October 9, 1968

This special meeting was called to order by Chairman Gardner at 8:10.

Six members of the Hillsboro Jaycees met with the Board to discuss the split show and how this would effect their celebration.

Mr. Gardner explained what the Board desired and what is expected of the Jaycees. Among things discussed were:

The dates for the Rodeo - Three day ? Matinee on the 4th?
The Fireworks with KISN - they need the arena from early evening on
Other arena usage
Wiring problems - who is to stand the cost of this
If the Jaycees/Kisn get a name attraction here, when could they use
the arena
Payment to the Board - Board requests 15% of gross - NOT net
Sewage problems - who is to stand the cost
Jaycees to have control of the carnival and their own beer garden

The main trouble area was use of the arena. Dr. McGough stated as soon as the Rodeo Committee can locate a stock contractor for those dates it will be confirmed and then use can be scheduled.

The Jaycees will take this back to their committee and discuss all of this further and will then contact Manager Holt to draw up an organizational program and outline trouble areas to be brought before the Board.

Respectfully submitted,

Betty Shearer, Sec.
