WHIDBEY ISLAND

FAIR

JULY 18-21, 2019

WELCOME

to the WHIDBEY ISLAND FAIR

Grand Marshals Chuck and Judy Prochaska

This handsome married couple of 43 years moved to Whidbey Island in 1998 setting up their homestead in beautiful Greenbank, WA. Chuck worked as an Aerospace Engineer at Boeing and Judy spent her working career as an office manager at Coldwell Banker until they both retired in 2000. However, the work had just begun.

They transferred their membership to the local Deer Lagoon Grange and joined the Island County Fair Association. Chuck soon became Master of the Deer Lagoon Grange, a position he would hold several times over these past 19 years. With their involvement and the help of all the Grange members, the Grange Hall has become a gathering spot that hosts programs for the betterment of the public including annual community sales and monthly "Quilts for Veterans" sessions.

In addition to facilitating the Deer Lagoon Display at the Fair, he became the superintendent of the entire Open Class Agricultural Division in the Burrier Building annex. With Judy supporting and assisting him at every step along the path, the Ag Division has grown to six strong categories that include the traditional fruits, vegetables, grains along with honey, compost and the famous Veggie Critters that bring exhibitors both young and old.

These two have dedicated their retirement years not only volunteering their own time but engaging others to promote the values and mission of the Grange and the Fair.

PETE the Band

PETE is a non-profit organization dedicated to playing no original music in an effort to increase the fabric of goodwill in the community and the world at large. A rough and ready combo playing covers and getting better at it all the time.

Western Heroes

The "Western Heroes", Michael Licastro, David Licastro, David Maloney and Lorraine Newland, are a uniquely South Whidbey group drawing upon decades of involvement in the island music scene. They feature original music composed by the Licastro brothers that spans multiple genres - rock, funk, punk, country, reggae and polka. Their shows are highly energetic, very danceable and are highlighted by the virtuoso talents of lead guitarist, David Licastro.

The Marlin James Band

The Marlin James Band is one of the Northwest's hottest Country bands! With a list of over 700 songs, they are able to satisfy a huge range of requests. Their mixture of high energy Country Music and Classic Rock has been deemed "ROCK 'N' ROLL WITH A SADDLE ON IT"!

Hair Nation

Hair Nation, the Pacific Northwest's Premier 80's Hair Rock Band, recreates the experience of the mid-80's hair rock scene with powerful and highly melodic performances, as well as authentic outfits and stage show. We don't claim to be the original artist, we just love to pay homage to what the '80's rock scene was all about - the PARTY! The sights and sounds of Van Halen, Motley Crue, Bon Jovi, Def Leppard, AC/DC, Twisted Sister, Whitesnake, Gun N' Roses, and more!

Wally & The Beaves

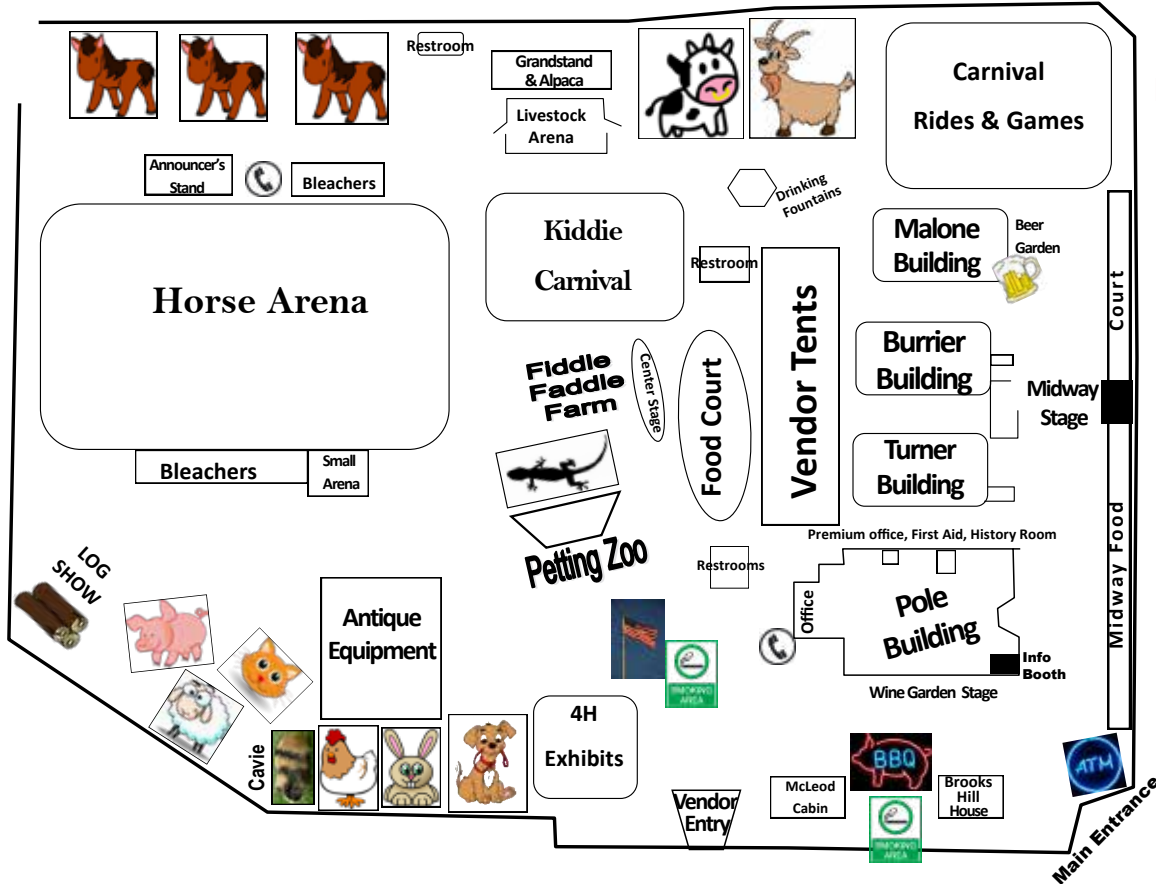

Born out of a mutual love of the music and pop culture from the 50's, 60's, 70's & 80's, Wally & The Beaves formed in the spring of 2011 by six of the most respected artists and musicians in the Pacific Northwest. Their unique show has been gaining a loyal following ever since. Each member of the band brings a bit of humor by dressing like well-known iconic characters from the era. From The Beatles to The Rolling Stones to Elvis by way of Ricky Nelson and Cyndi Lauper, Wally & The Beaves are sure to put on an entertaining show.
