We further certify that we will not administer and, to the best of our knowledge, this entry, Roaster, Broiler (**circle all that apply**) will not receive any substance not approved by the FDA and/or USDA for consumption by animals. This entry will not be within any withdrawal time relative to the administration of any drug, chemical, or feed additive approved by the FDA and/or USDA by the time the animal(s) is/are officially weighed in at the show.

If an animal requires emergency treatment while on the show grounds only a licensed veterinarian will be allowed to administer any drug, chemical, or feed additive. If an animal(s) is disqualified it must be removed from the Show grounds by the exhibitor immediately.

We certify that we understand that the South Texas State Fair reserves the right to condemn and/or disqualify any animal either live or slaughtered, or any animal found with a quantity of diuretic or any unapproved medication and the exhibitor will forfeit all auction sale and/or premium money. If the animal is disqualified, the exhibitor will be barred. If an animal(s) is disqualified for testing positive and/or the carcass condemned at slaughter, the class placing may be changed.
