

THIS IS FOR FAIR TIME ONLY

Whidbey Island Fair
Campground Rules and Regulations
Deadline: June 26th

4-H LEADERS: Please submit ONE club check to the Whidbey Island Fair

Camping sites are \$50 with hookups (power and water) or \$30 without hookups. Tent spaces do not have power and water hook-ups. **The majority of power poles have 15 amps. Power is not guaranteed to any site; units requiring 50 amps are not allowed. Air conditioners may not be used. If power cannot be accessed and it has been paid for, the only recourse that will be made is a \$20 refund.** Camping fees are for up to five nights of occupation, Tuesday through Saturday nights.

Units may not exceed 30 feet in length; NO TIP-OUTS. This rule will be strictly enforced and units will be measured, so do yourself a favor and measure it at home before bringing it to the fairgrounds. **Camping units will be placed at the discretion of the campground superintendent.** If space allows after placement of all size-appropriate rigs, oversize units or those with tip-outs will be accommodated. The fee for such units is \$100.

Be courteous in this tight space; there is no room for space hogs just because you got there first. ENCAMPMENTS that impede the ability of neighboring units to enter and exit their trailers are not allowed.

1. A designated adult is responsible for all persons staying in their assigned space. 4-H'ers and children are not allowed to remain overnight unsupervised by a parent/guardian.
2. A placard **MUST** be placed in the window of the campers' truck, RV or other rig with:
NAME, CLUB NAME and SPACE NUMBER, so you can be located if there's a problem.
3. Campers must bring their own electrical adapters, extension cords, hoses and hose splitters.
4. **NO GREY WATER MAY BE DUMPED ON THE GROUND**, either from holding tanks into dug holes or from containers onto the ground. This is by order of the Island County Health Department, and violation of this rule will result in the camper's immediate removal from the grounds.
5. **All camping units must be in place before 8 p.m. Monday July 15th.** No automobiles, trucks, or other vehicles are allowed in the camping area after they have been unloaded. Any vehicle in the campgrounds during the fair, not parked in an assigned camp space and used for sleeping, will be towed at the owner's expense. This rule will be enforced starting on Tuesday. No attempt will be made to find the owner. After 8 p.m. Tuesday July 16th, only vehicles with authorization posted in the window will be allowed to remain.
6. Camping units will be allowed to leave the campgrounds **ONLY AFTER THE ANIMALS HAVE EXITED ON SUNDAY EVENING.** It is both difficult and unsafe to have children running around and camping units trying to exit at the same time as trucks and trailers are hauling animals.
7. Quiet hours are 10 p.m. to 7 a.m. Early risers are asked to be as quiet as possible.
8. Each sleeping accommodation must have a usable fire extinguisher, and campers must know how to use it.
9. **NO ALCOHOLIC BEVERAGES** are allowed in the campground area.
10. Ice is generally available; ask the campground superintendent for details.
11. **ONLY 4-H animals** that have been vet checked are allowed to stay in the campgrounds; please make other arrangements for family pets. 4-H animals must be on a leash at all times.
12. **YOU MUST ONLY OCCUPY THE SPACE THAT HAS BEEN DESIGNATED TO YOU.**

Violation of these rules is just cause for the camper's removal from the grounds by fair management.
