

FAIR BOARD MEETING.

WEDNESDAY, FEBRUARY 26, 1936.

Meeting of the Fair Board with the County Court was held in the office of the County Court. Present all the Fair Board members and all of the county court.

The matter of a fair for the coming year was discussed from a financial standpoint. The board requested the County Court to back the Fair up to \$1000, which the court refused, but guaranteed that all of the dog racing money which should come in this year would be used for a 1936 county fair if the same was held; that the amount that was overdrawn from the racing fund for 1935 would be forgotten.

The county court also guaranteed that in case the buildings needed repairs they would advance \$200 for the same as against the 1936 racing fund if this amount was needed and the labor performed by the WPA.

There being no further business the meeting adjourned.

C. D. Minton,
Secretary, pro-tem.
