The Washington County Fair Board met for their regular monthly meeting in the U. S. National Bank building at 8:00 p.m., with all members present.

Robert Hockersmith was present relative to contract on the race track pertaining to hot-rod racing. After the same was read it was signed by Hockersmith and fair board authorities with the understanding if insurance could be obtained by the fair board with their liability to cover it would be added in the agreement or if it could be obtained at a nominal figure it would also be added and charged to Hockersmith, as it would be a big help to them in paying off the mortgage on the grandstand.

Mr. Abts announced Dr. Soderholm, veterinarian, had offered to donate 5 calves for a calf scramble during the fair. Motion was then made by Abts, seconded by Lindow and passed that we accept this offer of Dr. Soderholm and endeavor to get other calves for the scramble also.

to be awarded on the three leading breeds and all other breeds would be listed under one class to compete.
