Mr. Lindow reported he had checked with Paul Reeder, Attorney, about the 1/4 of one mill the court was to give to the Fair Board. The law reads "The Court may give -". No action will be taken on this at this time.

The Secretary was advised to call Mr. Bond of Permapost asking them to clean up the property.

The Secretary was ordered to write Mr. Mason concerning the amusement rides during the fair.

Mr. Johnson suggested we have an advertising agency meet with the board to ~~handle~~ discuss handling all of the advertising of the Fair. He will contact an agency on this.

A new pipeline to the wash racks was brought up. It was suggested that Mr. Ball check on this to see if a bigger line could be put in before the Fair.

The budget was discussed and Mr. Johnson made a motion that the board accept the proposed budget, Mr. Simantel Seconded, the motion carried.

As there was no further business, the meeting was adjourned at 11:30.

Respectfully submitted,

Betty Shearer, Sec.

The Secretary received a call from Mr. Johnny Walker stating he could not get much of a show for \$1000.00 and asked that the budget be set at \$1200.00. The Union had raised all of the rates which ~~increased~~ increased the cost of all acts. The Board agreed this would be met. Mr. Walker also informed the Secretary, he would hold the price down as much as he could and try to keep under the budget.

A. W. Lindow
