You live on a 25 acre farm in Williamson County, TN. Today is the day you decided to harvest your corn.
Now that your corn is harvested, you can decide to either

A. Sell all
your corn

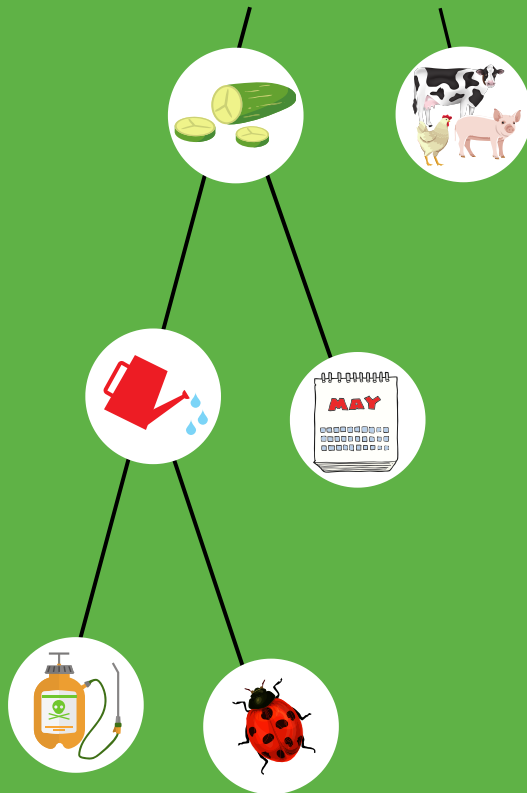

B. Keep all
your corn

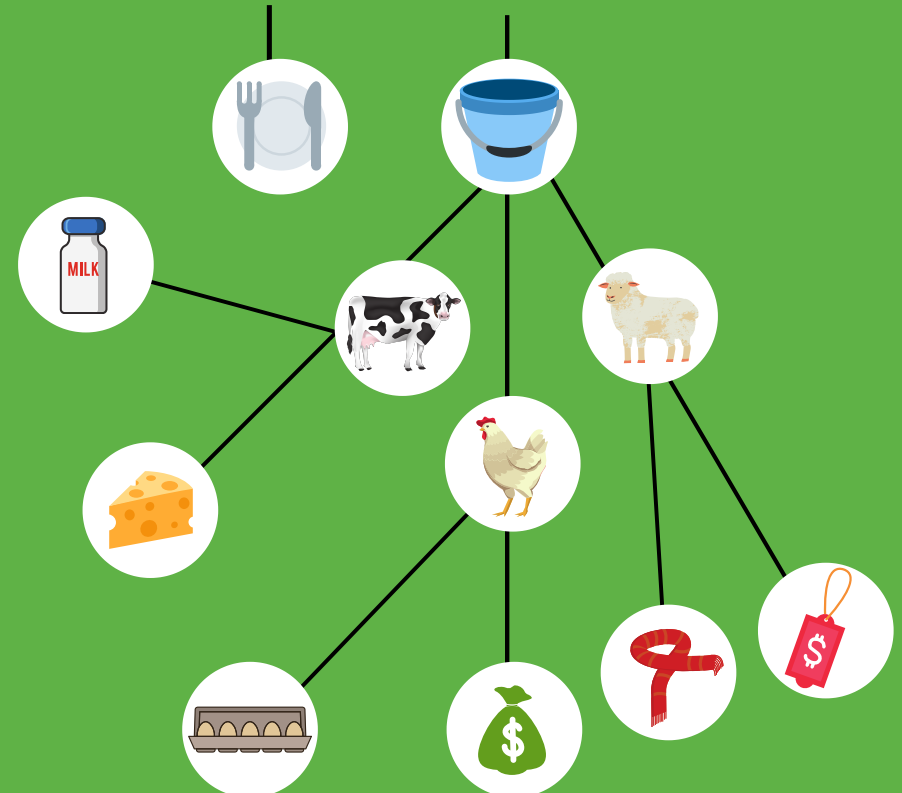

PATH A

You have decided to sell your corn.
How will you spend your earnings?

PATH B

You have decided to keep your corn. You have
two options for what you can do with it.
