

Fairgrounds
August 20, 1966

This special meeting was called with all members present.

During the first day of the Open Class Horses at Halter, it was brought to the attention of members of the board that all but 4 of the horses had been removed at 8:00 p.m. It was moved, seconded, and carried that the premiums be paid, that the horse superintendent be informed of the board's displeasure, and that a note (attached) be sent with the horse exhibitor's checks.

Mr. Lindow asked for the board's approval to break the two different

"Other Breeds" in Dairy into separate classes since the two different exhibitors were unhappy. The board agreed to allow this since the amount of money would not be great.

Dr. McGough asked that the Secretary write a letter to Tom Day, Superintendent of the 4-H Barn, thanking him for a job well done.

Copy - Since you removed your exhibit before 10 P.M., August 19, 1966, we are paying this premium as a courtesy. In future years, all rules governing the horse division will be ~~rigidly rigidly rigidly~~ rigidly enforced.
