.
